Re: Cancer society using fear tactics (letter in March 21 issue of the Grand Forks Gazette)

Our doctors' organization is extremely disappointed to see the chemical industry attacking the Canadian Cancer Society. Goodness knows health authorities and industry lobbyists don't agree on everything but all parties have a responsibility to engage in civil discourse.

The industry's unfounded allegations – against one of Canada's most respected and trusted health charities – are just beyond the pale. No one benefits when debate is carried on in this manner.

Gideon Forman, Canadian Association of Physicians for the Environment

BOO-HOO!

Gideon Forman is PRETENDING to feel MOCK-INDIGNATION.

According to Forman —.

« Our doctors' organization [CAPE] is extremely disappointed to see the chemical industry attacking the Canadian Cancer Society. Goodness knows health authorities and industry lobbyists don't agree on everything but all parties have a responsibility to engage in civil discourse. » [?]

Forman is MINIMIZING the CATASTROPHIC CARNAGE caused by Canadian Cancer Society.

Canadian Cancer Society has MERCILESSLY TERRORIZED, BASELESSLY SMEARED, FALSELY ACCUSED, GROTESQUELY PUNISHED,

INNOCENTLY CONVICTED, SHAMELESSLY PERSECUTED, and WRONGFULLY DEPRIVED those people working in the Professional Lawn Care Industry.

WHAT IS CAPE?

Gideon Forman's organization, Canadian Association of Physicians for the Environment (CAPE) functions as a PUBLIC POLICY SHIELD for Cancer Society as well as Green Party of Canada.

CAPE is a FUND-RAISING, PROFIT-SEEKING, and LOBBYING organization, and NOT a science, research, health, or physicians' organization.

The VAST MAJORITY of CAPE members ARE NOT EVEN PHYSICIANS.

In fact, CAPE represents an INFINITESIMALLY SMALL number of doctors.

CAPE merely represents LESS THAN 4 PER CENT of all doctors in Canada.

CAPE has a HUGE VESTED INTEREST IN SUBVERSIVELY PERPETUATING IMAGINARY DANGERS about coal, pest control products, and shale gas.

Forman's MOCK-INDIGNATION about Canadian Cancer Society is NO SURPRISE since he personally has a VESTED INTEREST IN PERPETUATING the IMAGINARY DANGER of pest control products.

CANADIAN CANCER SOCIETY'S HIRED GUNS.

Here are the FACTS that are CONVENIENTLY OVER-LOOKED by Forman —.

It is now common-knowledge that THE PRIMARY REASON FOR THE EXISTENCE of Canadian Cancer Society is BUSINESS, CASH-FLOW, and PROFIT.

It is also common-knowledge that THE MAJORITY OF ITS DONATION FUNDS DOES NOT GO INTO RESEARCH.

The MAJORITY OF DONATION FUNDS goes to paying for HIRED GUNS or LOBBYISTS, and clerical employees.

These HIRED GUNS or LOBBYISTS are PAID VAST SUMS OF MONEY to COERCE, INTIMIDATE, and TERRORIZE Government Officials by CONCOCTING FRAUDULENT LIES AND IMAGINARY DANGER about pest control products.

These HIRED GUNS or LOBBYISTS give the public the FALSE AND FRAUDULENT IMPRESSION that children and adults are being exposed to cancer-causing agents whenever a pest control product is used.

These HIRED GUNS or LOBBYISTS DESPICABLY USE CHILDREN AS WEAPONS OF COERCION AND ULTIMATE ENVIRONMENTAL TERROR in order to ALARM Government Officials into IMPOSING PROHIBITION of pest control products in the Urban Landscape.

CANADIAN CANCER SOCIETY'S WASTEFUL CONSPIRACY.

Moreover, Canadian Cancer Society is WASTING ITS MONEY AND RESOURCES in its CONSPIRACY AGAINST pest control products.

Pest control products are, in fact, HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, PRACTICALLY-NON-TOXIC, and CAUSE NO HARM.

By early 2012, Canadian Cancer Society SQUANDERED between 2,500,000 AND 5,000,000 DOLLARS on SUBVERSIVE Anti-Pesticide CONSPIRACIES.

Canadian Cancer Society MISAPPROPRIATED its donation money by DESTROYING the Modern Professional Lawn Care Industry.

Its CONSPIRACIES led to the ANNIHILATION of hundreds of legitimate businesses and to the UNEMPLOYMENT of thousands of decent hard-working people.

CANADIAN CANCER SOCIETY'S SECRET EVIDENCE.

Canadian Cancer Society ALLEGES having UNDISCLOSED, NON-EXISTENT AND UNVERIFIABLE SECRET EVIDENCE about the safety of pest control products.

Canadian Cancer Society has NEVER provided ANY credible information to Health Canada that justify its Anti-Pesticide CONSPIRACIES.

This is because NO ONE at Canadian Cancer Society has ANY recognized expertise, training, or background in matters concerning

pest control products.

Furthermore, Canadian Cancer Society has NEVER explained how it can somehow accept other uses of pest control products, such as for the Agriculture Industry, which uses the VERY SAME INGREDIENTS as the Professional Lawn Care Industry.

CANADIAN CANCER SOCIETY'S DAFFODILS.

The Anti-Pesticide Activists who operate Canadian Cancer Society have ABSOLUTELY NO SCRUPLES regarding the use of conventional pest control products... when it suits THEM!

Fresh Daffodils SOLD-FOR-PROFIT by Canadian Cancer Society are PESTICIDE-TREATED and FORMALDEHYDE-DRENCHED.

Its Fresh Daffodils are PESTICIDE-TREATED with the VERY SAME INGREDIENTS used to maintain turf and ornamentals in the Urban Landscape.

If it is safe to TOUCH A PESTICIDE-TREATED DAFFODIL, then it is safe to WALK and PLAY on a pesticide-treated lawn.

ANTI-PESTICIDE PROHIBITION IS NOT NECESSARY.

Any PROHIBITION of pest control products is NOT JUSTIFIED because STRICT REGULATIONS BASED ON SCIENTIFIC RESEARCH ALREADY PROTECT OUR HEALTH and OUR ENVIRONMENT.

If Canadian Cancer Society were to devote the same level of energy to the primary causes of cancer, that being life-style, rather than SUBVERSION and FUND-RAISING, LESS PEOPLE WOULD DIE.

CANADIAN CANCER SOCIETY MUST BE STOPPED.

Canadian Cancer Society DOES NOT DESERVE ANY DONATIONS OR SUPPORT.

Nor does Canadian Cancer Society deserve a TAX-EXEMPT status.

Canadian Cancer Society is SUBVERSIVE, CONTEMPTIBLE, and RADICAL.
