In the 9/11 Era of Environmental-Terror ...

**Tampa Bay, Florida,
Approves LUNATIC
TERRORIST PROHIBITION
of BOTH Phosphorus
and Nitrogen Fertilizer**

June 23rd, 2011

Tampa Bay Online

Selected and adapted excerpts

Fertilizer EnviroTerror

TAMPA BAY is a large natural harbour and estuary along the Gulf of Mexico on the west central coast of Florida, comprising Hillsborough Bay, Old Tampa Bay, Middle Tampa Bay, and Lower Tampa Bay.

« Tampa Bay » is NOT the name of any municipality.

This misconception probably stems from the naming of several professional sports franchises (including the Tampa Bay Buccaneers, Tampa Bay Lightning, Tampa Bay Rays, and FC Tampa Bay) whose names represent the collective Tampa Bay Area, the HUB of which is the City of Tampa, Florida.

Tampa Bay is Florida's largest open-water estuary, extending over 400 square miles (1,000 square kilometres), and forming coast-lines of Hillsborough, Manatee and Pinellas Counties.

The fresh-water sources of the bay are distributed among over a hundred small tributaries, rather than a single river.

Fertilizer Enviro Terror

The U.S. Terrorist Conspiracy to Destroy the Green Space Industry

Beginning on June 1st, 2012, the SALE of NITROGEN AND PHOSPHORUS-LADEN FERTILIZERS — or USING them to keep lawns and athletic fields green — will be OUTLAWED in this city.

On June 23rd, 2011, the Enviro-Lunatic City Council voted 6 to 1 to BAN the sale and use of those fertilizers DURING THE RAINY SEASON, from June 1 to September 30.

Councilman Frank Reddick cast the lone dissenting vote against the measure, as he did in an earlier vote, citing the economic impact on retailers.

According to Enviro-Lunatic Mary Mulhern, the PRETEXT for LUNATIC-TERRORIST-PROHIBITION was TOURISM and POLLUTION —

<< *Tourists don't want to come to a place where there's no fish, and people don't want to live a place where the water is polluted.* [?!?!]

This is about protecting our waterways. >> [?!?!]

The move comes as the window for local governments to pass point-of-sale restrictions on fertilizers is closing, with a FLORIDA STATE LAW PROHIBITING BANS GOING INTO EFFECT ON JULY 1, 2011.

Fertilizer Enviro Terror

The U.S. Terrorist Conspiracy to Destroy the Green Space Industry

MOCK-SCIENTISTS for Tampa Bay Estuary Program and Sierra Club, both Environmental-Terrorist-Organizations, pushed for the tougher rules, FALSELY ALLEGING that nitrogen and phosphorus fertilizers contribute to nutrient pollution that saps the oxygen in water-ways, and fuels algae blooms that harm delicate marine life. [Wrong]

Fertilizer and Professional Lawn Care Industries OPPOSED the ban, and considered it as HEAVY-HANDED AND UNNECESSARY.

They argued that fertilizers are OVER-RATED AS A SOURCE OF NUTRIENT POLLUTION, and the run-off problems are due mostly to home-owners' ignorance of fertilizer application techniques.

According to former State Senator John Grant, a lobbyist who represents opponents of the ban —

<< You're going to have to justify hiring fertilizer cops when you're laying off regular cops. >>

As usual, the restrictions will NOT APPLY TO THE LARGEST USERS OF FERTILIZER — golf course or agriculture.

However, golf and agriculture face a tough provision that is not found in many bans — PROHIBITION OF THE SALE AND USE OF FERTILIZERS CONTAINING LESS THAN 50 PER CENT SLOW-RELEASE NITROGEN FROM OCTOBER TO MAY.

Council members will be able to revisit the restrictions in coming months if they want to modify or loosen them, a provision that was welcomed by opponents of the ban.

At least ONE MALICIOUS ACT
of Lunatic–Environmental–Terror
Is Perpetrated EVERY SINGLE DAY

NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. This is what we do. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. Mr. Gathercole was the FIRST PERSON EVER to obtain University degrees and contribute to BOTH the Professional Lawn Care and Golf Maintenance Industries. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has advised, certified, instructed, and trained thousands of turf and ornamental managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. He and his colleagues are recognized as THE MAJOR INFLUENCE for the decision by Canadian Cancer Society to STOP selling for profit PESTICIDE TREATED DAFFODILS. Mr. Gathercole's vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
