@john__bennett @ElizabethMay @evansolomoncbc You know if you ban #neonics we'll still have dead bees, this issue has be oversimplified.

@JohnRHeil @ElizabethMay @evansolomoncbc read the EPA report than comment

John Heil @JohnRHeil · Oct 21
@john__bennett @ElizabethMay The EPA says "The EPA is not currently banning or severely restricting the use of the neonicotinoid pesticides"
