Lying Sack of Crap !

Enviro-Maniac

A Report on the Fear-Mongering, Fraudulent Lies, Misconceptions, Coercion, Threats, Deceptions, Terror, and Paranoid Conspiracies Concocted by U.S. Enviro-Terrorists

American Enviro-Maniac-Terror against Scotts Miracle-Gro

MEDIA RELEASE
FROM U.S. COALITION
OF ENVIRONMENTAL
TERRORISTS
March 15th, 2010

AUTHORED BY U.S.
ENVIRO-TERROR LEADERS :
Jay Feldman, Beyond Pesticides
Paul Towers, Pesticide Watch
Paul Tukey, SafeLawns

TERRORIST STATEMENT — *A coalition of environmental [terrorist] groups is chastising in a letter to Major League Baseball its new alliance with Scotts Miracle-Gro because it says the chemical and seed company undermines sound environmental values by promoting turf management programs that are unnecessarily chemical-intensive. Scotts introduced newly branded products, which it will promote with the logo of Major League Baseball, alongside its chemical « weed and feed » and insecticide products. Weed and feed products contain herbicides and synthetic fertilizers that are tied to adverse health and environmental effects. [Wrong !]*

The Truth from an Independent Perspective

√ **FACT** : This Environmental-Terror-Coalition is composed of a mere TWO-AND-A-HALF DOZEN active or part-time Enviro-Maniac-Activists, who conspire to prohibit **FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE** pest control products.

√ **FACT** : Some of these Enviro-Maniac-Activists often operate more than one organization. Consequently, many of the so-called independent Environmental-Terror-Organizations are basically **ONE-IN-THE-SAME GROUP**.

√ **FACT** : Enviro-Maniac-Activists have yet to ally themselves with **ANY** recognized experts in matters concerning pest control products. Consequently, the opinions expressed by Enviro-Maniac-Activists are **VALUELESS** and **WORTHLESS**.

Lying Sack of Crap !

Enviro-Maniac

A Report on the Fear-Mongering, Fraudulent Lies, Misconceptions, Coercion, Threats, Deceptions, Terror, and Paranoid Conspiracies Concocted by U.S. Enviro-Terrorists

TERRORIST STATEMENT — *Major League Baseball associating the organization with Scotts Miracle-Gro, and allowing the company to use its name to promote a chemical-intensive philosophy to homeowners, sends the wrong message — that toxic chemicals are necessary to have a beautiful green lawn. In fact, the coalition says homeowners are learning that turf can be managed effectively utilizing organic methods that are safer for children, families, and the environment. [?!?!?!] Major League Baseball can and should be an environmental leader, rather than advancing toxic products with well documented deleterious health and environmental impacts. [Wrong !]*

The Truth from an Independent Perspective

√ **FACT** : Enviro-Maniac-Activists routinely **DECEIVE** the public with the use of expressions like « *organic methods that are safer for children, families, and the environment* ». Enviro-Maniacs heard using such expressions are **TRULY INCOMPETENT** and **DO NOT KNOW WHAT THEY ARE TALKING ABOUT** !

√ **FACT** : Enviro-Maniac-Activists concoct **FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES** to recruit unsuspecting people to their **ENVIRONMENTAL-TERROR** cause by **DECEIVING** them into believing that their children, and the public, are in some **NON-EXISTENT** danger with pest control products.

√ **FACT** : The use of pest control products to enhance the urban landscape is **GOOD** for the environment. Moreover, conventional pest control products are **SCIENTIFICALLY SAFE**. Overall, when they are used properly, there are **NO** harmful irreversible effects to health and the environment !

*Pest control products are **SCIENTIFICALLY SAFE***

Lying Sack of Crap !

Enviro-Maniac

A Report on the Fear-Mongering, Fraudulent Lies, Misconceptions, Coercion, Threats, Deceptions, Terror, and Paranoid Conspiracies Concocted by U.S. Enviro-Terrorists

√ FACT : The depraved indifference of ENVIRO-MANIAC-ACTIVISTS, also known as ENVIRONMENTALISTS, has inflicted TERROR, HARM, THREATS, and TERROR on the Green Space Industry through the conspiracy of NEEDLESS, SENSELESS, and MALICIOUS life-style choices, such as prohibiting FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE conventional pest control products.

√ FACT : It is a clear conclusion that many Enviro-Maniac-Activists and their organizations are simply RICH and GREEDY and AVARICIOUS SALESMEN that hawk their own line of so-called « *organic* » products that are BOGUS, INEFFECTIVE, and often HIGH-RISK when compared to conventional products !

√ FACT : When conventional pest control products are prohibited in a community, Enviro-Vermin-Salesmen move in with their own STUNNINGLY EXPENSIVE, HIGHER-RISK, and BOGUS Green Alternatives !

*Enviro-Maniac-Activists concoct
FEAR-MONGERING, FRAUDULENT LIES,
MISCONCEPTIONS, COERCION, THREATS,
DECEPTIONS, TERROR, and
PARANOID CONSPIRACIES*

*THEY ARE LYING SACKS OF
ENVIRO-MANIAC CRAP !*

Lying Sack of Crap !

Enviro-Maniac

A Report on the Fear-Mongering, Fraudulent Lies, Misconceptions, Coercion, Threats, Deceptions, Terror, and Paranoid Conspiracies Concocted by U.S. Enviro-Terrorists

TERRORIST STATEMENT — *The toxic chemicals being promoted are not needed for a beautiful lawn. The Scotts approach to turf management is dependent on chemical products it sells. Its 4-step program converts the home lawn to chemical dependency, including heavy reliance on hazardous herbicides, insecticides, and synthetic fertilizers. [?!?!?!] However, lawns are best managed successfully without a reliance on these toxic chemicals with a program that focuses on cultural practices that address soil health, aeration, mowing height, proper organic fertilization, watering techniques, and appropriate grass varieties. [Wrong !]*

The Truth from an Independent Perspective

√ **FACT** : Enviro-Maniac-Activists routinely **ALARM** the public with the use of **HOLLOW** and **DESPICABLE** expressions like « *toxic lawn chemicals* », « *hazardous herbicides and fertilizers* », and « *lawn chemical dependency* ». Enviro-Maniacs heard using such expressions are being **NEEDLESSLY** and **MALICIOUSLY ALARMIST** !

√ **FACT** : Overall, Enviro-Maniac-Activists do not have **ANY** recognized expertise, training or background regarding pest control products and fertilizers !

√ **FACT** : Cultural practices, such as aeration, fertilization, and watering, **DO NOT CONTROL** pests of turf. Wherever cultural practices are entirely relied upon for the maintenance of turf and ornamentals, damaging pests **MAY** only be **SLIGHTLY SUPPRESSED**, at the expense of plant growth and playing conditions. So-called « *success stories* » regarding cultural practices are usually **UNVERIFIABLE**, and are often **CONCOCTED** by Enviro-Maniac-Activists.

√ **FACT** : **THEY ARE LYING SACKS OF ENVIRO-MANIAC CRAP !**

*Enviro-Maniac-Activists are
NEEDLESSLY and MALICIOUSLY ALARMIST*

Lying Sack of Crap !

Enviro-Maniac

A Report on the Fear-Mongering, Fraudulent Lies, Misconceptions, Coercion, Threats, Deceptions, Terror, and Paranoid Conspiracies Concocted by U.S. Enviro-Terrorists

TERRORIST STATEMENT — *Major League Ballparks are currently different from home lawns, and the same approach is not appropriate. While homeowners should select grass seed based on soil, light and local climatic conditions, ballparks choose seed selected for its ability to withstand high amounts of pesticide and fertilizer applications and frequent (often daily) care. [!?!?!] Homeowners should focus on healthy soil to achieve a healthy lawn, whereas ballparks often contain artificial soil and drainage pipes below the field. In the home environment, mowing, watering, and fertilizer inputs should be minimized as much as possible. This is especially true in an era when as much as a third of the nation may be under water restrictions at various times of year. [Wrong !]*

The Truth from an Independent Perspective

- √ **FACT** : Enviro-Maniac-Activists routinely SCAM the public with the CONCOCTION of FRAUDULENT LIES like « *seeds are selected for their ability to withstand high amounts of pesticide and fertilizer applications* ».
- √ **FACT** : Overall, Enviro-Maniac-Activists have NO competent expertise, recognized training, or successful background, in matters concerning turfgrass management. They certainly know NOTHING about seeds.
- √ **FACT** : Overall, the opinions of Enviro-Maniac-Activists are VALUELESS and WORTHLESS in matters concerning the maintenance of turfgrasses. They are NOT COMPETENT to give advice !
- √ **FACT** : Moreover, Enviro-Maniac-Activists are blatantly and consistently WRONG and DECEITFUL with their recommendations.
- √ **FACT** : Incompetent Enviro-Maniac-Activists recommend that « *mowing, watering, and fertilizer inputs should be minimized as much as possible* ». This is a recipe for maintaining JUNK LAWNS.
- √ **FACT** : Environmental-Maniac-Activists have traditionally preferred junk lawns and junk landscapes that are unaltered by human activity, and are infested with weeds, insects, and disease. Enviro-Maniacs are NOT COMPETENT to give advice on the maintenance of turf !
- √ **FACT** : THEY ARE LYING SACKS OF ENVIRO-MANIAC CRAP !

Lying Sack of Crap !

Enviro-Maniac

A Report on the Fear-Mongering, Fraudulent Lies, Misconceptions, Coercion, Threats, Deceptions, Terror, and Paranoid Conspiracies Concocted by U.S. Enviro-Terrorists

TERRORIST STATEMENT — *Pesticides are hazardous. Below ground, pesticides harm the microorganisms, beneficial insects and earthworms that are essential to maintaining healthy soil, and therefore, healthy turf. Pesticides also harm water bodies and groundwater. Above ground, pesticides harm all forms of life. [?!?!?!] The risks are higher when products containing pesticides are applied by unlicensed applicators. [Wrong !]*

The Truth from an Independent Perspective

√ **FACT** : Enviro-Maniacs are **TRULY INCOMPETENT** and **MALICIOUS** with allegations that « *pesticides are hazardous* » and « *harm all forms of life* ».

√ **FACT** : Enviro-Maniacs create **NEEDLESS HYSTERIA**. Conventional pest control products are **SCIENTIFICALLY SAFE** ! Overall, when they are used properly, there are **NO** harmful irreversible effects to health and the environment !

√ **FACT** : Conventional pest control products are **SELECTIVE** to pests, are **SAFE** to non-target organisms, do not even damage turf, and are well understood.

TERRORIST STATEMENT — *Synthetic fertilizers are hazardous. [?!?!?!] Synthetic fertilizers also harm beneficial organisms in the soil and lead to undesirable conditions that restrict water and air movement in the soil. High nitrogen fertilizers can disrupt the nutrient balance, accelerate turf growth, increase the need for mowing, and contribute to thatch build-up. These fertilizers are also prone to leaching and runoff, which contaminates water above and below ground. [Wrong !]*

The Truth from an Independent Perspective

√ **FACT** : Enviro-Maniac-Activists routinely **DECEIVE** the public with the use of expressions like « *hazardous synthetic fertilizers* ».

√ **FACT** : Enviro-Maniac-Activists are simply **RICH** and **GREEDY** and **AVARICIOUS SALESMEN** that hawk their own line of so-called « *organic* » products ! **THEY ARE LYING SACKS OF ENVIRO-MANIAC CRAP !**

Lying Sack of Crap !

Enviro-Maniac

A Report on the Fear-Mongering, Fraudulent Lies, Misconceptions, Coercion, Threats, Deceptions, Terror, and Paranoid Conspiracies Concocted by U.S. Enviro-Terrorists

TERRORIST STATEMENT — *Children are especially vulnerable to adverse effects from pesticides. [?!?!?!] Because the home lawn is often the play space for children, and children are among the most vulnerable to toxic chemical exposure, chemical-intensive lawn management should be replaced with organic approaches. Exposure occurs as a result of direct contact with the treated lawn areas, chemical drift off the treated areas, and tracking and drifting inside of homes, which leaves residues on fabrics and surfaces. [?!?!?!] Scientific studies show that children face elevated rates of diseases associated with pesticide exposure and pesticides are linked to cancer, endocrine system disruption, neurological and immune system effects, asthma and respiratory effects, and behavioral and learning effects. [Wrong!]*

The Truth from an Independent Perspective

√ **FACT** : Enviro-Maniac-Activists NEEDLESSLY and MALICIOUSLY ALARM the public with the use of HOLLOW and DESPICABLE expressions like « *adverse effects on children* » and « *children are the most vulnerable* ».

√ **FACT** : Enviro-Maniac-Activists use terminally-ill children, or children in general, as « *weapons of mass destruction* » against the Green Space Industry. In a contemptible fashion, Enviro-Maniac-Activists holds the Green Space Industry accountable for the illnesses of children.

◆ **WARNING** : Enviro-Maniac-Activists often COERCE, INTIMIDATE, and ALARM Government Officials, the Green Space Industry, and the public by CONCOCTING the idea that they need to get rid of so-called unnecessary poisons that pose alleged unnecessary risk to our health, our children's health, and the health of the environment. Enviro-Maniac-Activists are TRULY DESPICABLE ! THEY ARE LYING SACKS OF ENVIRO-MANIAC CRAP !

*Enviro-Maniacs DESPICABLY USE CHILDREN
as Weapons of Mass Destruction*

Lying Sack of Crap !

Enviro-Maniac

A Report on the Fear-Mongering, Fraudulent Lies, Misconceptions, Coercion, Threats, Deceptions, Terror, and Paranoid Conspiracies Concocted by U.S. Enviro-Terrorists

TERRORIST STATEMENT — *At a time when homeowners across the country and communities are looking at ways to adopt practices that are protective of the environment, the coalition believes that Major League Baseball, in aligning with Scotts, is out of step. [?!?!?!] The coalition is telling baseball that it should be leading efforts to help people green their homes and communities. [Wrong !]*

The Truth from an Independent Perspective

√ **FACT** : The systematic prohibition of **FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE** pest control products is a means of making Environmental-Terror-Organizations **RICH** !

√ **FACT** : Many Enviro-Maniac-Activists and their **AVARICIOUS** organizations have become **MILLIONAIRES** ! Their pretentious prohibitionist rants have been rewarded with **MILLIONS OF DOLLARS** from government and private donations ! The more these Enviro-Maniac-Activists concoct **FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES** about conventional pest control products, the more they become **RICH** !

√ **FACT** : Environmental-Terror-Organizations have a responsibility to their donors and investors, just like any other business.

√ **FACT** : It should be noted that **MANY** Enviro-Maniac-Activists are simply **RICH and GREEDY and AVARICIOUS SALESMEN** that hawk their own line of so-called « *organic* » products and services before an unsuspecting public !

√ **FACT** : Several Environmental-Terror-Organizations operate **VAST ORGANIC LAWN MAINTENANCE OPERATIONS** !

√ **FACT** : Some Environmental-Terror-Organizations have invested in clover as a so-called alternative lawn seed !

√ **FACT** : **MANY** Enviro-Maniac-Activists accumulate wealth **WITHOUT PAYING TAXES** !

√ **FACT** : **THEY ARE LYING SACKS OF ENVIRO-MANIAC CRAP** !

U.S. ENVIRONMENTAL-TERRORISTS THAT CONSPIRE TOWARDS THE NEEDLESS, SENSELESS,

N

FORCE OF NATURE WAS LAUNCHED FOR CONTINUOUS TRANSMISSION ON THE INTERNET ON JANUARY 1ST, 2009. IT IS A SERIES OF ENEWSLETTERS DESTINED FOR THE GREEN SPACE INDUSTRY, THE ENVIRONMENTAL TERROR MOVEMENT, GOVERNMENTS, AND THE MEDIA, NATIONWIDE ACROSS CANADA, THE UNITED STATES, AND OVERSEAS. THE INFORMATION PRESENTED IN FORCE OF NATURE HAS BEEN DEVELOPED FOR THE EDUCATION AND ENTERTAINMENT OF THE READER BY PROVIDING A SEQUENCE OF HISTORICAL EVENTS WITH COMMENTARY. THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE!

O

FORCE OF NATURE IS THE BRAINCHILD OF WILLIAM H. GATHERCOLE AND HIS ENTOURAGE. NORAH G IS ACTUALLY AN ACRONYM FOR THE STABLE OF ANONYMOUS PRODUCERS AND WRITERS THAT CONTRIBUTE TO THIS ENEWSLETTER AND HAVE NOW REPLACED MR. GATHERCOLE. THEY CONSIST OF PEOPLE FROM THE FOLLOWING INDUSTRIES : DISTRIBUTION, FERTILIZER, GOLF, LAWN CARE, MANUFACTURING, MUNICIPAL, NURSERY, AND ORCHARD. MANY OF THESE PEOPLE ARE LEADERS IN THEIR OWN INDUSTRIES. THE OPINIONS EXPRESSED IN FORCE OF NATURE, EVEN THOUGH FROM AN INDEPENDENT PERSPECTIVE, MAY NOT REFLECT THOSE OF EVERYONE IN THE GREEN SPACE INDUSTRY. FORCE OF NATURE MAY SOMETIMES BE VERY IRREVERENT AND FEARLESS WITH THESE ENEWSLETTERS. ALTHOUGH FORCE OF NATURE APPEARS TO BE ANTI ENVIRONMENT MOVEMENT, IT IS, IN FACT, SIMPLY A STRONG ADVOCATE FOR THE MODERN GREEN SPACE INDUSTRY. HOWEVER, THIS POSITION HAS NOT PRECLUDED FORCE OF NATURE FROM CRITICIZING THE GREEN SPACE INDUSTRY ITSELF.

R

WILLIAM H. GATHERCOLE IS A PRINCIPAL FOUNDER OF THE MODERN PROFESSIONAL LAWN CARE INDUSTRY IN BOTH ONTARIO AND QUEBEC. HE HOLDS A DEGREE IN HORTICULTURE FROM THE UNIVERSITY OF GUELPH, AND ANOTHER PURE AND APPLIED SCIENCE DEGREE FROM MCGILL UNIVERSITY. HE HAS WORKED IN VIRTUALLY ALL ASPECTS OF THE GREEN SPACE INDUSTRY, INCLUDING GOLF AND PROFESSIONAL LAWN CARE, AND HAS SERVED IN PUBLIC AFFAIRS, WORKPLACE SAFETY, AND ENVIRONMENTAL COMPLIANCE. MR. GATHERCOLE HAS SUPERVISED, CONSULTED, PROGRAMMED, AND/OR OVERSEEN THE EXECUTION OF HUNDREDS OF THOUSANDS OF PEST CONTROL APPLICATIONS IN THE URBAN LANDSCAPE. HE HAS TRAINED, INSTRUCTED, AND CONSULTED WITH THOUSANDS OF TURF MANAGERS AND TECHNICIANS. MR. GATHERCOLE HAS ALSO BEEN AN AGRICULTURAL AGRONOMIST. FOR MANY YEARS, MR. GATHERCOLE WAS A CONTRIBUTING COLUMNIST FOR TURF & RECREATION MAGAZINE, CANADA'S TURF AND GROUNDS MAINTENANCE AUTHORITY. MR. GATHERCOLE IS NOW RETIRED FROM FORCE OF NATURE, ALTHOUGH HIS NAME CONTINUES TO APPEAR AS THE FOUNDER.

A

MR. GATHERCOLE FOLLOWED THE EVOLUTION OF ENVIRONMENTAL TERRORISM FOR OVER A QUARTER CENTURY. HIS INVOLVEMENT IN ENVIRONMENTAL ISSUES REACHED A FEVERED PITCH IN THE 1990s, WHEN HE ORCHESTRATED, WITH HIS COLLEAGUES, LEGAL ACTION AGAINST THE FORCES OF ENVIRONMENTAL EVIL IN THE TOWN OF HUDSON, QUEBEC. FOR FIFTEEN YEARS, THE STRATEGIES DESIGNED AND IMPLEMENTED BY MR. GATHERCOLE AND HIS COLLEAGUES GUARANTEED THE CONTROL OF ENVIRONMENTAL TERROR FOR THE ENTIRE MODERN GREEN SPACE INDUSTRY ACROSS CANADA. MR. GATHERCOLE IS PERSONALLY CREDITED FOR CRAFTING THE GOLF INDUSTRY EXCEPTION STATUS, THAT ENDURES TO THIS DAY. HE IS ALSO THE CREATOR OF THE SIGNS THAT ARE NOW USED FOR POSTING AFTER APPLICATION. HIS VAST KNOWLEDGE OF OUR LONG JOURNEY WITH ENVIRONMENTAL ISSUES IS UNDENIABLE. (HOPEFULLY !)

H

FORCE OF NATURE IS THE INSTRUMENT OF NATIONAL ORGANIZATION RESPONDING AGAINST HUE THAT SEEK TO TERRORIZE, HARM, AND THREATEN THE GREEN SPACE INDUSTRY (NORAHG) BY ROUTINELY CONCOCTING FARMONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, AND PARANOID CONSPIRACIES THAT ARE DESIGNED TO SCAM AND DECEIVE THE PUBLIC INTO BELIEVING THAT FAMILIES ARE IN SOME NONEXISTENT DANGER WITH CONVENTIONAL PEST CONTROL PRODUCTS. THEY ALSO SCAM AND DECEIVE GOVERNMENT OFFICIALS INTO THE NEEDLESS, SENSELESS, AND MALICIOUS PROHIBITION OF FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, AND ABSOLUTELY INDISPENSABLE CONVENTIONAL PEST CONTROL PRODUCTS. ENVIRO MANIAC ACTIVISTS ARE IDENTIFIED ON THE BASIS OF THEIR STATEMENTS, ACTIVITIES, AFFILIATIONS, AND WHEREABOUTS. EVEN THOUGH EACH ENVIRO MANIAC CULPRIT IS A MISGUIDED ADVERSARY, EACH STILL DESERVES OUR RESPECT. THE USE OF THE TERMS MANIAC, CULPRIT, TERRORIST, OR BASTERD ARE NOT ACCUSATIONS OF ANY LEGAL WRONG DOING. FORCE OF NATURE IS SIMPLY HOLDING ENVIRO-MANIAC-ACTIVISTS ACCOUNTABLE FOR CONSPIRING TO CHANGE PUBLIC POLICIES THAT TERRORIZE, HARM, AND THREATEN THE GREEN SPACE INDUSTRY. THEIR PRETENTIOUS PROHIBITIONIST RANTS HAS CREATED LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, AND UNEMPLOYMENT, INFLECTING DESPAIR AND DESTITUTION FOR THOUSANDS OF HAPLESS VICTIMS THROUGHOUT THE GREEN SPACE INDUSTRY. THE DEPRAVED INDIFFERENCE OF MANIAC CULPRIT TERRORIST BASTERDS IS VIEWED AS A FORM OF TERROR, HARM, AND THREAT AGAINST THE GREEN SPACE INDUSTRY. ADDITIONALLY, FORCE OF NATURE INSPIRES PEOPLE TO BELIEVE THAT ENVIRONMENTAL TERRORISM CAN BE STOPPED ! THE EVENTS, CHARACTERS, COMPANIES, AND ORGANIZATIONS, DEPICTED IN THIS DOCUMENT ARE NOT ALWAYS FICTITIOUS. ANY SIMILARITY TO ACTUAL PERSONS, LIVING OR DEAD, MAY NOT BE COINCIDENTAL. ALL DOCUMENT EXCERPTS AND PICTURES CONTAINED IN FORCE OF NATURE WERE FOUND SOMEWHERE ON THE INTERNET. THESE DOCUMENTS AND PICTURES ARE IN THE PUBLIC DOMAIN, SERVING ONE OF THE FOLLOWING PURPOSES : ARCHIVE, EDUCATION, PROMOTION, PUBLICITY, OR PRESS RELEASE.
