

Lac Mégantic

FORCE OF NATURE | THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from
National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG)

Mégantic Terror Attack ?!?!?!?

Lac-Mégantic is a town in the Estrie Region in Southern Quebec, with a population of 6000.

The town is located on Lake Mégantic, a fresh-water lake after which the town was named.

The Lac-Mégantic Derailment Disaster occurred on July 6th, 2013, when an unattended 73-car freight train carrying crude oil ran away and derailed, as a consequence of which multiple tank cars caught fire and exploded.

Over 50 people were vaporized, and more than 30 buildings in the town's centre were incinerated.

Observers have speculated that the derailment was the result of an act performed by Eco-Terrorists (a.k.a. Environmental-Terrorists).

Mégantic Mystery :

Looking For Possible Suspects In Quebec Disaster ?

Try Anti-Oil Anarchists

Selected and Adapted Excerpts

Possible Suspects In Quebec Disaster

Is ECO-TERRORISM to blame for the explosion and fire in Lac-Mégantic, Quebec ?

Thomas Mulcair doesn't think so.

[Mulcair is the Leader of the Official Opposition in Canada, and a New Democratic Party (NDP) Member of Parliament. NDP operates as the POLITICAL SHIELD for Anti-Pesticide and Environmental-Terrorist Organizations.]

Mulcair thinks Stephen Harper is to blame.

[Harper is the 22nd and current Prime Minister of Canada and the Leader of the Conservative Party.]

Mulcair says Harper has cut back on inspections of Canadian trains, so that's why so many people were killed.

The problem with that theory, though, is Inspector Mulcair made his conclusions mere hours after the explosions, while fire-fighters were still working.

That is, Mulcair JUST MADE IT UP.

And then there's the troublesome fact that in the past four years, the Conservatives have added 20 new railway inspectors and auditors to the national system, taking the number to 103.

Train derailments are actually down 26 per cent since 2007.

Well, is there any other possible explanation ?

The railway company itself put out a press statement stating —

The locomotive of the oil train ... was shut down subsequent to the departure of the engineer ... which may have resulted in the release of air brakes on the locomotive that was holding the train in place.

In other words, after their engineer parked the train for the night, SOME-ONE MAY HAVE TAMPERED WITH IT.

Possible Suspects In Quebec Disaster (cont)

Ed Burkhardt, the railway chairman, said someone FIDDLED WITH THE BRAKING MECHANISM from both outside and inside the train.

If that's true, WHO WOULD DO SUCH A THING ?

Canadian ANARCHISTS might.

In fact, they did, if they're to be believed.

On June 26th, 2013,, an ANARCHIST WEB-SITE bragged that they « *disrupted* » both the CN and CP mainline near Hamilton, Ontario, by TAMPERING WITH RAILWAY WIRING.

They did so out of solidarity with other protesters who had broken into a pipeline pumping station, they said.

They wrote —

Freight traffic is an easy target for our resistance.

It's one thing for anonymous braggarts to make a claim on-line.

It's another to build a blockade on the train tracks and put out a press release.

But that's exactly what an EXTREMIST GROUP in Maine did two weeks ago.

They swore they'd stop trains of oil from North Dakota headed for Canada — JUST LIKE THE ONE THAT BLEW UP IN LAC-MEGANTIC.

The group is called 350 Maine, and they blockaded the railway into the dead of night, until police finally arrested six of them.

The actions of 350 Maine are part of a U.S. campaign that's called Fearless Summer.

In Canada, it's called Sovereignty Summer.

Same tactics, same funders, same organizers.

It's « *direct action* » is AGAINST OIL COMPANIES.

Possible Suspects In Quebec Disaster (cont)

Their typical tactic is VIOLENCE AGAINST PROPERTY and DEFIANCE OF POLICE.

An exploding fireball that kills people is not in their playbook.

But what if some activist thought he was simply SABOTAGING A TRAIN TO CAUSE IT TO LEAK OIL OR TO FALL OFF THE RAILS — no risk to life — but instead it accidentally went hurtling into a town to explode ?

That's the thing about INDUSTRIAL VANDALISM — it doesn't always go as planned.

Did some overly passionate Fearless Summer activist come up from Maine to finish the job ?

Did some of the activists from the Enbridge pumping station go to Quebec for a project ?

We don't know.

Like Thomas Mulcair, we're still guessing.

But it is a public fact that the Oil Industry is UNDER ATTACK both north and south of the border, and ANTI-OIL ANARCHISTS BRAG ABOUT SABOTAGING TRAINS.

The question for Quebec investigators is whether they'll follow up with AVOWED LAW-BREAKING ENEMIES OF OIL TRAINS — or just keep pretending they don't exist in a country as civilized as ours.

Environmental Terrorism

NEVER Ends

Background Information From An Independent Perspective

The REAL Tragedy About The Lac Mégantic Disaster

The REAL tragedy about the Lac Mégantic Disaster is the possibility that it was actually a TERROR ATTACK perpetrated by a NETWORK OF SO-CALLED ECO-TERRORISTS (a.k.a. ENVIRO-TERRORIST-ORGANIZATIONS).

In several jurisdictions across Canada, these SAME TERRORIST-ORGANIZATIONS have INFLICTED DAMAGE, although mostly non-violent, against thousands of hapless victims who have relied upon businesses in the Professional Lawn Care Industry.

Their typical tactic is DESTRUCTION OF BUSINESSES and INVALIDATING LEGITIMATE GOVERNMENT AGENCIES like Health Canada.

These TERRORIST-ORGANIZATIONS have INTERFERED IN PARTISAN POLITICS by CONSPIRING TO PROHIBIT against pest control products used in the Urban Landscape.

Consequently, they have DESTROYED BUSINESSES, ASSETS, CUSTOMERS, HOMES, LIFESTYLES, JOB SECURITY, WELL-BEING OF CHILDREN FAMILIES AND LOVED ONES, and HOPE FOR THE FUTURE.

The REAL Tragedy About Mégantic (cont)

They are ENVIRONMENTAL RAPISTS, of sorts, since people PLEAD WITH THEM TO STOP, and yet, they NEVER STOP HURTING AND RAPING.

Since it is a fact that these organizations TERRORIZED THOSE LAW-ABIDING AND TAX-PAYING PEOPLE WHO RELY UPON PROFESSIONAL LAWN CARE, it is quite conceivable that these very same organizations are also PART OF THE NETWORK that perpetrated the yet-to-be-confirmed Lac-Mégantic Terror Attack.

Same NETWORK. Same TERRORIST-ORGANIZATIONS.

Here are examples of NATIONAL organizations ...

Canadian Association of Physicians for the Environment (CAPE)
Canadian Breast Cancer Foundation
Canadian Cancer Society (CCS) — All Divisions, Every Province
Canadian Environmental Law Association (CELA)
Council of Canadians
David Suzuki Foundation
Ecojustice Canada (formerly Sierra Legal Defence Fund)
Environmental Defence Canada
Golf Canada (a.k.a. Royal Canadian Golf Association, SHIELD for Canadian Cancer Society)
Green Party of Canada
Greenpeace
Learning Disabilities Association of Canada
Neudorff Canada (the manufacturer of Fiesta Herbicide)
Ontario College of Family Physicians
Prevent Cancer Now (SHIELD for Canadian Cancer Society)
Registered Nurses' Association of Ontario (RNAO)
Sierra Club — All Chapters, Every Province
The Leukemia and Lymphoma Association of Canada
World Wildlife Fund (WWF)

These TERRORIST-ORGANIZATIONS want to SHOOT'EM UP and WREAK MORE AND MORE DESTRUCTION.

Each of us has a natural right, from God, to defend his person, his liberty and his property from these terrorists.

Otherwise, Environmental-Terrorism NEVER Ends.

FORCE OF NATURE | THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from
National Organization Responding Against HUIE that seek to harm the Green Space Industry (NORAHG)

N O R A H H G

We are living in the 9|11 Era of Anti Pesticide Terrorism where at least ONE SUBVERSIVE ACT OF TERROR is Perpetrated EVERY SINGLE DAY by enviro lunatics.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUEENDO, and INTERNET RUMOUR. — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment.

NORAHG is a NATIONAL NON PROFIT NON PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

Anti Pesticide HUJE are enviro lunatics and lawn haters who particularly DESPISE the golf industry — they are Hateful Underhanded Jokes as Environmentalists who have been WRONG FOR OVER 50 YEARS.

There is NO RECOURSE but LITIGATION against Anti Pesticide HUJE.

Another RECOURSE is to SEEK the CANCELLATION of GOVERNMENT GRANTS and REVOCATION of the TAX EXEMPT STATUS of Anti Pesticide Organizations.

HUJE should Get OFF Our grASS, and they should Roast In Hell.

NORAHG manages the Library of Force Of Nature Reports and References, which is a VAST ARCHIVE of REPORTS, MEDIA REFERENCES, AUDIO CLIPS, and VIDEOS on ALL Anti Pesticide Terrorist Acts of Subversion.

The purpose of this ARCHIVE is to provide information that will lead to a SUCCESSFUL LITIGATION AGAINST Anti-Pesticide Organizations.

All names, statements, activities, and affiliations have been ARCHIVED for the intention of eventual CRIMINAL CHARGES.

When CRIMINAL CHARGES for FRAUD and CONSPIRACY are laid, legal experts say that the ARCHIVE is sufficient to lead to a SUCCESSFUL PROSECUTION !

NORAHG also produces FORCE OF NATURE, reports that present THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE about environmental issues, including anti pesticide terrorism.

FORCE OF NATURE is a series of reports destined for the green space industry, the environmental terrorist movement, governments, and the media, nationwide across Canada, the United States, and overseas.

FORCE OF NATURE is committed to SOUND SCIENCE, as well as ground breaking original reporting that informs, entertains, and creates real change.

The Force Of Nature Series of Reports — Agriculture • ALBERTA Conspiracy • Bee Colony Collapse Disorder • Benefits of the Turfgrass Industry • Beyond Pesticides • Books That Screwed Up the World • BRITISH COLUMBIA Conspiracy • Canadian Cancer Society • Canadian Association of Physicians for the Environment • CARNAGE and Consequences of Lunatic Terrorist Prohibition • Controversial Prohibitions • Culprits of the Prohibition Conspiracy • Daffodils, Toxic Pesticide Treated Flowers Soaked Formaldehyde • Dating Services for Enviro Maniacs • David Suzuki Foundation • DDT and Our World of Politized Science • Death and Illness (Alleged) • Departure Letters • Ecojustice Canada • Energy Sector • Environmental Terrorists UNMASKED • Environmental Terrorist Organizations • Enviro PROFIT • Environmental Defence • FAILURE of IPM, Pesticide Manufacturers, Prohibition, Trade Associations • Famous Quotations About Enviro Lunatics • Fertilizer TERROR • Food and Farming • Get Off Our grASS • Global Warming, The Scam of Our Lifetime • Glyphosate Herbicide • Golf Industry • Green Alternatives • Green Party • Halloween Terror • Happy Holidays • Health Canada • Health Concerns with Pest Control Products • Heroes Speaking Out Against Environmental Terror • History of Environmental Terror in Canada • History of the Turfgrass Industry • Letters to the Editor • LIARS and Lying Sacks of (Enviro Maniac) Cwap • Mock Advertisements • Mock Speeches • Myth BUSTING • NATIONAL Prohibition • NEW BRUNSWICK Conspiracy • NO Prohibition Exception for AGRICULTURE Industry • NO Prohibition Exception for GOLF Industry • NOVA SCOTIA Conspiracy • North America Free Trade Agreement (NAFTA) • ONTARIO Conspiracy, Haven For Environmental Terrorists • Ontario College of Family Physicians • Organic Golf Courses • Organic Maintenance • Organizations of the Prohibition Conspiracy • Pesticide Q & A (Questions and Answers) • Positive Waves (Interesting and Innovative Thinking) • PRINCE EDWARD ISLAND (PEI) Conspiracy • QUEBEC Prohibition • Quotations About Enviro Lunatics & Maniacs • Rachel Carson,

The information presented in FORCE OF NATURE has been developed for the education and entertainment of the reader by providing a sequence of events WITH COMMENTARY, striving for accuracy in history, politics, and science.

FORCE OF NATURE is TOTALLY INDEPENDENT and provides NO guarantee regarding accuracy or completeness. In no event shall FORCE OF NATURE be liable for any incidental or consequential damages, lost profits, or any indirect damages.

NORAHG also produces A LOOK AT, a series of reports providing TECHNICAL INFORMATION on issues such as Career Management, Golf Course Maintenance, Green Alternatives, Summer Stress, Turfgrass Pests, and Turfgrass Species.

Finally, NORAHG frequently responds to anti pesticide activists in LETTERS TO THE EDITOR in newspapers across Canada and around the world.

All information, excerpts, and pictures contained in FORCE OF NATURE, A LOOK AT, and LETTERS TO THE EDITOR were retrieved from the Internet, and may be considered in the public domain.

FORCE OF NATURE, A LOOK AT, and their various incarnations, was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.

Here is a brief summary of Mr. Gathercole's career —

Fields of study — Horticulture/Agriculture, Mathematics, Physics

Alma mater — McGill University • University of Guelph • the first person ever to obtain university degrees and contribute to both the professional lawn care and golf maintenance industries

Expertise in — environmental issues and anti pesticide terrorism • turf and ornamental maintenance and troubleshooting • history of the industry • sales and distribution of seeds, chemicals, fertilizers, and equipment • fertilizer manufacturing and distribution

Notable activities — worked in virtually all aspects of the green space industry, including golf, professional lawn care, distribution, environmental compliance, government negotiations, public affairs, and workplace safety • supervisor, consultant, and, programmer for the successful execution of hundreds of thousands of management operations in the golf and urban landscape, as well as millions of pest control applications • advisor, instructor, and trainer for thousands of turf and ornamental managers and technicians • pesticide certification instructor for thousands of industry workers • founder of the modern professional lawn care industry • prolific writer for industry publications and e-newsletters • first to confirm the invasion of European Chafer insect in both the Montreal region and the Vancouver / Fraser Valley region • with Dr. Peter Demoeden, confirmed the presence of Take All Patch as a disease of turf in Eastern Canada • with Dr. David Sheljar, confirmed the presence of Kentucky Bluegrass Scale as an insect pest in South Western Ontario, and later, in the Montreal and Vancouver regions

Special contributions — creator of the exception status that has allowed the golf industry to avoid being subjected to anti pesticide prohibition • creator of the signs that are now used for posting after application • co-founder of annual winter convention for Quebec golf course superintendents • the major influence in the decision by Canadian Cancer Society to stop selling for profit pesticide treated daffodils • the only true reliable witness of the events of anti pesticide prohibition in the town of Hudson, Quebec • retired founder of FORCE OF NATURE and A LOOK AT reports

Notable award — the very first man of the year for contributions leading to the successful founding of Quebec professional lawn care industry, which served as a beach-head against anti pesticide activists in the 1980s and 1990s

Legacy — Mr. Gathercole and his colleagues ... designed and implemented strategies that reined anti pesticide activists to provide peace and prosperity for the entire modern green space industry across Canada • orchestrated legal action against anti pesticide activists in the town of Hudson, Quebec • launched the largest founding professional lawn care business in Canada • quadrupled the business revenues of one of the largest suppliers in Canada

Mr. Gathercole is now retired, although his name continues to appear as founder of FORCE OF NATURE and A LOOK AT reports.
