

A dramatic scene of a firestorm. The background is filled with intense, swirling flames in shades of yellow, orange, and red, set against a dark, smoky atmosphere. In the center of the image, a glowing, spherical orb of fire or energy is visible, surrounded by a ring of fire. The overall effect is one of powerful, natural force.

# Overview from an Independent Perspective

The Province of Ontario is currently under a Liberal government headed by Premier Dalton McGuinty. The present government, first elected in 2003, was re-elected on October 10<sup>th</sup>, 2007. It is affectionately called the McGuinty-Ontario-Environmental-Terror-Regime. This regime is the POLITICAL SHIELD for the Environmental-Terror-Movement, and is its LEGISLATIVE INSTRUMENT of PROHIBITION POLICY. The actions of this government are viewed as a form of TERROR against the Green Space Industry.

The McGuinty-Ontario-Enviro-Terror-Regime passed legislation implementing a « *cosmetic pesticides ban* » that took effect April 22<sup>nd</sup>, 2009. The requirements of the prohibition are detailed in Ontario Regulation 63/09 and the Pesticides Act, which was amended by the Cosmetic Pesticides Ban Act.

The RAPE, ASSAULT, and TERROR against the Green Space Industry by the McGuinty-Ontario-Enviro-Terror-Regime DID NOT stop here.

Next ... the implementation of DESTRUCTIVE program of FEES and TAXES for ALL types of fertilizers. In 2010, the McGuinty-Ontario-Enviro-Terror-Regime imposed the Municipal Hazardous or Special Waste Program Plan ( M.H.S.W. ) and Harmonized Sales Tax ( H.S.T. ).

Under the NEEDLESS, SENSELESS, and MALICIOUS M.H.S.W. program, the fertilizer companies are being COERCED into paying the entire cost of so-called FERTILIZER WASTE. This cost will then be PASSED ON to the end-users in the Green Space Industry. Consequently, the Green Space Industry is being forced to spend even more of its limited financial resources on fertilizers.

M.H.S.W. is NOT a program for protecting the environment. M.H.S.W. is a PLOY that ensures money and employment for Coercive-Enviro-Maniac-Government-Officials. With M.H.S.W., these Enviro-Maniac-Basterds have guaranteed themselves SAFE, SECURE, GUARANTEED, and WELL-PAYING ENVIRO-TERROR-JOBS at the expense of the Green Space Industry. The RAPE, ASSAULT, and TERROR against the Green Space Industry by the McGuinty-Ontario-Enviro-Terror-Regime continues to be ENDLESS.

The Ontario Ministry of the Environment is the Enviro-Maniac-Basterd Ministry RESPONSIBLE for the Municipal Hazardous or Special Waste Program Plan ( M.H.S.W. ). Stewardship Ontario ( S.O. ) is the ADMINISTRATOR for M.H.S.W. S.O. is a Basterd-Agency infested with Enviro-Maniac-Activists !

# Overview from an Independent Perspective

John Gerretsen is the Minister responsible for the M.H.S.W. He is the Master-Basterd-Enviro-Maniac-Minister who imposed the prohibition of pest control products through the concoction of FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES. The same strategies are now being used AGAINST fertilizers.

There are serious issues with Gerretsen, who has been INDISCREET with his close public ties with Enviro-Maniac-Activists, raising the question about the radical interests of the Enviro-Lobby taking precedence.

In January 2010, the Green Space Industry outlined the LIST OF CHARGES against the McGuinty-Ontario-Enviro-Terror-Regime and the Ministry of the Environment. Additionally, individual Enviro-Maniac members of Environmental-Terror-Organizations are also facing FRAUD CHARGES under the Canadian Criminal Code. The legal challenge is being organized by Jeffrey Lowes and M-REP Communications.

Municipal Hazardous or Special Waste Program Plan ( M.H.S.W. ) specifically targets small businesses, as well as home-owners. M.H.S.W. is an extension of the consumer blue box/municipal hazardous waste collection programs. Moreover, M.H.S.W. imposes DESTRUCTIVE FERTILIZER FEES.

M.H.S.W. IMPOSES DESTRUCTIVE FEES on products such as ... Aerosols. Anti-Freeze. Batteries. Corrosives. Domestic Class Pesticides. **Fertilizers.** Flammables or Toxic Materials. Oils. Paints. Solvents.

M.H.S.W. IMPOSES DESTRUCTIVE FEES on ALL PACKAGED FERTILIZER PRODUCTS ( including manure/compost ), in 30-kilogram-packages and under, that make a PLANT NUTRIENT CLAIM, whether federally-registered or not.

M.H.S.W. IMPOSES DESTRUCTIVE FEES on a WIDE number of groups, including the HATED Golf Industry.

The Coercive-Enviro-Maniac-Government-Officials wanted to SPECIFICALLY ENSURE that the HATED Golf Industry was NOT excepted from this program.

Since the prohibition of pest control products in Ontario, Coercive-Enviro-Maniac-Government-Officials understand full well that THERE IS NO UNITY within the Green Space Industry.

# Overview from an Independent Perspective

Soon after the taste of victory with the obliteration the Professional Lawn Care Industry, the HATED Golf Industry is now specifically targeted in the next round of attacks. Now, the Golf Industry is totally alone, and devoid of ANY allies to help defend itself.

Just like it did with the prohibition of pest control products, the Government of Ontario and the McGuinty-Environmental-Terror-Regime have UNFAIRLY DISCRIMINATED with EXCEPTIONS to the DESTRUCTIVE FEES —

- Exception granted for bulk fertilizer. — Agriculture. Forestry.
- NO Exception. — Do-It-Yourself Homeowners.
- NO Exception other than for bulk fertilizer. **Golf courses.** Greenhouse production. Lawn bowling. Nursery production. Professional Lawn Care. Sod growers. Sports fields.

When the prohibition of « *cosmetic pesticides* » was imposed in Ontario, the leadership of the Golf Industry, because of its attitude of denial and protectionism and mock-dismay at ANY form of criticism, refused to join forces with the Professional Lawn Care Industry, and LITIGATE against the forces of Environmental-Terror.

As a consequence of the INACTION of the Golf Industry, the Coercive-Enviro-Maniac-Government-Officials are NO LONGER intimidated by the obviously WEAK, IMPOTENT, and SLOVENLY Golf Industry, which has now LOST its TOTAL EXCEPTION STATUS in Ontario. And even now, both the Golf Industry, as well as the LandsCAPE Trades Industry, are UNWILLING to fight against the DESTRUCTIVE FERTILIZER FEES AND TAXES.

**PREDICTION** : The Golf Industry exception status will be ENTIRELY REVOKED within two to four years. This will include pest control products.

The RAPE, ASSAULT, and TERROR against the Green Space Industry by the McGuinty-Ontario-Enviro-Terror-Regime is ENDLESS !

The Continuing Conspiracy to Harm the Green Space Industry with Fees and Taxes

The definition of « *fertilizer* »  
as a potentially « *special* » material  
under the M.H.S.W. program ...

---

Early in its discussions with Coercive–Enviro–Maniac–Government–Officials at Stewardship Ontario, « *special fertilizer* » was more properly defined as those products containing herbicides ( i.e. « *Weed and Feed* » granular products ), as well as some micro–nutrients and supplements.

This is NOT the case anymore.

by the Government of Ontario  
and the McGuinty–Regime ...

The BLOATED budget of the Municipal Hazardous or Special Waste Program Plan ( M.H.S.W. ) is **1.7–million–dollars** per year, which will be covered by an increase in the cost of fertilizer paid by the end–users.

M.H.S.W. program costs are funded by those industries that produce and use the materials.

## The Continuing Conspiracy to Harm the Green Space Industry with Fees and Taxes

The Coercive-Enviro-Maniac-Government-Officials at Stewardship Ontario are SCAMMING the public with FEAR-MONGERING, FRAUDULENT LIES, MIS-CONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES regarding the Fertilizer Industry. They have CONCOCTED the story that VAST QUANTITIES of fertilizer are being thrown away at landfill sites every year.

The Fertilizer Industry objected to the 1.7-million-dollar cost to administer fertilizers dropped off at landfill hazardous waste sites, but to no avail.

### The cost imposed by the M.H.S.W. program ...

---

The DESTRUCTIVE M.H.S.W. FEE will increase the cost by at least FIFTY-EIGHT CENTS per 25-kilogram-bag of fertilizer and manure/compost sold in Ontario.

◆ **WARNING** : This DESTRUCTIVE FEE WILL BE INCREASED over time.

It should be noted that since the Coercive-Enviro-Maniac-Government-Officials at Stewardship Ontario have NO REAL DATA to base this cost to handle fertilizer, the M.H.S.W. program is leaving the cost as entirely open ended. They will collect this FIFTY-EIGHT CENTS from the end-user or manufacturer, and will « *adjust* » ( i.e. increase ) the cost later.

◆ **WARNING** : The RAPE, ASSAULT, and TERROR against the Green Space Industry continues to be ENDLESS.

In its original intentions against the Fertilizer Industry, the Coercive–Enviro–Maniac–Government–Officials at Stewardship Ontario proposed the M.H.S.W. FEE of **0.411 CENTS PER KILOGRAM** ( the equivalent of over **TEN DOLLARS** per 25–kilogram–bag ).

◆ **WARNING** : The **RAPE**, **ASSAULT**, and **TERROR** against the Green Space Industry continues to be **ENDLESS**.

**As usual** ... many Fertilizer–End–User–Trade–Associations, such as Canadian Golf Superintendents Association and LandsCAPE Ontario, have demonstrated an inability, or unwillingness, to competently manage and confront the issues of the **DESTRUCTIVE** program of **FEES** and **TAXES** for **ALL** types of fertilizers imposed by the Government of Ontario and the McGuinty–Environmental–Terror regime. **FORCE OF NATURE** was launched for continuous transmission on the Internet on January 1<sup>st</sup>, 2009. It is a series of e-newsletters destined for the Green Space Industry, the Environmental-Terror-Movement, Government Officials, and the Media, nation-wide across Canada, the United States, and overseas.

Force Of Nature is the brainchild of William H. Gathercole and his entourage. Norah G is actually an acronym for the stable of anonymous producers and writers that contribute to this e-newsletter and have now replaced Mr. Gathercole. They consist of people from the following industries : Distribution, Fertilizer, Golf, Lawn Care, Manufacturing, Municipal, Nursery, and Orchard. Many of these people are leaders in their own industries. The opinions expressed in Force Of Nature, even though from an INDEPENDENT PERSPECTIVE, may not reflect those of everyone in the Green Space Industry, or Mr. Gathercole's many associates. Be warned ! Force Of Nature may sometimes be very irreverent and fearless with these e-newsletters. Mr. Gathercole is now retired from Force Of Nature, although his name continues to appear as the founder.

# O

William H. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF and PROFESSIONAL LAWN CARE, and has served in public affairs, workplace safety, and environmental compliance. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

# R

Mr. Gathercole has followed the evolution of ENVIRONMENTAL-TERRORISM for over a quarter-century. His involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the prohibition of pest control products in the Town of Hudson, Quebec. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of Environmental-Terror for the entire Modern Green Space Industry across Canada. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status, that endures to this day. He is also the creator of the signs that are now used for posting after application. Although he can be accused of being Anti-Environment-Movement, he is, in fact, simply a strong advocate FOR the Modern Green Space Industry. However, this position has not precluded him from criticizing the Green Space Industry itself. His vast knowledge of our long journey with Environmental issues is UNDENIABLE. ( Hopefully ! )

Force Of Nature is the instrument of National Organization Responding Against Hujie that harm the Green Space Industry ( **NORAHG** ) by routinely concocting FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES to DECEIVE the public into believing that families are in some NON-EXISTENT danger with conventional pest control products. They also SCAM Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS prohibition of FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE conventional pest control products. Enviro-Maniac-Activists are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro-Maniac-Culprit is a mis-guided adversary, each still deserves our respect. The terms Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong-doing. Force Of Nature is simply holding alleged culprits accountable for conspiring to change public policies that TERRORIZE and THREATEN the Green Space Industry. Their pretentious prohibitionist rants has created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Maniac-Culprit-Terrorist-Basterds is viewed as a form of TERROR against the Green Space Industry. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events with commentary. Additionally, Force Of Nature inspires people to believe that ENVIRONMENTAL-TERRORISM can be STOPPED !
