The Culprits of the 9/11 Era of Environmental Terror in Ontario

Prominent enviro-lunatic CULPRITS and their environmental-terror-organizations are accountable for CONSPIRING to change public policies that EXTENSIVELY DAMAGED the Professional Care Lawn Industr

Their CONSPIRACIES have led to the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of conventional pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE

Prohibition has led to LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT

Prohibition has inflicted TERROR, DESPAIR, and **DESTITUTION on THOUSANDS of hapless victims** throughout the Ontario Lawn Care Industry

Prohibition has ANNIHILATED the Modern Professional Lawn Care Industry

We must defend the industry, whatever the cost may be

# Overview from an Independent Perspective

### KHATTER, Kapil

Khatter is an Enviro-Lunatic-Activist who SUPPORTS the PROHIBITI-

the following Environmental-Terror-Organizations that CONSPIRED in the Province of Ontario to PROHIBIT pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACE-ABLE -

- Canadian Association of Physicians for the Environment
- Canadian Environmental Law Association
- Canadian Partnership for Children's Health and Environment
- Environmental Defence
- Laidlaw Foundation

ANY recognized expertise, training or background in matters concerning pest control products.

Consequently, their opinions are TOTALLY VALUELESS and UTTERLY WORTHLESS. They are NOT competent to give advice.

### ENVIRO-LUNATIC-ACTIVIST CONTINUES TERRORIZING YET ANOTHER INDUSTRY

December 8<sup>th</sup>, 2010

Docs Talk

Clearly not satisfied to have merely driven the Modern Professional Lawn Care Industry into UNEMPLOYMENT, DESPAIR, and DESTITUTION, Kapil Khatter and his Enviro-Lunatic co-conspirators are now TERRORIZING the Asbestos Industry.

They are using the VERY SAME Enviro—Terror strategies all over again.

According to Khatter —

Recent criticism from public health physicians in Quebec and from high profile health organizations have made Canadians more aware of our asbestos hypocrisy. CANADIAN CANCER SOCIETY affirms that all forms of asbestos CAUSE CANCER. The Canadian Medical Association passed a resolution calling can be used safely has been debunked by expert opinion and media investiga-

Efforts continue to get the federal government to end funding for the Chrysotile Institute, to keep the Quebec government from guaranteeing the Jeffrey Mine loan, and to stop Canadian asbestos mining and export. Unions and other Ban Asbestos Canada organizations are also working toward a just transition for asbestos workers to other paid jobs [OR DESPAIR AND DESTITUTION].

# In the 9/11 Era of Environmental Terror!

Pest control products are SCIENTIFICALLY SAFE

#### The REPUGNANT Canadian Association of Physicians for the Environment

#### Description of Repugnant CAPE

Canadian Association of Physicians for the Environment ( CAPE ) is a PROHIBITION-TERRORIST-ORGANIZATION that CONSPIRES to ANNIHILATE the entire Modern Green Space Industry by PROMOTING the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

PROHIBITION has led to LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UN-EMPLOYMENT, inflicting TERROR, DESPAIR, and DESTITUTION on THOUSANDS of hapless victims throughout the Green Space Industry.

In addition, CAPE is a MILLIONAIRE MULTI-MILLION DOLLAR MONEY-MAKING MACHINE.

It DOES NOT PAY TAXES because of its NON-PROFIT STATUS.

CAPE is a vast profit-making Environmental-Terror-Organization operated by a handful of Enviro-Lunatic-Activists who are PAID-FOR-PROFIT as SUBVERSIVE LOBBYISTS with a mandate to COERCE, INTIMIDATE, and ALARM THE PUBLIC.

SUBVERSIVE CAPE-Lunatic-Lobbyists have CONSPIRED towards NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRRE-PLACEABLE, and ABSOLUTELY INDISPENSABLE conventional pest control products.

CAPE has also set its sights on the ANNIHILATING the GOLF INDUSTRY!

CAPE has publicly stated that it does not want ANY PROHIBITION EXCEPTIONS for the Golf Industry.

NUMBER OF ENVIRO-LUNATIC-DOCTORS

#### Members of Repugnant CAPE

CAPE is composed of Enviro-Lunatic-Health-Care-Workers and regular citizens - however, most CAPE members are not even physicians.

In fact, CAPE represents an INFINITESIMALLY SMALL number of doctors.

CAPE merely represents LESS THAN 4 PER CENT of all doctors in Canada.

LESS THAN 4 PER CENT!

Moreover, CAPE was created for concealing the EXTREMIST VIEWS of supposedly moderate professionals, such as Enviro-Lunatic-Health-Care-Workers (i.e. Doctors and Nurses).

Such views are evident within CAPE since one of its co-founders later became the first leader of the EXTREMIST Green Party of Canada, which acts as the POLITICAL SHIELD organization for the Environmental-Terror-Movement.

Not surprisingly, NOT A SINGLE Lunatic in CAPE has ANY recognized expertise, training or background in matters concerning pest control products!

to MYTHS, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, COERCION, MISCONCEP-TIONS, THREATS, TERROR, and PARANOID CONSPIRACIES about pest control products.

CAPE-LUNATICS KNOW NOTHING

SCIENTIFICALLY SAFE

### Self-Proclaimed Mandate of Repugnant CAPE

CAPE is an Environmental-Terror-Organization claiming to be ...

« The national voice of physicians on issues of health and the environment. »

In fact, the principal mandate of CAPE is to attract MORE MEMBERS, MORE DONATIONS, and MORE PROFIT by SCAMMING THE PUBLIC with the CONCOCTION of FRAUDULENT LIES and UNPROVEN threat of pest control products.

CAPE-Lunatics fulfill their PRETENTIOUS and SELF-PROCLAIMED mandate by giving FALSE whenever a pest control product is used in the Urban Landscape. [Wrong!]

CAPE-Lunatics are DESPICABLE in their use the image of CHILDREN as « the ultimate weapon of terror » in order to promote the PROHIBITION of pest control products.

CAPE-Lunatics DO NOT use sound science in their criticism of pest control products.

CAPE-Lunatics are ONLY able to provide information based upon JUNK SCIENCE, thereby avoiding SOUND SCIENCE in order to promote their cause.

#### CAPE-Lunatic Imaginary-Conspiracies Have Not Saved a SINGLE Life

Repugnant CAPE MISAPPROPRIATES the money that it collects from the public and government by SQUANDERING hundreds of thousands of dollars on CONSPIRACIES leading to the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

Repugnant CAPE HAS NOT SAVED A SINGLE LIFE or PREVENTED A SINGLE CASE OF CANCER with its PROHIBITION-CONSPIRACIES.

#### Despicable-CAPE-Lunatics Could Not Care Less About Health of the Public

Instead of increasing the public's awareness of the largest known preventable causes of cancer, such as smoking and diet, Despicable–CAPE–Lunatics prefer SCAMMING, DECEIV-ING, and ALARMING the public into believing there is some IMAGINARY DANGER with conventional pest control products.

Rather than providing information for improving the lifestyle choices of the public that could, without a doubt, actually save lives, Despicable–CAPE–Lunatics prefer concocting MYTHS, DECEPTIONS, FEAR–MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, TERROR, and PARANOID CONSPIRACIES about conventional pest control products.

#### Principal Interests and Agendas of Repugnant CAPE

ONE — The ACQUISITION AND RETENTION of massive amounts of PROFIT from government grants, the private sector, and individual memberships.

When given some power and money, CAPE-Lunatics feel compelled to impose their personal life style choices on society.

They do so by mis-representing the existing facts, and hence gleefully avoiding SOUND SCIENCE in order to promote their cause.

TWO — The ACQUISITION and RETENTION of FAME, CELEBRITY, AND POWER.

Many CAPE-Lunatics are narrow-minded and little people who are laymen, and do not even have high education, or possess a degree of any kind.

Some CAPE-Lunatics feel compelled to make public appearances in laboratory coats.

CAPE-Lunatics falsely present themselves as medical doctors, or as experts in the Green Space Industry. CAPE-Lunatics HAVE ISSUES.

### Accomplishments of Repugnant CAPE

2003 — City of Toronto PROHIBITION of pest control products.

CAPE-Lunatics provided SUBVERSIVE testimony during the pesticide by-law hearings.

2008 — Government of Ontario PROHIBITION of pest control products.

CAPE-Lunatics played key role in the SUBVERSIVE lobbying of Government Officials.

#### Repugnant CAPE is more knowledgeable than Health Canada?!?!?

#### NO!

CAPE-Lunatics conveniently consider the hundreds of qualified scientists of Health Canada's respected Pest Management Regulatory Agency to be incompetent and/or incapable of arriving at correct scientific findings concerning conventional pest control products.

In order to allow SOUND SCIENCE to be effectively practiced, it would be preferable leave Health Canada, and NOT CAPE.

Conventional pest control products are SCIENTIFICALLY SAFE since they have been scruti-

Overall, when they are used properly, there are NO harmful irreversible effects to health and the environment!

#### Budget and Financing of Repugnant CAPE

The cost of a CAPE membership is one hundred dollars per year.

The CAPE operating budget appears to be less than 1,000,000 dollars per year, sustaining about a dozen employees.

CAPE is MASSIVELY FINANCED by government and private sources with PROFIT that sustains a mere dozen CAPE-Lunatic employees with SAFE, SECURE, GUARANTEED, and WELL-PAYING ENVIRO-TERRORIST-JOBS. (i.e. employed as Environmental-Lunatic-Activists.)

Furthermore, the systematic PROHIBITION of FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE conventional pest control products is a means of making CAPE a RICH Environmental-Terror-Organization!

Coincidentally, CAPE was provided with large sums of money by private and public funding organizations during the period of time covering the public debates on the Toronto PROHI-BITION and the Ontario PROHIBITION (2001–2008).

It is clear that the money helped pay for infra-structures and salaries for the purpose of influencing public policy concerning the NEEDLESS, SENSLESS, and MALICIOUS PROHIBITION.

### Ontario Support of Repugnant CAPE

CAPE has been MASSIVELY funded by The Ontario Trillium Foundation (OTF), the financial shield organization used by the Government of Ontario to supply money to Environmental-Terror-Organizations like CAPE.

Here are some examples —

- and to increase its membership and long-term sustainability.

In other words, the government was secretly supplying CAPE with the PROFIT that it needed to CONSPIRE to PROHIBIT legal and safe pest control products.

In essence, hard-earned tax dollars obtained from the Green Space Industry were refunnelled by Basterd-Lunatics of The Ontario Trillium Foundation to allow CAPE to further wreak its havoc.

Do we hear the phrase « our tax dollars working against us ???»

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Maniac Culprit is a misguided adversary, each still deserves our respect. The use of the terms Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Maniac Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Maniac Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRRE-PLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOU-SANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Maniac Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from McGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine. Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson. Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
