Fertilizer Enviro Terror

Fighting Against the Conspiracy to Harm the Green Space Industry

State of Florida To ABOLISH Local Fertilizer Bans

March 22th, 2011

Landscape Management — LM Direct !

Selected and adapted excerpts

If a STATE-WIDE PRE-EMPTION bill now moving through the state legislature in the State of Florida is passed, local municipal and county governments would NO LONGER BE ABLE TO MAKE THEIR OWN LAWS REGARDING FERTILIZER USE.

Fertilizer Enviro Terror

Fighting Against the Conspiracy to Harm the Green Space Industry

STATE-WIDE PRE-EMPTION LEGISLATION would end a number of patch-work BANS and RESTRICTIONS that HURT BUSINESS AND RETAILERS.

The STATE-WIDE PRE-EMPTION LEGISLATION would require counties with polluted water bodies to ADOPT A MODEL ORDINANCE developed by a state task force two years ago.

More than forty-seven cities and counties in Florida are INFESTED by fertilizer ordinances.

For example, Pinellas and Sarasota Counties, on Florida's Gulf Coast, have adopted ordinances BANNING NITROGEN OR PHOSPHORUS FERTILIZER DURING THE SUMMER RAINY SEASON, the time when Florida's warm-season grasses are growing most vigorously and need fertilizer the most.

Enviro-Lunatic County Officials have FALSELY BLAMED the run-off of lawn fertilizers as one of the sources of nutrient loading resulting in algae growth in the Gulf of Mexico and other waterways. [?!?!]

Enviro-Lunatic County Officials, along with several Environmental-Terrorist-Organizations, predictably spoke against the STATE-WIDE PRE-EMPTION LEGISLATION.

When enacted, the STATE-WIDE PRE-EMPTION LEGISLATION will be left up to QUALIFIED, UN-BIASED EXPERTS to measure the impacts of a cohesive state-wide approach to Florida's fertilizer use.

When passed, the STATE-WIDE PRE-EMPTION LEGISLATION would provide the EXPERTS at Florida Department of Agriculture and Consumer Services with sufficient authority to COMPETENTLY regulate the sale and composition of fertilizer on a STATE-WIDE and UNIFORM BASIS.

Twenty-three states have similar STATE-WIDE PRE-EMPTION LEGISLATION for the sake of UNIFORMITY and ELIMINATING REDUNDANT REGULATIONS, including New Jersey, Mississippi, and Michigan.

We are living in the 9/11 Era of Environmental Terror !

LUNATIC-TERRORIST-PROHIBITION
commenced with
PEST CONTROL PRODUCTS

LUNATIC-TERRORIST-PROHIBITION
has now spread to
FERTILIZERS

LUNATIC-TERRORIST-PROHIBITION
will then eliminate pest
control products from the
GOLF INDUSTRY

and then ...
NURSERY PRODUCTION

and then ...
AGRICULTURE

and then ...
LUNATIC-TERRORIST-PROHIBITION
will finally spread NATIONALLY
for ALL pest control products

At least ONE MALICIOUS ACT
of Lunatic-Environmental-Terror
Is Perpetrated EVERY SINGLE DAY

NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
