Disrespected By IDIOTIC Leaders Of The Turf Industry

We OWE A LOT to Dr. Jack Eggens.

He was a HERO in every sense of the word.

We have always been in awe of Dr. Eggens and his great accomplishments.

Dr. Eggens has left behind a world that is BETTER because of his work.

And yet, the IDIOTIC Leaders of the Turf Industry choose to TREAT HIM WITH DISRESPECT.

NOT ONE Industry Leader has sent Electronic Condolences and Paid Tribute to Dr. Jack Eggens.

Leaders Of The Turf Industry

Perform Your Duties And Lead By Example

This Includes ...

Trade Associations And Guelph Turfgrass Institute

NOT A SINGLE Leader of the Turf Industry has moved a blubbery and bloated butt to take a few minutes to write a tribute or pay condolences to Dr. Jack Eggens.

NOT ONE left an electronic GUEST BOOK MESSAGE.

NONE of the Elected Officials and Staff of Canadian Golf Superintendents Association have actually taken the time out of their so-called busy schedules to write a tribute to Dr. Eggens.

NO Industry Leader from any Ontario Trade Association has bothered to lift a finger and write.

No staff member from Guelph Turfgrass Institute (a.k.a. University of Guelph), some who worked closely with Dr. Eggens, wrote to say something nice.

ALL of these INDESCRIBABLY UNGRACIOUS, UNGRATEFUL, and DISRESPECTFUL Leaders of the Industry OWE A DEBT OF GRATITUDE to Dr. Eggens.

In fact, they owe Dr. Eggens a **GREAT** DEBT OF GRATITUDE.

(The Guelph Turfgrass Institute should be renamed as The Dr. Jack L. Eggens Institute.)

Because of Dr. Eggens, they have had their own comparatively meagre personal successes, and they have had their petty little careers and livelihoods.

For a moment, they should STOP merely performing mere acts of prestige and narcissism, and they should STOP playing their pointless and silly golfing events, and they should use the time to pay their respects.

They should send Dr. Eggens their tributes and condolences NOW !

They should LEAVE THEIR GUEST BOOK MESSSAGES NOW !

Communities and businesses are being HARMED and DESTROYED and RAPED by PROHIBITIONS against pest control products used in the Urban Landscape, and by other ACTS OF ENVIRONMENTAL TERRORISM.

We are living in the 9|11 Era of Anti Pesticide and Environmental Terrorism where at least ONE SUBVERSIVE ACT OF TERROR is perpetrated EVERY SINGLE DAY by these terrorist.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

An informed public is better able to protect itself and its communities and businesses from so-called activists who are THE LEAST QUALIFIED TO PROVIDE ANY ADVICE about pest control products or the environment.

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry, and the well-being of our communities.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE or ABANDONMENT of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment.

<http://wp.me/P1jq40-2bo>

NORAHG is a NATIONAL NON-PROFIT NON-PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting PESTICIDE FREE FAILURES, as well as the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS. <http://wp.me/p1jq40-5DD>

NORAHG responds on behalf of the VAST SILENT MAJORITY of the public that DOES NOT WANT PESTICIDE BANS, and SUPPORT those who work in the Professional Lawn Care Industry. <http://wp.me/P1jq40-2bo>

NORAHG is opposed to Pesticide-Free jurisdictions that have DOOMED children to SUFFER INJURIES since Anti-Pesticide PROHIBITION inevitably leads to public and residential green spaces that become DANGEROUS AND PEST-INFESTED GARBAGE DUMPS. <http://wp.me/P1jq40-44g> <http://wp.me/P1jq40-4z3>

NORAHG is concerned that, without pest control products, CHILDREN ARE AT HIGHER RISK OF SUFFERING INJURIES with the creation of HAZARDOUS SLIPPING AND TRIPPING CONDITIONS in sports turf. <http://wp.me/P1jq40-2ha>

NORAHG pledges to deliver comprehensive reports that are worthy of peoples' time and of peoples' concern, reports that might ordinarily never have breached the parapet.

NORAHG was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.

Force Of Nature was launched by NORAHG for CONTINUOUS transmission on the Internet on January 1st, 2009 — however, the VERY FIRST Stand-Alone FORCE OF NATURE Report was issued on September 19th, 2008.

On March 15th, 2010, Uncle Adolph independently launched The Pesticide Truths, an easy-to-use Web-Site that collects relevant reports of information right-off-the-press. <http://pesticidetruths.com/>

Pesticide Truths and Force Of Nature, in some ways, are like Google for everything concerning the SUBVERSIVE ACTIVITIES of Anti-Pesticide and Enviro-Lunatic Terrorists.
