Selected and adapted excerpts

Fertilizer Enviro Terror

The U.S. Terrorist Conspiracy to Destroy the Green Space Industry

Fertilizer EnviroTerror

MARYLAND is a state located in the Mid-Atlantic region of the Southern United States, with a population of almost six million.

THE CHESAPEAKE BAY nearly bisects the State of Maryland.

Enviro-Lunatic Governor Martin O'Malley signed into law LUNATIC-TERRORIST-PROHIBITION that LIMITS BOTH THE CONTENT AND THE APPLICATION OF FERTILIZER FOR LAWNS.

This LUNATIC-TERRORIST-PROHIBITION was passed under the PRETEXT OF HELPING RESCUE THE CHESAPEAKE BAY from the ALLEGED NUTRIENT POLLUTION fouling its water.

Touted by Enviro-Lunatics as the most comprehensive regulation of lawn care in the Bay region, if not the nation, the law RIDICULOUSLY PROHIBITS PHOSPHORUS IN ANY FERTILIZER except those meant to boost growth of new or repaired lawns.

It also LIMITS NITROGEN CONTENT.

The measure FURTHER RESTRICTS WHEN and WHERE Professional Lawn Care companies and home-owners can apply fertilizer.

For instance, none is to be sprayed or spread within 10 to 15 feet of water, depending on how it is applied.

Fertilizer EnviroTerror

The U.S. Terrorist Conspiracy to Destroy the Green Space Industry

The law also PROHIBITS any LOCAL fertilizer bans or regulations, and would appear to INVALIDATE the restrictions in force since 2009 in the City of Annapolis, the only municipality or county in Maryland to enact any PROHIBITION.

But proponents say the PROHIBITION simply mirrors Annapolis, except for that city's requirement that merchants selling fertilizer post a sign urging customers not to over-apply it.

Under Maryland's LUNATIC-TERRORIST-PROHIBITION, lawns are NOT TO BE FERTILIZED BEFORE MARCH 1 or AFTER NOVEMBER 15.

However, though Professional Lawn Care companies get a couple more weeks in the fall than home-owners.

Professional Lawn Care companies can keep working to DECEMBER 1, as long as they are using « *fast-release* » fertilizer.

Professional Lawn Care companies also get latitude to continue applying « *natural organic* » or « *organic* » fertilizer containing phosphorus, though beginning in 2013, the amount of that plant nutrient would also be limited and could not be applied at all to lawns where tests show the soil already has plenty of phosphorus.

Professional Lawn Care companies would also be required to undergo NEEDLESS and SENSELESS training and OBTAIN CERTIFICATION from the Maryland Department of Agriculture, much as pest-control workers are now.

Enviro–Lunatic State Officials ALLEGE that the law should reduce the overall amount of phosphorus getting into Maryland’s portion of THE CHESAPEAKE BAY by 3 per cent. [?!?!]

Enviro–Lunatic State Officials say they do not have a handle yet on how much nitrogen might be kept out of the water.

In fact, these lunatics have pretty much CONCOCTED all of their figures.

But it is estimated, WITHOUT PRACTICAL VERIFICATION, that 14 per cent of the nitrogen and 8 percent of the phosphorus polluting THE CHESAPEAKE BAY comes from urban and suburban land, much of it fertilizer washed off by rain. [?!?!]

The LUNATIC–TERRORIST–PROHIBITION AGAINST THE GREEN SPACE INDUSTRY would make an INFINITESIMALLY SMALL DENT in THE CHESAPEAKE BAY’s overall pollution problem.

Enviro–Lunatic Agriculture Secretary Earl F. Hance noted that Maryland’s farmers have been under increasing regulation over the years [?!?!].

In fact, AGRICULTURE IS EXEMPT FROM ANY PROHIBITION.

Lunatic State Officials also used the PRETEXT that Maryland has 1.1 million acres in turfgrass, which is nearly the same as agriculture — however, UN-LIKE FARM LAND, MOST TURFGRASS AREAS ARE NOT FERTILIZED.

Any person who violates PROHIBITION on fertilizing lawns can be fined up to 1,000 dollars for a first offense, and up to 2,000 dollars for each repeat infraction.

Fertilizer EnviroTerror

The U.S. Terrorist Conspiracy to Destroy the Green Space Industry

But Enviro-Lunatic Ann P. Swanson, the bay commission's executive director, said she believes the law's main impact will come from fertilizer manufacturers reducing the nutrient content of their products.

Several years ago, the NEAR-SIGHTED and NAÏVE SCOTTS MIRACLE-GRO COMPANY, a leading lawn products seller, had voluntarily agreed to reduce the phosphorus content of their lawn fertilizers, in the MISTAKEN BELIEF that LUNATIC-ENVIRO-TERRORISTS would SOMEHOW BE APPEASED.

Moreover, in early 2011, SCOTTS announced it would make all its lawn fertilizer products sold nationally PHOSPHORUS-FREE by 2012.

SCOTTS' decisions are WORTHLESS against ENVIRO-TERRORISTS.

FERILIZER TERROR AGAINST THE GREEN SPACE INDUSTRY WILL NEVER END !

Moreover, SCOTTS is basically ADMITTING that turf fertilization somehow pollutes THE CHESAPEAKE BAY, when, in fact, THIS IS INCORRECT.

Also, State Officials expect that people themselves would have to make sure LUNATIC-TERRORIST-PROHIBITION is followed, by acting as INFORMANTS and RATting-OUT their neighbours.

The State of Maryland is now just like NAZI GERMANY.

At least ONE MALICIOUS ACT
of Lunatic-Environmental-Terror
Is Perpetrated EVERY SINGLE DAY

NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. This is what we do. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. He and his colleagues are recognized as THE MAJOR INFLUENCE for the decision by Canadian Cancer Society to STOP selling for profit PESTICIDE-TREATED DAFFODILS. Mr. Gathercole's vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
