Lying Sack of Crap !

Enviro-Maniac

A Report on the Fear-Mongering, Fraudulent Lies, Misconceptions, Coercion, Threats, Deceptions, Terror, and Paranoid Conspiracies Concocted by Cancer-Enviro-Terrorists

*Cancer-Vixen Nancy Falconer
is a lying sack of enviro-maniac crap !
She lies and lies and lies and lies !
She just doesn't stop !*

Minutes of the City of Nanaimo, British Columbia Advisory Committee on the Environment

March 10th, 2010

Selected and Adapted Excerpts

[*Lying-Cancer-Enviro-Maniac*] Nancy Falconer of the [*radical and contemptible*] Canadian Cancer Society introduced herself to the Committee. She has provided input on the bylaw since it was first discussed in 2007. After viewing the bylaw for the first time, she has concerns.

[*Predictably*] she does NOT agree that the bylaw should allow Certified Pesticide Applicators to apply cosmetic pesticides. The IPM process allow for pesticide use, and there is no reason for pesticides to be applied for ANY cosmetic purpose. She has had a lot of experience with these bylaws, and has found that the most successful bylaws to not include exceptions for Certified Pest Applicators.

Lying Sack of Crap !

Enviro-Maniac

A Report on the Fear-Mongering, Fraudulent Lies, Misconceptions, Coercion, Threats, Deceptions, Terror, and Paranoid Conspiracies Concocted by Cancer-Enviro-Terrorists

TERRORIST STATEMENT — [*Lying-Enviro-Maniac*] *Nancy Falconer does not see the justification in allowing Certified Pesticide Applicators to apply cosmetic pesticides for any reason whatsoever, adding that enforcement has not been an issue in communities that have restricted it. [Wrong !]*

Falconer was asked if she or the Canadian Cancer Society has heard of any legal challenges arising from these bylaws.

Nancy Falconer explained that she has not heard of any legal challenges [?!?!], and has plenty of literature that suggests the success rate of these bylaws in over 150 municipalities. [Wrong !]

The Truth from an Independent Perspective

Falconer knows full well that, in January 2010, the Green Space Industry outlined the list of CHARGES against the Government of Ontario and Enviro-Maniac-Government-Officials working in the Ministry of the Environment.

Additionally, individual Enviro-Maniac-Members of known Environmental-Terror-Organizations, such as Canadian-Cancer-Society, are also facing CHARGES of FRAUD under the Canadian Criminal Code.

*Environmental-Terror-Organizations,
such as Canadian-Cancer-Society, are facing
CHARGES of FRAUD under the Criminal Code*

Lying Sack of Crap !

Enviro-Maniac

A Report on the Fear-Mongering, Fraudulent Lies, Misconceptions, Coercion, Threats, Deceptions, Terror, and Paranoid Conspiracies Concocted by Cancer-Enviro-Terrorists

TERRORIST STATEMENT — *Nancy Falconer has research that shows that landscaping retailers located in areas with implemented regulations have not suffered economically, due to the period of transition provided.* [Wrong !]

The Truth from an Independent Perspective

Yet again, Cancer-Vixen Falconer is a lying sack of Enviro-Maniac Crap !

Falconer knows full well about the HORRENDOUS CARNAGE of Environmental-Terror and Prohibition.

The NEEDLESS, SENSELESS, and MALICIOUS prohibition of pest control products has RUINED Modern Professional Lawn Care companies across Canada ! Without conventional pest control products, there are NO other valid tools to combat weeds. There are no economical organic selective herbicides, and there is nothing that will kill just the weeds without injuring the surrounding turfgrasses. One to two years after prohibition, Modern Professional Lawn Care Companies LOSE FIFTY PER CENT of their clients when the weeds return.

PROVINCE OF QUEBEC — Prohibition has been particularly DEVASTATING to the Professional Lawn Care Industry in the Province of Quebec ! As a sad consequence of the prohibition imposed in the Province of Quebec by Environmental-Terror, OVER-SIXTY-PER-CENT of the Professional Lawn Care Industry has now been ANNIHILATED !

PROVINCE OF ONTARIO — Prohibition has begun to DESTROY the Modern Professional Lawn Care Industry in the Province of Ontario ! By late 2009, OVER-FIVE-THOUSAND HAPLESS VICTIMS have been UNEMPLOYED (full time employees and summer students). The Ontario Professional Lawn Care Industry has lost over THREE-HUNDRED-MILLION-DOLLARS in the 2009 season as a direct result of the NEEDLESS, SENSELESS, and MALICIOUS prohibition of pest control products. By autumn 2009, Professional Lawn Care companies have LOST FORTY-TO SEVENTY-PER-CENT OF THEIR CUSTOMERS since the senseless Prohibition-Tyranny began in early 2009 !

Lying Sack of Crap !

Enviro-Maniac

A Report on the Fear-Mongering, Fraudulent Lies, Misconceptions, Coercion, Threats, Deceptions, Terror, and Paranoid Conspiracies Concocted by Cancer-Enviro-Terrorists

CITY OF HALIFAX — Prohibition has SEVERELY HARMED the Professional Lawn Care Industry in the City of Halifax, located in the Province of Nova Scotia ! In Halifax, Nova Scotia, because of the prohibition, REVENUES PLUMMETED BY FORTY-PER-CENT with most of the Professional Lawn Care companies, and it has taken them five years to « *recover* » from the hardship and losses ! Because of the prohibition, Halifax CUSTOMERS HAVE DISINTEGRATED BY FIFTY-PER-CENT, even after a so-called « *recovery* » period of several years !

*Paid-For-Profit-Maniac-Lobbyists, like
Cancer-Vixen Nancy Falconer, concoct
FEAR-MONGERING, FRAUDULENT LIES,
MISCONCEPTIONS, COERCION, THREATS,
DECEPTIONS, TERROR, and
PARANOID CONSPIRACIES*

*Cancer-Enviro-Maniacs are
LYING, CHEATING, and
DECEIVING BASTERDS*

THEY CANNOT BE TRUSTED !

N

Force Of Nature is a series of e-newsletters destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE ! Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The commentary expressed in Force Of Nature, even though from an INDEPENDENT PERSPECTIVE, may not reflect those of everyone in the Green Space Industry. Force Of Nature may sometimes be very irreverent, and even appear to be Anti Environment, it is, in fact, simply a strong advocate FOR the Modern Green Space Industry. However, this position has not precluded Force Of Nature from criticizing the Green Space Industry itself, when appropriate. The events, characters, companies, and organizations, depicted in this document are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All document excerpts and pictures contained in Force Of Nature were found somewhere on the Internet. These documents and pictures are in the public domain, serving one of the following purposes : archive, education, promotion, publicity, or press release.

O

Force Of Nature INSPIRES people to believe that ENVIRONMENTAL TERRORISM can be STOPPED ! Norah G is an acronym for the stable of anonymous producers and writers that contribute to this e-newsletter and have now replaced Mr. Gathercole. They consist of people from the following industries : Distribution, Fertilizer, Golf, Lawn Care, Manufacturing, Municipal, Nursery, and Orchard. Many of these people are leaders in their own industries. Anonymity is essential in view of the constant threat of reprisals at every level except perhaps death. Force Of Nature is the instrument of National Organization Responding Against Huje that seek to TERRORIZE, HARM, and THREATEN the Green Space Industry (NORAHG). Huje is a term used for Enviro Maniac Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing that families are in some NON-EXISTENT danger with conventional pest control products. Huje also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS prohibition of FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE conventional pest control products.

R

Force Of Nature is the brainchild of William H. Gathercole and his entourage. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in public affairs, workplace safety, and environmental compliance. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority. Mr. Gathercole is now retired from Force Of Nature, although his name continues to appear as the founder. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status, that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of Environmental Terror for the entire Modern Green Space Industry across Canada. Mr. Gathercole's involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec. Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair.

A

Mr. Gathercole and his entourage have followed the evolution of ENVIRONMENTAL TERRORISM for over a quarter century. Through Force Of Nature, Enviro Maniac Activist Huje are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Maniac Culprit is a misguided adversary, each still deserves our respect. The use of the terms Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Maniac Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry. Their pretentious prohibitionist rants have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Maniac Culprit Terrorist Basterd Huje is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.
