LUNATIC-LYING RANTS from Gideon Forman

Calgary Herald

[ City of Calgary, Alberta ]

Selected and adapted excerpts

# Enviro-Lunatic Liar

## According to Lunatic-Liar Gideon Forman —

*<< Ontario lawn firms are keeping properties beautiful without toxic chemicals, and they're also making good money. >>*

### Wrong !

The **TERRORIST-CONSPIRACIES** of Gideon Forman have led to **NEEDLESS** and **SENSELESS** **PROHIBITION** of pest control products used in the Urban Landscape.

**PROHIBITION** of pest control products led to **LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT**, inflicting **TERROR, DESPAIR, and DESTITUTION** on **THOUSANDS** of hapless victims throughout the Professional Lawn Care Industry.

In the Province of Ontario, the Professional Lawn Care Industry **LOST OVER 500,000,000 DOLLARS**, with **8,300 TO 12,500 UNEMPLOYED**.

In Ontario, **ONE-COMPANY-PER-WEEK** **DISAPPEARS INTO TOTAL OBLIVION**, thanks lunatics like **GIDEON FORMAN**.

Gideon Forman is one of the **GREATEST LUNATIC PROHIBITION TERRORISTS**

Forman is an **Enviro-Lunatic-Leader** who has **CONSPIRED** to **IMPOSE** the **PROHIBITION** on the use of pest control products in the Urban Landscape

The **CARNAGE** caused by Forman has led to **DESTROYED ECONOMIES, LOST JOBS AND HARDSHIP, and WEAKENED COMMUNITIES**

His **MERCILESS-TERRORIST-ACTIVITIES** have **EXTENSIVELY DAMAGED** the Professional Lawn Care Industry

# Gideon Forman LIES and LIES and LIES and LIES

## According to Lunatic-Liar Gideon Forman —

*<< For example, a company called The Environmental Factor had a 400 per cent increase in manufacturing and sales in the six months following implementation of Ontario's pesticide ban. >>*

## Wrong !

For years, Forman has acted as a MERE SALES REPRESENTATIVE for HIS OWN BRANDS OF PRODUCTS AND SERVICES through The Environmental Factor ( TEF ), another PROHIBITION-TERRORIST-ORGANIZATION that supplies BOGUS and so-called Green Alternatives.

The ALLEGED growth of TEF was, in fact, VERY SMALL AND SHORT-LIVED in 2009.

More recently, several TEF outlets have CLOSED or FALLEN INTO BANKRUPTCY.

The TREACHEROUS TEF is an example of a supply company seeking the PROHIBITION of conventional pest control products, and then, slithers into communities with its own Enviro-Vermin-Salesmen brandishing their STUNNINGLY EXPENSIVE and HIGHLY COSTLY, but BOGUS, INEFFECTIVE, and often HIGH-RISK Green Alternative products and services.

Gideon Forman has NO TRAINING and NO BACKGROUND in matters concerning pest control products

Forman's opinion is TOTALLY VALUELESS and UTTERLY WORTHLESS

Forman is NOT COMPETENT to give advice about pest control products

Health-Canada-Approved pest control products are SCIENTIFICALLY SAFE since they have been scrutinized and approved by the HUNDREDS of expert scientists at Health Canada

Forman is NO expert

Overall, when pest control products are used properly, there are NO harmful irreversible effects to health and the environment

# Enviro-Lunatic Liar

## According to Lunatic-Liar Gideon Forman —

*<< When pesticide regulations were passed in Eastern Canada, home-owners looked to the professionals for help, which was good for job creation and the economy. >>*

### Wrong !

The **TERRORIST-CONSPIRACIES** of Gideon Forman have led to **CARNAGE** against the Professional Lawn Care Industry in Ontario.

Without the use of conventional pest control products, many jurisdictions have had to resort to the back-breaking and agonizing job of **WEED PULLING BY HAND !**

The entire professional labour force has been **DEVALORIZED** into a group of mere **NIGGER COTTON-PICKERS**, thanks to Forman.

Most people **CANNOT** afford the high cost manual labour required for weed pulling.

Consequently, the **CARNAGE** caused by the **LU-NATIC-PROHIBITION** has **DESTROYED** Ontario's residential lawns and public green spaces.

Forman is a **NON-EXPERT** Enviro-Lunatic Fund-Raiser for the **REPUGNANT** Canadian Association of Physicians for the Environment ( **CAPE** )

**CAPE** is a **VAST FUND-RAISING MILLIONAIRE MULTI-MILLION DOLLAR PROFIT-MAKING MACHINE** operated by a handful of Enviro-Lunatic-Activists who are **PAID-FOR-PROFIT** as **SUBVERSIVE LOBBYISTS**

The principal mandate of **CAPE** is to attract **MORE MEMBERS, MORE DONATIONS,** and **MORE PROFIT** by **SCAMMING THE PUBLIC** with the **CONCOCTION** of **FRAUDULENT LIES** and **IMAGINARY DANGER** about pest control products

**NOT A SINGLE CAPE-Lunatic** in **CAPE** has **ANY** recognized expertise, training or background in matters concerning pest control products used in the **Urban Landscape**

Overall, the opinions from **CAPE-Lunatics** are **VALUELESS** and **WORTHLESS**

# Gideon Forman

## LIES and LIES and LIES and LIES

### According to Lunatic-Liar Gideon Forman —

<< *A pesticide by-law in Calgary will do similar good things here.* >>

### Wrong !

PROHIBITION denies the use of pest control products that are otherwise HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, and SCIENTIFICALLY-SAFE.

Why bother with Health Canada since all of its decisions are being reversed by NON-EXPERT LUNATIC-TERRORIST-PROHIBITIONS ?

The TERRORIST-CONSPIRACIES of Gideon Forman have EXTENSIVELY DAMAGED and DESTROYED the Professional Lawn Care and Do-It-Yourself Industries, ANNIHILATED most of its customers, thus ensuring that THOUSANDS of companies became WORTHLESS and on the verge of being OBLITERATED.

A Calgary PROHIBITION will lead to IMMENSE LOSSES to the Professional Lawn Care Industry.

A Calgary PROHIBITION will lead to DESTROYED ECONOMIES and LOST JOBS AND HARDSHIP for the Professional Lawn Care Industry.

Preaching PROHIBITION is a means of feeding Forman's GREED and AVARICE

forman-Fear-Mongering attracts MORE MEMBERS, MORE DONATIONS, and MORE PROFIT

Forman SCAMS THE PUBLIC with the CONCOCTION OF FRAUDULENT LIES AND NON-EXISTENT DANGER regarding pest control products used in the Urban Landscape

Forman has often been compelled to make public appearances in a WHITE LABORATORY COAT, and present himself as a medical doctor

Forman even uses the abbreviation « Dr » in front of his name, when in fact he has NO doctorate-level degree of ANY kind

In fact, MOST CAPE-Lunatics ARE NOT EVEN DOCTORS

CAPE represents an INFINITESIMALLY SMALL number of doctors

CAPE merely represents less than 4 per cent of all doctors in Canada

**Gideon Forman LIED about the so-called  
health and environmental threats  
of pest control products**

**Gideon Forman LIED about  
the need to prohibit these products**

**Gideon Forman LIED about  
the Professional Lawn Care Industry  
prospering under prohibition**

**Forman LIED and LIED  
and LIED and LIED**

**Gideon Forman has also LIED about  
properties looking great under prohibition**

**Gideon Forman KNOWS NOTHING  
about pest control products**

**The CARNAGE caused  
by Gideon Forman and other  
LUNATIC-LIARS has led to  
DESTROYED ECONOMIES,  
LOST JOBS AND HARDSHIP,  
and WEAKENED COMMUNITIES**

Pest control products  
are **SCIENTIFICALLY SAFE**  
and prohibitions are  
**IRREFUTABLY INVALIDATED**

Gideon Forman ...  
Get off our

**grass**

# NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. This is what we do. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. He and his colleagues are recognized as THE MAJOR INFLUENCE for the decision by Canadian Cancer Society to STOP selling for profit PESTICIDE-TREATED DAF-FODILS. Mr. Gathercole's vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
