Biology
Premier !

Environmental Special Report Terrorists Unmasked !

TORONTO — Ontario is providing **\$3.8 million** to a company that's using nanotechnology to build a better pesticide for farmers.

Government officials say the money will help Toronto-based **Vive Nano** build a plant that's expected to create **19 new jobs** over two years.

The company uses an environmentally friendly process to create nano-technology-based products and materials.

Its first target involves reformulating pesticides so that the active ingredient is more effective, allowing farmers to use less of the chemicals.

Provincial officials say the company is also looking at new products that could have an impact on fuel cell development, water treatment, and environmental clean-ups.

Environmental Special Report Terrorists Unmasked !

Commentary from an Independent Perspective

How MUCH ?!?!?!?

ALMOST FOUR MILLION DOLLARS !!!!

MASSIVE FINANCING by the Government of Ontario to provide NINETEEN Enviro–Maniac employees SAFE, SECURE, GUARANTEED, and WELL–PAYING ENVIRO–TERROR–JOBS.

THE ONTARIO–MCGUINTY–ENVIRO–TERROR–REGIME IS NOT ONLY MALICIOUS WITH ITS PROHIBITIONIST POLICIES, IT IS ALSO STUPID !

ADDITIONALLY, MCGUINTY HAS ALREADY PROVIDED MILLIONS TO ENVIRO–TERROR ORGANIZATIONS TO PROVIDE THEM WITH WELL–PAYING ENVIRO–TERROR–JOBS.

WHAT ABOUT SOME MONEY FOR THE 5000 SO FAR THROWN OUT OF WORK BECAUSE OF PROHIBITION ?

WHAT ABOUT SOME MONEY TO HELP THE GREEN SPACE INDUSTRY SURVIVE THIS CATASTROPHE ?

☹ WARNING : IN A FEW YEARS, MCGUINTY–THE–BIOLOGY–PREMIER WILL REMOVE THE GOLF INDUSTRY EXCEPTION ON THE PRETEXT THAT HE HAS DEVELOPED NANO–TECHNOLOGY FOR THEM !

Environmental Special Report Terrorists Unmasked !

Background Information from an Independent Perspective

THE WHOLE TRUTH
FROM AN INDEPENDENT PERSPECTIVE
FORCE OF NATURE

THE MCGUINTY-ONTARIO ENVIRO-TERROR- PROHIBITIONIST-REGIME

QUESTION : Is the Government of Ontario allowed to legislate a prohibition against pest control products ?

ANSWER : The short answer is yes. The Government of Ontario can legislate whatever it wants. And it can do this based upon any type of justification.

✓ **FACT :** The McGuinty regime that governs in the Province of Ontario is the INSTRUMENT and POLITICAL SHIELD for the ENVIRONMENTAL TERROR MOVEMENT.

✓ **FACT :** The McGuinty-Ontario-Enviro-Terror-Prohibitionist regime has proven itself to be duped and out-of-control on the issue of pest control products.

✓ **FACT :** The Government of Ontario, under the McGuinty regime, has legislated a NEEDLESS, SENSELESS, and MALICIOUS prohibition of FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE pest control products.

Environmental Special Report Terrorists Unmasked !

⊙ **PREDICTION** : The errors of the Government of Ontario will render its policies susceptible to **LEGAL CHALLENGES**.

√ **McGUINTY ERROR** : Most people will agree that the Government of Ontario has not responsibly relied upon the recognized, legitimate, and technical expertise of the Canadian federal government, but instead has availed itself to the scare-mongering of Environmental Terror organizations and health worker trade associations. This error by the Government of Ontario will render its policies susceptible to **LEGAL CHALLENGES**.

√ **FACT** : The **ONLY** government officials that have **ANY** recognized expertise, training, or background, in matters concerning **PEST CONTROL PRODUCTS** are **HUNDREDS** of expert scientists at Health Canada !

√ **FACT** : Health Canada in Ottawa oversees the testing and approval of pest control products by using **SOUND SCIENCE** in order to ensure that they are **SCIENTIFICALLY SAFE**.

⊙ **PREDICTION** : The Government of Ontario will have to face **LEGAL CHALLENGES** from the Green Space Industry that intends to lay charges of **FRAUD** against prohibitionist culprits !

⊙ **PREDICTION** : The Government of Ontario will have to face **LEGAL CHALLENGES** from the Manufacturing Industry that will be seeking damages because of **NEEDLESS, SENSELESS, and MALICIOUS** prohibition of **FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE** pest control products !

√ **McGUINTY ERROR** : The Government of Ontario has also maliciously manipulated the public perception of pest control products by **DIRECTLY** financing Environmental Terror organizations and health worker trade associations that sought to change public policy regarding the prohibition of legal and safe pest control products. This is another error that can lead to **LEGAL CHALLENGES**.

Environmental Special Report Terrorists Unmasked !

✓ **FACT :** Of all the sources of funding to the Environmental Terror Movement, the grants originating from the Government of Ontario are the most unethical and the most unfair to the Green Space Industry. Enviro-Terrorists became **MILLIONAIRES !**

✓ **FACT :** Many groups in the Environmental Terror Movement are directly financed with **MILLIONS** of tax dollars, through agencies such as **THE TRILLIUM FOUNDATION**. In other words, tax-paying employees and companies in the Green Space Industry are unknowingly contributing to their eventual annihilation.

✓ **McQUINTY ERROR :** The Government of Ontario has failed to diminish the so-called risk to public health with the proposed alternatives to conventional pest control products. **SOME ALTERNATIVES ARE EVEN HIGHER-RISK**. The Government of Ontario is only now providing funding for the so-called low-risk Green Alternatives, and, in an untimely fashion, only after the **NEEDLESS, SENSELESS, and MALICIOUS** prohibition of **FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE** pest control products. Another error that can lead to **LEGAL CHALLENGES**.

✓ **McQUINTY ERROR :** The Government of Ontario has irresponsibly made no provisions for job losses and small business failures that are occurring as a direct result of the prohibition.

✓ **FACT :** The Government of Ontario has actually allocated over **TEN MILLION DOLLARS** over four years in support of its prohibition, but has announced no plans as to how this money can be used to aid those in the Professional Lawn Care Industry that become unemployed or bankrupt as a result of the prohibition. In November 2009, the Government of Ontario has provided **3.8 MILLION DOLLARS** to a company that claims that it can concoct nanotechnology to build a better pesticide for farmers.

✓ **McQUINTY ERROR :** Finally, we can all agree that the Government of Ontario has unfairly discriminated against the Professional Lawn Care Industry by providing exceptions to the following groups. —

Environmental Special Report Terrorists Unmasked !

Ontario exceptions :

1. Agriculture.
2. Cricket.
3. Croquet.
4. Extermination.
5. Forestry.
6. Golf courses.
7. Lawn bowling.
8. Lawn tennis.
9. Sod growers.
10. Sports fields.

✓ **FACT** : Because of prohibition, the public Green Spaces throughout the Province of Ontario LOOK LIKE GARBAGE DUMPS !

✓ **FACT** : Because of prohibition, the public Green Spaces throughout the Province of Ontario are in such horrible condition, they are costing HUNDREDS OF THOUSANDS OF DOLLARS more to maintain in EACH municipality !

✓ **FACT** : The cost of implementing and enforcing NEEDLESS, SENSELESS, and MALICIOUS prohibition of FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE pest control products are costing HUNDREDS OF THOUSANDS OF DOLLARS in EACH municipality !

✓ **McGUINTY ERROR** : The Government of Ontario has left itself open to LEGAL ACTION from industries that will seek restitution for damages.

✓ **FACT** : Prohibition has been DEVASTATING to the Green Space Industry in the Province of Ontario !

Environmental Special Report Terrorists Unmasked !

√ **FACT** : As a predictable consequence of the prohibition imposed in Ontario by Environmental Terrorists, by early summer 2009, Professional Lawn Care revenues have been OBLITERATED BY AT LEAST TWENTY-FIVE PER CENT !

√ **FACT** : Another consequence of the prohibition imposed in Ontario by Enviro-Terrorists, by autumn 2009, Professional Lawn Care companies have LOST FORTY TO SEVENTY PER CENT OF THEIR CUSTOMERS since the senseless prohibition began in early 2009 !

√ **FACT** : In Ontario, by late 2009, it has been estimated that over **5000** PEOPLE HAVE BEEN UNEMPLOYED (FULL TIME AND SUMMER STUDENTS).

The following figures are based upon indicators in markets that have prohibited pest control products.

⊗ **WARNING** : In the Province of Ontario, the Professional Lawn Care Industry will suffer the following damages because of the NEEDLESS, SENSELESS, and MALICIOUS prohibition of FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE pest control products —

⊗ **\$500 million** in annual loss of revenue

⊗ **8,300 to 12,500** people unemployed

⊗ **780** business failures & bankruptcies

√ **FACT** : Professional Lawn Care businesses, which at one time provided a good living and some equity for eventual sale for retirement, are NOW WORTHLESS ! Enviro-Terror has guaranteed that no one will want to reasonably buy these businesses !

√ **FACT** : ALL THIS MISERY ACCOMPLISHES NOTHING. Conventional pest control products are SCIENTIFICALLY SAFE !

Environmental Special Report Terrorists Unmasked !

✓ **FACT :** Overall, when pest control products are used properly, there are no harmful irreversible effects to health and the environment !

Ladders are dangerous when not used responsibly.
The same can be true of pest control products.

⊙ **PREDICTION :** The errors of the McGuinty–Ontario–Enviro–Terror regime will render its prohibition legislation susceptible to **LEGAL CHALLENGES**.

⊙ **PREDICTION :** In court, the McGuinty regime will realize that **NOT A SINGLE PERSON** within the Environmental Terror Movement has **ANY** recognized expertise, training, or background, in matters concerning **PEST CONTROL PRODUCTS !**

⊙ **PREDICTION :** In court, the McGuinty regime will be unable to provide any **SCIENTIFIC BASIS** for its **NEEDLESS, SENSELESS, and MALICIOUS** prohibitionist policies !

⊙ **PREDICTION :** In court, the McGuinty regime will be « *left out to dry* » by its former Enviro–Maniac allies !

⊙ **PREDICTION :** Many Enviro–Maniac culprits will be arrested and jailed for **FRAUD !**

⊙ **PREDICTION :** The McGuinty regime and its allies in the Environmental Terror Movement will be liable for damages worth **TENS OF MILLIONS OF DOLLARS**.

Environmental Special Report Terrorists Unmasked !

WHO IS

DALTON JAMES PATRICK

MCGUINTY JUNIOR?

Junior is the **PROHIBITIONIST PREMIER** of **THE PROVINCE OF ONTARIO**.

He has been a **MEMBER OF PROVINCIAL PARLIAMENT (MPP)** for **OTTAWA SOUTH** since 1990.

McGuinty has been known to hold liberal views on many social issues, such as abortion rights, marriage for same-sex couples, and, obviously, extreme radical views regarding environmental protection.

The bottom line is this – McGuinty has consistently pandered to minority organizations

and fringe lobbyists. And he sought to curry favour with the **RADICAL Environmental Terror Movement**.

Under the McGuinty Enviro-Terror regime, an agency called The Ontario Trillium Foundation has been used as a financial **ENVIRO-TERROR SHIELD** by the Government of Ontario for supplying vast amounts of funds to the Environmental Terror Movement that have conspired to prohibit **FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE** pest control products.

Because of the McGuinty Enviro-Terror financing of **ENVIRONMENTAL TERROR ORGANIZATIONS**, and because of his legislating the **Cosmetic Pesticides Ban Act** in

2008, the **PROFESSIONAL LAWN CARE INDUSTRY** is systematically being **TERROORIZED** and **ANNIHILATED**, with the resulting **LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCIES, UNEMPLOYMENT**, leading to **DESPAIR** and **DESTITUTION** for **THOUSANDS** of people throughout the **GREEN SPACE INDUSTRY**.

In October 2009, the McGuinty Enviro-Terror regime concocted another ploy designed to harm the Professional Lawn Care Industry. Ontario Obsolete Pesticides Collection Program. This collection may be considered as **ANOTHER CRAFTY TERROR PLOY** engineered by Environmental Terrorists, the McGuinty Enviro-Terror regime, and the manufacturers

Environmental Special Report Terrorists Unmasked !

that appear supporting Enviro-Terror.

Throwing away HUNDREDS OF THOUSANDS OF DOLLARS of pest control products that were maliciously and needlessly prohibited by the McGuinty Enviro-Terror regime.

MORE TERROR, and resulting in **MORE LOSS OF HARD-EARNED MONEY**, leading to **DESPAIR** and **DESTITUTION** for **THOUSANDS** of people throughout the **GREEN SPACE INDUSTRY**.

Not surprisingly, McGuinty, **THE BIOLOGY PREMIER**, must feel right at home dealing with his allies from the **Environmental Terror Movement**, since he is, in fact, a **BIOLOGIST**. We kid you not. He studied **BIOLOGY** and

earned a **B.Sc.** from **McMaster University** prior to his completion of a second degree in law. (Biologists have traditionally **NOT** been well-informed about pest control products, but they think they know all there is to know. In other words, they know **NOTHING** about pest control products.) In 1983, McGuinty became a senior partner at the family law firm.

Some people claim that they are not surprised that a lawyer with a biology degree would have conspired to prohibit **FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE** pest control products.

According to you-know-who with **THE** biology degree. Dalton James Patrick

McGuinty Junior. Premier of Ontario —

<< It's the right of kids to play in the grass [...] without compromising their health. >>

Also according to the biology Premier —

<< Our generation has taken to the cosmetic use of pesticide and I think that perhaps unwittingly, not realizing the dangers it represents to ourselves and most importantly to our children. >>

In fact —

The pest control products prohibited in Ontario are **FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE !**

Environmental Special Report Terrorists Unmasked !

FORCE OF NATURE was launched for continuous transmission on the Internet on January 1st, 2009. It is a series of e-newsletters destined for the GREEN SPACE INDUSTRY, the Environmental Terror Movement, government officials, municipalities, and the media, nation-wide across Canada, and parts of the United States and overseas. **FORCE OF NATURE** is produced in two parts. First, The **MEDIA REPORT** itself that reports on the current events affecting the future of the GREEN SPACE INDUSTRY. Second, **INDEPENDENT PERSPECTIVE**, which is a running commentary, sometimes technical in nature. **FORCE OF NATURE** is the **WHOLE TRUTH** from an **INDEPENDENT PERSPECTIVE !** **FORCE OF NATURE** is **TOTALLY INDEPENDENT** of any trade association or business operating within the Green Space Industry.

FORCE OF NATURE is the brainchild of William H. Gathercole and his entourage. Norah G is actually an acronym for the stable of anonymous producers and writers that contribute to this e-newsletter and have now replaced Mr. Gathercole. They consist of people from the following industries : Distribution, Fertilizer, Golf, Lawn Care, Manufacturing, Municipal, Nursery, Orchard. Many of these people are leaders in their own industries. The opinions expressed in **FORCE OF NATURE**, even though from an **INDEPENDENT PERSPECTIVE**, may not reflect those of everyone in the GREEN SPACE INDUSTRY, or Mr. Gathercole's many associates. Be warned ! **FORCE OF NATURE** may sometimes be very irreverent and fearless with these e-newsletters. **DON'T THANK US. IT'S A PUBLIC SERVICE. AND WE ARE GLAD TO DO IT.** Mr. Gathercole is now retired from **FORCE OF NATURE**, although his name continues to appear as the founder.

William H. Gathercole is a principal **FOUNDER** of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the **UNIVERSITY OF GUELPH**, and another pure and applied science degree from **MCGILL UNIVERSITY**. He has worked in virtually all aspects of the GREEN SPACE INDUSTRY, including **GOLF** and **PROFESSIONAL LAWN CARE**, and has served in public affairs, workplace safety, and environmental compliance. Mr. Gathercole has supervised-consulted-programmed-overseen the execution of **HUNDREDS OF THOUSANDS** of pest control applications in the urban landscape. He has trained, instructed, and consulted with, **THOUSANDS** of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for **TURF & Recreation Magazine**, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole has followed the evolution of **ENVIRONMENTAL TERRORISM** for over a quarter-century. His involvement in environmental issues reached a fevered pitch in the 1990s, when he orchestrated, with others, legal action against unethical and excessive municipal regulations restricting the use of pest control products.

(i.e. the Town of Hudson, Quebec.) For **FIFTEEN YEARS**, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of **Enviro-Terror** for the Entire Green Space Industry across Canada. Although he can be accused of being **ANTI-ENVIRONMENT-MOVEMENT**, he is, in fact, simply a strong advocate **FOR** the **GREEN SPACE INDUSTRY**, from an **INDEPENDENT PERSPECTIVE**. However, this position has not precluded him from criticizing the Green Space Industry itself. Nonetheless, his vast knowledge of our long journey with environmental issues is **UNDENIABLE**. (Hopefully !)

All document excerpts and pictures contained in **FORCE OF NATURE** were found somewhere on the Internet. We believe that they are in the public domain, serving one of the following purposes : archive, education, promotion, publicity, or press release.

We believe that **ENVIRONMENTAL TERRORISM** can be **STOPPED !** Information presented in **FORCE OF NATURE** has been developed for the education and entertainment of the reader. The events, characters, companies, and organizations, depicted in this document are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. © The mission of **FORCE OF NATURE** is as a **NATIONAL ORGANIZATION RESPONDING AGAINST HUE** that harm the **GREEN SPACE INDUSTRY** with statements and activities seeking to prohibit **FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE** conventional pest control products. © Culprits are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each culprit is a mis-guided adversary, each still deserves our respect. The terms culprit or terrorist or bastard are not accusations of any legal wrong-doing. **FORCE OF NATURE** is simply holding culprits accountable for conspiring to change public policies that **TERRORIZE** and **THREATEN** the Green Space Industry. **FORCE OF NATURE** believes that the prohibitionist policies of the Environmental Terror Movement will lead to **LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT**, creating **DESPAIR** and **DESTITUTION** for **THOUSANDS** of people throughout the Green Space Industry. The actions of culprits-terrorists-bastards in the movement are viewed as a form of **TERROR** against the Green Space Industry.
