**Coquitlam Pesticide Awareness Coalition - CPAC** While our neighbouring municipality, Port Coquitlam, continues to work towards a cosmetic pesticide ban, Coquitlam remains a community with a local government who thinks that cosmetic pesticides are necessary. With an upcoming by-election, please ensure you vote for someone who can help us obtain a cosmetic pesticide ban!

**Coquitlam Pesticide Awareness Coalition - CPAC** A group calling themselves "Force of Nature" and claiming to offer "an independent perspective" has been running a frequent and emotionally charged e-mail campaign against the ban of pesticides. The major claims of the group is that "Enviro-terrorists" are "unleashing a plague of terror," on the country around the desi...
