Enviro Terror NEVER Ends !

The Continuing Conspiracy to Harm the Green Space Industry

Uncoupling of Fertilizer–Pesticide Combination Products for Turf Uses

February 2nd, 2010 Health Canada Media Release Adapted Excerpts

Health Canada has announced plans to WIND DOWN the sale of WEED–AND–FEED products for lawn and turf uses. WEED–AND–FEED will NO LONGER be available for « *fine turf* », meaning residential, commercial and public lawns (cemeteries and schools), as well as sports and recreational turf (athletic playing fields, botanical gardens, golf courses, parks, and playgrounds).

Pest Management Regulatory Agency of Health Canada (P.M.R.A.) announced it will « *uncouple* » FERTILIZER–PESTICIDE COMBINATION PRODUCTS, with a « *date of last sale* » set for December 31st, 2012.

P.M.R.A. emphasized that the decision « *does not include agricultural uses of fertilizer–pesticide combination products* », specifically referring to use on TURF FARMS.

It also WILL NOT apply to products that have only a SINGLE ACTIVE INGREDIENT with both fertilizer and pesticidal properties.

The decision to « *uncouple* » FERTILIZER–PESTICIDE COMBINATION PRODUCTS is NOT based on the health or environmental risk assessments, but rather the NATURE of combination products.

Combination products remove the flexibility of applying spot applications of the pesticide due to the need to accommodate the fertilizer, which is designed for broadcast application to the entire lawn surface at specified times of the year.

We must defend the industry, whatever the cost may be !

FORCE OF NATURE is a series of e-newsletters destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events with commentary. The Whole Truth From An Independent Perspective !

O

Force Of Nature is the brainchild of William H. Gathercole and his entourage. Norah G is actually an acronym for the stable of anonymous producers and writers that contribute to this e-newsletter and have now replaced Mr. Gathercole. They consist of people from the following industries : Distribution, Fertilizer, Golf, Lawn Care, Manufacturing, Municipal, Nursery, and Orchard. Many of these people are leaders in their own industries. The opinions expressed in Force Of Nature, even though from an INDEPENDENT PERSPECTIVE, may not reflect those of everyone in the Green Space Industry.

Force Of Nature may sometimes be very irreverent and fearless with these e-newsletters. Although Force Of Nature appears to be Anti Environment Movement, it is, in fact, simply a strong advocate FOR the Modern Green Space Industry. However, this position has not precluded Force Of Nature from criticizing the Green Space Industry itself.

R

William H. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF and PROFESSIONAL LAWN CARE, and has served in public affairs, workplace safety, and environmental compliance. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority. Mr. Gathercole is now retired from Force Of Nature, although his name continues to appear as the founder.

A

Mr. Gathercole followed the evolution of ENVIRONMENTAL TERRORISM for over a quarter century. His involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of Environmental Terror for the entire Modern Green Space Industry across Canada. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status, that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental issues is UNDENIABLE. (Hopefully !)

Force Of Nature is the instrument of National Organization Responding Against Huje that seek to TERRORIZE, HARM, and THREATEN the Green Space Industry (NORAHG) by routinely concocting FEARMONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are designed to SCAM and DECEIVE the public into believing that families are in some NONEXISTENT danger with conventional pest control products. They also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS prohibition of FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE conventional pest control products. Enviro Maniac Activists are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Maniac Culprit is a misguided adversary, each still deserves our respect. The use of the terms Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro-Maniac-Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry. Their pretentious prohibitionist rants has created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Maniac Culprit Terrorist Basterds is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry. Additionally, Force Of Nature inspires people to believe that ENVIRONMENTAL TERRORISM can be STOPPED !
