#### **Fertilizer Terror**

### **Overview**

Doug Chorney is being TERRORIZED by a Lunatic-Enviro-Doctor with DEPRAVED INDIFFERENCE.

Lunatic-Enviro-Doctors like to SPREAD TERROR with INSTANTANEOUS DIAGNOSES of UNVERIFIABLE and IMAGINARY PROBLEMS pertaining to pest control products and fertilizers.

On more than one occasion, these UNETHICAL LUNATICS have reacted in a predictable and often DEVASTATING fashion once informed that a patient has worked in the Green Space Industry and Agriculture Industry, and including the HATED Golf Industry.

Lunatic-Enviro-Doctors faced while evaluating serious medical problems have been known to conclude WITHIN MERE SECONDS that exposure to pest control products, and even fertilizers, are definitely responsible for ANY ailment.

It can be said that Lunatic-Enviro-Doctors are truly guilty of DEPRAVED INDIFFERENCE, PROFESSIONAL MISCONDUCT AND INCOMPETENCE, and HORRIFYING MISCHIEF.

Before seeking the services of ANY doctor, ask if they are active members in Anti-Pesticide and Anti-Fertilizer Terrorist Organizations like Canadian Association Of Physicians For The Environment.

# Who Is Doug Chorney?

In 2011, Doug Chorney was elected President of Keystone Agricultural Producers (KAP), and served as Vice President in 2010.

Chorney is a producer from East Selkirk, Manitoba.

Cereal, oilseed and forage seed crops make up most of the 1500 acres on his farm, however, Chorney also grows and sells fresh vegetables right off the farm.

Chorney has served as Chair of the Workplace And Employment Committee and the Rural Development And Land Use Committee.

Chorney believes that new opportunities for producers to be part of the energy economy will help drive farm profitability in the future.

Chorney holds a Degree in Agricultural Engineering from the University of Manitoba, and had worked in the resource and aerospace industries prior to coming back to the family farm full-time 17 years ago.

Keystone Agricultural Producers is a democratically-controlled general farm lobby organization which represents and promotes the interests of agriculture and agricultural producers in Manitoba.

Keystone Agricultural Producers is a grass-roots organization wholly run and funded by its members, with all policy set by producers throughout Manitoba.

Mr. Chorney is among several LEADING EXPERTS who have recognized expertise, training and background in matters concerning pest control products.

Mr. Chorney is among the LEADING EXPERTS who possess recognized expertise, training and background in matters concerning pest control products.

These EXPERTS have publicly stated, in one form or another, that pest control products are SCIENTIFICALLY-SAFE —

Mr. Chorney is also one of Western Canada's MOST EFFECTIVE and CONSISTENT SPOKESMAN on the subject of public policy and pest control products.

In Letters To The Editor across Western Canada, Mr. Chorney has effectively and consistently spoken out against activists and anti-pesticide prohibitions on a frequent basis.

Mr. Chorney SPEAKS THE TRUTH — and deserves CONGRATULATION.

Unfortunately, Mr. Chorney is being TERRORIZED by a Lunatic-Enviro-Doctor with DEPRAVED INDIFFERENCE.

# The Hard Way To Find Out About Exposure To Fertilizer

May 24th, 2013

**KAP Alert** 

KAP president Doug Chorney recently spent a night in the hospital after being sprayed by liquid nitrogen 28-0-0 when a hose was uncoupled.

Although he washed his hands, face and glasses, he didn't change his clothing. The fertilizer that remained on his clothing drew the moisture out of his system, causing severe dehydration – which resulted in an extremely high fever. [?!?!] [?!?!]

Doctors didn't know what was wrong, and Doug didn't get an answer until he happened to mention it to his fertilizer dealer, who was aware of this kind of reaction. [?!?!] [?!?!]

- « This is a lesson to me and one that all farmers can benefit from, » he said. [?!?!]
- « Farmers should be thorough in cleaning up and changing all clothing after exposure to any chemical be it fertilizer or pesticide. » [?!?!]

The Canadian Fertilizer Institute recommends that farmers handling fertilizer products talk to their agri-retailers concerning safety measures.

[ Unfortunately, Chorney has VALIDATED an issue where sufficient FERTILIZER TERROR already exists. ]

#### Fertilizer Terror — RESPONSE TO DOUG CHORNEY BY NORAHG

# **Get Away From Your Doctor As Quickly As Possible**

First off, we wish Chorney a speedy recovery, especially since he is an EXTREMELY VALUABLE ASSET in the WAR AGAINST Anti-Pesticide TERRORISM.

Second, the assessment from Chorney's doctor is RIDICULOUS and ABSOLUTELY IMPOSSIBLE.

There is NO POSSIBILITY that anyone could be somehow dehydrated so quickly just because of some exposure to fertilizer.

Moreover, the doctor somehow overlooked the fact that Chorney became dehydrated while outside, exposed to direct sunlight, on a 1500 acre farm.

Chorney is middle-aged and over-weight.

And yet, the doctor concluded WITHIN MERE SECONDS, with NO LABORATORY DIAGNOSIS, that exposure to fertilizer was definitely responsible for Chorney's ailment.

What can be concluded from this story?

Chorney is being TERRORIZED by a Lunatic-Enviro-Doctor with DEPRAVED INDIFFERENCE.

Chorney should get away from this doctor as quickly as possible.

Unfortunately, Chorney has VALIDATED an issue where sufficient FERTILIZER TERROR already exists.

Moreover, Chorney's experience with this Lunatic-Enviro-Doctor is the SAME as the one with Gordon Witteveen.

### Who Is Gordon Witteveen?

Gordon Cornelis Witteveen passed away on December 16th, 2010, in a Toronto-area hospital, as a result of complications arising from chronic leukemia. He was 76-years-old.

Witteveen was a FOUNDING FATHER of the Modern Golf Course Superintendents Industry.

He was, without a doubt, a GREAT UNFLINCHING SUPPORTER and FRIEND and ACTIVIST for all Golf Course Superintendents, across Canada and around the world.

Witteveen himself was a LEGENDARY and an ICONIC GOLF COURSE SUPERINTENDENT.

Furthermore, he was a GIFTED and PROLIFIC WRITER, and a RENOWNED AUTHOR.

He was also an ACCOMPLISHED TEACHER and LECTURER.

Witteveen was also a MENTOR for DOZENS of aspiring Golf Superintendents.

Unfortunately, in his final months, Witteveen was TERRORIZED by a Lunatic-Enviro-Doctor with DEPRAVED INDIFFERENCE.

Gordon Witteveen was afflicted with Chronic Leukemia.

Witteveen wondered ... leukemia and pest control products. Is there a correlation?

With CLEAR DEPRAVED INDIFFERENCE, Witteveen's Lunatic-Enviro-Doctor said YES. [?!?!]

### Fertilizer Terror — RESPONSE TO DOUG CHORNEY BY NORAHG

# **Depraved Indifference Of Enviro-Lunatic Doctor**

On August 29th, 2009, Witteveen reported -

About five years ago, I was diagnosed with chronic Leukemia also known as CMML.

Since then much of my time has been spent at blood labs, hospitals and doctor's offices.

My spleen has been removed, and there have been numerous tests to check and double check all my organs.

All the various components of my blood are either too high or too low.

When the platelets are low, I bruise and bleed prolifically and when the hemoglobin is low, I tire easily.

I have become part of a study that monitors my condition at a prominent Toronto hospital.

In spite of the above, I have remained active in my daily life.

I bicycle often on my 21-gear hybrid touring bike.

I also play golf at least twice a week, do my stretching exercises, and lift modest weights to keep up my strength.

Just the same, I am often exhausted and take frequent naps.

During my latest consultation, I got up the nerve to ask the doctor what the chances were of the chronic stage becoming acute.

Without hesitation she answered: " 30% ".

I was not dismayed by those odds because chances are that I will die of some other cause during the next decade.

I am now 75-years-old.

I then asked if there was CORRELATION BETWEEN MY CONDITION AND MY LIFE-LONG EXPOSURE TO PESTICIDES.

" Absolutely ", she replied. [?!?!]

Her quick response took me off guard, and it has been on my mind ever since.

I have yet to come to terms with it.

On the one hand, I have always believed that the prudent application of pesticides was beneficial.

Now I am on the other side of the equation and am not so sure about the benefits of pesticides.

I wish I had been more careful. [?!?!]

#### Fertilizer Terror — RESPONSE TO DOUG CHORNEY BY NORAHG

## **The Bottom Line**

The Bottom Line — Gordon Witteveen DID NOT develop Chronic Leukemia because of pest control products.

Just as Chorney DID NOT GET DEHYDRATED BY FERTILIZER.

Besides, as a Golf Superintendent who operated PRESTIGIOUS Golf Facilities, Witteveen was NOT routinely and directly involved with the application of pest control products.

How can anyone allow a Lunatic-Enviro-Doctor with DEPRAVED INDIFFERENCE near someone as ill and as vulnerable as Witteveen?

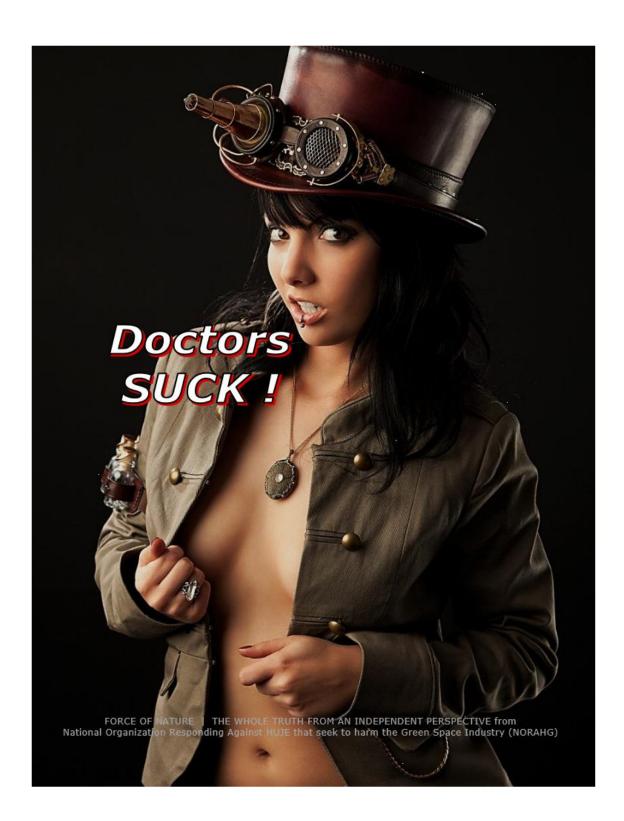

Throughout his entire life, Witteveen was a man who was ENERGETIC, INDEFATIGUABLE, and ROBUST, with BOUNDLESS ENERGY.

Some observers have surmised that this MIS-DIAGNOSIS by the Lunatic-Enviro-Doctor may have led to his RAPID and UNFORTUNATE demise.

# **Agriculture Is NEXT!**

This latest Enviro-Lunatic ATTACK against Doug Chorney, a highly-regarded representative of the Agriculture Industry is yet another sign that AGRICULTURE IS NEXT!

We face a hostile ideology global in scope, atheistic in character, ruthless in purpose, and insidious in method.

In the 9|11 Era of Environmental-Terrorism ...

LUNATIC ANTI-PESTICIDE PROHIBITION commenced against the urban use of PEST CONTROL PRODUCTS.

ENVIRO-TERRORIST ACTIVITIES have now spread against FERTILIZERS.

ENVIRO-TERRORIST ACTIVITIES will next eliminate pest control products from the HATED GOLF INDUSTRY.

and then ... NURSERY PRODUCTION.

and then ... AGRICULTURE.

and finally ... LUNATIC-TERRORIST PROHIBITION will spread NATIONALLY against ALL pest control products and even fertilizers.

# The ANNIHILATION Of The Agriculture Industry Is IMMINENT!

Growers in the Agriculture Industry are being LULLED into LUNATIC LA-LA I AND.

Growers who DO NOT want to get too involved with the issue of the PROHIBITION against pest control products used in the Urban Landscape.

For growers, LUNATIC LA-LA LAND is a euphoric dream-like mental state detached from the reality that Anti-Pesticide Enviro-Lunatics will IMMINENTLY ANNIHIHILATE the Agriculture Industry.

Cancer-Lunatics from Canadian Cancer Society want to DESTROY the Agriculture Industry!

Growers are DELUDED into believing that the Agriculture Industry will be FOREVER granted an EXCEPTION STATUS from Anti-Pesticide PROHIBITION.

Growers DO NOT understand that the HATED GOLF INDUSTRY also enjoys an EXCEPTION STATUS, which itself will be SHORT-LIVED.

Both GOLF INDUSTRY and AGRICULTURE INDUSTRY use the VERY SAME ingredients for the control of pests.

If it is safe to eat pesticide-treated food, then it is safe to play on pesticide-treated golf courses.

Anti-Pesticide Cancer-Lunatic Terrorists DISAGREF!

Agriculture Is NEXT!

Cancer-Lunatics want to DESTROY their Agricultural Businesses, as well as their assets, their customers, their homes, their lifestyles, their job security, their families, their children, their loved-ones, and their future.

Canadian Cancer Society, and other Anti-Pesticide Terrorist-Organizations, are planning to ANNIHILATE the Agriculture Industry.

Read ... Force Of Nature — The Whole Truth From An Independent Perspective.

Communities and businesses are being HARMED and DESTROYED and RAPED by PROHIBITIONS against pest control products used in the Urban Landscape, and by other ACTS OF ENVIRONMENTAL TERRORISM.

We are living in the 9 | 11 Era of Anti Pesticide and Environmental Terrorism where at least ONE SUBVERSIVE ACT OF TERROR is perpetrated EVERY SINGLE DAY by these terrorist.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

An informed public is better able to protect itself and its communities and businesses from so-called activists who are THE LEAST QUALIFIED TO PROVIDE ANY ADVICE about pest control products or the environment.

NORAHG is the National Organization Responding Against HUJE that seek to harm and destroy the Green space industry, and the well being of our communities.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE or ABANDONMENT of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment.

NORAHG is a NATIONAL NON PROFIT NON PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

NORAHG pledges to deliver comprehensive reports that are worthy of peoples' time and of peoples' concern, reports that might ordinarily never have breached the parapet.

NORAHG was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.
