Fertilizer Enviro Terror

**Sudbury, Ontario,
Approves LUNATIC
TERRORIST PROHIBITION
and RESTRICTION
of Turf Fertilizers**

July 13th, 2011

The Sudbury Star

Selected and adapted excerpts

Who Is Sudbury Trying To Kid ?!?!

Sudbury is located in a region that is INFAMOUS for being DESOLATE, DISMAL, FILTHY, POLLUTED, and UGLY.

Since the 1972 construction of the INCO SUPER-STACK, SULFURIC ACID has been dispersed over wide area in Sudbury, contributing to ACID RAIN.

In parts of the city, VEGETATION WAS DEVASTATED both by acid rain and by logging to provide fuel for early smelting techniques.

As a result, Sudbury became widely known as a WASTELAND; it has NO LESSONS TO GIVE ABOUT PROTECTING THE ENVIRONMENT.

And yet, the Enviro-Lunatic City Council of Greater Sudbury has approved LUNATIC-TERRORIST-PROHIBITION of PHOSPHORUS FERTILIZER under the PRETEXT of protecting the environment.

The Municipal Lunatic Terrorist Conspiracy to Destroy the Professional Lawn Care Industry

Greater Sudbury and its Desolation

Greater Sudbury, with a population of almost 160,000, is a city in the Province of Ontario, Canada.

Greater Sudbury was created in 2001 by merging the cities and towns of the former Regional Municipality of Sudbury, along with several previously unincorporated geographic townships.

By population, it is the largest city in the Northern Ontario region.

By land area, it is the largest city in Ontario, and the seventh largest municipality by area in Canada.

Sudbury is SO DESOLATE that during the Apollo manned lunar exploration program, astronauts TRAINED IN SUDBURY since ITS ENVIRONMENT RESEMBLED THE LIFELESS SURFACE OF THE MOON.

In recent years, the ecology of the Sudbury region has recovered dramatically thanks to RE-GREENING PROGRAMS, which sadly now include the LUNATIC-PROHIBITION and RESTRICTION of FERTILIZER that will eventually DESTROY the Professional Lawn Care Industry.

Fertilizer Enviro Terror

Sudbury's Lunatic-Terrorist-Prohibition

On July 13th, 2011, the Enviro-Lunatic City Council of Greater Sudbury passed a NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION and RESTRICTION on fertilizer use in the Urban Landscape.

Sudbury is the FIRST MUNICIPALITY IN ONTARIO to enact phosphorus PROHIBITION, and it will come into effect in April 2012.

Sudbury will also RESTRICT ALL FERTILIZER USED by the Professional Lawn Care Industry.

Sudbury legislated based solely on FEARS ABOUT FERTILIZER and ALLEGED effects on CYANO-BACTERIA BLUE-GREEN ALGAE in water.

There were RIDICULOUS ALLEGATIONS that one-pound of phosphorus can create 700 pounds of blue-green algae. [?!?!]

Two Prohibition-Terrorist-Organizations COERCED and INTIMIDATED Greater Sudbury Council to PROHIBIT and RESTRICT fertilizers —

- Greater Sudbury Watershed Alliance
- Long Lake Stewardship Committee

There are 371 people on Long Lake Stewardship Committee, out of a total of 1,250 residents on Long Lake, and Greater Sudbury Watershed Alliance is a coalition of 19 local lake and river stewardship groups.

Fertilizer Enviro Terror

The Municipal Lunatic Terrorist Conspiracy to Destroy the Professional Lawn Care Industry

Details Concerning Sudbury's Prohibition

The Sudbury PROHIBITION will ...

- ban fertilizer use of phosphorus, but there are EXCEPTIONS
- ban ALL fertilizer use on frozen ground
- ban ALL fertilizer use during rain, or when rain is predicted
- ban ALL fertilizer use within 15 metres of any water body
- ban ALL fertilizer use on impervious surfaces such as drive-ways and parking lots.

Exceptions to Sudbury's Prohibition

The Sudbury PROHIBITION will NOT apply to OVER 95 PER CENT of ALL phosphorus fertilizer use ...

- the use of phosphorus to establish turf from seed or sod
- the use of phosphorus when a soil test indicates a deficiency
- the use of phosphorus on AGRICULTURAL LAND
- the use of phosphorus on SOD FARMS
- the use of phosphorus on GOLF COURSES.

Fertilizer Enviro Terror

Sudbury's Prohibition Unnecessary

In fact, turf fertilizers are NOT THE PRIMARY SOURCE of phosphorus-loading in area lakes — PROHIBITION will NOT protect the environment.

Turf Fertilizers No Longer Contain Phosphorus

Moreover, because phosphorus is an EXPENSIVE raw material, turf fertilizers generally ARE NOT COMPOSED of the mineral.

95 PER CENT of all turf fertilizers NO LONGER CONTAIN PHOSPHORUS, so PROHIBITION IS NOT NEEDED.

Sudbury Merely Copying Failed U.S. Prohibitions

Sudbury is merely following many jurisdictions in the United States, where IDIOTIC RESTRICTIONS AND PROHIBITIONS have been IMPOSED on fertilizers containing phosphorus, and even nitrogen.

In America, THERE HAVE BEEN NO TANGIBLE RESULTS WITH FERTILIZER PROHIBITION — U.S. PROHIBITION IS A DISMAL FAILURE.

In the 9/11 Era of Environmental-Terror ...

LUNATIC-TERRORIST-PROHIBITION
commenced against the urban use of
PEST CONTROL PRODUCTS

ENVIRO-TERRORIST-ACTIVITIES
have now spread against
FERTILIZERS

ENVIRO-TERRORIST-ACTIVITIES
will then eliminate
pest control products from the
GOLF INDUSTRY

and then ...

NURSERY PRODUCTION

and then ...

AGRICULTURE

and finally ...

LUNATIC-TERRORIST-PROHIBITION
will spread NATIONALLY against ALL
pest control products and fertilizers

At least ONE MALICIOUS ACT
of Lunatic–Environmental–Terror
Is Perpetrated EVERY SINGLE DAY

NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. This is what we do. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. Mr. Gathercole was the FIRST PERSON EVER to obtain University degrees and contribute to BOTH the Professional Lawn Care and Golf Maintenance Industries. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has advised, certified, instructed, and trained thousands of turf and ornamental managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. He and his colleagues are recognized as THE MAJOR INFLUENCE for the decision by Canadian Cancer Society to STOP selling for profit PESTICIDE TREATED DAFFODILS. Mr. Gathercole's vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
