Kelowna Capital News

Selected And Adapted Excerpts

FAWCTURE

Both Western Canada Turfgrass Association (WCTA) and Canadian Cancer Society FINANCIALLY SUPPORT Anti-Pesticide Terrorism.

WCTA, an Employee Trade Association, and Canadian Cancer Society are both Anti-Pesticide and Environmental-Terrorist Organizations.

Both are the PRINCIPAL ARCHITECTS in the CONSPIRACY TO PROHIBIT against pest control products in British Columbia.

WCTA CONSPIRES with Canadian Cancer Society TO TORPEDO AND BETRAY the Professional Lawn Care Industry IF THE GOLF INDUSTRY IS ALLOWED TO CONTINUE ENJOYING ITS PESTICIDE EXCEPTION STATUS.

On November 29th, 2012, WCTA agreed to PROVIDE A MAJOR CONCESSION to the Cancer-Terrorists ? — PAUL TUKEY.

For its March 2013 Conference, WCTA BROKERED AN ARRANGEMENT with Canadian Cancer Society that allowed their TOP FOREIGN LOBBYIST, PAUL TUKEY, to SUBVERT AND CORRUPT members of the Golf Industry with his USUAL LIES AND MIS-INFORMATION ABOUT PESTICIDE BANS AND THE IMAGINARY DANGER OF PEST CONTROL PRODUCTS.

The result of WCTA's ARRANGEMENT with Canadian Cancer Society —

« *The Precautionary Principle : A Better Safe Than Sorry Approach to Environmental Law* », an event that will feature PAUL TUKEY at the 50th annual Western Canada Turfgrass Association Conference in Penticton, British Columbia, on Tuesday, March 5th, 2013, between 12:30 p.m. and 1:30 p.m.

FAILURE

PAUL TUKEY is a lying, failed, bankrupt former lawn care operator who is now a DISCREDITED American Journalist, PAID-FOR-PROFIT Anti-Pesticide Terrorist, ILLEGAL Non-Registered Lobbyist, and Supplier of BOGUS Green Alternative Products and Services.

Tukey was also fined by the Maine Board Of Pesticides Control for APPLYING PESTICIDES WITHOUT THE NECESSARY LICENSING.

Despite an avalanche of information and complaints, WCTA REFUSES TO CANCEL Tukey's presentation at its 2013 Conference.

Allowing a known anti-pesticide terrorist like Paul Tukey to SUBVERT AND CORRUPT those who work in the Golf Industry is just the latest in a series of IDIOTIC ACTIVITIES by WCTA in its CONSPIRACY to PROHIBIT against pest control products used in the Urban Landscape.

Moreover, WCTA is KNOWINGLY FINANCING an Anti-Pesticide Terrorist.

WCTA is NOT ONLY PAYING for the services, travel, and accommodations of Paul Tukey, for its March 2013 Conference in City of Penticton.

WCTA is ALSO PAYING for Tukey's NEXT EVENT in the nearby City of Kelowna, where he will show his AMATEUR HOME-MADE VIDEO OF ANTI-PESTICIDE PROPAGANDA.

WCTA is even KNOWINGLY FINANCING Paul Tukey for the Kelowna Event.

WCTA is KNOWINGLY FINANCING Tukey's SPREAD of Anti-Pesticide PROPAGANDA in Kelowna, which will DAMAGE the Professional Lawn Care Industry.

FAILURE

Locations & Times Of Events — March 5th, 2013

Okanagan residents are being invited to see an AMATEUR HOME-MADE VIDEO to learn more about Anti-Pesticide Terrorism, in the City of KELOWNA, British Columbia.

The Kelowna Event will take place at University of British Columbia Okanagan, a nest of Enviro-Lunatic Educators.

At the Kelowna Event, starting at 7:00 p.m., Paul Tukey will present his AMATEUR HOME-MADE VIDEO in order to DUPE THE PUBLIC about the VALIDITY of Anti-Pesticide PROHIBITION in British Columbia.

Tukey scheduled the Kelowna Event ON THE VERY SAME DAY that he will have made his SUBVERSIVE PRESENTATION at Western Canada Turfgrass (WCTA) Conference, between 12:30 and 1:30 p.m.

This Kelowna Event is located a mere 45 kilometres (28 miles) from Penticton.

At the Penticton Event, between 12:30 and 1:30 p.m., Paul Tukey will SUBVERT AND CORRUPT the Golf Industry.

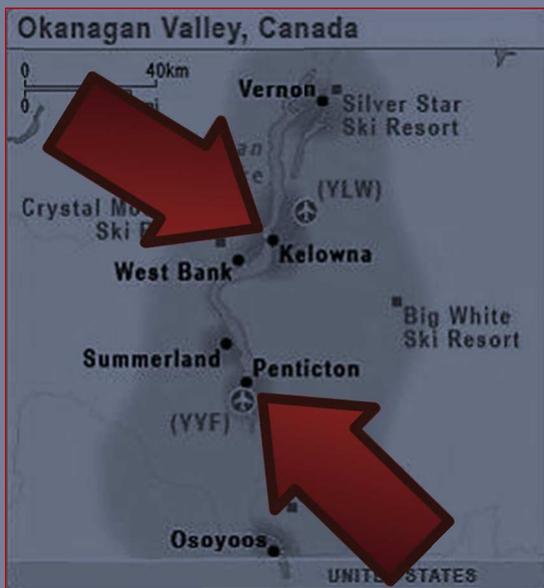

WCTA is PAYING FOR BOTH THE KELOWNA AND THE PENTICTON EVENTS — ALL travel and accommodations PROVIDED BY WCTA MEMBERS.

Tukey's Itinerary Of Anti-Pesticide Propaganda March 5th, 2013

PENTICTON, BRITISH COLUMBIA — March 5th, 2013, between 12:30 and 1:30 p.m., Paul Tukey will SUBVERT AND CORRUPT the Golf Industry at the 2013 Western Canada Turfgrass Association Conference, between 12:30 p.m. and 1:30 p.m.

KELOWNA, BRITISH COLUMBIA — March 5th, 2013, starting at 7:00 p.m., Paul Tukey will present his AMATEUR HOME-MADE VIDEO in order to DUPE THE PUBLIC about the VALIDITY of Anti-Pesticide PROHIBITION in British Columbia.

Both events are being FINANCED by the MISAPPROPRATION OF TAX-FREE DONATIONS and MEMBERSHIPS from the following Anti-Pesticide Terrorist Organizations —

- Canadian Cancer Society
- Canadian Association of Physicians for the Environment
- Western Canada Turfgrass Association (WCTA)

WCTA FINANCIALLY SUPPORTS
Anti-Pesticide Terrorism.

WCTA is just a bunch of
#@!%! basterds !

FAILURE

City Of Kelowna

Why are Paul Tukey and Canadian Cancer Society interested in organizing an event in Kelowna ?

Kelowna is a city located in the Interior Region of British Columbia, with a population of 100,000.

Beginning in 2009, the City of Kelowna regulated against the use of pest control products that it ARBITRARILY deemed as « *non-essential* ».

Kelowna's PROHIBITION included outdoor flowers, lawns, trees, shrubs, and other ornamental plants, as well as hard surfaces such as drive-ways.

The Professional Lawn Care and Golf Industries were provided with an EXCEPTION STATUS from the PROHIBITION, FOR NOW !

Paul Tukey and Canadian Cancer Society want to have their EXCEPTION STATUSES RESCINDED !

They want to DESTROY the Professional Lawn Care and Golf Industries !

WCTA is even KNOWINGLY FINANCING Paul Tukey for the Kelowna Event.

WCTA is PAYING TUKEY FOR THE KELOWNA EVENT — ALL travel and accommodations PROVIDED BY WCTA MEMBERS.

FAILURE

Tukey's Amateur Home-Made Video Of Anti-Pesticide Propaganda

WCTA is PAYING for Tukey's NEXT EVENT in the City of Kelowna, where he will show his AMATEUR HOME-MADE VIDEO OF ANTI-PESTICIDE PROPAGANDA to the public.

The AMATEUR HOME-MADE VIDEO is called A-Terrorist-Reaction, an ANTI-PESTICIDE PROPAGANDA VIDEO made in 2009 that GLORIFIED the ACTS OF SUBVERSION in the Town of Hudson, Quebec.

The video was CONCOCTED by American Anti-Pesticide Terrorist Paul Tukey in 2009.

A-Terrorist-Reaction RE-INVENTED AND DISTORTED THE HISTORY OF THE CONSPIRACY TO PROHIBIT against pest control products that are, in fact, HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, PRACTICALLY-NON-TOXIC, and CAUSE NO HARM.

In Canada, the AMATEUR HOME-MADE VIDEO called A-Terrorist-Reaction, an ANTI-PESTICIDE PROPAGANDA VIDEO by Paul Tukey, is SOLD, SHOWN, AND DISTRIBUTED-FOR-PROFIT by Canadian Cancer Society, an Anti-Pesticide Terrorist-Organization.

A-Terrorist-Reaction will be shown to the public in Kelowna in order to SUBVERT AND CORRUPT them into believing that the EXCEPTION STATUS for the Professional Lawn Care and Golf Industries SHOULD BE RESCINDED.

In Canada, the AMATEUR HOME-MADE VIDEO called A-Terrorist-Reaction, an ANTI-PESTICIDE PROPAGANDA VIDEO by Paul Tukey, is SOLD, SHOWN, AND DISTRIBUTED-FOR-PROFIT by Canadian Cancer Society

A Chemical Reaction - DVD \$15.00 Quantity: [Add to cart](#)

Much of Canada has spoken and many lawn and garden pesticides are now banned in most of the nation. "A Chemical Reaction" examines how Hudson, Quebec, became the first town in North America to eliminate these products and how its battle all the way to the Canadian Supreme Court inspired activists everywhere -- yet some towns and provinces are still holding out.

[More information...](#)

[Share on facebook](#)

A-Terrorist-Reaction is shown to the public and Government Officials in order to SUBVERT and POLLUTE the legal system and legislative systems, and it is also used TO VALIDATE THE CONSPIRACY TO PROHIBIT against pest control products used in the Urban Landscape

FAWCTURE

PROHIBITION In Hudson And Quebec

At the Kelowna Event, Paul Tukey will present his AMATEUR HOME-MADE VIDEO that GLORIFIED the ACTS OF ANTI-PESTICIDE SUBVERSION in the Town of Hudson, Quebec.

Hudson is a small isolated ghetto-town of a frustrated Anglophone minority located near Montreal.

In the 1990s and 2000s, Politician Jack Layton and other Anti-Pesticide Lunatics CONSPIRED TO IMPOSE PROHIBITION against pest control products in the Town of Hudson, Quebec.

In 1991, the Town of Hudson, Quebec, governed by a SUBVERSIVE GROUP OF LUNATICS, enacted PROHIBITION against the use of pest control products that were otherwise HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, PRACTICALLY-NON-TOXIC, and CAUSED NO HARM.

Hudson officials easily capitulated under the pressure of a mere handful of Anti-Pesticide Lunatics that included Jack Layton, June Irwin, and others.

FAILURE

The Hudson PROHIBITION was adopted based upon the Cities and Towns Act which stated —

The council may make by-laws to secure peace, order, good government, health and general welfare in the territory of the municipality, provided such by-laws are not contrary to the laws of Canada, or of Quebec.

Clearly, the Hudson PROHIBITION CONTRADICTED provincial and federal law.

The Agriculture and Golf Industries were provided with an Exception Status — thankfully, Mr. William H. Gathercole crafted the original Golf Industry Exception Status, which endures to this day for virtually all jurisdictions in North America.

Once the ACTS OF SUBVERSION of the Town of Hudson were VALIDATED by Enviro-Lunatic-Supreme-Court-Judges, on June 10th, 2002, the PROVINCE-WIDE CONSPIRACY BEGAN.

In 2004, the Government of Quebec began ARBITRARILY IMPOSING the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION against pest control products used in the Urban Landscape.

Quebec became the first province to declare weed control products containing 2,4-D as POSSIBLY carcinogenic, a position that the province later DEEMED AS FALSE.

Quebec's PROHIBITION was implemented under the Pesticide Management Code, over a three-year period, instituted in 2004 and fully implemented in 2006.

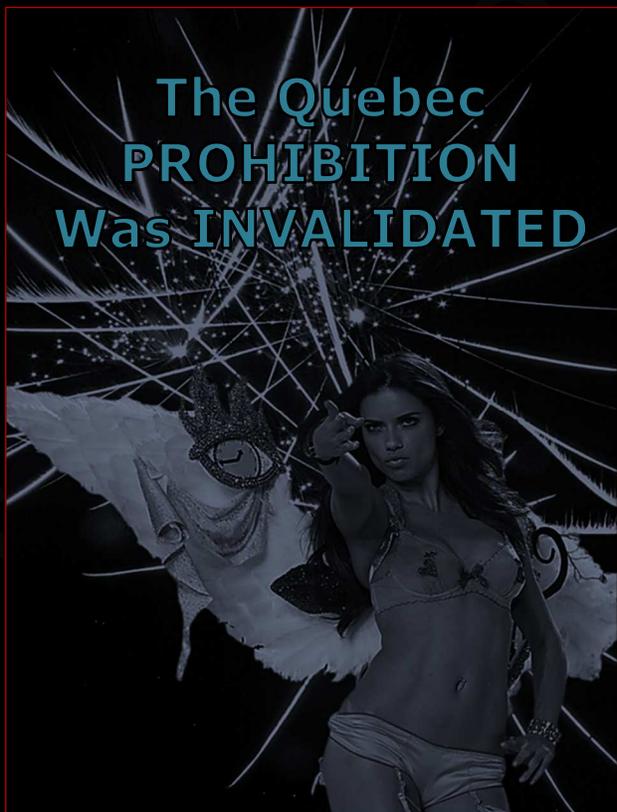

FACTURE

What was PURPOSELY NOT REVEALED in Tukey's AMATEUR HOME-MADE VIDEO was that PROHIBITION WAS LATER IRREFUTABLY INVALIDATED in Quebec, and in Hudson.

Between 2009 and 2011, A LEGAL CHALLENGE by Dow AgroSciences, the manufacturer of 2,4-D, sought a REPEAL of Quebec's Anti-Pesticide PROHIBITION BY INITIATING A LEGAL CHALLENGE against the Canadian federal government under the provisions of the North American Free Trade Agreement (NAFTA).

On May 25th, 2011, Quebec's PROHIBITION WAS INVALIDATED when the LEGAL CHALLENGE WAS SETTLED, and Government Officials were HUMILIATED INTO ADMITTING THAT 2,4-D DID NOT POSE AN UNACCEPTABLE RISK to human health or the environment.

Dow AgroSciences' LEGAL SETTLEMENT demonstrated that pest control products were SCIENTIFICALLY SAFE and Anti-Pesticide PROHIBITIONS were IRREFUTABLY INVALIDATED.

FAILURE

As a result of this HUMILIATION in Quebec, across North America, Government Officials WERE NO LONGER AS EASILY MIS-INFORMED AND COERCED into agreeing with Anti-Pesticide Activists, and WERE NO LONGER INCLINED TO LEGISLATE PROHIBITION.

If/when any PROHIBITION was IMPOSED, Government Officials have done so in DEFIANCE of the TRENDS AGAINST PESTICIDE BANS.

There are dozens of jurisdictions that have STOPPED or RESCINDED or LIMITED Anti-Pesticide PROHIBITION, or granted Professional Lawn Care Businesses with an EXCEPTION STATUS —

The trend AGAINST pesticide bans has continued again and again —

- Alberta (Province)
- Altona (Manitoba)
- Ashland (Oregon)
- Beaumont (Alberta)
- British Columbia (Province)
- Calgary (Alberta)
- Campbell River (British Columbia)
- Chicago (Illinois)
- Durango (Colorado)
- Edmonton (Alberta)
- Everett (Washington)
- Guelph (Ontario)
- Guelph-Eramosa (Ontario)
- Kamloops (British Columbia)
- Kelowna (British Columbia)
- Merritt (British Columbia)
- New Brunswick (Province)
- Newfoundland & Labrador (Province)
- Port Alberni (British Columbia)
- Portage La Prairie (Manitoba)
- Quebec (Prohibition Invalidated When Lawsuit Defeated Ban)
- Regina (Saskatchewan)
- Rossland (British Columbia)
- Salmon Arm (British Columbia)
- Scarborough (Maine)
- Saint John's (Newfoundland & Labrador)
- Steinbach (Manitoba)
- Sturteburn (Manitoba)
- Vernon (British Columbia)
- Winkler (Manitoba).

The 2012-2013 leaders of Western Canada Turfgrass Association who SUPPORTED Prohibition, BOGUS Green Alternatives, and Demise of the Professional Lawn Care Industry, and Paul Tukey

Future generations will ask the question — Why ?

WCTA's Elected Officials and Administration Staff APPROVED AN ARRANGEMENT with Canadian Cancer Society.

This ARRANGEMENT allowed Canadian Cancer Society's TOP FOREIGN LOBBYIST, PAUL TUKEY, to SUBVERT AND CORRUPT members of the Golf Industry at WCTA's March 2013 Conference.

A-Terrorist-Reaction
created the SAME effect !

A-Terrorist-Reaction
was a DISGRACEFULLY
FALSE and MISLEADING
BOGUS Amateur Foreign
Home-Made Video

The AMATEUR HOME-MADE VIDEO called A-Terrorist-Reaction is an ANTI-PESTICIDE PROPAGANDA VIDEO by Paul Tukey

A-Terrorist-Reaction was a foreign AMATEUR HOME-MADE VIDEO.

A-Terrorist-Reaction was CONCOCTED TO GLORIFY ANTI-PESTICIDE TERRORISM.

A-Terrorist-Reaction GLORIFIED THE ACTS OF SUBVERSION in the Town Hudson, Quebec.

A-Terrorist-Reaction was CONCOCTED TO PROMOTE AND VALIDATE the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION against pest control products.

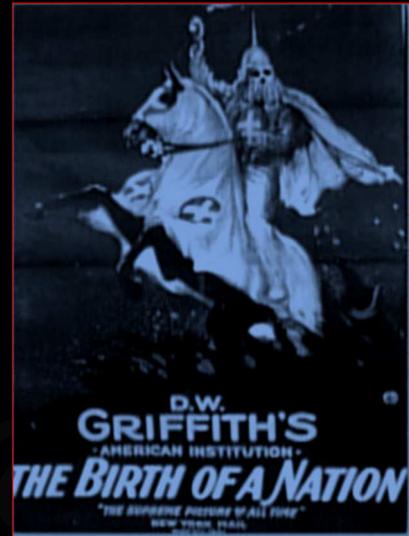

A-Terrorist-Reaction was CONCOCTED TO DESTROY the Modern Professional Industry.

A-Terrorist-Reaction was also SOLD, SHOWN, AND DISTRIBUTED-FOR-PROFIT by Anti-Pesticide Terrorist-Organizations like SafeLawns and Canadian Cancer Society.

This AMATEUR HOME-MADE VIDEO was recognized as DISGRACEFUL, FALSE, MISLEADING, and BOGUS.

A-Terrorist-Reaction RE-INVENTED AND DISTORTED THE HISTORY OF THE CONSPIRACY TO PROHIBIT against pest control products that are, in fact, HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, PRACTICALLY-NON-TOXIC, and CAUSE NO HARM.

A-Terrorist-Reaction was CONCOCTED with OVERTONES of the classic American film The Birth Of A Nation, which also RE-INVENTED HISTORY.

The AMATEUR HOME-MADE VIDEO called A-Terrorist-Reaction is an ANTI-PESTICIDE PROPAGANDA VIDEO by Paul Tukey (cont)

The Birth Of A Nation was a 1915 silent film set during and after the American Civil War.

The Birth Of A Nation GLORIFIED TERRORISM in the form of the violent racism of the Ku Klux Klan (KKK).

The Birth Of A Nation was the highest-grossing film of its day, and was noted for its innovative camera techniques and narrative achievements.

The Birth Of A Nation provoked great controversy by promoting the WHITE SUPREMACY of the KKK.

Similarly, A-Terrorist-Reaction is shown to the public and Government Officials in order TO PROMOTE THE SUPREMACY of Anti-Pesticide Lunatics like Paul Tukey, and TO VALIDATE THE CONSPIRACY TO PROHIBIT against pest control products.

The Birth Of A Nation was a controversial propaganda film that RE-INVENTED HISTORY .

Similarly, A-Terrorist-Reaction is DISGRACEFULLY FALSE AND MISLEADING HOME-MADE VIDEO PROPAGANDA THAT IS SOLD-FOR-MERE-PROFIT .

A-Terrorist-Reaction was a BOGUS AMATEUR HOME-MADE VIDEO that RE-INVENTED, DISTORTED, and GLORIFIED THE HISTORY OF ANTI-PESTICIDE TERRORISM.

FORCE OF NATURE | THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from
National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG)

Background Information From An Independent Perspective

Tukey — Anti-Pesticide Terrorist

Paul Tukey is a DISCREDITED American Journalist, PAID-FOR-PROFIT Anti-Pesticide Terrorist, ILLEGAL Non-Registered Lobbyist, Tax-Evader, and Supplier of BOGUS Green Alternative Products and Services.

Tukey is listed among CANADA'S PROMINENT ANTI-PESTICIDE TERRORISTS.

He has been a PRINCIPAL ARCHITECT in the CONSPIRACY TO PROHIBIT pest control products used in the Urban Landscape.

In 2010, Tukey was named AMERICA'S LUNATIC ENVIRONMENTAL-TERRORIST-OF-THE-YEAR.

Since 2010, his ANTI-PESTICIDE TERRORIST ACTS OF SUBVERSION have EXTENSIVELY DAMAGED AND DESTROYED the Professional Lawn Care Industry throughout North America.

In several jurisdictions, Tukey's DESPICABLE PARTICIPATION in the PROHIBITION CONSPIRACY has EXTENSIVELY DAMAGED AND DESTROYED the Professional Lawn Care Industry, ANNIHILATED most of its customers, thus ensuring that THOUSANDS of companies became WORTHLESS and on the verge of being OBLITERATED.

Tukey — Failed & Bankrupt Lawn Care Operator

In fact, Tukey is a FAILED AND BANKRUPT LAWN CARE OPERATOR who was APPREHENDED BY AUTHORITIES for applying pest control products WITHOUT THE NECESSARY LEGAL LICENSING.

Consequently, he has lashed out and defamed his former competitors, and has attempted to ANNIHILATE the Modern Lawn Care Industry.

Tukey — Mere Sales Representative

Tukey CONSPIRES to PROHIBIT pest control products by SHILLING BOGUS Organic Lawn Maintenance Products and Practices.

He has never disclosed the fact that he is a MERE SALES REPRESENTATIVE who PROFITS FROM ANTI-PESTICIDE PROHIBITION.

Tukey's organization, SafeLawns, is composed of investors, salesmen, distributors, and lunatic-activists who are DIRECTLY PROFITING FROM PROHIBITION.

Tukey will SAY ANYTHING to PROMOTE PROHIBITION, which will advance the SALE-FOR-PROFIT of his BOGUS Green Alternative Pesticides and Fertilizers.

Overall, the statements originating Tukey are SUSPECT, and thus, VALUELESS and WORTHLESS.

Tukey — Unverifiable Success Stories

Tukey is WRONG about any success about Organic Pesticide-Free Maintenance, which has been INTERNATIONALLY-RECOGNIZED BY EXPERTS as BOGUS.

Tukey presents only UNVERIFIABLE SUCCESS STORIES, and his own projects such a Washington Mall, have led to DISMAL FAILURE.

Unfortunately, Organic Pesticide-Free Maintenance leads to UNBEARABLE and DESTRUCTIVE PEST PROBLEMS and DISORDERS.

Without the use of conventional pest control products, Anti-Pesticide jurisdictions were/are FORCED TO RESORT TO THE BACK-BREAKING AND AGONIZING JOB OF WEED PULLING BY HAND!

Background Information From An Independent Perspective

Tukey — Enviro-Lunatic Hypochondriac

In 2010, Tukey FALSELY ALLEGED that his son somehow became sick as a result of being conceived during the peak of his illegal unlicensed use of pest control products.

The DESPICABLE Tukey preferred EXPLOITING his son's poor health TO MERELY COERCE PUBLIC OPINION ABOUT LIFE-STYLE CHOICES LIKE PROHIBITION.

Tukey is not only a FAILED, BANKRUPT, and ILLEGAL LAWN CARE OPERATOR ...

... he is also an ENVIRO-LUNATIC HYPOCHONDRIAC who could not care less about the health of his son.

Tukey — Subvertor Of Justice & Legislative Systems

Tukey has also obtained FINANCING-FOR-PROFIT to SUBVERT AND CORRUPT THE JUSTICE AND LEGISLATIVE SYSTEMS IN CANADA during a time when LEGAL ACTIONS were being levelled against his Enviro-Lunatic associates.

Tukey has been paid TENS OF THOUSANDS OF DOLLARS as an ILLEGAL LOBBYIST, PRESENTER, and SPEAKER for Canadian Cancer Society and Ecojustice Canada, both Anti-Pesticide and Environmental-Terrorist Organizations.

Throughout 2010 and 2011, he was PAID-FOR-PROFIT to INTERFERE with the court challenges against Anti-Pesticide Terrorist-Organizations.

In 2010 and 2011, he was PAID as well as to PROMOTE the PROHIBITION against pest control products that have been ASSESSED AS SCIENTIFICALLY SAFE.

Tukey — Canadian Cancer Society

Also in 2010, Tukey brokered a FOR-PROFIT-ARRANGEMENT with Canadian Cancer Society, a Radical and Contemptible Anti-Pesticide Terrorist-Organization that SELLS-FOR-PROFIT Tukey's GOODS AND SERVICES, including his ILLEGAL NON-REGISTERED LOBBYING SERVICES of Government Officials.

Tukey — Coerced, Intimidated, & Terrorized Officials In Durango

In August 2012, in Durango, Colorado, Tukey was PAID-FOR-PROFIT for his ILLEGAL LOBBYING SERVICE to COERCE, INTIMIDATE, and TERRORIZE Government Officials.

Paul Tukey also RUSHED to Durango in order to PROTECT HIS VESTED INTERESTS in services using Organic Pesticide-Free Maintenance, Green Alternative Pesticides, and Organic Fertilizers.

Nevertheless, Tukey was REJECTED by a 5-to-0 vote.

Tukey — Deployed By Organic Lawn Care Operator

In Durango, many EXPERTS in the Green Space Industry DEPLORED Tukey's INTERFERENCE FOR MERE PROFIT, including Steve Polites.

Polites operates Lupine Lawn Care, a natural lawn care service in the Durango and Bayfield areas.

According to Steve Polites —

After the last city council meeting, the majority of the

Background Information From An Independent Perspective

councillors simply asked the policy-makers to form a collaborative group with the local professionals to amend this policy [i.e. anti-pesticide prohibition].

Instead, the group paid to hire an admittedly failed organic lawn care operator from over 1500 miles away ... Mr. PAUL TUKEY.

Tukey — Must Be Banned From Canada

Demands have been made to have Paul Tukey BANNED FROM ENTRY INTO CANADA, since he is clearly trying to SUBVERT AND CORRUPT THE JUSTICE AND LEGISLATIVE SYSTEMS IN CANADA, as well as trying to AVOID THE PAYMENT OF TAXES.

In December 2010, COMPLAINTS against Tukey successfully resulted in his being BANNED from the PRESTIGIOUS Canada Blooms Show for 2011.

Tukey — Must Be Banned From WCTA Conference

Western Canada Turfgrass Association (WCTA) wants this #@!!% Anti-Pesticide Basterd to speak at its March 2013 Conference in order to somehow educate its membership.

What the #@!!% is wrong with WCTA ?!?!?

The PRESTIGIOUS Canada Blooms Show BANNED Paul Tukey from making SUBVERSIVE and DAMAGING Anti-Pesticide Presentations.

Why doesn't Western Canada Turfgrass Association follow the Canada Blooms TREND, and

CANCEL Tukey's presentation at its 2013 Conference?!?!

What Is Western Canada Turfgrass Association (WCTA) ?

In British Columbia, this trade association supposedly represents the well-being of both the Professional Lawn Care Industry and the Golf Industry.

In fact, Western Canada Turfgrass Association DOES NOT represent the Professional Lawn Care Industry, and MERELY represents industries related to Golf Facilities, Municipalities, and Product Distributors.

The ONLY trade association that LEGITIMATELY REPRESENTS the Professional Lawn Care Industry in British Columbia is Integrated Environmental Plant Management Association Of Western Canada (IEPMA).

Moreover, IDIOTIC Trade Associations like Western Canada Turfgrass Association, along with Canadian Nursery Landscape Association and others, have BETRAYED the Green Space Industry in British Columbia and across the nation.

WCTA Supports Anti-Pesticide PROHIBITION

In 2010, WCTA boasted that it had NO POSITION STATEMENT concerning pest control products, at a time when its members were/are facing eventual disaster, despair, and destitution because of the IMMINENT LEGISLATION OF ANTI-PESTICIDE PROHIBITION.

According to observers, WCTA's ATTITUDE OF DENIAL was UNACCEPTABLE.

In fact, Western Canada Turfgrass Association DOES HAVE A POSITION ON PEST CONTROL PRODUCTS.

Background Information From An Independent Perspective

Since 2005, it has been CLEARLY DEMONSTRATED that WCTA SUPPORTS the PROHIBITION of against pest control products used in the Urban Landscape, just like other Anti-Pesticide Terrorist-Organizations.

WCTA BETRAYED everyone in the Green Space Industry !

If/when ANY PROHIBITION is IMPLEMENTED in British Columbia, it will be WCTA's FAULT.

Anyone supporting WCTA's Anti-Pesticide CONSPIRACY does NOT DESERVE a career, or a business, or any success in the Green Space Industry.

Moreover, a failure to act MORE DECISIVELY against PROHIBITION will be LETHAL AND FINAL for British Columbia, and will have a resounding impact across Canada.

Future generations will ask the question —

« *What the #@!!% was wrong with you ?* »

WCTA MUST OPPOSE ALL FORMS OF PROHIBITION AGAINST PEST CONTROL PRODUCTS.

WCTA MUST OPPOSE EVEN PROHIBITION ON PUBLIC PROPERTY since this is a FIRST STEP towards TOTAL PROHIBITION that will eventually include the Golf Industry.

WCTA's Elected Leaders and Staff ARE IDIOTS WITH THEIR HEADS FIRMLY UP THEIR ANTI-PESTICIDE BUTTS.

WCTA's Idiotic Activities That Conspire Against Pest Control Products

Western Canada Turfgrass Association (WCTA) is listed among CANADA'S PROMINENT ANTI-PESTICIDE and ENVIRONMENTAL-TERRORIST ORGANIZATIONS.

Decisions made by WCTA's Elected Leaders and Staff are considered as ANTI-PESTICIDE TERRORIST ACTS OF SUBVERSION that have TORPEDOED AND EXTENSIVELY DAMAGED the Professional Lawn Care Industry.

Here are some of the IDIOTIC ACTIVITIES by Western Canada Turfgrass Association (WCTA) in its CONSPIRACY TO PROHIBIT against pest control products used in the Urban Landscape — see next segments.

WCTA Idiotic Activity No. 1

Anti-Pesticide Terrorist-Presentation

WCTA allowed a known Anti-Pesticide Terrorist, Paul Tukey, to SUBVERT AND CORRUPT the Golf Industry at its 2013 Conference.

Inviting Tukey was like inviting Osama Bin Laden to a 9/11 Memorial.

WCTA Idiotic Activity No. 2

Cancer-Lunatic Appeasement

WCTA allowed Canadian Cancer Society to NEGOTIATE WITH LIES AND APPEASEMENT, just like Neville Chamberlain was APPEASED by Hitler.

WCTA Idiotic Activity No. 3

Cancer-Lunatic Meeting

WCTA attended ILLICIT MEETINGS with Canadian Cancer Society, an Anti-Pesticide Organization that has REPEATEDLY DEMANDED NO GOLF INDUSTRY EXCEPTION STATUS.

Background Information From An Independent Perspective

WCTA Idiotic Activity No. 4

Cancer-Lunatic Torpedoing & Betrayal

WCTA CONSPIRED with Canadian Cancer Society TO TORPEDO AND BETRAY the Professional Lawn Care Industry if the Golf Industry is allowed to continue enjoying its Exception Status.

WCTA Idiotic Activity No. 5

Statements Against Pesticides

WCTA made statements before Government Officials that FIRMLY SUPPORTED Anti-Pesticide PROHIBITION.

WCTA Idiotic Activity No. 6

Statements Against Lawn Care Industry

WCTA made statements before Government Officials that TORPEDOED AND BETRAYED the Professional Lawn Care Industry.

WCTA Idiotic Activity No. 7

Wasting Membership Money

WCTA SQUANDERED MONEY AND RE-SOURCES on a STUDY pertaining to BOGUS Nematode Insecticides.

WCTA Idiotic Activity No. 8

Wasting More Membership Money

WCTA SQUANDERED MONEY AND RE-SOURCES on a CAMPAIGN OF ANTI-PESTICIDE MIS-INFORMATION by OPENLY PEDDLING BOGUS Nematode Insecticides to the public which VALIDATED Anti-Pesticide PROHIBITION.

WCTA Must CANCEL Tukey's Presentation

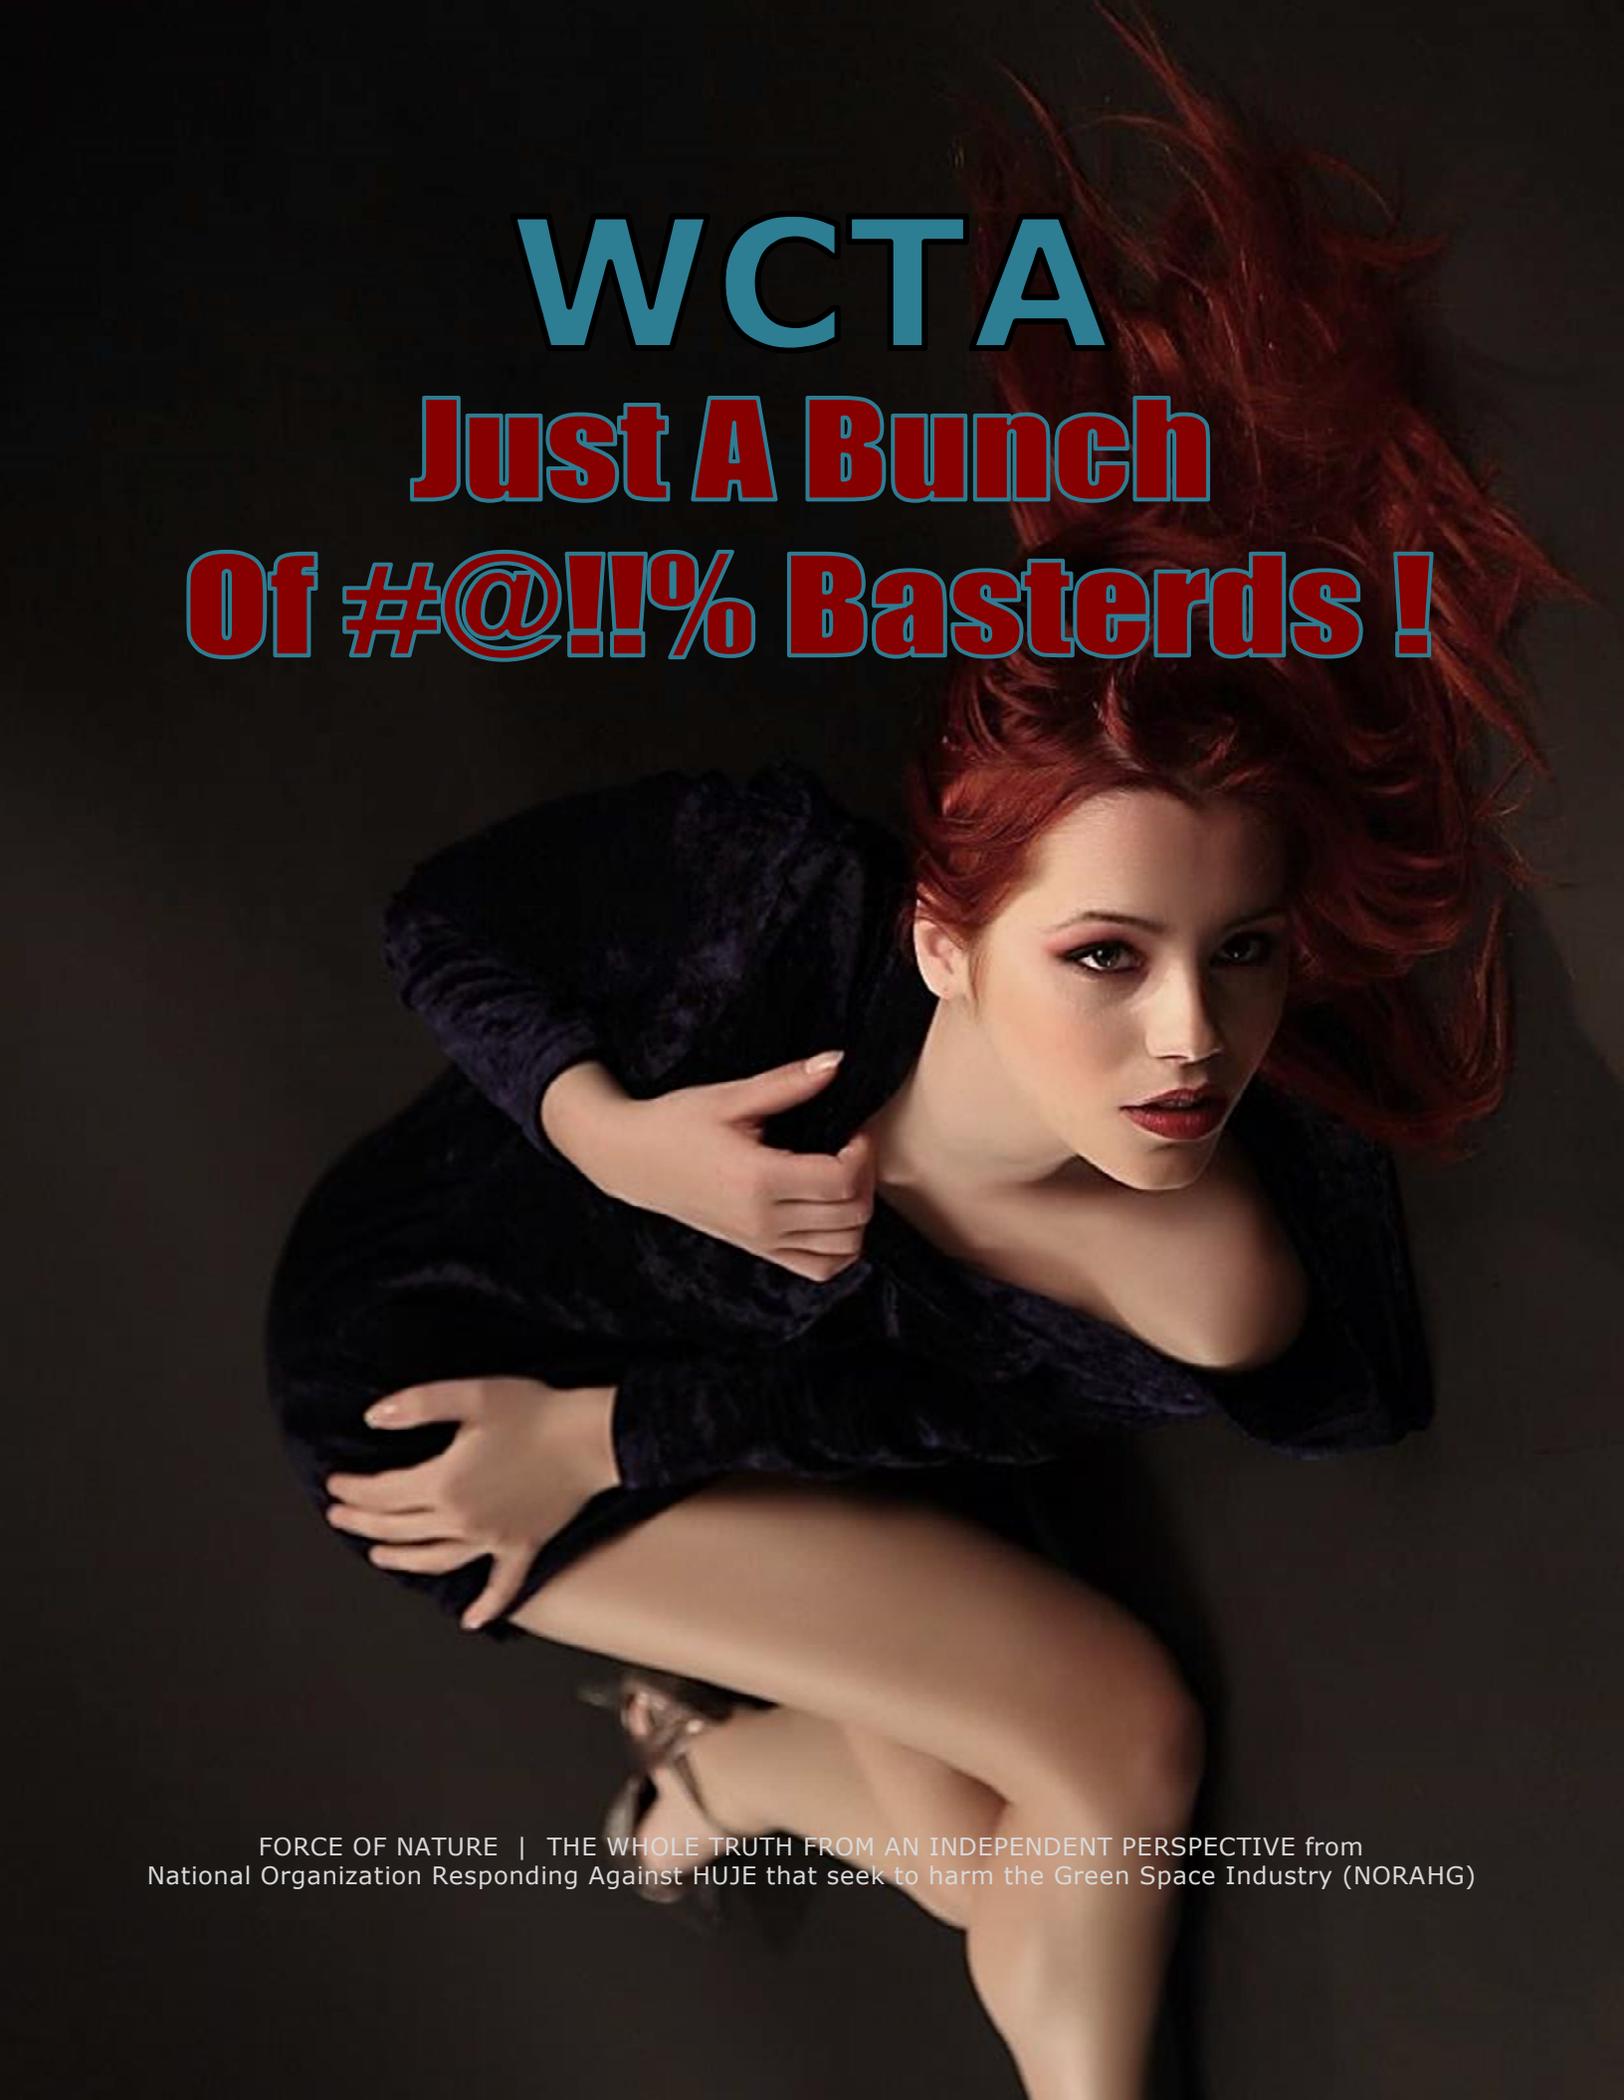

The MOST IDIOTIC ACTIVITY by Western Canada Turfgrass Association (WCTA) in its CONSPIRACY TO PROHIBIT against pest control products used in the Urban Landscape —

PAYING Paul Tukey to SUBVERT AND CORRUPT the Golf Industry at its 2013 Conference.

Tukey is a DISCREDITED American Journalist, PAID-FOR-PROFIT Anti-Pesticide Terrorist, IL-LEGAL Non-Registered Lobbyist, Tax-Evader, and Supplier of BOGUS Green Alternative Products and Services.

Tukey was also fined by the Maine Board Of Pesticides Control for APPLYING PESTICIDES WITHOUT THE NECESSARY LICENSING.

WCTA must CANCEL Tukey's presentation at its 2013 Conference.

WCTA

Of #@!!% Basterds !

FORCE OF NATURE | THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from
National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG)

NORAHG

We are living in the 9|11 Era of Anti Pesticide and Environmental Terrorism where at least ONE SUBVERSIVE ACT OF TERROR is Perpetrated EVERY SINGLE DAY by enviro lunatics.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOUR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment.

NORAHG is a NATIONAL NON PROFIT NON PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

Anti Pesticide HUJE are enviro lunatics and lawn haters who particularly DESPISE the golf industry — they are Hateful Underhanded Jokes as Environmentalists who have been WRONG FOR OVER 50 YEARS.

There is NO RECOURSE but LITIGATION against Anti Pesticide HUJE.

Another RECOURSE is to SEEK the CANCELLATION of GOVERNMENT GRANTS and REVOCATION of the TAX EXEMPT STATUS of Anti Pesticide Organizations.

HUJE should Get OFF Our grASS, and they should Roast In Hell.

NORAHG manages the Library of Force Of Nature Reports and References, which is a VAST ARCHIVE of REPORTS, MEDIA REFERENCES, AUDIO CLIPS, and VIDEOS on ALL Anti Pesticide Terrorist Acts of Subversion.

The purpose of this ARCHIVE is to provide information that will lead to a SUCCESSFUL LITIGATION AGAINST Anti-Pesticide Organizations.

All names, statements, activities, and affiliations have been ARCHIVED for the intention of eventual CRIMINAL CHARGES.

When CRIMINAL CHARGES for FRAUD and CONSPIRACY are laid, legal experts say that the ARCHIVE is sufficient to lead to a SUCCESSFUL PROSECUTION !

NORAHG also produces FORCE OF NATURE, reports that present THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE about environmental issues, including anti pesticide terrorism.

FORCE OF NATURE is a series of reports destined for the green space industry, the environmental terrorist movement, governments, and the media, nationwide across Canada, the United States, and overseas.

FORCE OF NATURE is committed to SOUND SCIENCE, as well as ground breaking original reporting that informs, entertains, and creates real change.

FORCE OF NATURE was launched for CONTINUOUS transmission on the Internet on January 1st, 2009 — however, the VERY FIRST Stand-Alone FORCE OF NATURE Report was issued on September 19th, 2008.

By early 2009, the reports were released no more than five times per week, but by August 25th, 2009, FORCE OF NATURE was produced on a DAILY basis.

On March 15th, 2010, Uncle Adolph independently launched the Blog-Site called The Pesticide Truths, for the posting of information right-off-the-press.

By May 27th, 2010, Uncle Adolph expanded Pesticide Truths to a SECOND Blog-Site, and independently acquired the rights to archive the ENTIRE FORCE OF NATURE Library of Reports.

National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG)

NORAHG

By mid-December 2010, ENTIRE FORCE OF NATURE Library of Reports was FULLY SUMMARIZED and CROSS-REFERENCED, and by early 2012, the library was archived on The Pesticide Truths Web-Site, in the form of Web-Pages.

The information presented in FORCE OF NATURE has been developed for the education and entertainment of the reader by providing a sequence of events WITH COMMENTARY, striving for accuracy in history, politics, and science.

FORCE OF NATURE is TOTALLY INDEPENDENT and provides NO guarantee regarding accuracy or completeness. In no event shall FORCE OF NATURE be liable for any incidental or consequential damages, lost profits, or any indirect damages.

NORAHG also produces A LOOK AT, a series of reports providing TECHNICAL INFORMATION on issues such as Career Management, Golf Course Maintenance, Green Alternatives, Summer Stress, Turfgrass Pests, and Turfgrass Species.

Finally, NORAHG frequently responds to anti pesticide activists in LETTERS TO THE EDITOR in newspapers across Canada and around the world.

All information, excerpts, and pictures contained in FORCE OF NATURE, A LOOK AT, and LETTERS TO THE EDITOR were retrieved from the Internet, and may be considered in the public domain.

FORCE OF NATURE, A LOOK AT, and their various incarnations, was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.

Here is a brief summary of Mr. Gathercole's career —

Fields of study — Horticulture/Agriculture, Mathematics, Physics

Alma mater — McGill University • University of Guelph • the first person ever to obtain university degrees and contribute to both the professional lawn care and golf maintenance industries

Expertise in — environmental issues and anti pesticide terrorism • turf and ornamental maintenance and troubleshooting • history of the industry • sales and distribution of seeds, chemicals, fertilizers, and equipment • fertilizer manufacturing and distribution

Notable activities — worked in virtually all aspects of the green space industry, including golf, professional lawn care, distribution, environmental compliance, government negotiations, public affairs, and workplace safety • supervisor, consultant, and, programmer for the successful execution of hundreds of thousands of management operations in the golf and urban landscape, as well as millions of pest control applications • advisor, instructor, and trainer for thousands of turf and ornamental managers and technicians • pesticide certification instructor for thousands of industry workers • founder of the modern professional lawn care industry • prolific writer for industry publications and e-newsletters • first to confirm the invasion of European Chafer insect in both the Montreal region and the Vancouver / Fraser Valley region • with Dr. Peter Dernoeden, confirmed the presence of Take All Patch as a disease of turf in Eastern Canada • with Dr. David Shetlar, confirmed the presence of Kentucky Bluegrass Scale as an insect pest in South Western Ontario, and later, in the Montreal and Vancouver regions

Special contributions — creator of the exception status that has allowed the golf industry to avoid being subjected to anti pesticide prohibition • creator of the signs that are now used for posting after application • co-founder of annual winter convention for Quebec golf course superintendents • the major influence in the decision by Canadian Cancer Society to stop selling for profit pesticide treated daffodils • the only true reliable witness of the events of anti pesticide prohibition in the town of Hudson, Quebec • retired founder of FORCE OF NATURE and A LOOK AT reports

Notable award — the very first man of the year for contributions leading to the successful founding of Quebec professional lawn care industry, which served as a beach-head against anti pesticide activists in the 1980s and 1990s

Legacy — Mr. Gathercole and his colleagues ... designed and implemented strategies that reined anti pesticide activists to provide peace and prosperity for the entire modern green space industry across Canada • orchestrated legal action against anti pesticide activists in the town of Hudson, Quebec • launched the largest founding professional lawn care business in Canada • quadrupled the business revenues of one of the largest suppliers in Canada

Mr. Gathercole is now retired, although his name continues to appear as founder of FORCE OF NATURE and A LOOK AT reports.
