Environmental Terror
in Canada

FON
force of nature

THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from
National Organization Responding Against HUIE that seek to harm the Green Space Industry (NORAHG)

Prominent Architect of Lunatic-Terrorist-Prohibition

LAYTON, Jack

Jack Layton is one of the GREATEST LUNATIC-PROHIBITION-TERRORISTS to have EXTENSIVELY DAMAGED the Professional Lawn Care Industry.

Layton is an Enviro-Lunatic-Politician who SUPPORTS the PROHIBITION of the use of pest control products in the Urban Landscape.

Layton has operated as Leader and Spokesperson for the following ENVIRONMENTAL-TERROR-ORGANIZATIONS that CONS-PIRE to PROHIBIT pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE —

- New Democratic Party of Canada (NDP)
- Federation of Canadian Municipalities (FCM)

NDP is one of three opposition parties in Canada, and functions as the POLITICAL SHIELD for PROHIBITION-TERRORIST-ORGANIZATIONS like Canadian-Cancer-Society.

Federation of Canadian Municipalities (FCM) is the ADVOCACY SHIELD that has CONSPIRED to IMPOSE LUNATIC-TERRORIST-PROHIBITION.

As President of FCM, Layton was a PROMINENT ARCHITECT in DEFENCE of LUNATIC-TERRORIST-PROHIBITION involving the Town of Hudson and The Supreme Court of Canada.

In the 1990s and 2000s, Layton CONSPIRED to IMPOSE LUNATIC-TERRORIST-PROHIBITION in Hudson, Quebec.

Layton has a MERE degree in Political Science, and has NO recognized expertise concerning pest control products.

Layton Conspired to Impose Lunatic-Terrorist-Prohibition in Hudson, Quebec

April 2011

Jim Duff, Editor of Hudson Gazette

Selected and adapted excerpts

Welcome to the childhood home of Jack Layton, in the Town of Hudson, Quebec, the FIRST jurisdiction to IMPOSE LUNATIC-TERRORIST-PROHIBITION.

It is a little-known fact that the Enviro-Lunatic-Leader of New Democratic Party of Canada, JACK LAYTON, was born and raised in Hudson, Quebec.

The '50s Jetsons house on Birch Hill is where Jack and his siblings grew up.

According to Jim Duff, in the minds of Canadians, « *LAYTON IS THE HUDSON NATIVE WHO HELPED PASS THE PIONEERING PESTICIDE BY-LAW* ».

The History of Jack Layton and Environmental-Terror

Acts of Subversion in the Town of Hudson

In 1991, the Town of Hudson, Quebec, governed by a SUBVERSIVE GROUP OF LUNATICS, enacted a by-law that PROHIBITED the use of pest control products that were otherwise HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

Hudson officials easily capitulated under the pressure of a mere handful of Enviro-Lunatic-Activists.

The Agriculture and Golf Industries were provided with an Exception Status.

Mr. William H. Gathercole crafted the original Golf Industry Exception Status, which endures to this day for virtually all jurisdictions in North America.

In 1992, two Professional Lawn Care companies, ChemLawn and Spraytech, were each fined three hundred dollars for accidentally spraying pest control products on lawns located in the Town of Hudson.

The fine was LEGALLY CHALLENGED by the Professional Lawn Care Industry on the basis that the by-law was invalid, since it was PROHIBITORY and DISCRIMINATORY, and LIMITED or NEUTRALIZED PROVINCIAL AND FEDERAL LAWS.

It is a little-known fact that the Enviro-Lunatic-Leader of New Democratic Party of Canada, JACK LAYTON, was born and raised in Hudson, Quebec.

Legally Fighting Against the Environmental-Vermin

In 1994, in a Quebec court, the Town of Hudson won the right to maintain its NEED-LESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products.

Consequently, the case continued to be LEGALLY CHALLENGED by the Professional Lawn Care Industry before The Supreme Court of Canada — the attempt was ill-fated.

On June 28th, 2001, The Supreme Court of Canada, which was clearly infested with Enviro-Lunatics, upheld the ACTS OF SUBVERSION perpetrated by the Town of Hudson.

JACK LAYTON, the Enviro-Lunatic-President of Canadian Federation of Municipalities, believed towns and cities should use the ruling in innovative ways —

I think what you're going to see is a discussion right across the board about how we can improve local environments with by-laws and policies that perhaps, up until now, we thought we didn't have permission to do.

Enviro-Lunatic-Judge Claire L'Heureux-Dubé presided on The Supreme Court of Canada when it UPHELD the PROHIBITION of the Town of Hudson.

On June 10th, 2002, Dubé retired, and began an INDISCREET PUBLIC ASSOCIATION with those Enviro-Lunatic-Activists involved in concocting and defending the Hudson PROHIBITION — this situation was INCOMPREHENSIBLE to many observers !

The History of Jack Layton and Environmental-Terror

Prohibition-Terrorists

The Hudson PROHIBITION was DEFENDED by FOURTEEN PROHIBITION-TERRORIST-ORGANIZATIONS that SQUANDERED and MISAPPROPRIATED a large portion of the millions of dollars that they received in public funds, donations, and grants.

The organizations are listed below —

- Breast Cancer Prevention Coalition
- Canadian Environmental Law Association
- Ecojustice Canada
- Federation of Canadian Municipalities with Enviro-Lunatic-President JACK LAYTON
- Healthy Lawns — Healthy People
- Nature-Action Quebec Inc.
- Parents' Environmental Network
- Pesticide Action Group Kitchener
- Sierra Club of Canada
- Toronto Environmental Alliance
- Vaughan Environmental Action Committee
- Working Group on the Health Dangers of the Urban Use of Pesticides
- Environmental Action Barrie
- World Wildlife Fund Canada.

Quebec Prohibition Conspiracy

Once the ACTS OF SUBVERSION of the Town of Hudson were VALIDATED by Enviro-Lunatic-Judges, the PROVINCE-WIDE CONSPIRACY BEGAN.

In 2002, the Government of the Province of Quebec moved to PROHIBIT pest control products used by the Professional Lawn Care Industry.

The PROHIBITION would be implemented under the Pesticide Management Code, over a three-year period, instituted in 2003 and ending in 2006.

Of course, the AGRICULTURE and GOLF INDUSTRIES were provided with an Exception Status.

On April 3rd, 2004, the Province of Quebec proceeded with the FIRST STAGE of its NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of 20 active ingredients used by the Professional Lawn Care Industry and Do-It-Yourself Homeowners.

Quebec also PROHIBITED the sale of « *Weed and Feed Products* ».

However, it is a little-known fact that Quebec DID NOT PROHIBIT ALL PEST CONTROL PRODUCTS, and PERMITTED products such as Acclaim Herbicide, Beta-san Herbicide, Deltagard Insecticide, Dicamba Herbicide, Dimension Herbicide, Imidacloprid Insecticide, and Spinosad Insecticide

Who says Quebec is Pesticide-Free ?!?!

The History of Jack Layton and Environmental-Terror

Layton's Lunatic Speech

On May 16th, 2006, JACK LAYTON, Enviro-Lunatic-Leader of New Democratic Party of Canada (the third federal opposition party), gave a parliamentary speech that left little doubt about his intentions for a NATIONAL PROHIBITION.

Jack Layton KNOWS NOTHING ABOUT PEST CONTROL PRODUCTS, and HE LIES AND LIES AND LIE AND LIES.

Selected and adapted excerpts from Layton's Lunatic-Speech ...

I rise to speak on behalf of all New Democrats on our motion to BAN THE USE OF PESTICIDES used for cosmetic purposes in private homes and public spaces.

A motion that I'm pleased to have rest in my name.

Mr. Speaker, only five countries in the world use more pesticides per capita than Canada.

This is an issue that impacts our environment, and it's an issue that impacts the very health of Canadians. [?!?!]

That's why New Democrats are calling on Parliamentarians from all parties to support this motion and take a positive step forward together.

Mr. Speaker, in back yards and school yards, parks, gardens and green spaces across Canada a TOXIC COCKTAIL OF CANCER causing chemicals are being used to kill weeds, and pests. [Wrong !]

While these CARCINOGENS [?!?!] are very effective at keeping our yards and public spaces looking green, they are far from being green.

Prominent Architect of Lunatic-Terrorist-Prohibition Who Conspired
in Hudson, Quebec, as well as Nation-Wide Across Canada

Pesticides that in many cases may have life altering implications not just in the near term, but decades down the road, such as immune system damage, reproductive damage, skeletal abnormalities, skin damage, and cancer. [Wrong !]

As the Canadian-Cancer-Society has said, and I quote –

« Since the ornamental use of pesticides has no countervailing health benefit and has the potential to cause harm, we call for a ban on the use of pesticides on lawns and gardens. » [Wrong !]

So Mr. Speaker, why does the federal government continue to allow these cancer-causing pesticides to be used ? [?!?!]

These chemicals are seeping into our soil, leaching into the water we drink, being absorbed by our homes, harming our bodies and claiming the lives of our CHILDREN. [Wrong !]

Mr. Speaker, the wait and see attitude of past governments puts more and more Canadians at risk. [?!?!]

It is time to take concrete action to ban the use of these unnecessary cosmetic pesticides. [Wrong !]

That's why New Democrats are moving this motion.

That's why we're calling on the pesticide manufacturers to prove that their products are safe before they can be marketed to the Canadian public. [?!?!]

Just as the government oversees and regulates the use of drugs, the use of pesticides must be held to similar government oversight. [?!?!]

By reversing the onus of proof, with proper scientific and government oversight we will move Canada forward toward a greener, cleaner, future that is healthier for our CHILDREN and grandchildren. [Wrong !]

The History of Jack Layton and Environmental-Terror

Carnage in Quebec and Across Canada

LUNATIC-TERRORIST-PROHIBITION led to HORRENDOUS CARNAGE —

LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT.

Because of the LUNATIC-TERRORIST-PROHIBITION, Professional Lawn Care businesses were forced to TERMINATE many or most of their employees.

PROHIBITION inflicted TERROR, DESPAIR, and DESTITUTION on THOUSANDS of hapless victims throughout the Professional Lawn Care Industry.

The DEVASTATION of the Professional Lawn Care Industry was EXTENSIVE because there were NO valid economical alternatives to replace the prohibited products.

Consequently, Professional Lawn Care Companies were UNABLE to provide adequate weed and insect control, and were UNABLE to keep their customers satisfied.

In the Province of Quebec, OVER 60 PER CENT of the Professional Lawn Care Industry was ANNIHILATED.

In the Province of Ontario, the PROFESSIONAL LAWN CARE INDUSTRY LOST OVER 500,000,000 DOLLARS, with 8,300 TO 12,500 UNEMPLOYED.

All thanks to lunatics like JACK LAYTON.

Fighting Enviro-Terror Alliance

In 2009, in the Province of Quebec, Dow AgroSciences initiated a LEGAL CHALLENGE against the Canadian federal government under the provisions of the North American Free Trade Agreement (NAFTA).

Dow AgroSciences sought a REPEAL of Quebec's PROHIBITION of conventional pest control products containing the herbicide 2,4-D.

Dow AgroSciences also demanded at least 2,000,000 DOLLARS IN DAMAGES.

If Dow is successful, and other manufacturers initiate similar lawsuits, the Canadian federal government may ultimately be forced to dispense HUNDREDS OF MILLIONS OF DOLLARS for every pest control product PROHIBITED in every province and municipality across Canada.

Consequently, an Environmental-Terror-Alliance was created to prevent this LEGAL CHALLENGE by Dow.

The organizations are listed below —

- Canadian Environmental Law Association (CELA)
- David Suzuki Foundation
- Ecojustice Canada
- Équiterre (Suzuki's ambassador in the Province of Quebec)
- New Democratic Party of Canada
with Enviro-Lunatic-Leader JACK LAYTON
- Sierra Club of Canada
- University of Ottawa-Ecojustice Environmental Law Clinic (UOEELC).

Force Of Nature is NOT Propaganda just The Whole Truth Independent Perspective

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. This is what we do. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. He and his colleagues are recognized as THE MAJOR INFLUENCE for the decision by Canadian Cancer Society to STOP selling for profit PESTICIDE-TREATED DAFFODILS. Mr. Gathercole's vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
