## What Is Salmon Arm ?

---

SALMON ARM is a city in the Southern Interior of the Canadian Province of British Columbia, with a population of over 16,000.

Until 2011, the City Council of Salmon Arm was infested with Anti-Pesticide Elected Officials, which included the following elected officials — Martin Bootsma ( Mayor ), Debbie Cannon, Chad Eliason, Alan Harrison, Ivan Idzan, and Ken Jamieson.

## Salmon Arm TERRORIST ORGANIZATIONS

---

There are three prominent Anti-Pesticide Terrorist-Organizations that operate in Salmon Arm —

- Canadian Association of Physicians for the Environment
- Canadian Cancer Society
- Environmental Management Advisory Committee of the City of Salmon Arm

## Warren Bell

---

Salmon Arm is the home of Warren Bell, the Anti-Pesticide Enviro-Lunatic Leader with Out-Of-Body Experiences who is affectionately known as « *Ding Dong* the Clown » and « *Tinker Bell* ».

Bell co-founded REPUGNANT Canadian Association of Physicians for the Environment, an Anti-Pesticide Terrorist-Organization.

Bell is a NON-EXPERT FOR-PROFIT HIRED-GUN, an ILLEGAL UNREGISTERED LOBBYIST, and a FUND-RAISER for Canadian Cancer Society, and other Anti-Pesticide Organizations.

For years, Bell presented himself to Elected Officials as a so-called « *expert* » on the IMAGINARY DANGER of pest control products, despite the fact that he has NO recognized expertise, training, or background in this matter.

Bell's opinions concerning pest control products are TOTALLY VALUELESS and UTTERLY WORTHLESS.

# History of **TERROR** Against Salmon Arm Businesses

## **Sherry Bowlby**

---

Another HIRED-GUN, Sherry Bowlby, was sought as an non-elected official for the DISGRACEFUL, BIASED, and SUBVERSIVE LUNATIC-OPERATED Environmental Management Advisory Committee of the City of Salmon Arm.

Bowlby is associated with the Canadian Mental Health Association, and is a Member of the Shuswap Naturalist Club.

She has NO recognized expertise, training, or background in matters concerning pest control products.

Bowlby's opinions concerning pest control products are TOTALLY VALUELESS and UTTERLY WORTHLESS.

## **Salmon Arm PROHIBITION**

---

For years, Anti-Pesticide Lunatic-Activists like Warren Bell COERCED, INTIMIDATED, and TERRORIZED the Elected Officials of Salmon Arm.

Finally, on February 23rd, 2009, Salmon Arm's Elected Officials LEGIS-

LATED a NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products used in the Urban Landscape.

On March 1st, 2010, Salmon Arm IMPLEMENTED the PROHIBITION.

## **END of PROHIBITION**

---

On February 28th, 2011, at a Meeting of the City Council, readings to AMENDMENTS to the PROHIBITION included a number of NEW and HYPOCRITICAL EXCEPTIONS.

Among these, Elected Officials GAVE CITY STAFF AN EXCEPTION STATUS, and THE GO-AHEAD TO USE PEST CONTROL PRODUCTS TO TREAT INFESTATIONS AND ON MUNICIPAL INFRA-STRUCTURE.

These INFRA-STRUCTURES included HARD-SCAPES such as sidewalks, roads and boulevards.

Originally, when Elected Officials performed the first, second, and third readings of the new AMENDMENTS, Professional Lawn Care companies were NOT considered.

# History of **TERROR** Against Salmon Arm Businesses

During the City Council Meeting, owners of local Professional Lawn Care companies CRIED UNFAIR.

Dean Edwards of Salmon Arm Property Maintenance stood up during the Council Meeting, and asked specifically if the Elected Officials were allowing themselves to use pest control products, and not letting « *Certified Applicators* » use the same products for the residents of Salmon Arm.

The Mayor addressed the question first, and then asked city staff for clarification that he was correct in his answer, and was advised that « yes » he was.

The city could use the products once all alternatives had been tried on City infra-structure if there was an infestation.

Dean Edwards then commented that this was « *typical* ».

The following week, during the City Council's final reading, Dean Edwards had stood up at the end of the meeting, and interjected again.

What about « *Certified Applicators* » ?

The Mayor asked for clarification from city staff, and he was then advised that Edward's question would have to be referred to the head of the City's Parks Department.

The owners of local Professional Lawn Care companies were then taken aside, and told that they would have a meeting with city staff who would clarify the PROHIBITION.

On March 2nd, 2011, during the meeting with city staff, the owners received an UPDATED COPY of the PROHIBITION, which now included an EXCEPTION STATUS for « *Certified Applicators* ».

EXCEPTION — « *Pest infestations treated by a Certified Applicator* ».

It was finally decided to provide « *Certified Applicators* » with an EXCEPTION STATUS.

Henceforth, the Professional Lawn Care companies in the City of Salmon Arm could conduct business in an UNOBSTRUCTED MANNER, thanks to the HEROES of Salmon Arm.

## **PROHIBITION Is FAILING Across Canada**

---

Across Canada, Government Officials are no longer readily jumping in favour of Anti-Pesticide PROHIBITION.

Municipal Government Officials recognize that, as the local legal authority, municipalities have a duty to make

decisions for the well-being of the community, but, with Anti-Pesticide PROHIBITION, they nonetheless fail in their basic responsibilities.

As of 2009, the municipalities of Ontario have been stripped of their prohibition powers.

The municipalities clearly were not knowledgeable enough to enact Anti-Pesticide PROHIBITION.

A municipality has an onus of responsibility to verify the JUNK SCIENCE information that serves as the basis for prohibition legislation.

So far, many municipalities have failed to base their legislative decisions on SOUND SCIENCE.

Unfortunately, many municipalities publicly have supported JUNK SCIENCE on their web sites and in public statements.

They have made themselves vulnerable to legal action launched by the Professional Lawn Care Industry.

There is NO RECOURSE but LAWSUITS against Anti-Pesticide BASTERDS.

British Columbia Conspiracy to Prohibit Pest Control Products

## Ding-Dong Wants To Be Councillor of Salmon Arm

September 29<sup>th</sup>, 2011

Salmon Arm Observer

[ Salmon Arm, British Columbia ]

As the November 19 2011 municipal election approaches, candidates for city council have begun to announce their campaigns. The Observer is giving the candidates an opportunity to briefly introduce themselves to the community.

WARREN BELL — « *I've been a family doctor for 35 years in Salmon Arm, and active in public affairs most of that time. My family background is in business, and I manage my own office. I've learned a lot about how government works, and understand the responsibilities of leadership. Salmon Arm must take control of its destiny, it must be true to its roots, and also prepare for the real 21st century. If we start planning now, we'll be secure and strong far into the future. There is much work to do. I pledge to work hard, and thoughtfully, on your behalf.* »

**If elected,  
Warren Bell  
will DESTROY

Companies**

## Background Information from an Independent Perspective

### Who Is Warren Bell ?

---

Bell is GOVERNMENT-FINANCED with TAX-FREE MONEY through Environmental-Terrorist-Organizations like Canadian Cancer Society and Canadian Association of Physicians for the Environment.

In fact, Bell is a NON-EXPERT FOR-PROFIT HIRED-GUN, an ILLEGAL UNREGISTERED LOBBYIST, and a FUND-RAISER.

Bell is affectionately known as « *Diing-Dong the Clown* » and « *Tinker-Bell* ».

He is PAID as an « *expert* » on the so-called IMAGINARY DANGER of pest control products, despite the fact that he has NO recognized expertise, training, or background in this matter.

Bell is PAID to CONSPIRE in the PROHIBITION of pest control products that are, in fact, HEALTH-CANADA-APPROVED, FEDERALLY-LEGAL, SCIENTIFICALLY-SAFE, and PRACTICALLY-NON-TOXIC.

Overall, Bell's opinions concerning pest control products are TOTALLY VALUELESS and UTTERLY WORTHLESS.

Bell Has NO recognized expertise, training or background in matters concerning pest control products.

Warren Bell is actually a GOVERNMENT EMPLOYEE.

Bell is a GOVERNMENT-PAID HEALTH-OFFICIAL with a 165,000 dollar-per-year salary at Shuswap Lake General Hospital in Salmon Arm, British Columbia.

Bell is also an outspoken speaker on near-death or out-of-body experiences.

## Background Information from an Independent Perspective

### Bell's MAIN OBJECTIVES

---

Warren Bell's MAIN OBJECTIVE is PROFIT and POLITICAL POWER, acquired by SCAMMING THE PUBLIC with the CONCOCTION OF FRAUDULENT LIES and IMAGINARY DANGER about pest control products.

MORE LIES means MORE PROFIT and MORE POWER.

Warren Bell is paid TENS OF THOUSANDS OF DOLLARS PER YEAR as a NON-EXPERT FOR-PROFIT HIRED-GUN, an ILLEGAL UNREGISTERED LOBBYIST for Canadian Cancer Society and other Anti-Pesticide Organizations.

When Warren Bell speaks, we are NEVER TOLD that he SPEAKS-FOR-MONEY.

Moreover, Bell CANNOT BE HONEST about the fact that pest control products are SCIENTIFICALLY-SAFE since he is paid HUGE SUMS OF PROFIT to concoct IMAGINARY DANGERS about them.

Bell CANNOT BE HONEST about this because he would lose his job if he did.

Besides, he knows NOTHING about pest control products.

### Bell's LACK OF EXPERTISE

---

Bell is paid HUGE SUMS OF PROFIT as an « *expert* » on the IMAGINARY DANGER of pest control products.

Nevertheless, Bell has NO recognized expertise, training, or background in matters concerning pest control products, or the maintenance of sports turf.

Additionally, Bell is OUT-OF-TOUCH with the fact that pest control products are SCIENTIFICALLY-SAFE.

## Background Information from an Independent Perspective

The fact that Bell uses unreferenced articles written over a quarter-century ago ... clearly demonstrates how far OUT-OF-TOUCH he is in matters concerning pest control products and the maintenance of sports turf.

His opinions are TOTALLY VALUELESS and UTTERLY WORTHLESS.

If Bell is competent to discuss these topics, then the rest of us are EQUALLY COMPETENT to discuss practices related to MEDICINE.

Warren Bell compensates for his lack of expertise by being a LUNATIC-LIAR.

He CONCOCTS MYTHS, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, TERROR, and PARANOID CONSPIRACIES about pest control products.

### **Bell Knows NOTHING About Alternatives**

---

According to Bell, there are many safer, less ecologically destructive alternatives to conventional pest control products.

Bell is WRONG !

He is OUT-OF-TOUCH and NOT COMPETENT.

Green Alternatives are BOGUS.

There are NO viable, efficacious, or economical Green Alternatives to replace conventional pest control products.

Green Alternatives are ALMOST TOTALLY INEFFECTIVE except under very specific circumstances.

Green Alternatives DO NOT fully control pests, and may only provide PARTIAL SUPPRESSION.

The required rates and the frequency of application may be EXORBITANTLY HIGH.

## Background Information from an Independent Perspective

Green Alternatives may be questionably HIGHER IN TOXICITY.

Green Alternatives may NOT be federally-registered as conventional pest control products, and therefore are UNREGULATED, such as Nematode Insecticides.

UNREGULATED Green Alternatives may NOT have a full range of safety information such as HUMAN TOXICITY and ENVIRONMENTAL IMPACT, which is necessary for the registration of conventional pest control products.

### **Bell's LUNATIC-LIES**

---

Truth-Challenged Warren Bell is a LUNATIC-LIAR !

He LIES ... and LIES ... and LIES ... and LIES !

BELL NEVER STOPS LYING !

TRUTH-CHALLENGED Warren Bell has spread MORE LIES and MORE MIS-INFORMATION than most other Anti-Pesticide Activists.

Warren Bell has EXPLOITED EMOTIONS and FEARS about a variety of issues, including pest control products.

Bell has PROFITED FINANCIALLY and POLITICALLY from FALSE STORIES and PRE-DICTIONS, and IMAGINARY DANGER, and have NEVER been held accountable.

### **Examples of Bell's LUNATIC-LIES**

---

Here are some examples of Warren Bell's LUNATIC-LIES —

« *Business expansion in the City of Halifax, Nova Scotia, occurred as a result of PROHIBITION.* » — LIAR !

## Background Information from an Independent Perspective

« Ontario College of Family Physicians tells us the pest control products are linked to several health issues. » — LIAR !

« Ontario PROHIBITION has been well-received by Professional Lawn Care businesses. » — LIAR !

« Pesticides have no place in school yards and where children play sports. There are many safer, less ecologically destructive alternatives. » — LIAR !

« Pesticide use is also associated with a host of other cancers and nervous system diseases, as well as abnormal hormone effects and birth defects and developmental disorders in CHILDREN. » — LIAR !

« Polling done in British Columbia found support for a phase-out of pest control products. » — LIAR !

« PROHIBITION in the Province of Ontario improved water quality. » — LIAR !

« PROHIBITION will have positive effect on the health of British Columbia's people, environment, and economy. » — LIAR !

« The Environmental Factor, which makes Green Alternatives, had a 400 per cent increase in sales and manufacturing. » — LIAR !

« The weight of scientific evidence links pesticide use to an expanding range of serious illnesses, especially non-Hodgkin's lymphoma, a white blood cell cancer, and Parkinson's disease, a condition affecting the brain and causing major impairment of mobility and function, and sometimes death. » — LIAR !

### **Bell's DIING-DONG WORLD**

---

In the DIING-DONG WORLD of Warren Bell, he believes HE KNOWS BETTER than the HUNDREDS OF SCIENTISTS AT HEALTH CANADA, the government agency that stringently regulates pest control products !

## Background Information from an Independent Perspective

If Bell is competent to discuss the safety of pest control products, then the rest of us are EQUALLY COMPETENT to discuss practices related to HOSPITAL ADMINISTRATION.

Bell himself is a hospital administrator, and seems to have an awful lot of time on his hands DISPENSING DISGRACEFUL, FALSE, MISLEADING, BIASED, SUBVERSIVE, and INCOMPETENT information concerning pest control products.

Bell compensates for his INCOMPETENCE by blurting out HOLLOW and DESPICABLY-ALARMIST expressions like « *cancer* » and « *Parkinson's* » and « *serious illnesses* » and « *death* » !

Bell compensates for his INCOMPETENCE by CONCOCTING DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, IMAGINARY DANGERS, MYTHS, MISCONCEPTIONS, PARANOID CONSPIRACIES, THREATS, and TERROR about pest control products.

### **Bell's TERRORIST ORGANIZATIONS**

---

Warren Bell has definitely taken a LEADERSHIP role among Anti-Pesticide Terrorist-Organizations.

He is a NON-EXPERT ILLEGAL-LOBBYIST, HIRED-GUN, and FUND-RAISER with Canadian Cancer Society ( CCS ).

He is also a Co-Founder and Director Canadian Association of Physicians for the Environment ( CAPE ).

And an Active Member with Prevent Cancer Now ( the public affairs shield for Canadian-Cancer-Society ).

ALL Are Tax-Exempt Anti-Pesticide Terrorist-Organizations.

## Background Information from an Independent Perspective

### Bell's PAY-OFF as a HIRED-GUN

---

HIRED-GUNS like Warren Bell receive PAY-OFFS for CONSPIRING to PROHIBIT pest control products.

Bell is paid an INCENTIVE OF 2,000 DOLLARS by Canadian Cancer Society for the ORGANIZATION of EVERY Anti-Pesticide Forum.

Bell is also paid a BONUS OF 1,000 DOLLARS by Canadian Cancer Society FOR EVERY PRESENTATION MADE TO A MUNICIPAL TOWN COUNCIL.

Furthermore, Bell is given a BOUNTY OF 5,000 DOLLARS by Canadian Cancer Society upon the SUCCESSFUL PROHIBITION LEGISLATION within a community.

Bell is also PAID a BASE SALARY of OVER 40,000 DOLLARS PER YEAR, plus expenses, by Canadian Cancer Society, to COERCE, INTIMIDATE, and ALARM GOVERNMENT OFFICIALS.

He is PAID VAST SUMS OF MONEY for his LUNATIC-LYING-RANTS.

Bell is also a GOVERNMENT-PAID HEALTH-OFFICIAL with a 165,000 dollar-per-year salary.

### Examples of Bell's LUNATIC-LYING RANTS

---

February 24th, 2009

« From any of these sources, you can find abundant evidence that pesticide exposure is clearly associated with cancers, neuro-developmental problems and birth defects, among other harm. »

[ These sources of SECRET EVIDENCE were CONCOCTED by Anti-Pesticide Activists ]

## Background Information from an Independent Perspective

July 30th, 2011

« *The Ontario College of Family Physicians tells us pesticides are associated with brain cancer, prostate cancer, kidney cancer, and pancreatic cancer.* »

[ LIAR ! The OCFP report was DEBUNKED ! ]

« *The College makes a point of saying some children exposed to pesticides have an increased risk of leukemia, especially if they come into contact with insecticides and herbicides used on lawns, fruit trees and gardens.* »

[ LIAR ! The OCFP report was BOGUS ! ]

### **Bell's ENVIRO-LUNATIC JIHADIST CAMPAIGN**

---

In the August 25th 2009 Speech from the Throne, the Government of British Columbia committed to consult British Columbians on ...

« *new statutory protections to further safeguard the environment from cosmetic chemical pesticides* ».

Consequently, Warren Bell, Gideon Forman, and other Enviro-Terrorists embarked on ENVIRO-LUNATIC JIHADIST CAMPAIGN against pest control products.

Their Anti-Pesticide JIHADIST CAMPAIGN was GOVERNMENT-FINANCED with TAX-FREE MONEY.

In particular, the Letters to the Editor authored by Bell and Forman were strewn WITH LIES THAT WERE REPEATED AGAIN AND AGAIN.

According to these NON-EXPERT ENVIRO-LUNATIC FUND-RAISERS, PROHIBITION is somehow necessary under the PRETEXT that there is some UNDEFINED LINK between pest control products and certain types of cancer.

## Background Information from an Independent Perspective

The JIHADIST CAMPAIGN also included Mae Burrows, who operates as a NON-EXPERT FUND-RAISER for LABOUR ENVIRONMENTAL ALLIANCE SOCIETY, another Environmental-Terrorist-Organization that functions as a PUBLIC AFFAIRS SHIELD ORGANIZATION for TOXIC FREE CANADA.

Mae Burrows, like Bell, is also a Member of PREVENT CANCER NOW, another PUBLIC AFFAIRS SHIELD ORGANIZATION for CONTEMPTIBLE AND RADICAL Canadian Cancer Society.

Additionally, the JIHADIST CAMPAIGN included Kathryn Seely, who is a PAID-FOR-PROFIT NON-EXPERT LOBBYIST and FUND-RAISER for CONTEMPTIBLE and RADICAL Canadian Cancer Society.

Since 2009, Bell, Burrows, and Seely have conducted an Anti-Pesticide JIHADIST ROAD SHOW throughout British Columbia depicting the IMAGINARY DANGER of pest control products.

### **Bell NEVER STOPS LYING**

---

TRUTH-CHALLENGED Warren Bell is a LUNATIC-LIAR !

He LIES ... and LIES ... and LIES ... and LIES !

BELL NEVER STOPS LYING !

Enviro-Lunatics like Warren Bell offer nothing but words, words, words.

Bell LIES and LIES and LIES and LIES.

He NEVER Stops !

Bell is UNABLE to provide bodies, bodies, bodies.

Bodies of REAL evidence.

## Background Information from an Independent Perspective

Bodies of REAL evidence, and NOT JUNK SCIENCE REPORTS that have been DOMESTICALLY AND INTERNATIONALLY REFUTED AND DISCREDITED, such as NON-EXPERT Ontario College of Family Physicians.

Bodies of REAL evidence, and NOT JUNK SCIENCE REPORTS that have NEVER been made available for independent review.

Bodies of REAL evidence, and NOT JUNK SCIENCE REPORTS intended to DISCREDIT the work of REAL experts, such as Health Canada.

Bodies of REAL evidence, and NOT « *secret evidence* » or DEBUNKED REPORTS.

More specifically, medical records, medical records, medical records.

Who are, or were, those people ALLEGEDLY harmed by pest control products ?

Where are the medical records ?

Make them available for public review.

Bell MUST STOP using « *secret evidence* » and DEBUNKED REPORTS.

Bell MUST STOP using CHILDREN AS WEAPONS OF COERCION AND ULTIMATE ENVIRONMENTAL TERROR.

CHILDREN ARE NOT AT RISK WITH PEST CONTROL PRODUCTS !

It's time to put up, or shut up.

There is a GROWING BODY OF REAL EVIDENCE that Enviro-Lunatics like Warren Bell are NON-EXPERT, UNETHICAL, and UNPROFESSIONAL.

Bell has ABSOLUTELY NO CREDIBILITY IN THE LEGITIMATE SCIENTIFIC COMMUNITY.

Bell's DEPRAVED INDIFFERENCE is DESPICABLY converting our communities into UNHAPPY, UGLY, UNEMPLOYED, UNENLIGHTENED, and UNHEALTHY ENVIRONMENTS.

## Background Information from an Independent Perspective

Because of Enviro-Lunatics like Warren Bell, PROHIBITION of pest control products has led to DESTROYED BUSINESSES and LOST JOBS AND HARDSHIP for the Professional Lawn Care Industry.

Because of Bell, the DEVASTATION of the Professional Lawn Care Industry has been EXTENSIVE because there were NO valid economical alternatives to replace the prohibited products.

LUNATIC-TERRORIST-PROHIBITION DESTROYED the Modern Professional Lawn Care Industry.

And it is Warren Bell's FAULT !

### **Warren Bell's FALSE Legacy**

---

Warren Bell PROFITS FINANCIALLY or POLITICALLY from FALSE STORIES and PRE-DICTIONS, and IMAGINARY DANGER, and has NEVER been held accountable.

Warren Bell and his lunatic buddies use FALSE IDEAS that are presented OUT-OF-CONTEXT, then left uncorrected by lack of follow-up.

Warren Bell's REAL LEGACY is DESTROYED ECONOMIES, LOST JOBS AND HARDSHIP FOR PEOPLE, WEAKENED COMMUNITIES, and GARBAGE DUMP GREEN SPACES.

The Anti-Pesticide PROHIBITION promoted by Bell and his lunatic buddies has resulted in public green spaces and sports fields that look like GARBAGE DUMPS.

The PROHIBITION of pest control products has created Pesticide-Free PLAYING SURFACES that are DANGEROUS for children to play on.

## Background Information from an Independent Perspective

### **Bell Places CHILDREN AT RISK**

---

Warren Bell also compensates for his lack of expertise by USING CHILDREN AS THE WEAPONS OF COERCION AND ULTIMATE ENVIRONMENTAL-TERROR against pest control products.

In fact, BELL COULD NOT CARE LESS ABOUT CHILDREN !

Bell ignores the fact that THE PROHIBITION OF PEST CONTROL PRODUCTS REPRESENTS A HAZARD TO CHILDREN.

Bell is willing to COMPROMISE ON THE SAFETY OF CHILDREN that need a cushion of high-quality pest-free turf when playing and running and falling.

In the DIING-DONG WORLD of Warren Bell, children are playing on pest-infested playing surfaces that are SLIPPERY MUD BOGS.

In the DIING-DONG WORLD, children are playing on pest-infested playing surfaces that are AS HARD AS CONCRETE.

In the DIING-DONG WORLD, children are playing on surfaces that are DANGEROUS !

Bell believes he KNOWS BETTER than the HUNDREDS OF SCIENTISTS AT HEALTH CANADA, the government agency that stringently regulates pest control products !

In fact, children ARE taken into account when pest control products are registered in Canada.

### **DANGEROUS Playing Surfaces**

---

Pesticide-Free Maintenance creates GARBAGE DUMPS and DANGEROUS PLAYING SURFACES — ESPECIALLY FOR CHILDREN !

## Background Information from an Independent Perspective

PROHIBITING pest control products under the PRETEXT of somehow protecting children's health is actually HARMFUL TO CHILDREN.

There are NO valid reports of pest control product problems with children.

Furthermore, Bell is willing to COMPROMISE ON THE SAFETY OF CHILDREN who need a CUSHION OF HIGH-QUALITY TURFGRASS when playing and running and falling.

Without conventional pest control products, playing surfaces become thin, and yellow, and OVER-RUN WITH WEEDS, INFESTED WITH INSECTS, and DISMALLY DESTROYED.

Without pest control products, playing surfaces become GARBAGE DUMPS, and are a DANGER for children to play on.

Bell COULD NOT CARE LESS ABOUT CHILDREN who use these DANGEROUS PLAYING SURFACES.

WELL-MAINTAINED, THICKER, GREENER, PEST-FREE outdoor playing surfaces, like home lawns, public green spaces, and sports fields, have MANY PRACTICAL BENEFITS.

Turfgrass playing surfaces act as a NATURAL CUSHION.

Turfgrass is also an EFFECTIVE SPONGE for rain water.

A playing surface OVER-RUN WITH WEEDS and INFESTED WITH INSECTS provides NONE of these benefits.

They are OVER-RUN by Dandelions and other weed pests, and are DESTROYED by INFESTING insect pests like European Chafer.

Pesticide-Free Maintenance represents a HAZARD TO ANYONE USING PLAYING SURFACES, ESPECIALLY CHILDREN.

When it rains, pest-infested playing surfaces become SLIPPERY MUD BOGS.

When dry, pest-infested playing surfaces become AS HARD AS CONCRETE.

## Background Information from an Independent Perspective

Pesticide-Free Maintenance actually HURTS kids.

Falling on SLIPPERY MUD or BAKED SOIL is the direct cause of BROKEN BONES, TWISTED ANKLES, and SKINNED KNEES.

Any trend favouring Pesticide-Free Maintenance will lead to GARBAGE DUMPS, DANGEROUS PLAYING SURFACES, and HURT CHILDREN.

Anti-Pesticide Activists like Warren Bell, COULD NOT CARE LESS ABOUT CHILDREN !

### **Bell's BOSSES**

---

Warren Bell's activities have led to OUTRAGE within the Green Space Industry, leading people to contact his BOSSES within the Health Care System.

They DEMAND EXPLANATIONS as to how Bell can properly perform his duties as a GOVERNMENT-PAID HEALTH-OFFICIAL at Shuswap Lake General Hospital without being in SEVERE CONFLICT-OF-INTEREST with his ANTI-PESTICIDE ACTIVITIES and POLITICAL ASPIRATIONS.
