Happy Holidays from

ANNIHILATED
the Professional
Lawn Care Industry

Happy Holidays from Canada's Prohibition-Terrorist-Organizations.

Have a Safe and Festive Holiday, even though we have now EXTENSIVELY DAMAGED the Professional Lawn Care Industry, ANNIHILATED most of its customers, thus ensuring that THOUSANDS of companies are now WORTHLESS.

Our LEGACY is DESTROYED ECONOMIES, HORRIBLE HARDSHIP, LOST JOBS, and WEAKENED COMMUNITIES.

It is our pleasure to extend a Season's Greetings and Best Wishes to you and your family, who now must face TERROR, DESPAIR, and DESTITUTION because of our CONSPIRACY to PROHIBIT pest control products that are otherwise FEDERALLY REGISTERED and SCIENTIFICALLY SAFE.

Thanks to our Prohibition-Terrorist-Organizations, we are all now living in THE 9/11 ERA OF ENVIRONMENTAL-TERRORISM.

Prohibition-Terrorist-Organizations CONSPIRE to IMPOSE ideas that are INTELLECTUALLY DECREPIT, DEPRAVED, DESPICABLE, and DEVOID OF ANY SOUND SCIENCE.

Our DEPRAVED INDIFFERENCE is DESPICABLY converting our communities into UNHAPPY, UGLY, UNEMPLOYED, UNENLIGHTENED, and UNHEALTHY ENVIRONMENTS.

We wish to thank those Trade Associations that have given us CONTINUED and UNSWERVING SUPPORT with their Enviro-Maniac Elected Officials and Staff, including Golf Canada (formerly Royal Canadian Golf Association) and Canadian Golf Superintendents Association.

May the New Year bring you good health, happiness, and joy ... who are kidding ... we also took all that away from the Lawn Care Industry.

In the New Year, we will continue to IMPOSE our TWISTED LIFE-STYLE CHOICES through COERCION, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, IMAGINARY DANGER, MISCONCEPTIONS, MYTHS, PARANOID CONSPIRACIES, THREATS, and TERROR.

No one should feel safe from us, because we are ENVIRO-LUNATICS !

Prohibition-Terrorist-Organizations

Operating in the 9/11 Era of Environmental Terror

In the following list, every single organization is infested with Environmental-Lunatic-Activists who have CONSPIRED to PROHIBIT pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

These organizations are NOT to be trusted.

These Prohibition-Terrorist-Organizations have been identified based upon Enviro-Lunatic activities, affiliations, statements, and whereabouts as of December 25th, 2010.

Not a single Enviro-Lunatic within these organizations has ANY recognized expertise, training or background in matters concerning pest control products or turf management.

The opinions of these Enviro-Lunatics are TOTALLY VALUELESS and UTTERLY WORTHLESS in matters concerning pest control products.

Historically, Enviro-Lunatics have compensated for their lack of expertise by CONCOCTING MYTHS, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, TERROR, and PARANOID CONSPIRACIES about pest control products.

Many of the following Prohibition-Terrorist-Organizations are mere garden clubs with cutesy titles. Many are operated by unemployed or unemployable housewives.

Many disappeared into obscurity when prohibition was legislated in the community, or once grant and tax-payer money was no longer available.

Many are FOR-PROFIT organizations that have collected millions of dollars.

NORAHG

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank us. It's a public service. And we are glad to do it.

HUE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Maniac Culprit is a misguided adversary, each still deserves our respect. The use of the terms Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Maniac Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUE is a term used to describe Enviro Maniac Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE.

HUE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Maniac Culprit Terrorist Basterd HUE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and workplace safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec.

Today, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully! Mr. Gathercole is now retired, although his name continues to appear as FOUNDER of Force Of Nature.
