Astonishing Statements  
caught on Audio

Bioforests Technology and Joe Meating will take a big financial hit if Confidor becomes lead pesticide in EAB fight.

You can thank the Activists and taxpayers money for getting this far with TreeAzin.

---

### **Published on Feb 21, 2013**

Mayor Jim Watson and councillor Maria McRae announced a new city strategy to combat the emerald ash borer. Watson and McRae performed a ceremonial planting of a downy serviceberry on Southmore Monday, beside a mature ash that's in danger. In addition, Mayor Jim Watson unveiled the newest weapon on the lawn of a Southmore Drive house Monday afternoon: An insecticide called Confidor, approved this summer by Health Canada.
