

Dear Sir/Madam,

Right now, there's a little girl fighting for her life. She's been fighting cancer since she was in kindergarten. **She won once, but it's back again.**

She's not about to give up though. Neither is her friend Kristina. Kristina is only 8 years old, but she understands that her friend needs all the support she can get to win this fight.

That's why Kristina is wearing her daffodil pin. To Kristina and her friend, the daffodil means hope and health, and getting better. This is what April — *Daffodil Month* — is all about.

[Will you join Kristina in the fight against cancer by making a donation today?](#)

Your donation of just \$15 will provide a caring kit for a child in hospital for cancer treatment. The kits contain practical items for kids to use while in treatment or in hospital, as well as important information and support for living with cancer. Last year, we provided 40 caring kits for children in Saskatchewan, and over 3,600 caring kits for adults.

A donation of \$146 dollars will support one cancer

No amount is too small ... your support will make a difference right here in Saskatchewan. The Canadian Cancer Society is your best partner in the fight for life, the fight against cancer.
