Overview From An Independent Perspective

David Takayoshi Suzuki.

David Suzuki is the Non-Expert Enviro-Lunatic Fund-Raiser, Anti-Pesticide Alliance-Puppet-Master, Psychedelic Hippie, and Entertainer who operates David Suzuki Foundation.

David Suzuki holds a mere B.A. Honours in Biology and a mere Ph.D. in Zoology.

Suzuki has NO recognized expertise, training or background in matters concerning environmental issues and pest control products.

Actually, he is an MERE EXPERT IN FRUIT FLIES.

Here are David Suzuki's PERSONAL CREDENTIALS with Anti-Pesticide and Environmental-Terrorist Organizations that CONSPIRE to PROHIBIT pest control products —

- Chairman and Co-Founder — David Suzuki Foundation
- Honorary Board Member — Ecojustice Canada
- Honorary Board Member — Environmental Defence

David Suzuki Foundation was co-founded by Suzuki in 1991.

In 2011, as a result of his PERSONAL POLITICAL INTERFERENCE in the Ontario 2011 General Election, David Suzuki himself was QUIETLY FORCED TO STEP DOWN from the Board of Directors of David Suzuki Foundation.

Demands are now being made for David Suzuki to STEP DOWN as host of television programs produced by Canadian Broadcasting Corporation, including The Nature Of Things.

Observers have suggested that DAVID SUZUKI HATES PEOPLE [?!?!].

According to reports, Suzuki DOES NOT hate all people, and seems to LIKE PRETTY FEMALES who serve as his bodyguards.

However, David Suzuki has provided reasons for believing that HE HATES PEOPLE, at least certain types —

- Suzuki HATES GOLFERS and DESPISES THE GAME OF GOLF.
- Suzuki HATES HIS FANS by STARING AT THEM WOODENLY WITH ICY SILENCE.
- Suzuki HATES HUMANS because he believes they are MAGGOTS.
- Suzuki HATES SANTA CLAUS and RUINS CHRISTMAS FOR CHILDREN.
- Suzuki HATES EVERYONE IN THE LAWN CARE INDUSTRY, and has DESTROYED IT by RUINING BUSINESSES and PUTTING PEOPLE OUT OF WORK.

David Suzuki HATES People ?!?!

Certainly NOT Young Ladies, and Especially NOT Pretty Ones

When Suzuki Visited A Montreal College, He Asked For ... Female Body-guards.

We all know David Suzuki is a saint. [?!?!]

Especially now that he's 76, and refers to himself in the third person, as « *An Elder* ». [?!?!]

David Suzuki and his Foundation Director George Stroumboulopoulos

George Stroumboulopoulos is a Canadian television and radio personality on Canada's left-wing public television network, Canadian Broadcasting Corpo-ration (CBC).

Stromboulopoulos also SERVES ON THE BOARD OF DIRECTORS OF DAVID SUZUKI FOUNDATION.

William H. Gathercole & NORAHG | force.of.de.nature@gmail.com | Force Of Nature

David Suzuki HATES People ?!?!

Certainly NOT Young Ladies, and Especially NOT Pretty Ones

Recently, Suzuki told Stromboulopoulos —

> *I feel though, at my age, no one can accuse me of wanting more fame or power or money.* [?!?!]

That's what he says.

But what does he do ?

Suzuki's visit to a small junior college in Montreal in October 2012 paints a different picture.

To give a one-hour talk ...

SUZUKI BILLED THEM $30,000 PLUS EXPENSES.

Add in his airline ticket, his $841 hotel bill, a photographer and other costs, and the total hit for his visit was $41,640.

$41,640.

From a small, publicly funded school.

Suzuki also told Stromboulopoulos —

> *As I get older, my testosterone levels drop, and you know, I'm getting smarter because I'M NOT THINKING ABOUT SEX ALL THE TIME.*

That's a bit too much information, and there was some uneasy laughter when Suzuki said it.

But again, his visit to John Abbott College was instructive.

Suzuki had what rock stars call a « *rider* » — other conditions for having the great man visit.

Force of Nature

David Suzuki HATES People ?!?!

Certainly NOT Young Ladies, and Especially NOT Pretty Ones

Here is an exact quote from John Abbott College's Mary Milburn, in an e-mail obtained through access to information —

> *We have learned, via Dr. Suzuki's assistant, that although the Dr. does not like to have bodyguards per se, he does not mind having a couple of LADIES (FEMALES) that would act as body guards in order that he may travel from one venue to another without being accosted too many times along the way.*
>
> *Why females you ask ?*
>
> *Well, he is a male.*
>
> *No seriously, I believe it is his way of being discrete* [*SIC*] *and less intimidating.*

At least four other college staff received that e-mail.

And none of them said ...

> *That's Wrong.*

or

> *That's Sexist.*

or even

> *Sorry, Our Students Aren't Props.*

They complied.

They selected ladies — female ladies, as the memo made clear.

But Suzuki didn't just want to CHOOSE THEIR GENDER.

Force Of Nature

David Suzuki HATES People ?!?!

Certainly NOT Young Ladies, and Especially NOT Pretty Ones

He wanted to make sure they were PRETTY.

Here is another memo, from the college's Jim Anderson —

> *Please be certain that the women are NICELY DRESSED, we don't want them in evening gowns, but definitely NOT Police Tech uniforms.*

Milburn wanted Anderson to get personally involved in the procurement of the female ladies, TO VISUALLY INSPECT THEM FIRST —

> *Jim, have you SELECTED THE FEMALE STUDENTS TO ESCORT DR. SUZUKI ?*
>
> *Do you think I could set up a very brief meeting or SEE THEM at one of their classes ?*

But how would Suzuki's VIP-Day end ?

Another memo from Erich Schmedt to Milburn says students might just get a chance to BASK IN SUZUKI'S GREATNESS UP AT HIS HOTEL ROOM.

Here's the exact wording —

> *In terms of acknowledging their contribution after the tours are completed, WE WILL NEED TO GATHER THEM TOGETHER AT THE END TO EITHER GIVE THEM SOME BRIEF TIME WITH SUZUKI (which I will try to make happen, either by having him step out of the penthouse or enabling them to join the group in the sanctified air).*

Yeah.

COME UP TO THE HOTEL ROOM and GET SOME GRATITUDE.

Why did John Abbott College agree to such a CREEPY REQUEST ?

Force of Nature

David Suzuki HATES People ?!?!

Certainly NOT Young Ladies, and Especially NOT Pretty Ones

Why did they put so much time and effort into SELECTING GIRLS, and having them dressed just right, and even INSISTING THAT THE GIRLS BE SEEN BY UNIVERSITY ADMINISTRATORS IN ADVANCE ?

What the hell were they thinking ?

Do you think this is the first time Suzuki has made such requests — or just the first time they've been revealed ?

Suzuki HATES SANTA CLAUS and RUINS CHRISTMAS FOR CHILDREN.

Merry Christmas from Suzuki and his Horde of Anti-Christmas Buddhist-Basterds !

This is NOT the « *Right Wing* » talking.

Nor is this about « *Denying Climate Change* ».

It is about Christmas.

Since 2011, the type of Christmas being IMPOSED by David Suzuki has been both DEPRAVED and DISTURBING.

According to Suzuki advertisements and videos in 2011 ...

GIVE US MONEY OR SANTA CLAUS IS DEAD !

David Suzuki told kids that Santa Claus WILL DIE unless their parents GAVE HIM MONEY !

Moreover, observers became concerned about allowing Suzuki to set foot in a grade school — he may have been inclined to IMPOSE his Buddhist values on ten-year-olds, and could tell them that Santa Claus will DIE, or does not exist

As a Buddhist, Suzuki COULD NOT HAVE CARED LESS about children and Christmas.

David Suzuki knows as much about children and good cheer and Christmas as he does the environment.

We are living in the 9|11 Era of Environmental Terror created by Suzuki and his Horde of Christmas-Hating Maggot-Loving Buddhists-Basterds !

David Suzuki DOES NOT deserve ANY accolades.

Wishing Calamities At Christmas-Time

Not merely satisfied with trying to ruin Christmas for children, Suzuki wished CALAMITY to all those who celebrate the holiday season.

On December 7th, 2011, David Suzuki had DEPRAVED SUGGESTIONS to STIMULATE THE ECONOMY during the holiday season —

> *Here are some other ways you can help KEEP THE ECONOMY STRONG.* […]
>
> *YOU COULD HAVE A CAR ACCIDENT.* [?!?!]
>
> *That would mean money spent on repairs, insurance, investigations, and maybe even a new car.*
>
> *YOU COULD GET A DIVORCE.* [?!?!]
>
> *All that money spent on lawyers and court services is good for the economy.*
>
> *On a larger scale, YOU COULD HOPE FOR A MASSIVE OIL SPILL.* [?!?!]
>
> *Clean-up costs contribute to a growing economy.*
>
> *Forget about protecting a forest or conserving a wetland, though.*
>
> *Ducks and bears don't spend money.*
>
> […]
>
> *We need something bigger — a WAR perhaps.* [?!?!]
>
> *That would get money flowing.*

>
> *We won't be any happier and we won't be healthier — quite the opposite.*
>
> *But the economy will be stronger. And that's all that counts, right ?*

Suzuki eventually got serious and said —

> *We need a new way of looking at what it means to live well within the Earth's natural systems.*
>
> *We need to consider what we truly need to be happy and healthy.*

Staring Woodenly At Fans With Icy Silence

Suzuki HATES HIS FANS by STARING AT THEM WOODENLY WITH ICY SILENCE.

Hey Suzuki — sorry about the 20-year misunderstanding.

> *Fame is a mask that eats the face.*
>
> — John Updike

Shall I tell you why I don't like David Suzuki ?

First, I'll tell you why I do like Edie Falco.

Then I'll tell you about my Suzuki aversion.

Edie Falco ?

You know her — Carmela. Carmela Soprano.

She of the spun-candy hairdos, the eagle talon fingernails and the Joisey accent.

The Sopranos is now TV history and so is Carmela.

Tony Soprano's wife has moved on to a new TV series called Nurse Jackie.

I haven't seen an episode of Nurse Jackie, but I'm betting that when I do I won't catch a whiff of mafia mama in Falco's performance.

I'm guessing I'll barely recognize her.

That's not because of the cosmetic makeover — it's because she's such a fine actor.

Force Of Nature

Staring Woodenly At Fans With Icy Silence

Call it stage presence, or charisma, or just the IT factor — but when the TV camera pans over to Edie Falco, she owns it.

The rest of the cast might as well break for lunch.

And now I'll tell you WHY I NEVER FELT MUCH WARMTH FOR DAVID SUZUKI.

It's because of something I witnessed at a luggage carousel in Vancouver airport about 20 years ago.

I was at the tag end of a late night flight from Toronto waiting for my bags to be regurgitated.

So were about 30 other passengers, among them David Suzuki.

Well, it happens, right ?

How many times have you been on an airplane or at a train station when some NHL star or Ottawa politico or TV luminary practically bumps into you ?

Happens often enough.

The correct procedure is just to go about your business — maybe fire off a little smile of recognition, but that's it.

We're not in LA or on West Broadway.

This is Canada, eh ?

We don't fuss.

Except this time, somebody did.

force of nature

David Suzuki HATES People ?!?!

Staring Woodenly At Fans With Icy Silence

An earnest, middle-aged, middle-class guy walked up to Suzuki beaming.

He was clearly in awe.

He told Suzuki how much he enjoyed his work and how he thought Suzuki was a Great Canadian.

And SUZUKI STONED HIM.

Just stood there, STARING WOODENLY, waiting for the guy to stop talking and go away.

After a few seconds of ICY SILENCE, the unabashed admirer got the message and slunk off.

IT WAS NOT A NICE THING TO WITNESS.

Though it was none of my business, IT PISSED ME OFF.

Sure, the fan was pushing the boundaries, but he meant no harm.

In any case, it coloured my opinion of one of Canada's most illustrious citizens.

Is David Suzuki a Maggot-Loving People-Hating Buddhist-Basterd ?!?!

Right up until I read an interview with the aforementioned Edie Falco.

She was talking to a reporter about her old TV series and what was good about it.

And what was not so good about it.

Force of Nature

David Suzuki HATES People ?!?!

Staring Woodenly At Fans With Icy Silence

The Sopranos was only on the air for six years but it embedded Carmela Soprano's face onto the brainpans of hundreds of millions of people —

> *It's hard for me to have so many people know me.*
>
> *I'm a private person.*
>
> *But people are going, « Oh my god — it's you ! », and they want some kind of equally excited response.*
>
> *I used to feel obligated to join them.*
>
> *I'm feeling less obligated now, and I'm afraid it makes me come across as being cold or unkind or ungrateful, which is not the case.*
>
> *It's just a way of holding on to your selfness.*

Yeah.

I guess I never thought of that.

Bob Dylan is both more famous and blunter about celebrity —

> *Just because you like my stuff doesn't mean I owe you anything.*

Good point.

And Suzuki ?

Sorry about the 20-year misunderstanding, man.

Not that I'll be coming up to you at the luggage carousel to apologize.

David Suzuki Goes On Weeklong Pollution Bender

Uhhhnnn, What Have I Done ?

Canadian environmentalist David Suzuki, known for his activism on global climate change, was discovered earlier this week passed out near a private jet in Cape St. Mary's Ecological Reserve in Newfoundland, following a week-long pollution bender.

« *Uhhhnnn, what have I done ?* » a confused and very haggard looking Suzuki reportedly said after waking up next to former British Petroleum CEO Tony Hayward.

Hayward's tenure ended in 2010 due to his weak management of the Deepwater Horizon Oil Spill.

« *Where am I ? Why is Tony next to me ? Oh no, it's happened again.* »

According to sources close to the 72-year-old Vancouver resident and advocate for environmental responsibility, Suzuki had met with friends from his college days last Friday night.

At one point in the evening, when he couldn't find a trash-can for his falafel wrapper, Suzuki was coerced into tossing it onto the sidewalk, setting the stage for the kind of massive pollution bender that, as Suzuki would be the first to say, will one day help bring on the planet Earth's demise.

« *I think I poured oil into a lake* », the disoriented Suzuki said while scanning through photos on a digital camera.

« *Oh god, there I am dumping batteries in a salmon hatchery to increase their mercury content.* »

Within hours of embarking on his bender, witnesses reported seeing Suzuki joyriding a Hummer down the Trans-Canada Highway while spraying aerosol cans out the window.

« *I think he even had the air conditioning on* », said a shocked Trisha Dawes.

William H. Gathercole & NORAHG | force.of.de.nature@gmail.com | Force Of Nature

Uhhhnnn, What Have I Done ?

But Suzuki's actions only escalated from there, culminating in him personally lobbying the Harper government for further exploitation of Canada's oil sands while drinking from a plastic bottle of water.

Scientists have scrambled to gauge the implications of the bender.

« We're still not exactly sure what the impact of Suzuki 2012 will be on the long term health of the environment » said Dr. Marvin Gruen of the Sierra Club.

« Unfortunately the guy who might be able to answer that question the best is sleeping off a pretty brutal coal hangover right now. »

Through his POLITICAL INTERFERENCE and SUBVERSIVE CONSPIRACIES, Suzuki has given the FALSE AND FRAUDULENT IMPRESSION that children and adults are somehow being exposed to harmful agents whenever a pest control product is used.

Suzuki has RIDICULOUSLY IMPLIED that his NON-EXPERT ASSESSMENT concerning pest control products is somehow being withheld from Health Canada and EVERY other regulatory agency in the world.

In fact, INDISPUTABLE AND CONCLUSIVE SCIENTIFIC RESEARCH shows that, as reported through Health Canada's VAST TOXICOLOGY DATABASE, NO HARM WILL OCCUR when pest control products are used according to label directions.

Because of Suzuki's Anti-Pesticide CONSPIRACIES, DAMAGES to the Professional Lawn Care Industry have been EXTENSIVE AND DESTRUCTIVE because there are NO valid economical alternatives to replace the prohibited products.

Consequently, Professional Lawn Care Companies have been UNABLE to provide adequate weed and insect control, and were UNABLE to keep their customers satisfied.

David Suzuki HATES GOLFERS and DESPISES THE GAME OF GOLF.

He is trying to OBLITERATE GOLF FACILITIES and THROW GOLF INDUSTRY WORKERS INTO UNEMPLOYMENT.

David Suzuki wants to DESTROY THE GOLF INDUSTRY just as he DESTROYED businesses operating in the Professional Lawn Care Industry.

The #@!!% Suzuki Activist-Basterds have called on ALL PROVINCES TO EXPAND PESTICIDE BANS TO ALL GOLF COURSES.

Suzuki has also stated that he DOES NOT WANT ANY EXCEPTIONS FOR THE GOLF INDUSTRY.

Suzuki DEMANDS NEEDLESS, SENSELESS, and MALICIOUS PROHIBITIONS against pest control products used by the Golf Industry.

Quebec's Anti-Pesticide PROHIBITION is still the best model for regulating pest control products, according to Suzuki.

Under existing Quebec legislation, Golf Facilities must submit RIDICULOUS PESTICIDE-USE REDUCTION PLANS every three years.

In British Columbia, the Golf Industry is on a COLLISION COURSE with Golf-Hating Politicians and Activists like Suzuki who want to OBLITERATE ALL GOLF FACILITIES.

For example, Suzuki may succeed in DESTROYING Langara Golf Course.

Beginning in 2012, the City of Vancouver Board of Parks and Recreation proposed that half or all of one of its Golf Facilities like Langara Golf Course be SHUT DOWN to make room for park space.

Vancouver Mayor Gregor Robertson is CONTROLLED by Tides Canada.

Despite the PRO-ACTIVE and ENVIRONMENTALLY-FRIENDLY ACTIONS performed by Golf Facility Officials, LANGARA GOLF COURSE IS STILL DOOMED BECAUSE OF DAVID SUZUKI AND GREGOR ROBERTSON.
