The Predictions About The  
Looming Shipwreck Were True ...

The Golf Industry Has

***LOST***

Its PESTICIDE  
EXCEPTION STATUS  
In Montreal

FOR THE NATURE | DARING TO DEFY WITH THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE  
National Organization Responding Against HUIE that seek to harm the Green space and other industries (NORAHG)

---

## Overview

### **Montreal's 2015 Anti-Neonicotinoid Municipal Prohibition Will NOT Save Bees, But Will Inevitably Lead To The Obliteration Of The Golf Industry !**

The City of Montreal has IMPOSED A TOTAL PROHIBITION against Neonicotinoid Insecticides.

Montreal's 2015 Anti-Neonicotinoid MUNICIPAL PROHIBITION includes both the Golf Industry, as well as the Agriculture Industry.

The predictions about the LOOMING SHIPWRECK were true ...

### **The Golf Industry Has Lost Its Pesticide Exception Status In Montreal !**

With this PROHIBITION, businesses operating within the Golf Industry have SUFFERED A SEVERE AND CRITICAL LOSS OF THEIR PESTICIDE EXCEPTION STATUS.

Historically, the Golf Industry has enjoyed an EXCEPTION STATUS wherever ANY FORM OF PROHIBITION was otherwise IMPOSED against other industries, such as Professional Lawn Care.

Since the early 1990s, in Quebec, Politician Jack Layton and other Anti-Pesticide Fanatics SUBVERSIVELY CONSPIRED TO IMPOSE PROHIBITION against pest control products used in the Urban Landscape.

In 1991, the FIRST EVER MUNICIPAL PROHIBITION was IMPOSED by CORRUPT GOVERNMENT OFFICIALS in the Town of Hudson, Quebec.

In 2003, the entire Province of Quebec IMPOSED, over a three-year period, the PROHIBITION against conventional pest control products used in the Urban Landscape.

By 2006, Quebec became the FIRST PROVINCIAL JURISDICTION to IMPOSE PROHIBITION against pest control products like 2,4-D Herbicide.

As a direct consequence of Hudson's 1991 MUNICIPAL PROHIBITION and Quebec's 2003-2006 PROVINCIAL PROHIBITION, OVER-SIXTY-PER-CENT of businesses operating in the Professional Lawn Care Industry were ANNIHILATED !

<http://pesticidetruths.com/toc/carnage-leading-to-business-failures/>

These jurisdictions, and all those that followed, have historically provided the Golf Industry and the Agriculture Industry with a PESTICIDE EXCEPTION STATUS.

Mr William H Gathercole was the original creator of the EXCEPTION STATUS that has allowed these industries to avoid being subjected to PROHIBITIONS against pest control products used in the Urban Landscape.

But, these industries CAN NO LONGER AVOID PROHIBITION !

Montreal's PROHIBITION will inevitably lead to the OBLITERATION of the Golf Industry.

The predictions about the LOOMING SHIPWRECK against these industries WERE TRUE ! ( See later segments. )

The Golf and Agriculture Industries WILL NO LONGER ENJOY EXCEPTION STATUSES, despite the fact that PROHIBITION has been repeatedly INVALIDATED.

For example, on May 25th, 2011, Quebec's 2003-2006 PROVINCIAL PROHIBITION was ETHICALLY INVALIDATED when the Government of Quebec was HUMILIATED INTO PUBLICLY ADMITTING that ...

**« 2,4-D DOES NOT POSE AN UNACCEPTABLE RISK  
to human health or the environment ».**

<http://pesticidetruths.com/wp-content/uploads/2012/08/Force-Of-Nature-Quebec-Prohibition-2011-05-26-TERROR-Talk-Ban-IRREFUTABLY-INVALIDATED-Dow-Gue-pdf.pdf>

Also, by 2015, Hudson's 1991 MUNICIPAL PROHIBITION was SPECIFICALLY INVALIDATED when it became universally recognized that its Government Officials were corrupt truth-challenged crooks and tax-evading criminals who were also, not surprisingly, anti-pesticide extreme-radical left-wing politicians who had imposed PROHIBITION in 1991.

## **Does ANTI-PESTICIDE = CORRUPT !?!**

Hudson's Government Officials stated LIES like they were truth, and in a way that made people listen to them.

They are now facing the spotlight of scrutiny, and the terror of the courts !

<http://pesticidetruths.com/2014/09/19/hudsons-mayor-is-running-out-of-patience-with-upac-town-threatens-to-sue-former-administrators-off-island-gazette/#more-32355>

## **The Next Round Of ATTACKS Were Expected To Target The Golf Industry WITHIN THREE TO FIVE YEARS, Before 2015.**

-----

**The Predictions About The Looming Shipwreck Were True ...**

## **The Hated Golf Industry Will Be Targeted In The Next Round Of Attacks**

Since 2009, Mr William H Gathercole and his affiliates at NORAHG had PREDICTED that soon after the Golf-Hating & Anti-Pesticide Fanatics had tasted victory by OBLITERATING the Professional Lawn Care Industry, the HATED Golf Course Industry WOULD BE TARGETED IN THE NEXT ATTACK —

[ The ] Canadian Golf Superintendents Association ( CGSA ) leadership does not understand that they are now living in THE ERA OF 9111 OF THE GREEN SPACE INDUSTRY. ( This includes the Golf Industry ).

The conspiracy to PROHIBIT pest control products has now attained NATIONAL proportions.

The provinces are toppling like dominoes.

The Professional Lawn Care Industry is being systematically ANNIHILATED across Canada.

The Enviro-Maniac-Activists have VIRTUALLY LIMITLESS GOVERNMENT AND PRIVATE FUNDS to wreak their havoc, and they understand full well that THERE IS NO UNITY within the Green Space Industry.

First municipal, then provincial, and finally national in scope, their FIRST DESTRUCTIVE ROUND OF ATTACKS will soon be complete.

And then ... soon after the Enviro-Maniac-Activists have tasted victory by OBLITERATING the Professional Lawn Care Industry, THE HATED GOLF INDUSTRY WILL BE TARGETED IN THE NEXT ROUND OF ATTACKS.

This time, the Golf Industry will be totally alone, and devoid of any allies to help defend itself.

<http://pesticidetruths.com/wp-content/uploads/2012/01/Force-Of-Nature-Golf-2010-02-15-Collision-Course-CGSA-Response-to-British-Columbia-Prohibition-Part-1-pdf-150-dpi.pdf>

<http://pesticidetruths.com/wp-content/uploads/2012/01/Force-Of-Nature-Golf-2010-02-15-Collision-Course-CGSA-Response-to-British-Columbia-Prohibition-Part-2-pdf-300-dpi.pdf>

**The ATTACKS Against The Golf Industry Were Expected  
To Occur WITHIN THREE TO FIVE YEARS, Before 2015.**

---

**The Predictions About The Looming Shipwreck Were True ...**

## The Exception Status Will Very Likely Be Withdrawn Within Three To Five Years [ Before 2015 ]

Mr Gathercole and NORAHG REPEATEDLY WARNED the Golf Industry in 2009

---

*Despite its [ PESTICIDE ] EXCEPTION STATUS in Ontario and Quebec [ and beyond ], we will nevertheless repeat our WARNING to the Golf Industry.*

*It should not feel too smug about its EXCEPTION from either the Ontario or the Quebec PROHIBITION.*

*Government conditions will be attached to this EXCEPTION.*

*These conditions will soon grow exponentially and become unreasonable.*

*THE EXCEPTION STATUS WILL VERY LIKELY BE WITHDRAWN WITHIN THREE TO FIVE YEARS [ BEFORE 2015 ].*

*The ONLY LONG-TERM HOPE for the Golf Industry is a STRONG COALITION with the rest of the Green Space Industry that utterly opposes [ Anti-Pesticide Legislations such as ] the Ontario Cosmetic Pesticides Ban Act [ Ontario's 2009 PROVINCIAL PROHIBITION ].*

*The Golf Industry is VULNERABLE TO ATTACK from several fronts.*

*Regardless of its EXCEPTION STATUS, the Golf Industry faces some HUGE CHALLENGES because of its HIGH DEGREE OF VULNERABILITY in several public affairs issues.*

*Our extensive review of these issues has led us to conclude that, in order to successfully deter the malicious efforts of the environmental movement, the Golf Industry must immediately address [ several ] **CRITICAL ISSUES**.*

<http://pesticidetruths.com/2015/12/21/golf-industrys-looming-shipwreck-predictions-concerning-the-loss-of-its-pesticide-exception-status-2009-encore-report/#more-35007>

**The ATTACKS Against The Golf Industry Could Have Been**

## **Avoided If CRITICAL ISSUES Had Been Addressed Before 2015.**

---

### **The Predictions About The Looming Shipwreck Were True ...**

## **Critical Issues Should Have Been Addressed By The Golf Industry**

There is NO DOUBT that, especially under difficult economic conditions, Anti-Pesticide and Anti-Golf ATTACKS WILL LEAD TO THE OBLITERATION OF THE GOLF INDUSTRY.

The Golf Industry is already headed towards OBLITERATION, because of aging and declining membership, falling revenues, over-saturated market, unstable economy, volatile weather — and the CARNAGE CAUSED by Golf-Hating & Anti-Pesticide Fanatics.

Golf Facilities are INFLICTED WITH CARNAGE because of NONSENSICAL demands from government agencies, such as ...

- The annual submission of POINTLESS government reports concerning the justification of the use of pest control product
- The implementation of NEARLY-WORTHLESS integrated pest management programs ( see BACKGROUND INFORMATION below ), and
- The USELESS rationalization of nutrient use.

For years, the Golf Industry has already been UNDER ATTACK in several jurisdictions.

So far, Montreal's 2015 Anti-Neonicotinoid MUNICIPAL PROHIBITION represents the MOST SEVERE AND CRITICAL LOSS of the Golf Industry's PESTICIDE EXCEPTION STATUS.

And the ATTACKS will only get WORST !

The Game of Golf can no longer be expected to FLOURISH as a Billion-Dollar-Industry.

Golf Facilities are also being ANNIHILATED by lawsuits and propaganda with false-allegations of harm caused by their use of pest control products and fertilizers.

Golf-Hating & Anti-Pesticide Fanatics even conspire to shut-down Golf Facilities to save inconsequential critters like tadpoles and snakes.

Golf Facilities cannot afford this #@!!% Anti-Pesticide and Anti-Fertilizer NONSENSE.

The following link contains examples of those CRITICAL ISSUES THAT SHOULD HAVE BEEN ADDRESSED BY THE GOLF INDUSTRY, according to Mr Gathercole and NORAHG —

<http://pesticidetruths.com/toc/golf-industry-critical-issues/>

**Had CRITICAL ISSUES Been Addressed Before 2015,  
It Was Expected That There Would Continue To Be  
A Hopeful Future For Everyone In The Golf Industry**

**The Golf Course Industry's Severe And Critical Loss Of Its Pesticide  
Exception Status In Montreal COULD HAVE BEEN AVOIDED.**

[ BACKGROUND INFORMATION — INTEGRATED PEST MANAGEMENT ( IPM ) IS A DISMAL FAILURE, AND DOES NOT CONTROL PESTS IN TURF !. IPM is promoted by people who falsely allege success, and who are likely concocting lies, misconceptions, and deceptions for their own nefarious personal interests. Moreover, using IPM accomplishes virtually nothing in terms of resolving the public affairs issues concerning the prohibition of conventional pest control products. Pesticide-free IPM will never achieve the level of total reduction or elimination of destructive pests attained by using conventional pest control products. In practice, IPM may be more useful in providing some limited improvement towards the efficiency and effectiveness of conventional pest control products. <http://pesticidetruths.com/toc/failure-of-integrated-pest-management/> ]

---

**The Predictions About The Looming Shipwreck Were True ...**

## There Is No Longer A Hopeful Future For Anyone In The Golf Industry

For years, Mr Gathercole and NORAHG have WARNED about the LOOMING GOLF INDUSTRY SHIPWRECK —

*The Golf Industry, because of the attitude of its trade association leaders — AN ATTITUDE OF DENIAL, PROTECTIONISM, AND MOCK-DISMAY AT ANY FORM OF CRITICISM — ignored the supreme historic opportunity to join forces with the Professional Lawn Care Industry, and LITIGATE against the forces of Anti-Pesticide Terrorist-Evil.*

*A failure to do so was LETHAL, and future generations will someday ask the question — WHY DID YOU NOT ACT ?!?!*

*For the first time in all of our collective history, it can honestly be said that there is NO LONGER A HOPEFUL FUTURE for anyone in the [ Golf ] Industry, young or old.*

<http://pesticidetruths.com/toc/the-looming-golf-industry-shipwreck/>

<http://pesticidetruths.com/wp-content/uploads/2011/11/Force-Of-Nature-Canadian-Cancer-Society-2012-07-07-Looming-Shipwreck-NO-Golf-Industry-EXCEPTION-pdf-300-dpi.pdf>

<http://pesticidetruths.com/2012/07/13/golf-is-next-no-EXCEPTION-status-for-golf-industry-canadian-cancer-society-2012-07-07/>

**The ATTACKS Against The Golf Industry Are Expected  
To Lead To The OBLITERATION Of Its Businesses.**

---

**The Predictions About The Looming Shipwreck Were True ...**

**Golf Facilities Will Continue To Be Obliterated By Attacks From  
Fanatics**

Mr Gathercole and NORAHG have FURTHER WARNED about ATTACKS against the Golf Industry —

*Throughout the world, Golf Facilities are NO LONGER PROTECTED from Golf-Hating Anti-Pesticide Activists and Politicians, and are NO LONGER UNIVERSALLY ENJOYING PESTICIDE AND FERTILIZER EXCEPTION STATUTES.*

*If/when GOLF EXCEPTION STATUSES are revoked, or if/when Golf-Hating Activists prevail, GOLF FACILITIES ARE, OR WILL BE, OBLITERATED.*

*The Golf Industry is already UNDER ATTACK in several jurisdictions.*

*Golf Facilities are being ANNIHILATED by lawsuits with allegations of pollution.*

*Golf-Hating and Anti-Pesticide Fanatics CONSPIRE TO SHUT-DOWN GOLF FACILITIES to save tadpoles and snakes.*

*Golf Businesses CANNOT AFFORD THIS #@!!% ANTI-PESTICIDE [ NONSENSE ], and even anti-fertilizer nonsense.*

*ANTI-PESTICIDE ATTACKS against Golf Facilities lead to their OBLITERATION with bankruptcy, closure, unemployment, despair, and destitution.*

*Golf-Hating Terrorists HATE AND DESPISE THE GAME OF GOLF, and are never appeased.*

Here are examples of the ATTACKS AGAINST GOLF FACILITIES that have been documented by Mr Gathercole and NORAHG —

<http://pesticidetruths.com/2013/03/25/the-golf-industry-collision-course-examples-of-attacks-against-golf-facilities-2013-03-25/>

And now, the Golf Industry has LOST ITS PESTICIDE EXCEPTION STATUS with Montreal's 2015 Anti-Neonicotinoid MUNICIPAL PROHIBITION.

**The Montreal ATTACK Against The Golf Industry Was IMPLEMENTED Because Bee-Keepers FALSELY ALLEGE The Neonicotinoid Insecticides**

**Are The Cause So-Called Bee Colony Collapse Disorder.**

**In Fact, Many Bee-Keepers Have No Idea What They Are Doing,  
Are Simply Not Skilled To Raise Bees, And Are Ill-Equipped  
To Handle So-Called Bee Colony Collapse Disorder.**

The Conspiracy To Impose Reckless And Arbitrary Prohibition Against  
Neonicotinoid Insecticides Desperately Needed By The Agriculture Industry By  
Anti-Pesticide Lunatic Terrorists Who Are Motivated By Mere Profit And Greed

There Is

**NO**

Bee Crisis  
With  
Neonicotinoid  
Insecticides

FORCE OF NATURE | THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from  
National Organization Responding Against HUE that seek to harm the Green Space Industry (NORAHQ)

---

**The Predictions About The Looming Shipwreck Were True ...**

**Bee-Keepers Have No Idea What They Are Doing, And Are Simply Not  
Skilled To Raise Bees**

Golf Facilities have been included in Montreal's 2015 Anti-Neonicotinoid MUNICIPAL PROHIBITION.

These insecticides have been PROHIBITED by Montreal's Fanatical-Officials under the FALSE-PRETEXT that they contribute to bee losses caused by so-called Bee Colony Collapse Disorder.

THE REAL CULPRITS RESPONSIBLE FOR BEE LOSSES ARE ACTUALLY THE BEE-KEEPERS THEMSELVES !

Seemingly, Bee-Keepers are losing their bees over and over again.

Why is this madness happening ?!?!

Observers have concluded that many Bee-Keepers HAVE NO IDEA WHAT THEY ARE DOING, and are simply NOT SKILLED TO RAISE BEES.

Bee-Keepers are KILLING THEIR OWN BEES OVER AND OVER AGAIN.

The alleged losses of bees are, in fact, the FAULT of these Bee-Keepers and their mis-management practices.

There is NO bee crisis caused by Neonicotinoid Insecticides.

Many Bee-Keepers themselves are CLEARLY CAUSING THEIR OWN BEE CRISIS since they appear to be UNABLE OR UNWILLING OR NOT SKILLED ENOUGH TO MITIGATE THE REAL ISSUES THAT HARM BEES, such as starvation, weak colonies, fungal infections, and mite infestations.

They prefer to remain UNPROFICIENT at bee-keeping, and expect the government to shower them with vast sums of UNJUSTIFIABLE COMPENSATION.

<http://pesticidetruths.com/2014/04/30/premiere-kathleen-wynne-ontario-sunsets-lawn-care-industry-provides-funding-to-address-bee-loss-farms-com/>

<http://pesticidetruths.com/2013/08/26/honey-can-kill-children-Bee-Keepers-are-uneducated-and-incompetent-their-false-allegations-against-insecticides-serve-as-a-mere-ploy-to-attract-compensation-2013-08-26/>

<http://pesticidetruths.com/2014/05/03/norahg-responds-to-ontario-providing-free-undeserved-money-to-incompetent-Bee-Keepers-2014-04-30/>

**The Montreal ATTACK Against The Golf Industry Was IMPLEMENTED Because Bee-Keepers FALSELY ALLEGE That Neonicotinoid Insecticides Are Somehow Harming Bees.**

---

---

# **The Golf Course Industry's Severe And Critical Loss Of Its Pesticide Exception Status Because Of Montreal's 2015 Anti-Neonicotinoid Municipal Prohibition**

**December 11th, 2015**

**CBC News**

**Selected And Adapted Excerpts**

The predictions about the LOOMING SHIPWRECK were true ...

**The Golf Industry Has LOST Its PESTICIDE  
EXCEPTION STATUS In Montreal !**

Montreal's 2015 Anti-Neonicotinoid MUNICIPAL PROHIBITION was IMPOSED UNDER THE FALSE-PRETEXT of reducing so-called Bee Colony Collapse Disorder.

In the past, Neonicotinoid Insecticides have been RESTRICTED in Montreal, but citizens and businesses could obtain a TEMPORARY PERMIT to use it to control vermin or ants.

Montreal's Elected Officials' have indicated that they FALSELY-BELIEVE that Neonicotinoid Insecticides are systemic insecticides that contain ALLEGED neurotoxins that make all parts of the plant harmful to insects feeding on them.

This is FALSE !

Why are Neonicotinoid Insecticides environmentally-friendly and why will they cause NO harm to birds and bees ?!?!

In Canada, Neonicotinoid Insecticides are used in Coated Seeds for the cultivation of crops in the Agriculture Industry.

Coated Seeds are buried in the soil, so Neonicotinoid Insecticides become INACCESSIBLE to bees and other non-target organisms.

These systemic insecticides actually penetrate into the plant tissues where they remain inaccessible to bees.

Bees DO NOT consume plant tissues, and, therefore, are NOT harmed by Neonicotinoid Insecticides.

Furthermore, Neonicotinoid Insecticides will NOT harm bees since treated plant tissues contain only tiny amounts of ingredient, since bees are not feeding on the plants, and since pollen are known to contain barely detectable levels.

Responsible Bee-Keepers readily admit that poor hive management ( i.e. starvation, weak colonies, fungal infections, and mite infestations ) and weather are most likely to blame for bee losses caused by so-called Bee Colony Collapse Disorder.

Irresponsible & incompetent Bee-Keepers falsely blame their bee losses on Neonicotinoid Insecticides.

In fact, there is NO bee crisis caused by Neonicotinoid Insecticides.

There are NO valid reasons for Montreal's 2015 Anti-Neonicotinoid MUNICIPAL PROHIBITION.

If we had less conventional neonicotinoid use in the environment, we would still have the same issues with Bee Colony Collapse Disorder, because many Bee-Keepers ARE NOT COMPETENT to manage their hives.

Montreal's 2015 Anti-Neonicotinoid MUNICIPAL PROHIBITION will NOT save bees.

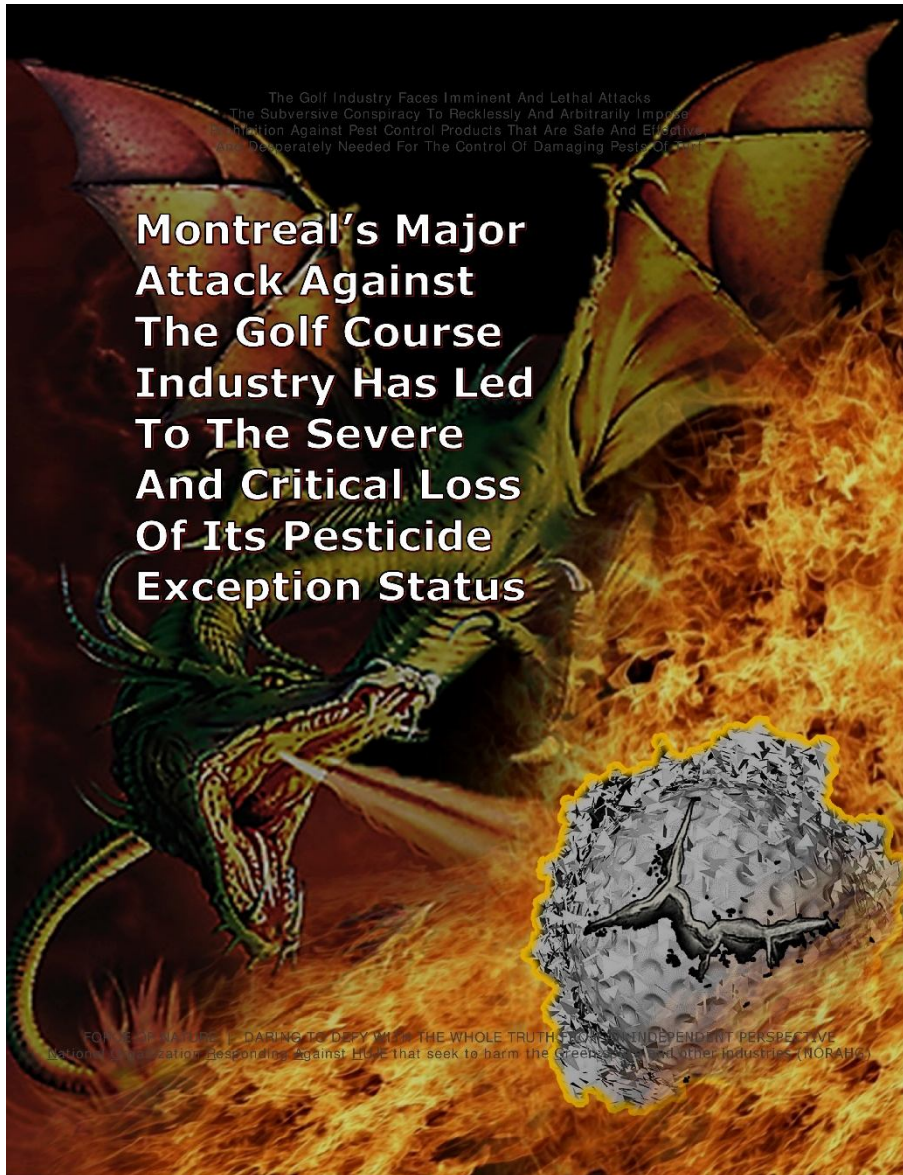

Montreal's Elected Officials' reckless and arbitrary demands to PROHIBIT against Neonicotinoid Insecticides will NOT resolve so-called Bee Colony Collapse Disorder, and will NOT help Bee-Keepers with their poor hive management.

Clearly, the principal mandate of Montreal's Elected Officials' has been to attract more votes and more donations by scamming the public with the concoction of FRAUDULENT LIES and IMAGINARY DANGER against Neonicotinoid Insecticides.

Montreal's 2015 Anti-Neonicotinoid MUNICIPAL PROHIBITION will lead to the OBLITERATION of the Golf Industry in the City of Montreal, and beyond !

THERE IS NO OTHER RECOURSE THAN TO SUE THE #@!!% PESTICIDE-HATING SOBS' BRAINS' OUT !

---

---

**NO EXCEPTION STATUS For Golf Facilities In Montreal**

Montreal's 2015 Anti-Neonicotinoid MUNICIPAL PROHIBITION, announced on December 10th, 2015, at the executive committee meeting, ALSO APPLIES TO GOLF COURSES AND PROPERTIES USED FOR AGRICULTURAL PURPOSES.

According to Réal Ménard, Montreal's lunatic executive committee member responsible for the environment —

*This tighter control of pesticides will, among other things, allow us to better protect bees and other pollinators. [ WRONG ! ]*

Montreal's 2015 Anti-Neonicotinoid MUNICIPAL PROHIBITION is, unfortunately, consistent with a larger CONSPIRACY by Quebec's Lunatic Environment Ministry to place tighter controls against neonicotinoid use in the province.

In November 2015, Quebec's Lunatic Environment Minister, David Heurtel, announced plans to implement a CONSPIRACY that will update the province's regulations that will FURTHER RECKLESSLY PROHIBIT the use of certain chemicals that are ARBITRARILY deemed as high-risk. [ ?!?! ]

Quebec's new LUNATIC CONSPIRACY will primarily focus on a PROVINCIAL PROHIBITION against certain Neonicotinoid Insecticides, as well as atrazine.

The following prediction about the LOOMING SHIPWRECK will be proven true ...

**The Golf Industry Next Will LOSE Its PESTICIDE EXCEPTION STATUS Throughout Quebec !**

**The Anti-Neonicotinoid ATTACKS Against The Golf Industry Are Expected To Spread NATION-WIDE WITHIN THREE TO FIVE YEARS, By 2020 — This Industry Has Been WARNED !**

---

**Bee-Keepers Are  
HARMING BEES,  
And NOT  
Neonicotinoid  
Insecticides**

FORCE OF NATURE | THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from  
National Organization Responding Against HUIE that seek to harm the Green Space Industry (NORAHG)

---

**Background Information**

## **Montreal's 2015 Anti-Neonicotinoid Municipal Prohibition Will NOT Save Bees, But Will Inevitably Lead To The Obliteration Of The Golf Industry !**

Overall, Neonicotinoid Insecticides will NOT harm bees.

The reckless pesticide-hating City of Montreal is WRONG !

If Montreal's Elected Officials were not so scientifically illiterate, they would know that scientific research shows that, as reported through EPA's and Health Canada's vast toxicology database, NO harm will occur to bees when Neonicotinoid Insecticides are used properly.

So-called Bee Colony Collapse Disorder is, in fact, the fault of the Bee-Keepers and THEIR mis-management practices.

Bee-Keepers are responsible, and NOT Neonicotinoid Insecticides.

Anti-Neonicotinoid PROHIBITION will not save bees from so-called Bee Colony Collapse Disorder.

Harming bees with Neonicotinoid Insecticides is a MYTH !

Neonicotinoid Insecticides cause NO harm, and WILL NOT harm bees.

There is NO evidence to suggest a link between Neonicotinoid Insecticides and Bee Colony Collapse Disorder.

Experts agree that, in reality, Bee Colony Collapse Disorder is the result of a combination of factors, including parasitic mites and diseases.

Recent scientific research points toward a combination of parasitic mites ( specifically the varroa mite ) and pathogens ( such as nosema and viral diseases ) as main factors.

Although some Neonicotinoid Insecticides can be toxic to bees upon direct contact ( as are many insecticides ), they are used in a way that MINIMIZES any direct exposure to bees, such as seed treatment.

Seed treatment insecticides have been used for a decade with almost NO incidences of negative impacts on bees by minimizing potential exposures of non-target insects such as bees.

Under normal field use of Neonicotinoid Insecticides, the exposure to bees is at very low levels, far too low to cause harmful effects.

Overall, so-called links and causes between Bee Colony Collapse Disorder and Neonicotinoid Insecticides are mere MYTHS !

If we had less conventional neonicotinoid use in the environment, we would still have Bee Colony Collapse Disorder, because many Bee-Keepers are simply NOT competent to manage their hives.

Anti-Neonicotinoid PROHIBITION WILL NOT save bees.

THERE IS NO BEE CRISIS !

The Honeybee Industry is ACTUALLY THRIVING around the world.

Here are some examples.

The Canadian honeybee industry is thriving — Canada's honey yield is twice the world's average.

The North American honeybee industry is thriving.

The European honeybee industry is thriving — Neonicotinoid Insecticides were still being used in 2013, and yet, 2013 was the lowest European bee loss recorded since 2007.

**To fight the war against Anti-Pesticide Terrorism, you need facts !**

**Read ... PESTICIDE TRUTHS**

**Watch ... UNCLE ADOLPH**

**Listen To ... NORAHG**

**Learn From ... FORCE OF NATURE**

Discover What Anti-Pesticide & Enviro-Lunatic Terrorists Are Doing And Saying About Subversively Imposing Their Life-Style Choices Against Our Society.

Read ... Reports, Blogs, & Videos, From Force Of Nature, NORAHG, Pesticide Truths, & Uncle Adolph — The Whole Truth From An Independent Perspective.

Communities and businesses are being HARMED and DESTROYED and RAPED by LUNATIC-TERRORISTS who ARBITRARILY AND RECKLESSLY IMPOSE PROHIBITIONS against pest control products used in the Urban Landscape and by the Agriculture Industry, and who PERPETRATE OTHER ACTS OF ENVIRONMENTAL TERRORISM.

We are living in the 9|11 Era of Anti Pesticide & Environmental Terrorism where at least ONE SUBVERSIVE ACT OF TERRORISM is perpetrated EVERY SINGLE DAY by LUNATIC-TERRORISTS.

A LUNATIC is a person whose actions and manner are marked by extreme recklessness.

The RECKLESS ACTS OF SUBVERSION by these LUNATIC-TERRORISTS has led to the ARBITRARY IMPOSITION of Anti-Pesticide PROHIBITION in several jurisdictions throughout North America.

The result was CATASTROPHIC CARNAGE !

Because of LUNATIC-TERRORISTS, provinces like Ontario now have a TRAIL OF ECONOMIC DESTRUCTION WITH HUNDREDS OF SMALL BUSINESSES DESTROYED and THOUSANDS OF PEOPLE OUT OF WORK, a MORE DANGEROUS OUTDOOR ENVIRONMENT, and a BLACK MARKET IN PESTICIDES.

Only TRUE LUNATICS would wish to create a TRAIL OF ECONOMIC DESTRUCTION WITH HUNDREDS OF SMALL BUSINESSES DESTROYED and THOUSANDS OF PEOPLE OUT OF WORK.

Because of LUNATIC-TERRORISTS, we are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOR — scientific research PROVES that pest control products will CAUSE NO HARM and can be USED SAFELY.

An informed public is better able to protect itself and its communities and businesses from LUNATIC-TERRORISTS who are THE LEAST QUALIFIED TO PROVIDE ANY ADVICE about pest control products or the environment.

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space and other industries, and the well-being of our communities.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to LUNATIC-TERRORISTS and their Anti Pesticide PROHIBITIONS, resulting in the CLOSURE or ABANDONMENT of green spaces under the RIDICULOUS PRETEXT CONCOCTED BY LUNATICS of somehow « *saving* » the environment.

NORAHG is a NATIONAL NON-PROFIT NON-PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting PESTICIDE FREE FAILURES, as well as the work of RESPECTED & HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

NORAHG strikes back against the MYTHS concerning the need for prohibition against pest control products.

NORAHG RESPONDS on behalf of the VAST SILENT MAJORITY of THE PUBLIC THAT DOES NOT WANT PESTICIDE BANS, and SUPPORTS those who work in the Professional Lawn Care Industry, the Golf Industry, and the Agriculture Industry.

#### RESPECTED & HIGHLY RATED EXPERTS

<http://pesticidetruths.com/2014/11/14/the-wisdom-of-real-experts-who-speak-out-against-the-conspiracy-to-impose-reckless-and-arbitrary-prohibition-against-conventional-pest-control-products-2014-11-14/>

#### THE MYTHS ABOUT BANNING PESTICIDES

<http://pesticidetruths.com/2012/11/15/the-myths-about-banning-pesticides-part-2-white-paper-report-on-pesticide-bans-2012-11-15-reports/>

#### VAST SILENT MAJORITY

<http://pesticidetruths.com/toc/the-wisdom-of-canadian-consumer-specialty-products-association/>

NORAHG is opposed to PESTICIDE FREE jurisdictions where LUNATIC-TERRORISTS have DOOMED CHILDREN to SUFFER INJURIES since Anti-Pesticide PROHIBITION inevitably leads to public and residential green spaces that become DANGEROUS AND PEST-INFESTED GARBAGE DUMPS.

Go to the following links ...

#### ANTI-PESTICIDE PROHIBITION DESTROYED GREEN SPACES

<http://pesticidetruths.com/toc/carnage-leading-to-garbage-dumps/>

#### PESTICIDE BANS MADE OUR GREEN SPACES LOOK #@!!% UGLY – PHOTO GALLERY

<http://pesticidetruths.com/toc/carnage-leading-to-garbage-dump-green-spaces-photo-gallery/>

#### EMERALD ASH BORER – SAFE & EFFECTIVE INSECTICIDES VERSUS CHAIN SAWS

<http://pesticidetruths.com/2014/01/19/emerald-ash-borer-wisconsin-municipalities-safe-effective-insecticide-treatments-versus-chain-saws-2014-01-05/>

NORAHG is concerned that, because of PESTICIDE FREE MAINTENANCE of parks and sports fields, CHILDREN ARE AT HIGHER RISK OF SUFFERING INJURIES with DANGEROUS PLAYING SURFACES CREATED BY #@!!% PESTICIDE BANS.

#### CHILDREN ARE NOT AT RISK

<http://pesticidetruths.com/toc/children-are-not-at-risk/>

NORAHG pledges to deliver comprehensive reports that are worthy of peoples' time and of peoples' concern, reports that might ordinarily never have breached the parapet.

NORAHG was the brainchild of William H Gathercole and his colleagues in 1991. Mr Gathercole is now retired, although his name continues to appear as founder.

Force Of Nature was launched by NORAHG for CONTINUOUS transmission on the Internet on January 1st, 2009 — however, the VERY FIRST Stand-Alone Force Of Nature Report was issued on September 19th, 2008.

On March 15th, 2010, Uncle Adolph independently launched The Pesticide Truths, an easy-to-use Web-Site that collects relevant reports of information right-off-the-press.

*Primus inter pares*, first among equals, describes Pesticide Truths, Uncle Adolph, and Force Of Nature — they are formally equal to each other and are all accorded equal respect.

The reports and blogs from Pesticide Truths, Uncle Adolph, and Force Of Nature, in some ways, are like Google for everything concerning the SUBVERSIVE ACTIVITIES of Anti-Pesticide and Enviro-Lunatic Terrorists.

Many of these reports and blogs provide a sequence of historical events WITH COMMENTARY, the neutrality of which might be disputed.

This is what we do. Don't thank us. It's a public service. And we are glad to do it.
