✎ We would like to express our sympathy on the loss of your husband, father and grandfather. Having known Otto as both a friend and in the turf business, we know he will be greatly missed by a myriad of people. He was a truly "good" man.

✎ To the Jangl Family.

I was truly fortunate and honoured to be directly associated with Otto, his family, and his business. I was lucky to have been his colleague and his Vice-President for thirteen years. I was also blessed to have known him personally as a friend for over thirty years. Without a doubt, he was a man with no equal.

Fortuitously, I was able to pay a written tribute to Otto last year. Based upon our conversations since then, I believe he recognized how much we all appreciated him throughout his lifetime.

Here is an adapted version from my tribute, where I described Otto by using a quotation from another great man, Martin Luther King Junior. ?

Without a doubt, Otto can be described as a measure of a true man. Anyone who met him can be reminded that « the ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy ».
