THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from
National Organization Responding Against HUIE that seek to harm the Green Space Industry (NORAHG)

**Lenin was the
MAIN INSPIRATION
for Earth Day**

**SUBVERSIVE Enviro-Lunatics
COULD NOT HAVE CARED LESS
about the environment**

According to RE-IMAGINED Enviro-Lunatic history, the FIRST Earth Day came together in April 22nd, 1970, on the PRETEXT that people all across America wanted a CLEANER ENVIRONMENT.

In fact, a large number of the people who organized the FIRST Earth Day used the event for POLITICAL SUBVERSION in order to AVOID SERVING THEIR COUNTRY ... they also SOUGHT PROFIT and POLITICAL GAIN.

On December 1st, 1969, five months BEFORE the FIRST Earth Day, the Selective Service System of the United States held a LOTTERY to determine the order of DRAFT into the Army for the Vietnam War.

Many Americans became Enviro-Lunatics and created Earth Day because ...

- They were UNPATRIOTIC and DISLOYAL to their country
- They felt threatened by the DRAFT-LOTTERY
- They were associated with SUBVERSIVE groups like COMMUNISTS
- They were conspiring to OUST President Nixon
- They saw opportunities to acquire PROFIT and POWER
- They COULD NOT HAVE CARED LESS about the environment

For the FIRST Earth Day, Enviro-Lunatics CONCOCTED a series of WHACKO PREDICTIONS ...

- Animals Extinct
- Civilization Ended
- Crude Oil Gone
- Death
- Extinction of Human Race
- Food Shortages
- Gas Masks Necessary
- Ice Age Looming
- Land Unusable
- Mass Starvation
- Millions of People Dead
- Survival of Nation at Stake
- Wide-Spread Famines
- World Hunger

On Earth Day 1970, Enviro-Lunatics INVENTED STORIES that IMPLIED we would all be dead by now ... for their own TWISTED and SUBVERSIVE reasons ... that had NOTHING TO DO with protecting the environment.

Furthermore, it is interesting to note that April 22nd, 1970, was the 100th anniversary of the BIRTH of VLADIMIR LENIN, the Russian revolutionary and COMMUNIST politician who led the October Revolution of 1917.

With Earth Day ...
Environmental-Terrorism will

NEVER

End

Protect the Environment
... or else !

April 22nd, 2009

I Hate The Media

Selected and Adapted Excerpts

1970 Earth Day (a.k.a. Lenin's birthday) was celebrated with loads of NEEDLESS, SENSELESS, and MALICIOUS HYSTERIA.

« *Carpe Diem* » reminds us that not only were most of the predictions WRONG, they were STUNNINGLY WRONG.

« *Carpe Diem* » is a phrase from a Latin poem by Horace that has become an aphorism — it is popularly translated as « *seize the day* ».

With Earth Day ...
Environmental-Terrorism will

NEVER

End

<< *We are in an environmental crisis which THREATENS THE SURVIVAL OF THIS NATION, and of the world as a suitable place of human habitation.* >>

— Barry Commoner. Enviro-Lunatic Biologist. Washington University.

<< *AIR POLLUTION is certainly going to take HUNDREDS OF THOUSANDS OF LIVES in the next few years alone.* >>

— Paul Ehrlich. Enviro-Lunatic Biologist. Stanford University. Announcing that the sky is falling.

<< *By [1975] some experts feel that FOOD SHORTAGES will have escalated the present level of WORLD HUNGER and STARVATION into FAMINES of unbelievable proportions. Other experts, more optimistic, think the ultimate food-population collision will not occur until the decade of the 1980s.* >>

— Paul Ehrlich. Enviro-Lunatic Biologist. Stanford University.

With Earth Day ...
Environmental-Terrorism will

NEVER

End

<< Population will inevitably and completely out-strip whatever small increases in food supplies we make. The DEATH RATE will increase until at least 100-200 MILLION PEOPLE PER YEAR will be STARVING TO DEATH during the next TEN YEARS. >>

— Paul Ehrlich. Enviro-Lunatic Biologist. Stanford University.

<< Demographers agree almost unanimously on the following grim timetable : by 1975 WIDE-SPREAD FAMINES will begin in India; these will spread by 1990 to include all of India, Pakistan, China and the Near East, Africa. By the year 2000, or conceivably sooner, South and Central America will exist under FAMINE conditions. By the year 2000, thirty years from now, THE ENTIRE WORLD, with the exception of Western Europe, North America, and Australia, will be in FAMINE. >>

— Peter Gunter. Enviro-Lunatic Professor. North Texas State University.

<< It is already TOO LATE to avoid MASS STARVATION. >>

— Denis Hayes. Chief Enviro-Lunatic Organizer for Earth Day.

With Earth Day ...
Environmental-Terrorism will

NEVER

End

<< *Scientists have solid experimental and theoretical evidence to support the following predictions : In a decade, URBAN DWELLERS WILL HAVE TO WEAR GAS MASKS TO SURVIVE AIR POLLUTION. By 1985 AIR POLLUTION will have REDUCED the amount of sunlight reaching earth by ONE HALF. >>*

— Life Magazine. January 1970.

<< *We are prospecting for the very last of our resources and using up the non-renewable things many times faster than we are finding new ones. >>*

— Martin Litton. Enviro-Lunatic Director. Sierra Club.

<< *Dr. S. Dillon Ripley, secretary of the Smithsonian Institute, believes that in 25 years, somewhere BETWEEN 75 AND 80 PERCENT OF ALL THE SPECIES OF LIVING ANIMALS WILL BE EXTINCT. >>*

— Gaylord Nelson. Enviro-Lunatic Senator.

With Earth Day ...
Environmental-Terrorism will

NEVER

End

<< *Man must stop pollution and conserve his resources, not merely to enhance existence but to save the RACE from INTOLERABLE DETERIORATION and POSSIBLE EXTINCTION.* >>

— New York Times Editorial. The day after the first Earth Day.

<< *CIVILIZATION WILL END WITHIN 15 OR 30 YEARS unless IMMEDIATE action is taken against problems facing mankind.* >>

— George Wald. Enviro-Lunatic Biologist. Harvard.

<< *At the present rate of NITROGEN BUILD-UP, it's only a matter of time before light will be filtered out of the atmosphere and NONE OF OUR LAND WILL BE USABLE.* >>

— Kenneth Watt. Enviro-Lunatic Ecologist.

With Earth Day ...
Environmental-Terrorism will

NEVER

End

<< *By the year 2000, if present trends continue, we will be using up CRUDE OIL at such a rate that THERE WON'T BE ANY MORE CRUDE OIL. You'll drive up to the pump and say, « Fill 'er up, buddy, » and he'll say, « I am very sorry, there isn't any. »* >>

— Kenneth Watt. Enviro-Lunatic Ecologist.

<< *The world has been CHILLING SHARPLY for about twenty years. If present trends continue, the world will be about four degrees colder for the global mean temperature in 1990, but eleven degrees colder in the year 2000. This is about twice what it would take to put us into an ICE AGE.* >>

— Kenneth Watt. Enviro-Lunatic Ecologist.

<< *We have about FIVE more years at the outside to do something.* >>

— Kenneth Watt. Enviro-Lunatic Ecologist.

With Earth Day ...
Environmental-Terrorism will

NEVER

End

Keep these predictions in mind when you hear the same predictions made today.

Enviro-Lunatics have been making the same predictions for over 50 years.

And the lunatics are going to continue making them until ...

well...

FOREVER.

Here we are, almost one-half century after the FIRST Earth Day, and ...

THE ECONOMY SUCKS, BUT THE ECOLOGY'S FINE.

In fact, this planet is doing a lot better than the planet on which those Enviro-Lunatics live.

The conclusion of the Washington Policy Institute is worth noting —

<< *By being sceptical about routine PORTENTS OF DOOM, we can stay focused on the REAL THREATS that face our planet, and on the reasonable and achievable actions we as a society can take to meet them.* >>

**Lunatics have been
WRONG
For Over 50 Years !**

At least ONE MALICIOUS ACT
of Lunatic-Environmental-Terror
Is Perpetrated EVERY SINGLE DAY

NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are HEALTH CANADA APPROVED, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
