**FORCE**  
— OF —  
**NATURE**

THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from  
National Organization Responding Against HUIE that seek to harm the Green Space Industry (NORAHG)

## In the 9/11 Era of Environmental Terror

Enviro-Lunatics like Warren Bell offer nothing but words, words, words.

They LIE and LIE and LIE and LIE. They NEVER Stop !

Enviro-Lunatics are UNABLE to provide bodies, bodies, bodies.

Bodies of REAL evidence.

Bodies of REAL evidence, and NOT JUNK SCIENCE REPORTS that have been DOMESTICALLY AND INTERNATIONALLY REFUTED AND DISCREDITED, such as NON-EXPERT Ontario College of Family Physicians.

Bodies of REAL evidence, and NOT JUNK SCIENCE REPORTS that have NEVER been made available for independent review.

Bodies of REAL evidence, and NOT JUNK SCIENCE REPORTS intended to DISCREDIT the work of REAL experts, such as Health Canada.

Bodies of REAL evidence, and NOT « *secret evidence* » or DEBUNKED REPORTS.

More specifically, medical records, medical records, medical records.

Who are, or were, those people ALLEGEDLY harmed by pest control products ?

Where are the medical records ?

Make them available for public review.

## In the 9/11 Era of Environmental Terror

Enviro-Lunatics MUST STOP using « *secret evidence* » and DEBUNKED REPORTS.

Enviro-Lunatics MUST STOP using CHILDREN AS WEAPONS OF COERCION AND ULTIMATE ENVIRONMENTAL TERROR.

CHILDREN ARE NOT AT RISK WITH PEST CONTROL PRODUCTS !

It's time to put up, or shut up.

There is a GROWING BODY OF REAL EVIDENCE that Enviro-Lunatics like Warren Bell are NON-EXPERT, UNETHICAL, and UNPROFESSIONAL.

They have ABSOLUTELY NO CREDIBILITY IN THE LEGITIMATE SCIENTIFIC COMMUNITY.

Their DEPRAVED INDIFFERENCE is DESPICABLY converting our communities into UNHAPPY, UGLY, UNEMPLOYED, UNENLIGHTENED, and UNHEALTHY ENVIRONMENTS.

PROHIBITION of pest control products has led to DESTROYED BUSINESSES and LOST JOBS AND HARDSHIP for the Professional Lawn Care Industry.

The DEVASTATION of the Professional Lawn Care Industry has been EXTENSIVE because there were NO valid economical alternatives to replace the prohibited products.

LUNATIC-TERRORIST-PROHIBITION DESTROYED the Modern Professional Lawn Care Industry.

Pest control products are HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, and TOTALLY-IRREPLACEABLE.

Enviro-Lunatic

**He LIES ... and LIES ...  
and LIES ... and LIES !**

**BELL NEVER STOPS LYING !**

July 30<sup>th</sup>, 2011

LUNATIC-LYING RANTS from WARREN BELL

The Daily News

[ Kamloops, British Columbia ]

Selected and adapted excerpts

# Liar

## LUNATIC=LYING RANT from WARREN BELL —

*The Ontario College of Family Physicians tells us pesticides are associated with brain cancer, prostate cancer, kidney cancer, and pancreatic cancer. [ Wrong ! ]*

*The College makes a point of saying some children exposed to pesticides have an increased risk of leukemia, especially if they come into contact with « insecticides and herbicides used on lawns, fruit trees and gardens ... » [ Wrong ! ]*

## The Truth from an Independent Perspective

Ontario College of Family Physicians ( OCFP ) concocted a disgraceful, false, misleading, biased, and subversive bogus LITERATURE REVIEW of pest control products — this review has been DEBUNKED !

This review has absolutely NO CREDIBILITY in the legitimate scientific community, and has been REFUTED and DISCREDITED.

Internationally, this review has been viewed as • inadequately addressing the issues • inconsistent • over-interpreting studies • superficial in its approach • unclear • weak quality.

This review has absolutely NO CREDIBILITY since none of its authors and reviewers has ANY recognized expertise, training or background in matters concerning pest control products

Among the authors and reviewers of the OCFP-review, there are doctors who were found guilty of professional mis-conduct over sexual activities, doctors whose license was suspended, and doctors who deny having reviewed the document.

# The Truth

From an Independent Perspective

## Ontario College of Family Physicians ( OCFP )

---

OCFP has made « *cosmetic pesticides* » a « *public health issue* » for its own twisted and nefarious reasons.

Ontario College of Family Physicians is a DISCREDITED RADICAL ENVIRONMENTAL-TERRORIST-ORGANIZATION.

It CONCOCTS LIES, FEAR-MONGERING, MISCONCEPTIONS, COERCION, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES about conventional pest control products.

Non-Expert OCFP-Enviro-Lunatics routinely SCAM AND DECEIVE the public with the CONCOCTION OF FRAUDULENT LIES AND IMAGINARY DANGER with conventional pest control products.

OCFP-Lunatics SCAM AND DECEIVE the public by blurting out HOLLOW AND DESPICABLY-ALARMIST EXPRESSIONS like « *cancer* » and « *serious illness* » and « *reproductive problems* » and « *neurological diseases* » !

This is clearly evident in the BOGUS OCFP PESTICIDES LITERATURE REVIEW, known simply as the BOGUS-OCFP-Review.

The BOGUS-OCFP-Review was financed by LAIDLAW FOUNDATION, an organization that supports Environmental-Terrorist-Organizations against the Professional Lawn Care Industry.

The BOGUS-OCFP-Review has been used a PRETEXT for the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products.

PROHIBITION has INFLICTED IMMENSE LOSSES to the Professional Lawn Care Industry, in the HUNDREDS OF MILLIONS OF DOLLARS.

# The Truth

From an Independent Perspective

## BOGUS OCFP Pesticides Literature Review

---

Non-Expert OCFP-Lunatics CONCOCTED A DISGRACEFUL, FALSE, MIS-LEADING, BIASED, AND SUBVERSIVE BOGUS REVIEW as part of its claim of a « *growing body of evidence* » against pest control products.

The BOGUS-OCFP-Review is merely a deceptive ENVIRO-LUNATIC-JUNK-SCIENCE DOCUMENT that simply is a CHERRY-PICKING of some of the most recklessly negative reports regarding pest control products.

The BOGUS-OCFP-Review has absolutely NO CREDIBILITY in the legitimate scientific community.

Among the authors and reviewers of the BOGUS-OCFP-Review, NOT A SINGLE PERSON HAS ANY RECOGNIZED EXPERTISE, TRAINING, OR BACKGROUND IN MATTERS CONCERNING PEST CONTROL PRODUCTS.

## Paid-For-Profit OCFP Authors and Reviewers

---

The Non-Expert authors and reviewers of the BOGUS-OCFP-Review were PAID-FOR-PROFIT by Laidlaw Foundation, an organization that also FINANCIALLY SUPPORTS other ENVIRONMENTAL-TERRORIST ACTIVITIES.

## Weak Epidemiological Studies

---

What is not explained in the BOGUS-OCFP-Review is that the « *evidence* » against pest control products consists of some epidemiological studies showing a WEAK ( in most cases, a VERY WEAK ) link between some pest control products and cancer.

# The Truth

From an Independent Perspective

## Criminal OCFP Peer Reviewer

---

The authors and reviewers of the BOGUS-OCFP-Review may be considered NON-EXPERT, UNETHICAL, and UNPROFESSIONAL.

One doctor, a peer-reviewer of the BOGUS-OCFP-Review and a nine-year chairman of OCFP, was FOUND GUILTY OF PROFESSIONAL MIS-CONDUCT OVER SEXUAL ACTIVITY with a female patient during psychotherapy sessions — HIS LICENSE WAS SUSPENDED FOR TWELVE MONTHS.

## BOGUS OCFP Peer Reviewer

---

Another doctor, who was listed as having peer-reviewed the BOGUS-OCFP-Review, was NOT AWARE THAT HER NAME WAS ON THE DOCUMENT until it was published, and then DENIED SHE HAD REVIEWED THE DOCUMENT.

## Growing Body of Evidence

---

There is a « *growing body of evidence* » that some of the authors and reviewers of the BOGUS-OCFP-Review may be UNETHICAL and UNPROFESSIONAL.

The BOGUS-OCFP-Review HAS ABSOLUTELY NO CREDIBILITY IN THE LEGITIMATE SCIENTIFIC COMMUNITY.

Moreover, the BOGUS-OCFP-Review has been REFUTED BY HEALTH CANADA, and has been INTERNATIONALLY DISCREDITED.

# The Truth

From an Independent Perspective

## OCFP Pesticides Literature Review Internationally DISCREDITED

---

The BOGUS-OCFP-Review has been INTERNATIONALLY DISCREDITED.

THE ROYAL COMMISSION ON ENVIRONMENTAL POLLUTION examined the BOGUS-OCFP-Review.

It provided the following conclusions —

*<< The treatment of [ OCFP ] review papers is UNCLEAR and appears INCONSISTENT.*

*The [ OCFP ] review takes a rather SUPERFICIAL APPROACH in bringing together the findings of the individual studies.*

*FEW of the cited studies [ by OCFP ] adequately address the issue of confounding by co-exposures.*

*Much of the evidence supporting an association between pesticide exposure and cancer is derived from occupational exposures, e.g. in agriculture, where animal viruses, diesel fumes, fertilisers [ sic ] and other factors may play a role.*

*The [ OCFP ] review seems to OVER-INTERPRET the findings, given the limitations of the relevant studies; strong conclusions are drawn from evidence of rather WEAK QUALITY. >>*

# The Truth

From an Independent Perspective

## OCFP Pesticides Literature Review REFUTED by Health Canada

---

In light of the public interest in BOGUS-OCFP-Review, Health Canada issued a media release.

Health Canada's respected Pest Management Regulatory Agency ( PMRA ) is the federal regulatory body responsible for the regulation of pesticides in Canada.

*<< As the OCFP report notes, some population groups, such as children and pregnant women, may be more susceptible to potential effects of pesticides.*

*This is why PMRA assessments include the application of EXTRA SAFETY FACTORS to ensure that the most sensitive sub-populations are protected.*

*For example, the PMRA PAYS SPECIAL ATTENTION TO THE UNIQUE EXPOSURES AND PHYSIOLOGICAL CHARACTERISTICS OF CHILDREN, ensuring that factors such as their unique behaviours, different diets and lower body weights are considered.*

*The OCFP report is a review of epidemiology studies selected from the public scientific literature.*

*There are many such studies published which suggest that there MAY OR MAY NOT be associations between adverse health effects and pesticide exposure.*

*As the report acknowledges, EPIDEMIOLOGY STUDIES ARE HARD TO INTERPRET because of BIASES AND CONFOUNDING FACTORS that make it very difficult to either establish or definitively rule out links between pesticide exposures and effects.*

# The Truth

From an Independent Perspective

*For example, other chemical and physical environment effects are usually encountered at the same time as pesticide exposures and biases in the exposures remembered by study participants may affect the result.*

*Without an actual exposure calculation, it is difficult to assess whether pesticides could have been responsible for an adverse health outcome.*

*When determining the acceptability of a pesticide, PMRA scientists CRITICALLY EXAMINE THE TOTALITY OF THE SCIENTIFIC DATABASE for pesticide active ingredients and end-use products, including the types of studies in the OCFP report.*

*When new studies in the public literature are released, the PMRA examines them to determine if further regulatory action is required on the pesticides mentioned in the study. >>*

## ARE OCFP–Lunatics MORE KNOWLEDGEABLE Than Health Canada ?!?!?

---

NO !

Conventional pest control products are SCIENTIFICALLY SAFE since they have been scrutinized and approved by the HUNDREDS of expert scientists at Health Canada !

Evidently, OCFP–Lunatics conveniently consider the hundreds of qualified scientists of Health Canada's respected Pest Management Regulatory Agency to be incompetent and/or incapable of arriving at correct scientific findings concerning conventional pest control products.

# The Truth

From an Independent Perspective

## **ARE OCFP–Lunatics MORE KNOWLEDGEABLE Than Health Canada ?!?!? ( continued )**

---

In order to allow SOUND SCIENCE to be effectively practiced, it would be preferable leave the interpretation of scientific research to those people who ARE competent to do it — Health Canada, and NOT OCFP–Lunatics.

NO pest control product can be sold or used until Health Canada's scientists have evaluated ALL the existing evidence to determine whether the product meets stringent health and safety requirements.

Overall, when they are used properly, there are NO harmful irreversible effects to health and the environment !

## **Pest Control Products are SCIENTIFICALLY SAFE**

---

Thanks to the AGREEMENT reached between Dow AgroSciences and the Canadian federal government of May 25<sup>th</sup>, 2011, it was concluded that ...

- Pest control products are SCIENTIFICALLY SAFE
- PROHIBITIONS are IRREFUTABLY INVALIDATED

Sadly, LUNATIC–TERRORIST–PROHIBITION has led to EXTENSIVE CARNAGE for Professional Lawn Care companies, in the form of HORRIFIC FINES and BUSINESS FAILURES.

In the 9/11 Era of Environmental Terror !

*Let's concoct a growing  
body of evidence ...*

*... and deceive everyone with  
poorly conducted studies  
and fraudulent information  
No one will notice !*

OCFP

# Background Information

## from an Independent Perspective

Who Is Warren Bell ?

Bell is a NON-EXPERT FOR-PROFIT HIRED-GUN, and an ILLEGAL UNREGISTERED LOBBYIST.

He is paid as an « *expert* » on the so-called IMAGINARY DANGER of pest control products, despite the fact that he has NO recognized expertise, training, or background in this matter.

Overall, Bell's opinions concerning pest control products are TOTALLY VALUELESS and UTTERLY WORTHLESS.

Nonetheless, Bell has developed a successful career using JUNK SCIENCE and POLITICIZED SCIENCE.

Bell has been Board Member, Co-Founder, and President of GLOATING, TREACHEROUS, AND REPUGNANT CANADIAN ASSOCIATION OF PHYSICIANS FOR THE ENVIRONMENT ( CAPE ), an Environmental-Terrorist-Organization.

Moreover, Bell has had personal affiliations with several Environmental-Terror-Organizations —

- Board Leader on Medicine and Environment Committee, CONTEMPTIBLE AND RADICAL CANADIAN CANCER SOCIETY, British Columbia Chapter.
- Member of PREVENT CANCER NOW, the public affairs shield for Contemptible and Radical CANADIAN CANCER SOCIETY.
- An outspoken speaker on near-death or out-of-body experiences.
- President of Medical Staff at Shuswap Lake General Hospital, located in British Columbia.

# Background Information

## from an Independent Perspective

In addition to his 165,000-dollar-per-year salary as administrator of a hospital, Bell rakes in TENS OF THOUSANDS OF DOLLARS PER YEAR AS A FOR-PROFIT HIRED-GUN, AND ILLEGAL UNREGISTERED LOBBYIST, for CONTEMPTIBLE AND RADICAL CANADIAN-CANCER-SOCIETY, and other Environmental-Terror-Organizations.

Bell's organizations CONSPIRE TO PROHIBIT pest control products that, in fact, are HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, and SCIENTIFICALLY-SAFE.

According to Bell —

*<< From any of these sources [ concocted only within the Enviro-Terrorist-Movement ], you can find abundant evidence that pesticide exposure is clearly associated with cancers, neuro-developmental problems and birth defects, among other harm. >> — Warren Bell, February 24<sup>th</sup>, 2009*

Bell conspires with several other Environmental-Lunatic-Activists, like MAE BURROWS who operates LABOUR ENVIRONMENTAL ALLIANCE SOCIETY, another Environmental-Terrorist-Organization that functions with a PUBLIC AFFAIRS SHIELD ORGANIZATION called TOXIC FREE CANADA.

Bell, Mae Burrows, and KATHRYN SEELY, of CONTEMPTIBLE AND RADICAL CANADIAN-CANCER-SOCIETY, have conducted a FOR-PROFIT TRAVELING ENVIRO-LUNATIC ROAD SHOW throughout British Columbia depicting the IMAGINARY DANGER of pest control products.

Mae Burrows, like Bell, is also a Member of PREVENT CANCER NOW, another PUBLIC AFFAIRS SHIELD ORGANIZATION for CONTEMPTIBLE AND RADICAL CANADIAN-CANCER-SOCIETY.

Bell is affectionately known as « Ding-Dong » or « Tinker-Bell ».

# NORAHG

In the 9/11 Era of Environmental-Terror, at least ONE MALICIOUS ACT OF TERROR is Perpetrated EVERY SINGLE DAY by Enviro-Lunatics.

FORCE OF NATURE presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG).

HUJE are LAWN HATERS, and particularly DESPISE the Golf Industry. Many HUJE operate Environmental Terrorist Organizations that CONSPIRE to PROHIBIT pest control products, despite the fact that these products are GOVERNMENT APPROVED, FEDERALLY LEGAL, and SCIENTIFICALLY SAFE.

It is a series of reports destined for the green space industry, the environmental terrorist movement, governments, and the media, nationwide across Canada, the United States, and overseas.

The information presented in FORCE OF NATURE has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY.

FORCE OF NATURE is TOTALLY INDEPENDENT and NON-PROFIT. Don't thank us. It's a public service. And we are glad to do it. FORCE OF NATURE provides NO guarantee regarding accuracy or completeness. In no event shall FORCE OF NATURE be liable for any incidental or consequential damages, lost profits, or any indirect damages.

All information, excerpts, and pictures contained in FORCE OF NATURE were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

FORCE OF NATURE, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues.

Here is a brief summary of Mr. Gathercole's career —

Fields of study — Horticulture/Agriculture, Mathematics, Physics

Alma mater — McGill University • University of Guelph • the first person ever to obtain university degrees and contribute to both the professional lawn care and golf maintenance industries

Expertise in — environmental issues and environmental terrorism • turf and ornamental maintenance and troubleshooting • history of the industry • sales and distribution of seeds, chemicals, fertilizers, and equipment • fertilizer manufacturing

Notable activities — worked in virtually all aspects of the green space industry, including golf, professional lawn care, distribution, environmental compliance, government negotiations, public affairs, and workplace safety • supervisor, consultant, and, programmer for the successful execution of hundreds of thousands of management operations in the golf and urban landscape, as well as millions of pest control applications • advisor, instructor, and trainer for thousands of turf and ornamental managers and technicians • pesticide certification instructor for thousands of industry workers • founder of the modern professional lawn care industry • prolific writer for industry publications and e-newsletters • first to confirm the invasion of European Chafer insect in both the Montreal region and the Vancouver/Fraser Valley region • with Dr. Peter Dernoeden, confirmed the presence of Take-All Patch as a disease of turf in Eastern Canada • with Dr. David Shetlar, confirmed the presence of Kentucky Bluegrass Scale as an insect pest in South-Western Ontario, and later, in the Montreal and Vancouver regions

Special contributions — creator of the exception status that has allowed the golf industry to avoid being subjected to the prohibition of pest control products • creator of the signs that are now used for posting after application • co-founder of annual winter convention for Quebec golf course superintendents • the major influence in the decision by Canadian Cancer Society to stop selling for profit pesticide treated daffodils • the only true reliable witness who intervened in the development of prohibition in the town of Hudson, Quebec • retired founder of FORCE OF NATURE and A LOOK AT e-newsletters

Notable award — man of the year for contributions leading to the successful founding of Quebec professional lawn care industry, which served as a beach-head against activism in the 1980s and 1990s

Legacy — Mr. Gathercole and his colleagues .... designed and implemented strategies that reined environmental activists to provide peace for the entire modern green space industry across Canada • orchestrated legal action against activists in the town of Hudson, Quebec • launched the largest early professional lawn care business in Canada • quadrupled the business revenues of one of the largest suppliers in Canada

Mr. Gathercole is now retired, although his name continues to appear as founder of FORCE OF NATURE and A LOOK AT e-newsletters.

The Force Of Nature Library of Reports contains all FON Reports, as well as PESTICIDE TRUTHS and OTHER FACTS with Audios, Educational Material, History, Links, News, and Videos.

It is a LINK DATABASE created to support efforts to fight and exterminate the Environmental-Lunatic-Vermin with reports developed for the education and entertainment of the reader.

The Force Of Nature Library of Reports — A LOOK AT Career Management, Creeping Bentgrass, Golf Course Maintenance, Green Alternatives, Kentucky Bluegrass, Summer Stress, Turf Diseases, Insects & Weeds • Agriculture • ALBERTA Conspiracy • Bee Colony Collapse Disorder • Bee Colony Collapse Disorder • Benefits of the Turfgrass Industry • Beyond Pesticides • Books That Screwed Up the World • BRITISH COLUMBIA Conspiracy • Canadian Cancer Society • Canadian Association of Physicians for the Environment • CARNAGE and Consequences of Lunatic Terrorist Prohibition • Controversial Prohibitions • Culprits of the Prohibition Conspiracy • Daffodils, Toxic Pesticide Treated Flowers Soaked Formaldehyde • Dating Services for Enviro Maniacs • David Suzuki Foundation • DDT and Our World of Politicized Science • Death and Illness (Alleged) • Departure Letters • Ecojustice Canada • Energy Sector • Environmental Terrorists UNMASKED • Environmental Terrorist Organizations • Enviro PROFIT • Environmental Defence • FAILURE of IPM, Pesticide Manufacturers, Prohibition, Trade Associations • Famous Quotations About Enviro Lunatics • Fertilizer TERROR • Food and Farming • Get Off Our grASS • Global Warming, The Scam of Our Lifetime • Golf Industry • Green Alternatives • Green Party • Halloween Terror • Happy Holidays • Health Canada • Health Concerns with Pest Control Products • Heroes Speaking Out Against Environmental Terror • History of Environmental Terror in Canada • History of the Turfgrass Industry • LIARS and Lying Sacks of (Enviro Maniac) Cwap • Mock Advertisements • Mock Speeches • Myth BUSTING • NATIONAL Prohibition • NEW BRUNSWICK Conspiracy • NO Prohibition Exception for AGRICULTURE Industry • NO Prohibition Exception for GOLF Industry • NOVA SCOTIA Conspiracy • North America Free Trade Agreement (NAFTA) • ONTARIO Conspiracy, Haven For Environmental Terrorists • Ontario College of Family Physicians • Organic Golf Courses • Organic Maintenance • Organizations of the Prohibition Conspiracy • Pesticide Q & A (Questions and Answers) • Positive Waves (Interesting and Innovative Thinking) • PRINCE EDWARD ISLAND (PEI) Conspiracy • QUEBEC Prohibition • Quotations About Enviro Lunatics & Maniacs • Rachel Carson, The Queen of Junk Science • SASKATCHEWAN Conspiracy • Satire, Laughs & Insanity • Terror That NEVER Ends • TERROR Talk and Weasel Words • THE AVENGERS • The Environmental Factor • The FAILURES of Green Alternatives, Organic Golf Courses, BROWN Golf Courses, Integrated Pest Management, Pesticide Free Parks. and Pesticide Manufacturers • The Industry STRIKES Back • The Wilhelm Scream • The Wisdom of REAL Experts • Tukey TERRORISM • TWISTED Precautionary Principle • United States Enviro TERRORISM • UPDATES • VICTORIES Against Terrorists • Video, Audio, and Slide Shows • VIOLATING Federal Law • VIOLATING Prohibition • WARNINGS • Weapons of Ultimate Environmental Terror • Wind Power (Bogus) • 2,4-D
