Overview from an Independent Perspective

CONTEMPTIBLE and RADICAL Canadian-Cancer-Society is NOT a health care organization. Nor does it fight cancer.

More precisely, Canadian-Cancer-Society is a GREEDY and AVARICIOUS multi-million-dollar FUND-RAISING BUSINESS that attracts MORE MONEY by CONCOCTING NON-EXISTENT ISSUES, such as the IMAGINARY DANGER of pest control products.

Canadian-Cancer-Society is also a PROHIBITION TERRORIST ORGANIZATION that seeks to ANNIHILATE the entire Modern Green Space Industry with CONSPIRACIES leading to the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products.

CONTEMPTIBLE and RADICAL Canadian-Cancer-Society MISAPPROPRIATES the money that it collects for cancer research by SQUANDERING hundreds of thousands of dollars on ANTI-PESTICIDE CONSPIRACIES. Its TAX-EXEMPT STATUS must be REVOKED !

Canadian-Cancer-Society BASELESSLY SMEARS, FALSELY ACCUSES, GROTESQUELY PUNISHES, INNOCENTLY CONVICTS, SHAMELESSLY PERSECUTES, and WRONGFULLY DEPRIVES those people working in the Green Space Industry who use pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

NOT A SINGLE PERSON in Canadian-Cancer-Society has ANY recognized expertise, training or background in matters concerning pest control products !

The opinions originating from Cancer-Enviro-Maniacs are VALUELESS and WORTHLESS. They do not know what they are talking about.

Cancer-Maniacs compensate for their ignorance and lack of expertise by frequently resorting to MYTHS, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, TERROR, and PARANOID CONSPIRACIES about pest control products.

Cancer-Enviro-Maniacs have CONSPIRED to give the FALSE and FRAUDULENT impression that the public is being exposed to health-threatening and cancer-causing agents whenever a pest control product is used in the Urban Landscape. [Wrong !]

Not surprisingly, the Cancer-Basterd conspiracy to prohibit pest control products has NOT prevented a single case of cancer.

However, the Cancer-Basterd conspiracy HAS led to LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT.

The Cancer-Basterd conspiracy has inflicted TERROR, DESPAIR, and DESTITUTION on THOUSANDS of hapless victims throughout the Modern Professional Lawn Care Industry.

Canadian-Cancer-Society is truly operated by BASTERDS with DEPRAVED INDIFFERENCE.

Cancer-Enviro-Maniacs are LYING, CHEATING, and DECEIVING BASTERDS

THEY CANNOT BE TRUSTED

Everybody must STOP making donations to Canadian Cancer Society

Golf Canada Must STOP Giving Millions to the Cancer Basterds

Health Canada Must STOP Giving Millions to the Cancer Basterds

CONTEMPTIBLE and RADICAL Canadian-Cancer-Society is NOT a charity organization

Its TAX-EXEMPT STATUS must be REVOKED

We are living in the 9/11 Era of Environmental Terror !

TRUTH-CHALLENGED ENVIRO-MANIAC DISTORTS THE TRUTH ABOUT PEST CONTROL PRODUCTS

November 2010

Natasha Raey (Cancer-Enviro-Maniac)

Letter to the Editor

The Delta Optimist (British Columbia)

Selected and adapted excerpts

STATEMENT BY NATASHA RAEY — *Pesticide-free municipalities are progressive communities that further enhance their image as a family-friendly and healthy community.* [?!?!]

Background Information from an Independent Perspective

Raey is a PAID-FOR-PROFIT-LOBBYIST operating with Canadian-Cancer-Society, a PROHIBITION-TERRORIST-ORGANIZATION.

Raey is PAID to CONSPIRE in the PROHIBITION of pest control products that are, in fact, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

Lying Sack of Crap

Enviro-Maniac

Natasha Raey

Raey is a PURVEYOR OF FALSE INFORMATION regarding pest control products for the sole purpose of increasing donations to her FOR-PROFIT organization.

Raey refuses to believe that the use of pest control products truly makes for a HAPPIER AND HEALTHIER COMMUNITY. This is not surprising.

Raey herself is paid a HEFTY SUM OF PROFIT as an « *expert* » on the IMAGINARY DANGER of pest control products, despite the fact that she has NO recognized expertise, training, or background in this matter.

The opinions expressed by Raey are TOTALLY VALUELESS and UTTERLY WORTHLESS.

Raey and her Cancer-Maniac buddies prefer JUNK LAWNS and JUNK LANDSCAPES that are unaltered by human activity, and are infested by damaging weeds, insects, and disease pests.

The prohibition of pest control products promoted by Raey and her Cancer-Maniac buddies has been DEVASTATING for the maintenance of public green spaces and sports fields since there are NO valid economical Green Alternatives to replace prohibited products.

Pest-infested playing surfaces not only look like GARBAGE DUMPS, they are also DANGEROUS !

The prohibition of pest control products promoted by Raey and her Cancer-Maniac buddies has resulted in public green spaces and sports fields that look like GARBAGE DUMPS.

The prohibition of pest control products has also created DANGEROUS SURFACES for children to play on.

In jurisdictions where PROHIBITION-TERRORISM has been successful, public green spaces and sports fields have become weed-infested and insect-infested.

They have been OVER-RUN by dandelions and other weeds, and have been DESTROYED by damaging insect pests.

When it rains, pest-infested playing surfaces are SLIPPERY MUD BOGS.

When dry, pest-infested playing surfaces are AS HARD AS CONCRETE.

SLIPPERY or HARD playing surfaces represent a REAL DANGER to players, especially CHILDREN.

Raey and her Cancer-Maniac buddies COULD NOT CARE LESS ABOUT CHILDREN !

STATEMENT BY NATASHA RAEY — *The Canadian Cancer Society is very concerned about the use of potentially carcinogenic [?!?!] substances for the purpose of enhancing the appearance of private gardens and lawns as well as parks, recreational facilities and golf courses.*

Background Information from an Independent Perspective

Raey is also OUT-OF-TOUCH with the fact that pest control products are SCIENTIFICALLY SAFE.

Neither Raey, nor her Cancer-Maniac buddies, has ANY TRAINING or BACKGROUND in matters concerning pest control products or the maintenance of sports turf.

Their opinions are TOTALLY VALUELESS and UTTERLY WORTHLESS.

Enviro-Maniac-Activists, like Raey, conveniently consider the hundreds of qualified scientists of Health Canada's respected Pest Management Regulatory Agency to be incompetent and/or incapable of arriving at correct scientific findings concerning conventional pest control products.

In order to allow SOUND SCIENCE to be effectively practiced when evaluating pest control products, it would be preferable leave the interpretation of scientific research to those people who ARE competent to do it — Health Canada, and NOT people like Raey.

NO pest control product can be sold or used until Health Canada's scientists have evaluated ALL the existing evidence to determine whether the product meets stringent health and safety requirements.

Health-Canada-Registered pest control products are SCIENTIFICALLY SAFE since they have been scrutinized and approved by the HUNDREDS of expert scientists at Health Canada !

Overall, when they are used properly, there are NO harmful irreversible effects to health and the environment !

STATEMENT BY NATASHA RAEY — *There are numerous non-toxic alternatives to pesticides [Wrong !], and research tells us that in regions where pesticide by-laws are in place, businesses have not only shifted successfully to non-toxic alternatives, [Wrong !] but that sales and offerings of non-toxic alternatives are growing [Wrong !].*

Background Information from an Independent Perspective

Raey CANNOT BE HONEST about the fact that pest control products are SCIENTIFICALLY SAFE since she is paid HUGE SUMS OF MONEY to concoct IMAGINARY DANGERS about them.

Raey CONVENIENTLY IGNORES the facts dispensed by the EXPERTS from Health Canada and the Pest Control Product Industry.

Furthermore, Raey believes she KNOWS BETTER than the HUNDREDS OF SCIENTISTS AT HEALTH CANADA, the government agency that STRINGENTLY regulates pest control products !

Raey knows full well that Green Alternatives are BOGUS.

There are NO valid Green Alternatives to effectively control damaging weed and insect pests.

There are NO viable, efficacious, or economical Green Alternatives to replace conventional pest control products.

Green Alternatives may be ALMOST TOTALLY INEFFECTIVE except under very specific circumstances — they may NOT fully control pests, and may only provide PARTIAL SUPPRESSION.

Green Alternatives may require rates and frequency of application that are EXORBITANTLY HIGH.

Green Alternatives may be questionably HIGHER IN TOXICITY — the so-called non-toxic but BOGUS Green Alternatives that are being proposed to replace conventional pest control products are NOT all as low-risk or non-toxic as Raey assumes them to be.

Moreover, Raey knows full well that NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products has RUINED Modern Professional Lawn Care companies across Canada !

Professional Lawn Care businesses have BEEN UNABLE to shift successfully to Green Alternatives since VIRTUALLY ALL Green Alternatives are almost TOTALLY INEFFECTIVE except under very specific circumstances.

Wherever prohibition is imposed, DAMAGES to the Professional Lawn Care Industry are EXTENSIVE because there were NO valid economical alternatives to replace the prohibited products.

Consequently, Professional Lawn Care Companies are UNABLE to provide adequate weed and insect control, and are UNABLE to keep their customers satisfied.

EXTENSIVE DAMAGES IN ONTARIO LAST YEAR — in 2009, the Professional Lawn Care Industry LOST over 300,000,000 DOLLARS. Dozens of companies were forced to exit from the market by late 2009.

EXTENSIVE DAMAGES IN ONTARIO EXPECTED THIS YEAR — observers expected losses to reach 500,000,000 DOLLARS.

Within 36 months after the implementation of PROHIBITION-TERRORISM-LAWS, observers expected 780 BUSINESS FAILURES or BANKRUPTCIES in Ontario.

By late 2009, 40 to 70 % of Professional Lawn Care customers were ANNIHILATED.

Because of the PROHIBITION CONSPIRACY, Professional Lawn Care businesses were forced to TERMINATE many or most of their employees.

By late 2009, OVER 5,000 HAPLESS VICTIMS were UNEMPLOYED (full time employees and summer students).

In 2010, observers expected 8,300 to 12,500 UNEMPLOYED.

Because of PROHIBITION-TERRORISM, Professional Lawn Care businesses, which at one time provided a good living and some equity for eventual sale for retirement, became WORTHLESS !

Unfortunately, PROHIBITION-TERRORISM has guaranteed that no one would be able to buy or sell a Professional Lawn Care business !

Because of PROHIBITION-TERRORISM, many multi-vehicle Professional Lawn Care businesses are forced to DOWN-SIZE their operations to a single truck.

By 2010, there was a GLUT OF USED-EQUIPMENT-FOR-SALE because of the DOWN-SIZING and EXODUS of Professional Lawn Care businesses.

Because of PROHIBITION-TERRORISM, observers expected that many Professional Lawn Care businesses would simply be ABANDONED.

PROHIBITION-TERRORISM has DESTROYED the Modern Professional Lawn Care Industry.

EXTENSIVE DAMAGES IN QUEBEC SINCE 2006 — The NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products in Quebec was legislated BEFORE Ontario, and provided observers with valuable facts about the LEVEL OF CARNAGE to expect for Ontario.

Since 2006, Quebec PROHIBITION-TERRORISM-LAWS were DEVASTATING to the Professional Lawn Care Industry — OVER 60 per cent of the Professional Lawn Care Industry was ANNIHILATED.

CANCER-MANIACS ARE GREEDY, AVARICIOUS, AND HIDEOUS HYPOCRITES

Contemptible and Radical Canadian-Cancer-Society is a vast PROFIT-MAKING Environmental-Terror-Organization operated by a few dozen Cancer-Maniac-Vixens who are PAID-FOR-PROFIT AS SUBVERSIVE LOBBYISTS with a mandate to COERCE, INTIMIDATE, and ALARM the public.

NOT A SINGLE Cancer-Maniac has ANY recognized expertise, training or background in matters concerning pest control products ! Most Cancer-Vixens are mere UNEDUCATED HOUSEWIVES !

However, Cancer-Maniacs have vast expertise in accumulating 135,000,000 dollars per year by CONCOCTING FRAUDULENT LIES concerning conventional pest control products.

A MAJOR SOURCE OF DONATIONS collected by Cancer-Maniacs originates from the sale of Daffodil flowers.

Cancer-Maniacs are HIDEOUS HYPOCRITES since they LIE, CHEAT, and DECEIVE the public about Pesticide-Treated-Toxic-Cancer-Daffodils.

CANCER-MANIACS SELL-FOR-PROFIT PESTICIDE-TREATED-FORMALDEHYDE-DRENCHED-TOXIC- CANCER-DAFFODILS

Since Daffodils are an IMMENSE source of PROFIT for Contemptible Canadian-Cancer-Society, of course Cancer-Maniacs have ABSOLUTELY NO SCRUPLES regarding the use of pest control products ... when it suits THEM !

Pesticide-Treated-Formaldehyde-Drenched-Toxic-Cancer-Daffodils are SOLD-FOR-PROFIT in local stores and transported throughout North America, with many going to the Canadian-Cancer-Society's annual spring awareness campaign.

Contract-Daffodil-Growers working for Cancer-Maniacs USE CONVENTIONAL PEST CONTROL PRODUCTS on a regular and continuous basis, and have done so for decades.

Every year, Van Treight Nursery on Vancouver Island PRODUCES-FOR-PROFIT a staggering 18 MILLION Pesticide-Treated-Toxic-Cancer-Daffodils.

18 MILLION Pesticide-Treated-Formaldehyde-Drenched-Toxic-Cancer-Daffodils !

It is common knowledge that ALL the Daffodils grown at Van Treight Nursery for the Canadian-Cancer-Society require the use of pest control products like 2,4-D and Roundup.

This is an example of Canadian-Cancer-Society GREED and HYPOCRISY.

Since the flowers are a HUGE source of FOR-PROFIT-INCOME, of course Cancer-Maniacs have NO OBJECTION to the use of pest control products ... when it suits THEM !

Cancer-Basterds are experts in avoiding the consequences of their FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES regarding pest control products. But not for long. The Green Space Industry has outlined the list of CHARGES OF FRAUD AND CONSPIRACY against Environmental-Terror-Activists in Ontario. It is ironical that they will defend themselves in court with the millions of dollars acquired from public donations and government grants. Nonetheless, they will learn to feel the Terror of the Courts ! In the event that criminal charges for fraud and conspiracy are laid in British Columbia, and across Canada, legal experts say that the above culprits may be brought before the courts.

NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Maniac Culprit is a misguided adversary, each still deserves our respect. The use of the terms Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Maniac Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Maniac Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some NON-EXISTENT danger with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Maniac Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
