

A dramatic image of a rocket launch. A large, bright, orange and yellow fireball, resembling a nuclear explosion, rises from the top of the frame. In the foreground, a satellite dish is angled towards the launch, with the text "Modern Green Space Industry" written on its surface. The background is a dark, starry space with a nebula of red and blue gas. A bright star with a crosshair is visible at the bottom center.

**God protect Canada from  
the Deadly-Coalition-Trio  
and the Green Party**

Canada is proof positive that politicians COULD NOT CARE LESS for the struggle of the common man, but only for the power and control possible through the means justifying the end.

On March 25<sup>th</sup>, 2011, with the gleeful help of Le Bloc Quebecois, the political party that wants to separate Quebec from the rest of Canada, the Liberal Party and the New Democratic Party cast their votes to bring the minority Conservative government down in a non-confidence motion.

The INGLORIOUS-BASTERD-COALITION-TRIO used the budget to bring the government down, but have been waiting for ANY excuse to send Canadian voters to the polls to give them the « *Coalition Government* » they have been promising since their 2008–2009 failed attempt.

# Inglorious Lunatic NATIONAL Basterds Coalition

It matters not to the leaders of the INGLORIOUS-BASTERD-COALITION-TRIO that they have forced a May 2<sup>nd</sup> general election the country does not want and an election the current economy does not need.

According to Prime Minister Stephen Harper —

*« On May the 2<sup>nd</sup>, we will choose between stable national government and a RECKLESS COALITION between a low-tax plan for jobs and growth, and a high-tax agenda that will stall our recovery, kill jobs and set families back »*

If Canadians are taken over by the INGLORIOUS-BASTERD-COALITION-TRIO of the POWER-CRAZED, GANG-UP STYLED LEADERS, Canada will LOSE STABILITY at a time when political instability is making the world a colder and darker place.

If the INGLORIOUS-BASTERD-COALITION-TRIO wins the next election, THE MODERN GREEN SPACE INDUSTRY WILL BE ENGULFED IN FLAMES.

All three COALITION-PARTIES, as well as the Green Party, directly or indirectly, have CONSPIRED to IMPOSE a NATIONAL PROHIBITION on pest control products.

God protect Canada and the Green Space Industry from the INGLORIOUS-BASTERD-COALITION-TRIO and the Green Party.

## Coalition Prohibition

A Vote For  
Elizabeth May  
Is A Vote For  
PROHIBITION

March 25<sup>th</sup>, 2011

The Canadian Press

Selected and adapted excerpts

# NATIONAL Coalition Prohibition

Enviro-Lunatic Elizabeth May is leader of the Green Party of Canada, the POLITICAL SHIELD for the CONSPIRACY to IMPOSE the NATIONAL PROHIBITION on pest control products.

In fact, pest control products are HEALTH-CANADA-APPROVED, SCIENTIFICALLY-SAFE, and TOTALLY IRREPLACEABLE.

In 2011, Elizabeth May is running in the federal election in the Saanich-Gulf Islands, British Columbia.

If elected, Elizabeth May WILL CONSPIRE TO IMPOSE NATIONAL PROHIBITION of pest control products.

May's true Lunatic-Activism began with the MOCK-DEATHS of three domesticated lambs on the family's hobby farm in Hartford, Connecticut.

She and her family later discovered that pest control products were sprayed along the roadway, and predictably, FALSELY ALLEGED they had killed her pets — consequently, May's family launched a legal battle, and LOST — a judge ruled that pest control products WERE SAFE TO USE.

# NATIONAL Coalition Prohibition

From 1989 to 2006, Elizabeth May founded and operated as Enviro-Lunatic-Leader for Sierra Club of Canada, a PROHIBITION-TERRORIST-ORGANIZATION.

In 1991, the Town of Hudson, Quebec, governed by a SUBVERSIVE GROUP OF LUNATICS, enacted a by-law that PROHIBITED the use of pest control products — Elizabeth May was part of the PROHIBITION-TERRORIST-COALITION that DEFENDED Hudson through SUBVERSION, COERCION, and TERROR, and with MILLIONS OF DOLLARS in budgets, donations, and grants.

On June 28<sup>th</sup>, 2001, The Supreme Court of Canada, which was clearly infested with Enviro-Lunatic-Judges, up-held the ACTS OF SUBVERSION by the Town of Hudson.

In 2006, Elizabeth May became Enviro-Lunatic-Leader for Green Party of Canada, yet another PROHIBITION-TERRORIST-ORGANIZATION.

She is also Honourary Director for Prevent Cancer Now, the PUBLIC AFFAIRS SHIELD for Canadian Cancer Society, another TERRORIST-ORGANIZATION that CONSPIRES to IMPOSE PROHIBITION.

# NATIONAL Coalition Prohibition

There has NEVER been a successful Green Party candidate in Canada.

If successful, Elizabeth May, or ANY Green Party candidate, WILL SEEK TO IMPOSE NATIONAL PROHIBITION of pest control products — she will do so by seeking an INGLORIOUS-LUNATIC-NATIONAL-BASTERDS-COALITION with the Liberal Party, the New Democratic Party, and Le Bloc Quebecois.

All three COALITION-PARTIES, as well as the Green Party, directly or indirectly, have CONSPIRED to IMPOSE a NATIONAL PROHIBITION on pest control products.

Elizabeth May's INGLORIOUS-LUNATIC-NATIONAL-BASTERDS-COALITION will ENGULF IN FLAMES and ANNIHILATE the Modern Green Space Industry !

A vote for Elizabeth May is a vote for NATIONAL-LUNATIC-TERRORIST-PROHIBITION.

God protect Canada and the Green Space Industry from Elizabeth May and the Green Party.

# Canada 2011 Vote

Before casting your ballot, here are some things that you need to know.

If you vote for Elizabeth May, or ANY candidate running for Green Party of Canada, you are supporting NATIONAL-LUNATIC-TERRORIST-PROHIBITION of pest control products.

Green Party of Canada is the POLITICAL SHIELD for PROHIBITION-TERRORIST-ORGANIZATIONS like Sierra Club of Canada.

Elizabeth May's INGLORIOUS-LUNATIC-NATIONAL-BASTERDS-COALITION will ENGULF IN FLAMES and ANNIHILATE the Modern Green Space Industry !

At least ONE MALICIOUS ACT  
of Lunatic-Environmental-Terror  
Is Perpetrated EVERY SINGLE DAY

# NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
