Neonicotinoid Insecticides – 2014 11  
25**

November 28, 2014 WILLIAM H. GATHERCOLE AND NORAH G

The Ontario Conspiracy To Impose Reckless and Unlawful Province-Wide Prohibition Against  
Pest Control Products Used In The Urban Landscape And By The Agriculture Industry

**Sue The  
#@!!%  
Basterds'  
Brains Out**

FOR MORE INFORMATION THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from  
National Organization Resisting Against HUJE that seek to harm the Green Space Industry (NORAH)

**NORAHG OPPOSES THE ONTARIO PROPOSAL THAT WILL RECKLESSLY PROHIBIT AGAINST IRREPLACEABLE NEONICOTINOID INSECTICIDES — THIS ARBITRARY PROHIBITION MUST BE STOPPED, FOREVER !**

On November 25th, 2014, Ontario's government officials proposed a province-wide prohibition against neonicotinoid insecticides used by the agriculture industry. <http://tinyurl.com/o3tf4sv>

They are falsely alleging that these insecticides, desperately needed by the agriculture industry, are the cause of so-called bee colony collapse disorder — in fact, bee losses occur because some bee-keepers may be wholly unsuited to be raising bees.

Overall, there is NO bee crisis in Ontario because of insecticides, and ANY prohibition is NOT necessary !

Government officials under the Liberal Party, and bee conspiracy terrorists, are NOT credible sources of real scientific information upon which this political decision about prohibition can be made.

It is inescapable that the allegations against neonicotinoid insecticides are FALSE !

If we had less conventional neonicotinoid use in Ontario, we would still have bee colony collapse disorder, because many bee-keepers are NOT competent to manage their hives.

There is NO other recourse but litigation and complaints !

CropLife Canada, Grain Farmers of Ontario, and all agricultural businesses, must sue the anti-neonicotinoid SOBs' brains out !

They must stop the proposed prohibition in Ontario, whatever the cost may be !

They must demand that the proposed prohibition be stopped, forever.

The Ontario Conspiracy To Impose Reckless And Arbitrary Province-Wide Prohibition Against  
Pest Control Products Used In The Urban Landscape And By The Agriculture Industry

---

**NORAHG RESPONDS AGAINST THE PROPOSED ONTARIO PROHIBITION AGAINST NEONICOTINOID INSECTICIDES !**

**GRAIN FARMING IS UNDER ATTACK BY THE ANTI-PESTICIDE ( ANTI-NEONICOTINOID ) LUNATIC-TERRORIST GOVERNMENT OF ONTARIO !**

**THERE IS NO OTHER RECOURSE BUT LITIGATION AND COMPLAINTS !**

**CROPLIFE CANADA, GRAIN FARMERS OF ONTARIO, & ALL AGRICULTURAL BUSINESSES, MUST SUE THE ANTI-NEONICOTINOID BASTERDS' BRAINS OUT !**

**THE PROPOSED ONTARIO PROHIBITION MUST BE STOPPED, FOREVER !**

The Agriculture Industry IS UNDER ATTACK by the Anti-Pesticide Lunatic-Terrorist Government of Ontario !

On November 25th, 2014, Ontario's Government Officials PROPOSED A PROVINCE-WIDE LIBERAL-LUNATIC ANTI-PESTICIDE PROHIBITION against Neonicotinoid Insecticides used by the Agriculture Industry. <http://tinyurl.com/o3tf4sv>

THE PROPOSED PROHIBITION WILL BE IMPOSED UNDER THE FALSE PRETEXT THAT NEONICOTINOID INSECTICIDES ARE SOMEHOW RESPONSIBLE FOR SO-CALLED BEE COLONY COLLAPSE DISORDER !

These insecticides are DESPERATELY NEEDED by the Agriculture Industry in order to PROTECT FOOD CROPS FROM DAMAGING AND LETHAL PESTS.

With Anti-Neonicotinoid PROHIBITION, Ontario Government Officials WILL DESTROY the Agriculture Industry.

The Government of Ontario, which is INFESTED WITH SUBVERSIVE ANTI-PESTICIDE LUNATIC-TERRORISTS, has already RECKLESSLY AND ARBITRARILY PROHIBITED against pest control products used in the URBAN LANDSCAPE since 2009, and consequently DESTROYED MOST BUSINESSES operating in the Professional Lawn Care Industry. <http://wp.me/P1jq40-43B>

The Province of Ontario is governed by Kathleen Wynne and the LIBERAL PARTY OF ONTARIO, which operates as the POLITICAL SHIELD for Anti-Neonicotinoid & Environmental-Terrorist Organizations.

NO ONE within the Government of Ontario has ANY recognized training, background, or expertise in Neonicotinoid Insecticides.

Health Canada, and NOT Ontario, has THE ESSENTIAL EXPERTISE AND CREDIBILITY on the subject of Neonicotinoid Insecticides.

Health Canada's ASSESSMENT of Neonicotinoid Insecticides is BASED UPON SCIENCE, and NOT BASED UPON A POLITICAL AGENDA.

CropLife Canada has DECRIED Ontario's PROPOSED Anti-Neonicotinoid PROHIBITION as ILL-INFORMED, and as a NON-SCIENCE BASED APPROACH.

CropLife Canada is the trade association representing manufacturers, developers, and distributors of pest control products, including those designed specifically for urban use and by the agriculture industry.

CropLife Canada, Grain Farmers of Ontario, & ALL Agricultural Businesses, MUST STRIKE BACK AGAINST ONTARIO'S ANTI-NEONICOTINOID TERRORISM. <http://wp.me/P1jq40-2Eu>

CropLife Canada, Grain Farmers of Ontario, & ALL Agricultural Businesses, must MEET & INFORM with their OPPOSITION Member of the Provincial Parliament ( MPP ) to help DEFEAT the current ONTARIO LIBERAL GOVERNMENT THREAT and DEMAND THAT the PROPOSED PROHIBITION BE STOPPED, FOREVER.

Any owner of an Agricultural Business in Ontario who does not bother to STRIKE BACK AGAINST ANTI-NEONICOTINOID TERRORISM is a PITIFUL FOOL and an IDIOT, and DOES NOT DESERVE a career, or a business, or any success in the Agriculture Industry.

In order to MEET & INFORM the MPP, they must DONATE the maximum amount to the party, which is approximately 1200 dollars.

The cost of this DONATION is insignificant when compared to the BUSINESS DESTRUCTION AND BUSINESS FAILURES that will be INFLICTED by Anti-Neonicotinoid PROHIBITION in Ontario.

During the meeting with the MPPs, ALL MUST DEMAND THAT THE PROPOSED PROHIBITION BE STOPPED, FOREVER.

Ontario's OPPOSITION MPPs must be informed that Government Officials under the Liberal Party, and Bee Conspiracy Terrorists, are NOT CREDIBLE SOURCES OF REAL SCIENTIFIC INFORMATION upon which this POLITICAL DECISION ABOUT PROHIBITION CAN BE MADE.

In Ontario, Bee Conspiracy Terrorists operate through NON-EXPERT Anti-Neonicotinoid & Environmental-Terrorist Organizations, such as Canadian Association of Physicians for the Environment, David Suzuki Foundation, Liberal Party of Ontario, New Democratic Party of Ontario, Ontario Bee-Keepers' Association, Registered Nurses' Association of Ontario, Sierra Club of Canada, and others.

In 2009, with the SUPPORT of Bee Conspiracy Terrorists ( once called Anti-Pesticide Terrorists in 2009 ), Ontario Government Officials DESTROYED the Professional Lawn Care Industry.

Their CARNAGE INFLICTED BUSINESS DESTRUCTION AND BUSINESS FAILURES — their SUBVERSIVE CONSPIRACIES to IMPOSE ANTI-PESTICIDE PROHIBITION EXTENSIVELY DAMAGED AND DESTROYED the Professional Lawn Care Industry. <http://wp.me/P1jq40-43B>

BECAUSE OF PROHIBITION, ONTARIO LOST ITS PROFESSIONAL LAWN CARE INDUSTRY — and AGRICULTURE WILL BE NEXT !

In 2009, Ontario Government Officials WERE WARNED IN ADVANCE about SUN-SETTING CARNAGE for the Professional Lawn Care Industry.

In 2014, Ontario Government Officials ARE NOW BEING WARNED IN ADVANCE about SUN-SETTING CARNAGE for the Agriculture Industry.

With DEPRAVED INDIFFERENCE, Government Officials COULD NOT CARE LESS that the Ontario PROVINCIAL PROHIBITIONS INFLICT BUSINESS DESTRUCTION AND BUSINESS FAILURES !

Consequently, THERE IS NO OTHER RECOURSE BUT LITIGATION !

Moreover, CropLife Canada, Grain Farmers of Ontario, & ALL Agricultural Businesses must LITIGATE, LITIGATE, LITIGATE — THEY MUST SUE EVERYONE'S BRAINS OUT !

LITIGATION against the ONTARIO LIBERAL GOVERNMENT THREAT must be launched for RECKLESS ENDANGERMENT AND IMMINENT DESTRUCTION of decent, hard-working, and tax-paying businesses in the Agriculture Industry.

LET THE ONTARIO LIBERAL GOVERNMENT FACE THE SPOTLIGHT OF SCRUTINY and THE TERROR OF THE COURTS !

In fact, there is SUFFICIENT INFORMATION TO LAUNCH A SUCCESSFUL LITIGATION against the ONTARIO LIBERAL GOVERNMENT and its Bee Conspiracy Terrorist Co-Conspirators.

There is SUFFICIENT INFORMATION TO LAUNCH A SUCCESSFUL LITIGATION against the Anti-Neonicotinoid & Environmental-Terrorist Organizations, which have been identified on the basis of their statements, activities, affiliations, and whereabouts, with details that have been archived on The Pesticide Truths Web-Site. <http://wp.me/P1jq40-48S>

CropLife Canada, Grain Farmers of Ontario, & ALL Agricultural Businesses,  
MUST SUE THE ANTI-NEONICOTINOID BASTERDS' BRAINS OUT

! <http://wp.me/p1jq40-33F> <http://wp.me/p1jq40-4nj>

Canadian Association of Physicians for the Environment — SUE ITS  
BRAINS OUT !

David Suzuki Foundation — SUE ITS BRAINS OUT !

Liberal Party of Ontario — SUE ITS BRAINS OUT !

New Democratic Party of Ontario — SUE ITS BRAINS OUT !

Ontario Bee-Keepers' Association — SUE ITS BRAINS OUT !

Registered Nurses' Association of Ontario — SUE ITS BRAINS OUT !

Sierra Club of Canada — SUE ITS BRAINS OUT !

ALL OTHER Anti-Neonicotinoid & Environmental-Terrorist  
Organizations — SUE THEIR BRAINS OUT !

BEE CONSPIRACY TERRORISM MUST BE STOPPED BY THE COURTS !

THERE IS ALSO NO OTHER RECOURSE BUT COMPLAINTS !

CropLife Canada, Grain Farmers of Ontario, & ALL Agricultural Businesses,  
MUST COMPLAIN against Anti-Neonicotinoid & Environmental-Terrorist  
Organizations.

CropLife Canada, Grain Farmers of Ontario, & ALL Agricultural Businesses, MUST COMPLAIN through the appropriate business, fund-raising, government, taxation agencies, and media outlets, which are listed as COMPLAINT CHANNELS on The Pesticide Truths Web-Site ... <http://wp.me/P1jq40-1PE>

Anti-Neonicotinoid & Environmental-Terrorist Organizations DO NOT DESERVE ANY DONATIONS OR FINANCIAL SUPPORT.

They DO NOT DESERVE ANY GOVERNMENT GRANTS.

Nor do they deserve CHARITY TAX-EXEMPT STATUSES.

They DO deserve to FACE THE SPOTLIGHT OF SCRUTINY and THE TERROR OF THE COURTS !

Anti-Neonicotinoid & Environmental-Terrorist Organizations are GOVERNMENT-FINANCED with TAX-FREE MONEY — they must NOT be allowed to MISAPPROPRIATE this money to defend themselves in court.

CropLife Canada, Grain Farmers of Ontario, & ALL Agricultural Businesses, MUST DEMAND a REVOCATION of these organizations' REGISTERED CHARITY TAX-EXEMPT STATUSES !

Canadian Association of Physicians for the Environment — REVOKE ITS CHARITY TAX-EXEMPT STATUS !

David Suzuki Foundation — REVOKE ITS CHARITY TAX-EXEMPT STATUS !

Liberal Party of Ontario — REVOKE ITS CHARITY TAX-EXEMPT STATUS  
!

New Democratic Party of Ontario — REVOKE ITS CHARITY TAX-  
EXEMPT STATUS !

Ontario Bee-Keepers' Association — REVOKE ITS CHARITY TAX-  
EXEMPT STATUS !

Registered Nurses' Association of Ontario — REVOKE ITS CHARITY  
TAX-EXEMPT STATUS !

Sierra Club of Canada — REVOKE ITS CHARITY TAX-EXEMPT STATUS !

ALL OTHER Anti-Neonicotinoid & Environmental-Terrorist  
Organizations — REVOKE THEIR CHARITY TAX-EXEMPT STATUSES !

NO MORE FREE MONEY FOR BEE CONSPIRACY TERRORISM !

Bee Conspiracy Terrorists, along with Government Officials, have chosen to ignore the OVERWHELMING SCIENTIFIC EVIDENCE showing that Neonicotinoid Insecticides are SCIENTIFICALLY-SAFE, and WILL NOT CAUSE HARM TO BEES as well as PEOPLE, ANIMALS, OR THE ENVIRONMENT. <http://wp.me/p1jq40-7HR> <http://wp.me/P1jq40-2ha> <http://wp.me/p1jq40-5ni>

Neonicotinoid Insecticides are SCIENTIFICALLY SAFE, and DO NOT HARM BEES.

If we had less conventional neonicotinoid use in Ontario, WE WOULD STILL HAVE Bee Colony Collapse Disorder, because MANY BEE-KEEPERS ARE NOT COMPETENT TO MANAGE THEIR HIVES.

PROHIBITION WILL NOT SAVE BEES. <http://tinyurl.com/pxqzh6m>

There is ABSOLUTELY NO EVIDENCE ANY PROHIBITION WILL HELP BEES.

THE BEE-KEEPERS WHO ALLEGE LOSSES ARE CLEARLY NOT COMPETENT TO MANAGE THEIR HIVES !

Ontario's PROPOSED Anti-Neonicotinoid PROHIBITION is based purely on a POLITICAL AGENDA, and is NOT based upon any SCIENTIFIC FACT.

Overall, THERE IS NO BEE CRISIS IN ONTARIO, and ANY PROHIBITION IS NOT NECESSARY !

Even according to Premier Kathleen Wynne, THERE IS NO BEE CRISIS IN ONTARIO !

In 2014, according to Ontario Premier Wynne — « *Although large bee die-offs have been observed in Ontario apiaries, they are NOT OCCURRING UNIFORMLY across all operations or areas of the province — many bee-keeping operations HAVE NOT BEEN AFFECTED and have been able to maintain strong and healthy bee colonies as evidenced by hive strength and honey production* » . <http://tinyurl.com/ndavhaa>

Anti-Neonicotinoid & Environmental-Terrorist Organizations PRETEND THERE IS A BEE CRISIS.

However, only A VERY LIMITED NUMBER of Bee-Keepers report losses, LESS THAN 1 PER CENT.

Over 99 per cent of all Bee-Keepers are reporting NO LOSSES.

Anti-Pesticide Bee-Keepers are FALSELY BLAMING BEE LOSSES on Neonicotinoid Insecticides.

The bee colonies are far from collapsing since the numbers DO NOT LIE.

Both the total number of honeybee colonies and the total number of Bee-Keepers in Canada has RISEN DRAMATICALLY since 2008.

Moreover, according to Agriculture Canada, THE NATION'S HONEY YIELD IS TWICE THE WORLD'S AVERAGE. <http://wp.me/s1jq40-28297>

It is INESCAPABLE that the ALLEGATIONS AGAINST NEONICOTINOID INSECTICIDES ARE FALSE !

Anti-Neonicotinoid & Environmental-Terrorist Organizations HAVE VESTED INTERESTS IN KEEPING THE PUBLIC AFRAID, and ARE NOT A CREDIBLE SOURCES OF INFORMATION.

WE MUST STOP THE PROPOSED PROHIBITION IN ONTARIO, WHATEVER THE COST MAY BE !

**All bad Ontario terrorist bans must come to an end**

FORCE OF NATURE | THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from  
National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG)

---

## Read ... FORCE OF NATURE And PESTICIDE TRUTHS

Discover What Anti-Pesticide & Enviro-Lunatic Terrorists Are Doing And Saying About Subversively Imposing Their Life-Style Choices Against Our Society.

Read ... Reports, Blogs, & Videos, From Force Of Nature, NORAHG, Pesticide Truths, & Uncle Adolph — The Whole Truth From An Independent Perspective.

Communities and businesses are being HARMED and DESTROYED and RAPED by LUNATIC-TERRORISTS who ARBITRARILY AND RECKLESSLY IMPOSE PROHIBITIONS against pest control products used in the Urban Landscape and by the Agriculture Industry, and who PERPETRATE OTHER ACTS OF ENVIRONMENTAL TERRORISM.

We are living in the 9|11 Era of Anti Pesticide & Environmental Terrorism where at least ONE SUBVERSIVE ACT OF TERRORISM is perpetrated EVERY SINGLE DAY by LUNATIC-TERRORISTS.

A LUNATIC is a person whose actions and manner are marked by extreme recklessness.

The RECKLESS ACTS OF SUBVERSION by these LUNATIC-TERRORISTS has led to the ARBITRARY IMPOSITION of Anti-Pesticide PROHIBITION in several jurisdictions throughout North America.

The result was CATASTROPHIC CARNAGE !

Because of LUNATIC-TERRORISTS, provinces like Ontario now have a TRAIL OF ECONOMIC DESTRUCTION WITH HUNDREDS OF SMALL BUSINESSES DESTROYED and THOUSANDS OF PEOPLE OUT OF WORK, a MORE DANGEROUS OUTDOOR ENVIRONMENT, and a BLACK MARKET IN PESTICIDES.

Only TRUE LUNATICS would wish to create a TRAIL OF ECONOMIC DESTRUCTION WITH HUNDREDS OF SMALL BUSINESSES DESTROYED and THOUSANDS OF PEOPLE OUT OF WORK.

Because of LUNATIC-TERRORISTS, we are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOR — scientific research PROVES that pest control products will CAUSE NO HARM and can be USED SAFELY.

An informed public is better able to protect itself and its communities and businesses from LUNATIC-TERRORISTS who are THE LEAST QUALIFIED TO PROVIDE ANY ADVICE about pest control products or the environment.

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space and other industries, and the well-being of our communities.

NORAHG morally represents the [VAST SILENT MAJORITY](#) of people associated with turf and ornamental plant maintenance who are OPPOSED to LUNATIC-TERRORISTS and their Anti Pesticide PROHIBITIONS, resulting in the CLOSURE or ABANDONMENT of green spaces under the RIDICULOUS PRETEXT CONCOCTED BY LUNATICS of somehow «*saving*» the environment.

NORAHG is a NATIONAL NON-PROFIT NON-PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting PESTICIDE FREE FAILURES, as well as the work of [RESPECTED & HIGHLY RATED EXPERTS](#) who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

NORAHG busts the [THE MYTHS ABOUT BANNING PESTICIDES](#).

NORAHG responds on behalf of the [VAST SILENT MAJORITY](#) of THE PUBLIC THAT DOES NOT WANT PESTICIDE BANS, and SUPPORT those who work in the Professional Lawn Care Industry, the Golf Industry, and the Agriculture Industry.

NORAHG is opposed to PESTICIDE FREE jurisdictions where LUNATIC-TERRORISTS have DOOMED CHILDREN to SUFFER INJURIES since Anti-Pesticide PROHIBITION inevitably leads to public and residential green spaces that become DANGEROUS AND PEST-INFESTED GARBAGE DUMPS.

Go to the following links ...

[ANTI-PESTICIDE PROHIBITION DESTROYED GREEN SPACES](#)

[PESTICIDE BANS MADE OUR GREEN SPACES LOOK #@!!% UGLY – PHOTO GALLERY](#)

[EMERALD ASH BORER – SAFE & EFFECTIVE INSECTICIDES VERSUS CHAIN SAWS](#)

NORAHG is concerned that, because of PESTICIDE FREE MAINTENANCE of parks and sports fields, CHILDREN ARE AT HIGHER RISK OF SUFFERING INJURIES with [DANGEROUS PLAYING SURFACES CREATED BY #@!!% PESTICIDE BANS](#).

NORAHG pledges to deliver comprehensive reports that are worthy of peoples' time and of peoples' concern, reports that might ordinarily never have breached the parapet.

NORAHG was the brainchild of William H Gathercole and his colleagues in 1991. Mr Gathercole is now retired, although his name continues to appear as founder.

Force Of Nature was launched by NORAHG for CONTINUOUS transmission on the Internet on January 1st, 2009 — however, the VERY FIRST Stand-Alone FORCE OF NATURE Report was issued on September 19th, 2008.

On March 15th, 2010, Uncle Adolph independently launched The Pesticide Truths, an easy-to-use Web-Site that collects relevant reports of information right-off-the-press.

Pesticide Truths, Uncle Adolph, and Force Of Nature, in some ways, are like Google for everything concerning the SUBVERSIVE ACTIVITIES of Anti-Pesticide and Enviro-Lunatic Terrorists.
