Province of Ontario

## HAVEN for Anti-Pesticide Enviro-Lunatic Terrorists

### Environmental-Terrorist SHIELD

GREEN PROSPERITY COALITION is a PUBLIC POLICY SHIELD Organization for twenty-one of Ontario's leading Environmental-Terrorist-Organizations.

Green Prosperity was created in 2011 to RE-ELECT the MASTER-BASTERD INCUMBENT-PREMIER of the Province of Ontario, Dalton McGuinty.

The public is being DUPED into believing that Green Prosperity Coalition is a LEGITIMATE INDEPENDENT NOT-FOR-PROFIT Organization.

Green Prosperity Coalition is YET ANOTHER PRETEXT to SUPPLY PAY-OFFS to Environmental-Terrorist Organizations that SUPPORT McGuinty.

This project is funded by THE ONTARIO TRILLIUM FOUNDATION ( OTF ), an agency of the Government of Ontario that functions as a FINANCIAL SHIELD for providing PAY-OFFS to Environmental-Terrorist-Organizations that SUPPORT McGUINTY and his bid for RE-ELECTION.

Several of these organizations are DESPERATE for a McGuinty VICTORY, otherwise, Enviro-Lunatic GREEN JOBS AND GOVERNMENT GRANTS WILL NOT BE SAFE AND SECURE.

If re-elected, the McGUINTY REGIME WILL CONSPIRE TO IMPOSE PROHIBITION on ALL pest control products.

# Ontario

Green Prosperity Coalition was created  
to RE-ELECT Dalton McGuinty in 2011

If re-elected, McGuinty will CONSPIRE TO PROHIBIT pest control products against the GOLF INDUSTRY ... and then NURSERY PRODUCTION ... and then AGRICULTURE ... and then TOTAL-PROHIBITION OF ALL PEST CONTROL PRODUCTS AND EVEN FERTILIZERS !

## Reasons for SHIELDS

---

SHIELDS ( also called umbrella groups or front organizations ) for organizations like Green Prosperity Coalition are set up for one or several of the following reasons —

- For collecting TAX-FREE PROFIT in the form of GOVERNMENT GRANTS and DONATIONS.
- For concealing the views of supposedly moderate professionals, such as physicians, lawyers, and other Enviro-Lunatic professionals, in an attempt to mask their extremist views.
- For ensuring that the NON-PROFIT TAX-EXEMPT CHARITY STATUS of the PARENT ENVIRONMENTAL-TERRORIST-ORGANIZATIONS is not jeopardized by their POLITICAL INTERFERENCE.
- For giving everyone the FALSE and FRAUDULENT impression that the Environmental-Terrorist-Movement has considerable size and power, when in fact, it does not.

## HAVEN for Anti-Pesticide Enviro-Lunatic Terrorists

- For giving the public the FALSE and FRAUDULENT impression that there is grass-roots support for changes in public policy.
- For protecting the PARENT ORGANIZATIONS from LEGAL LIABILITY.

### Coalition for Pesticide Reform Ontario

The MAJORITY of the Green Prosperity Parent Organizations were also FINANCED in 2008 to create COALITION FOR PESTICIDE REFORM ONTARIO.

Coalition for Pesticide Reform Ontario was the Anti-Pesticide PUBLIC POLICY SHIELD that CONSPIRED with the McGuinty Government.

It was co-created by Environmental-Terrorist Organizations like Canadian Association of Physicians for the Environment ( CAPE ), David Suzuki Foundation, Registered Nurses' Association of Ontario ( RNAO ), and others.

Coalition for Pesticide Reform Ontario was created specifically to INTERFERE WITH PUBLIC POLICY by CONSPIRING to PROHIBIT pest control products used in the Urban Landscape.

Its ACTS OF SUBVERSION led to the DESTRUCTION of the Professional Lawn Care Industry.

# Ontario

Green Prosperity Coalition was created  
to RE-ELECT Dalton McGuinty in 2011

## CARNAGE Caused by Anti-Pesticide PROHIBITION

---

On April 22<sup>nd</sup>, 2009, the McGuinty-Ontario-Anti-Pesticide-Regime ARBITRARILY PROHIBITED pest control products used in the Urban Landscape.

In fact, PROHIBITION WAS UNNECESSARY since pest control products are HEALTH-CANADA-APPROVED and SCIENTIFICALLY-SAFE.

PROHIBITION led to HARDSHIP AND LOSSES for the Professional Lawn Care businesses because there were NO valid economical alternatives to replace the prohibited products.

This NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION led to the DESTRUCTION of the Modern Professional Lawn Care Industry.

Because of PROHIBITION in Ontario, the Professional Lawn Care Industry LOST OVER 500,000,000 DOLLARS, with UP TO 12,500 UNEMPLOYED.

Because of PROHIBITION in Ontario, ONE-COMPANY-PER-WEEK DISAPPEARS INTO TOTAL OBLIVION.

However, PROHIBITION was LUCRATIVE to those who supported the ENVIRO-LUNATIC MASTER-BASTERD PREMIER.

### 2,000,000 DOLLAR-CONSPIRACY

---

Up until 2009, Trillium was also used to FINANCE ANTI-PESTICIDE ORGANIZATIONS TO CONSPIRE TO PROHIBIT PEST CONTROL PRODUCTS in the Urban Landscape.

In 2007-2008 alone, almost 500,000 DOLLARS was provided by The Ontario Trillium Foundation to ANTI-PESTICIDE ORGANIZATIONS.

During the period 1999-2009, over 1,500,000 DOLLARS was provided to ANTI-PESTICIDE ORGANIZATIONS.

Observers estimated that The Ontario Trillium Foundation SPENT OVER 2,000,000 DOLLARS ON THE CONSPIRACY TO PROHIBIT PEST CONTROL PRODUCTS.

Through Trillium, the Government of Ontario spent OVER 2,000,000 DOLLARS on the DESTRUCTION of law-abiding tax-payers and businesses in the Professional Lawn Care Industry.

The Professional Lawn Care Industry's own TAX-DOLLARS were used to DESTROY its companies, and UNEMPLOY its workers.

# Ontario

Green Prosperity Coalition was created  
to RE-ELECT Dalton McGuinty in 2011

## Green Prosperity PARENT ORGANIZATIONS

---

For the 2011 Ontario general Election, Green Prosperity Coalition was created to RE-ELECT Dalton McGuinty.

Clearly, the public is being DUPED into believing that Green Prosperity Coalition somehow has considerable size, power, and influence, when in fact, it does not.

Many of the Green Prosperity Parent Organizations are mere small local garden or social clubs with cutesy titles.

Most are MERE FUND-RAISING ORGANIZATIONS.

They are NOT SCIENTIFIC ORGANIZATIONS.

In fact, Green Prosperity Parent Organizations PAY people to be FEAR-MONGERING LOBBYISTS and to ATTRACT MORE PROFIT IN DONATIONS.

The primary reason for the existence of Green Prosperity Parent Organizations has NOTHING TO DO WITH ENVIRONMENT OR HEALTH but has everything to do with BUSINESS, CASH-FLOW, and PROFIT.

Since these organizations POLITICALLY INTERFERED with the 2011 Ontario General Election, then their CHARITY TAX-EXEMPT STATUS SHOULD BE REVOKED, and the ORGANIZERS SHOULD BE FORCED TO STEP-DOWN.

### ILLEGITIMACY of Green Prosperity

---

Green Prosperity Coalition NEVER produced official documents indicating that it is sanctioned by nothing more than a few GREEDY and AVARICIOUS Anti-Pesticide-Lunatic-Basterds seeking SAFE, SECURE, GUARANTEED, and WELL-PAYING Enviro-Terrorist-Jobs, and MILLIONS OF DOLLARS from government and private donations !

Green Prosperity Coalition is merely supported by a few dozen NON-EXPERT ENVIRO-LUNATIC ACTIVISTS.

Additionally, Green Prosperity Coalition NEVER provided documents indicating that it is OFFICIALLY supported by ANY organization.

Moreover, NONE of the PARENT ORGANIZATIONS used in the Green Prosperity advertising campaign has EVER RATIFIED with their membership any agreement or relationship with the Coalition.

# Ontario

Green Prosperity Coalition was created to RE-ELECT Dalton McGuinty in 2011

## Green Prosperity LUNATICS

---

The Green Prosperity « *Experts Directory* » is composed of just a few dozen NON-EXPERT ENVIRO-LUNATIC ACTIVISTS who are PAID-FOR-PROFIT by The Ontario Trillium Foundation.

The VAST MAJORITY are MERE LAWYERS and FUND-RAISERS.

But NOT ONE Green-Prosperity-Lunatic has ANY recognized expertise, training, or background in matters concerning pest control products.

NONE have ANY recognized science background, training, or education in matters concerning environmental issues specific to pest control products.

# Ontario 2011 Vote

The 40<sup>th</sup> Ontario General Election will be held on October 6<sup>th</sup>, 2011.

It will elect Members of the Legislative Assembly ( MPPs ) of Ontario.

In the 2007 election, Liberal-Party-of-Ontario formed a majority government, with the Progressive Conservative Party of Ontario ( PC Party ) serving as the Official Opposition and the Ontario New Democratic Party ( NDP ) serving as a third party.

Before casting your ballot, here are some things that you need to know.

## McGuinty-Ontario-Anti-Pesticide-Regime

---

The Province of Ontario is currently under a Liberal government headed by Premier Dalton James Patrick McGuinty Junior.

McGuinty Junior is the ENVIRO-LUNATIC MASTER-BASTERD PREMIER of the Province of Ontario.

The present McGuinty Government, first elected in 2003, was re-elected on October 10<sup>th</sup>, 2007.

And now, McGuinty seeks another election victory in 2011.

The McGuinty Government is affectionately called the McGUINTY ONTARIO ANTI PESTICIDE REGIME.

This regime is the POLITICAL SHIELD for Anti-Pesticide and Enviro-Lunatic Terrorists.

This regime is the POLITICAL SHIELD for ENVIRONMENTAL-TERRORIST-ORGANIZATIONS like David Suzuki Foundation and Canadian Association of Physicians for the Environment.

# Vote AGAINST McGuinty

The actions of this government are viewed as a form of TERROR against Ontario society, and specifically against the Professional Lawn Care Industry.

A vote for Enviro-Lunatics like Dalton McGuinty is a vote for LUNATIC ENVIRONMENTAL-TERRORISM.

If re-elected, the McGUINTY-ONTARIO-ANTI-PESTICIDE-REGIME WILL CONSPIRE TO IMPOSE PROHIBITION on ALL pest control products.

If re-elected, McGuinty will CONSPIRE TO PROHIBIT pest control products against the GOLF INDUSTRY ... and then NURSERY PRODUCTION ... and then AGRICULTURE ... and then TOTAL-PROHIBITION OF ALL PEST CONTROL PRODUCTS AND EVEN FERTILIZERS !

## Who Is Dalton James Patrick McGuinty Junior ?

---

His political career began as Member of Provincial Parliament ( MPP ) for Ottawa South in 1990.

McGuinty Junior holds LIBERAL VIEWS on many social issues, such as abortion rights, same-sex marriage, and, obviously, EXTREME VIEWS regarding NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of conventional pest control products.

Pest control products are, in fact, HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, and PRACTICALLY-NON-TOXIC.

Junior has consistently PANDERED TO MINORITY ORGANIZATIONS AND FRINGE LOBBYISTS, such as the « *environmental community* » that is composed of RADICAL ANTI-PESTICIDE TERRORISTS.

## Anti-Pesticide PROHIBITION

---

On April 22<sup>nd</sup>, 2009, the McGuinty Ontario-Anti-Pesticide-Regime ARBITRARILY PROHIBITED pest control products used in the Urban Landscape.

Ontario PROHIBITION was 100% Politically-Based and 0% Science-Based.

This NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION led to the DESTRUCTION of the Modern Professional Lawn Care Industry.

Because of PROHIBITION in Ontario, the Professional Lawn Care Industry LOST OVER 500,000,000 DOLLARS, with UP TO 12,500 UNEMPLOYED.

Because of PROHIBITION in Ontario, ONE-COMPANY-PER-WEEK DISAPPEARS INTO TOTAL OBLIVION.

## Anti-Fertilizer TAXES and FEES

---

In 2010, the McGuinty-Ontario-Enviro-Terror-Regime imposed the MUNICIPAL HAZARDOUS OR SPECIAL WASTE PROGRAM PLAN ( MHSW ) and HARMONIZED SALES TAX ( HST ).

# Ontario 2011 Vote

These NEEDLESS, SENSELESS, and MALICIOUS TAXES AND FEES led to INCREASED OPERATING COSTS for the Green Space Industry.

Under the MHSW program, the fertilizer companies were COERCED into paying the entire cost of so-called FERTILIZER WASTE.

This cost was then PASSED ON to the end-users in the Green Space Industry.

The Ontario Municipal Hazardous and Special Waste Program Fee ( MHSW ) increased the cost of fertilizer by at least FIFTY-EIGHT CENTS per 25-kilogram-bag.

Additionally, the Ontario Harmonized Sales Tax ( HST ) increased the cost of fertilizer by at least ONE-DOLLAR-AND-TWENTY-FIVE-CENTS per 25-kilogram-bag.

Fertilizer sold in Ontario increased by at least 50 TO 75 DOLLARS PER METRIC TON.

In the Golf Industry, an 18-hole-golf course requiring 30 metric tons per year needed to increase its fertilizer budget by OVER TWO THOUSAND DOLLARS.

## Financial Support of Anti-Pesticide-Terrorism

---

Under the McGuinty Anti-Pesticide Regime, an agency called THE ONTARIO TRILLIUM FOUNDATION was used as a FINANCIAL-SHIELD by the Government of Ontario to supply VAST AMOUNTS OF MONEY to Anti-Pesticide Organizations.

These organizations then CONSPIRED with McGuinty to PROHIBIT pest control products used in the Urban Landscape.

On April 22<sup>nd</sup>, 2009, PROHIBITION was legislated.

In fact, PROHIBITION WAS UNNECESSARY since pest control products are HEALTH-CANADA-APPROVED and SCIENTIFICALLY-SAFE.

PROHIBITION led to HARDSHIP AND LOSSES for the Professional Lawn Care businesses because there were NO valid economical alternatives to replace the prohibited products.

Consequently, the Modern Professional Lawn Care Industry was DESTROYED.

However, PROHIBITION was LUCRATIVE to those who supported the ENVIRO-LUNATIC MASTER-BASTERD PREMIER.

## McGuinty Pay-Offs to Suzuki

---

David Suzuki Foundation is an ENVIRONMENTAL-TERRORIST-ORGANIZATION THAT CONSPIRES TO IMPOSE THE NEEDLESS, SENSELESS, AND MALICIOUS PROHIBITION OF PEST CONTROL PRODUCTS.

Suzuki seeks to IMPOSE A NATIONAL PROHIBITION OF ALL PEST CONTROL PRODUCTS.

In 2010, David Suzuki Foundation RECEIVED BETWEEN 100,000 AND 250,000 DOLLARS from THE ONTARIO TRILLIUM FOUNDATION.

# Vote AGAINST McGuinty

As a result of his POLITICAL INTERFERENCE in the Ontario 2011 General Election, DAVID SUZUKI WAS FORCED TO QUIETLY STEP DOWN from the Board of Directors of David Suzuki Foundation during summer of 2011.

PAY-OFFS under the guise of GOVERNMENT GRANTS to Environmental-Terrorist Organizations is NOTHING NEW for Trillium.

## The Ontario Trillium Foundation

---

The Ontario Trillium Foundation SQUANDERED MILLIONS OF DOLLARS ON THE SUBVERSIVE ANTI-PESTICIDE CONSPIRACY leading to PROHIBITION.

OVER 2,000,000 DOLLARS !

Trillium is an agency of the Government of Ontario, and is the LARGEST FUNDER of

the « *environmental not-for-profit sector* » in Ontario.

Essentially, this agency has been used to provide PAY-OFFS to those who support the ENVIRO-LUNATIC MASTER-BASTERD PREMIER of the Province of Ontario.

Trillium operates as a FINANCIAL SHIELD to provide direct funding to Environmental-Terrorist-Organizations.

Up until 2009, Trillium was also used to FINANCE ANTI-PESTICIDE ORGANIZATIONS TO CONSPIRE TO PROHIBIT PEST CONTROL PRODUCTS in the Urban Landscape.

In 2007-2008 alone, almost 500,000 DOLLARS was provided by The Ontario Trillium Foundation to ANTI-PESTICIDE ORGANIZATIONS.

During the period 1999-2009, over 1,500,000 DOLLARS was provided to ANTI-PESTICIDE ORGANIZATIONS.

Observers estimated that The Ontario Trillium Foundation SPENT OVER 2,000,000 DOLLARS ON THE CONSPIRACY TO PROHIBIT PEST CONTROL PRODUCTS.

Through Trillium, the Government of Ontario spent OVER 2,000,000 DOLLARS on the DESTRUCTION of law-abiding taxpayers and businesses in the Professional Lawn Care Industry.

The Professional Lawn Care Industry's own TAX-DOLLARS were used to DESTROY its companies, and UNEMPLOY its workers.

The Government of Ontario spent OVER 2,000,000 DOLLARS to BASELESSLY SMEAR,

# Ontario 2011 Vote

FALSELY ACCUSE, GROTESQUELY PUNISH, INNOCENTLY CONVICT, SHAMELESSLY PERSECUTE, and WRONGFULLY DEPRIVE those people working in the Professional Lawn Care Industry who used pest control products that were nonetheless HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, and SCIENTIFICALLY-SAFE.

- Environmental Defence Canada — 674,100 dollars ( 2004 - 2009 )
- Sierra Club of Canada
- World Wildlife Fund of Canada — 224,000 dollars ( 1999 - 2007 )

## Examples of Trillium PAY-OFFS

---

Here are examples of Trillium dollars spent TO SUPPORT ANTI-PESTICIDE ORGANIZATIONS —

- Canadian Association of Physicians for the Environment ( CAPE ) — 255,000 dollars ( 2002 - 2007 )
- Canadian Environmental Law Association ( CELA ) — 202,200 dollars ( 2007 - 2008 )
- Canadian Institute for Environmental Law and Policy ( CIELAP ) — 25,000 dollars ( 1999 - 2000 )
- Canadian Partnership for Children's Health and the Environment ( CPSCHE ) — 264,500 dollars ( 2006 - 2007 )
- David Suzuki Foundation — 100,000 to 250,000 dollars ( 2010 )

**THE ONTARIO  
TRILLIUM  
FOUNDATION**

## Desperate for Victory

---

Environmental-Terrorist-Organizations are DESPERATE for a McGuinty VICTORY.

Otherwise, Enviro-Lunatic GREEN JOBS AND GOVERNMENT GRANTS WILL NOT BE SAFE AND SECURE.

If re-elected, the McGUINTY-ONTARIO-ANTI-PESTICIDE-REGIME WILL CONSPIRE TO IMPOSE PROHIBITION on ALL pest control products.

# Vote AGAINST McGuinty

## CARNAGE Caused by PROHIBITION

---

The Ontario Anti-Pesticide PROHIBITION led to HORRENDOUS CARNAGE —

- LOSS OF REVENUES
- BUSINESS FAILURES
- BANKRUPTCY
- UNEMPLOYMENT

PROHIBITION inflicted TERROR, DESPAIR, and DESTITUTION on THOUSANDS OF HAPLESS VICTIMS throughout the Professional Lawn Care Industry.

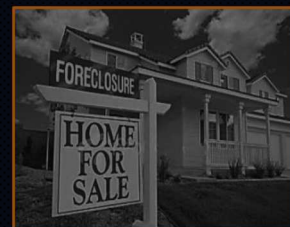

The DEVASTATION of the Professional Lawn Care Industry was EXTENSIVE because there were NO valid economical alternatives to replace the prohibited products.

Consequently, Professional Lawn Care Companies were UNABLE to provide adequate weed and insect control, and were UNABLE to keep their customers satisfied.

Because of the Anti-Pesticide PROHIBITION, Professional Lawn Care businesses were forced to TERMINATE many or most of their employees.

In the Province of Ontario, the Professional Lawn Care Industry LOST OVER 500,000,000 DOLLARS, with UP TO 12,500 UNEMPLOYED.

Anti-Pesticide PROHIBITION DESTROYED the Modern Professional Lawn Care Industry.

# Ontario 2011 Vote

Furthermore, Ontario green spaces became OVER-RUN WITH WEEDS, INFESTED WITH INSECTS, and DISMALLY DESTROYED — they became GARBAGE DUMPS.

The Province of Ontario became known as « *THE DANDELION PROVINCE* » since it was OVER-RUN with Dandelions because the SAFEST and MOST EFFECTIVE herbicides for controlling this broad-leaved weed were ARBITRARILY PROHIBITED.

What else has McGuinty Junior done for Ontario !?!?

---

The last McGuinty election campaign promised NO TAX INCREASE.

Nonetheless, Junior increased all licensing fees, from cars to boats, including fishing and hunting.

Virtually EVERYTHING, except the Health Care Premium, were subject to the Goods and Services Tax and Provincial Sales Tax ( taxes on taxes ).

Junior also legislated the Harmonized Sales Tax ( HST ), the largest tax EVER.

HST provided Junior and the Province of Ontario with an additional THREE BILLION DOLLARS per year.

Junior also increased the Hydro-Electric-Power by 10 per cent.

Junior has also increased the tax on liquor and wine by 10 per cent.

Junior has imposed the Municipal Hazardous or Special Waste Program Plan ( MHSW ), which increased the price of many items, including FERTILIZER, as well as electronics, paint cans, and automobile tires.

Oddly enough, Junior awarded himself a nice little SALARY INCREASE of 40,000 DOLLARS per year.

Just what was Junior's answer to all this ?

Junior said — « *Well if the people of Ontario don't like it, they can show it in the next election* ».

McGuinty Junior turned the richest, most prosperous Province in Canada into one of the poorest, and has created a deficit of OVER TWENTY SEVEN BILLION DOLLARS.

## Ontario 2011 Vote

---

Before casting your ballot, here are some things that you need to know.

If you vote for Dalton McGuinty, or ANY candidate running for Liberal-Party-of-Ontario, you are supporting ...

- Ontario as a HAVEN for Environmental Terrorists
- Ontario as a DESTROYER of law-abiding Green Space and Agriculture Industries
- Ontario as a GARBAGE DUMP infested with Invasive Pests

**(X) Vote AGAINST McGuinty**

# NORAHG

In the 9|11 Era of Environmental Terrorism, at least ONE SUBVERSIVE ACT OF TERROR is Perpetrated EVERY SINGLE DAY by enviro lunatics.

NORAHG is National Organization Responding Against HUJE that seek to harm the Green Space Industry.

NORAHG is an INDEPENDENT NATIONAL NON PROFIT NON PARTISAN organization representing RESPECTED EXPERTS who promote PESTICIDE REALISM and PESTICIDE TRUTHS — scientific research PROVES that pest control products cause NO HARM and can be USED SAFELY.

HUJE are enviro lunatics, anti pesticide activists, and lawn haters, who particularly DESPISE the golf industry. They are Hateful Underhanded Jokes as Environmentalists who have been WRONG FOR OVER 50 YEARS.

NORAHG manages the Library Computer Access and Retrieval System for all anti pesticide terrorist acts of subversion. In the event that criminal charges for FRAUD and CONSPIRACY are laid, ALL anti pesticide activists and their environmental terrorist organizations have been identified on the basis of statements, activities, affiliations, and whereabouts.

NORAHG also produces FORCE OF NATURE, reports that present THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE about environmental issues, including anti pesticide terrorism.

FORCE OF NATURE is a series of reports destined for the green space industry, the environmental terrorist movement, governments, and the media, nationwide across Canada, the United States, and overseas.

The information presented in FORCE OF NATURE has been developed for the education and entertainment of the reader by providing a sequence of events WITH COMMENTARY, striving for accuracy in history, politics, and science.

FORCE OF NATURE is committed to sound science, and ground-breaking original journalism that informs, entertains, and creates real change.

FORCE OF NATURE is TOTALLY INDEPENDENT and provides NO guarantee regarding accuracy or completeness. In no event shall FORCE OF NATURE be liable for any incidental or consequential damages, lost profits, or any indirect damages.

NORAHG also produces A LOOK AT, is a series of reports providing TECHNICAL INFORMATION on issues such as Career Management, Golf Course Maintenance, Green Alternatives, Summer Stress, Turfgrass Pests, and Turfgrass Species.

Finally, NORAHG frequently responds to anti pesticide activists in LETTERS TO THE EDITOR in newspapers across Canada and around the world.

All information, excerpts, and pictures contained in FORCE OF NATURE, A LOOK AT, and LETTERS TO THE EDITOR were retrieved from the Internet, and may be considered in the public domain.

FORCE OF NATURE, A LOOK AT, and their various incarnations, was the brainchild of William H. Gathercole ( now retired ) and his colleagues.

Here is a brief summary of Mr. Gathercole's career —

Fields of study — Horticulture/Agriculture, Mathematics, Physics

Alma mater — McGill University • University of Guelph • the first person ever to obtain university degrees and contribute to both the professional lawn care and golf maintenance industries

Expertise in — environmental issues and anti pesticide terrorism • turf and ornamental maintenance and troubleshooting • history of the industry • sales and distribution of seeds, chemicals, fertilizers, and equipment • fertilizer manufacturing and distribution

Notable activities — worked in virtually all aspects of the green space industry, including golf, professional lawn care, distribution, environmental compliance, government negotiations, public affairs, and workplace safety • supervisor, consultant, and, programmer for the successful execution of hundreds of thousands of management operations in the golf and urban landscape, as well as millions of pest control applications • advisor, instructor, and trainer for thousands of turf and ornamental managers and technicians • pesticide certification instructor for thousands of industry workers • founder of the modern professional lawn care industry • prolific writer for industry publications and e-newsletters • first to confirm the invasion of European Chafer insect in both the Montreal region and the Vancouver/Fraser Valley region • with Dr. Peter Dermoeen, confirmed the presence of Take-All Patch as a disease of turf in Eastern Canada • with Dr. David Shetlar, confirmed the presence of Kentucky Bluegrass Scale as an insect pest in South-Western Ontario, and later, in the Montreal and Vancouver regions

Special contributions — creator of the exception status that has allowed the golf industry to avoid being subjected to the prohibition of pest control products • creator of the signs that are now used for posting after application • co-founder of annual winter convention for Quebec golf course superintendents • the major influence in the decision by Canadian Cancer Society to stop selling for profit pesticide treated daffodils • the only true reliable witness who intervened in the development of anti pesticide prohibition in the town of Hudson, Quebec • retired founder of FORCE OF NATURE and A LOOK AT e-newsletters

Notable award — the very first man of the year for contributions leading to the successful founding of Quebec professional lawn care industry, which served as a beach-head against anti pesticide activism in the 1980s and 1990s

Legacy — Mr. Gathercole and his colleagues ... designed and implemented strategies that reined anti pesticide activists to provide peace and prosperity for the entire modern green space industry across Canada • orchestrated legal action against anti pesticide activists in the town of Hudson, Quebec • launched the largest founding professional lawn care business in Canada • quadrupled the business revenues of one of the largest suppliers in Canada

Mr. Gathercole is now retired, although his name continues to appear as founder of FORCE OF NATURE and A LOOK AT e-newsletters.
