Consultation on Action to Protect Bees from Exposure to Neonicotinoid Pesticides, Notice of Intent, NOI2013-01

Notice to the reader: The online consultation is now closed. Comments and suggestions received during the public consultation period are being considered in the finalization of this document. The final report will be made available as soon as possible.

The Pest Management Regulatory Agency (PMRA) invites stakeholders and the public to submit written comments on Notice of Intent NOI2013-01, *Action to Protect Bees from Exposure to Neonicotinoid Pesticides*.

The purpose of this notice of intent is to solicit comments on our intended measures to mitigate risks to pollinators, related to the use of neonicotinoid treated corn and soybean seed.

How to Get Involved

This consultation is open for a 90-day comment period. Interested parties are encouraged to provide written comments by 12 December 2013. Open the "Consultation Document" link below to access the document.
