NORAHG Responds Against The Mis-Use Of Canadian Paediatric Society's Discredited Article By Meg Sears And Her Co- Conspirators – 2014 09 24 – Gideon Forman

September 23, 2014 WILLIAM H. GATHERCOLE AND NORAH G

2,4-D Herbicide And The Subversive Conspiracy To Impose Reckless And Arbitrary Prohibition Against This Safe And Effective Pest Control Product

**Meg Sears' Article
That Attacks 2,4-D
Herbicide Has Been
Disowned, Discredited,
And Refuted By Canadian
Paediatric Society**

FORCE OF NATURE | THE WHOLE TRUTH FROM AN INDEPENDENT SOURCE FROM
National Organization Responding Against HUIE that seek to ban the safe and effective herbicide (NCRAMG)

NORAHG RESPONDS AGAINST THE MIS-USE OF CANADIAN PAEDIATRIC SOCIETY'S DISCREDITED ARTICLE BY MEG SEARS AND HER CO-CONSPIRATORS

ANTI-PESTICIDE LUNATICS ARE TRUTH-CHALLENGED LIARS WHEN REFERENCING THIS DISCREDITED ARTICLE

Any Anti-Pesticide Lunatic who uses the Canadian Paediatric Society in order to somehow validate the agenda against pest control products is a TRUTH-CHALLENGED LIAR and is MISLEADING THE PUBLIC.

Anti-Pesticide Lunatics' UNAUTHORIZED, INCESSANT, AND CONTINUOUS REFERENCING of the Canadian Paediatric Society (CPS) began in 2007, and continues to this day.

These lunatics are TRUTH-CHALLENGED LIARS !

In fact, the Canadian Paediatric Society DOES NOT HAVE ANY POSITION STATEMENT ON THE SO-CALLED HEALTH RISK OF PEST CONTROL PRODUCTS.

For Anti-Pesticide Lunatics, the Canadian Paediatric Society is THE FALSE CORNERSTONE of their CONSPIRACY to PROHIBIT against pest control products used in the Urban Landscape.

These lunatics are IRREFUTABLY DISCREDITED !

Anti-Pesticide Lunatics have RAMPANTLY ABUSED the Canadian Paediatric Society across the nation, from Newfoundland to British Columbia.

These lunatics are TRUTH-CHALLENGED and they are LIARS.

The Canadian Paediatric Society does NOT have a position because its volunteer committees, which raise policy issues, have never brought concerns about pest control products to the CPS board.

However, the Canadian Paediatric Society does have policies on banning children from tanning salons and preventing snowboarding injuries.

Observers have concluded that Anti-Pesticide Lunatics are TRUTH-CHALLENGED LIARS by IMPLYING that the Canadian Paediatric Society somehow supports Anti-Pesticide PROHIBITION.

However, by implication, observers have further concluded that Anti-Pesticide Lunatics are TRUTH-CHALLENGED LIARS for virtually ALL of their UNSCIENTIFIC ALLEGATIONS AND CONCOCTED STORIES against pest control products.

The Canadian Paediatric Society is a national trade association of paediatricians, committed to working together to advance the health of children and youth by nurturing excellence in health care, advocacy, education, research and support of its membership.

Anti-Pesticide Lunatics are attempting to PORTRAY the Canadian Paediatric Society as an Anti-Pesticide & Environmental-Terrorist Organization, WHICH IT IS NOT !

As a voluntary professional trade association, the Canadian Paediatric Society represents more than 3,000 paediatricians, paediatric sub-specialists, paediatric residents, and other people who work with and care for children.

Meg Sears and her other Lunatic Co-Conspirator Authors, are NOT even competent enough to be allowed as members of the Canadian Paediatric Society.

The Canadian Paediatric Society is NOT governed by an agenda against pest control products.

In April 2006, the Canadian Paediatric Society BLUNDERED by ASSUMING that Meg Sears, and other Lunatic Co-Conspirators, were somehow reputable authors.

It, unfortunately, published her short article, entitled Pesticide Assessment – Protecting Public Health On The Home Turf, in the Journal Of Paediatrics & Child Health, which is the trade journal of the Canadian Paediatric Society.

Meg Sears' article that attacks 2,4-D Herbicide has since been DISOWNED, DISCREDITED, AND REFUTED by Canadian Paediatric Society. (See later segment.)

It was NOT written by Canadian Paediatric Society, and it NEVER REFLECTED the opinion of Canadian Paediatric Society.

Canadian Paediatric Society has OFFICIALLY STATED that it MUST NOT BE CITED with this article.

And yet Anti-Pesticide Lunatics persist in the UNAUTHORIZED, INCESSANT, AND CONTINUOUS REFERENCING of this DISCREDITED ARTICLE.

Canadian Paediatric Society has communicated this position to Anti-Pesticide Lunatics like Gideon Forman, who has, more than most, VIOLATED AND IGNORED requests by the Canadian Paediatric Society to STOP REFERENCING this DISCREDITED ARTICLE ! (See later segment.)

Moreover, Meg Sears and her other Lunatic Co-Conspirator Authors had ABSOLUTELY NO competent expertise, recognized training, or background, in matters concerning pest control products.

Their opinions in the article were TOTALLY VALUELESS and UTTERLY WORTHLESS in matters concerning pest control products.

Moreover, Meg Sears and her other Lunatic Co-Conspirator Authors, have NO affiliation with Canadian Paediatric Society.

Furthermore, the April 2006 article was an ASSESSMENT (i.e. a judgment based upon a mere motivation to validate the agenda against pest control products).

It was NOT the result of ANY scientific research.

It was FAR FROM BEING INDEPENDENT AND UNBIASED.

It was a PRE-MEDITATED ACT OF ANTI-PESTICIDE SUBVERSION BASED UPON POLITICIZED AND JUNK SCIENCE !

Not surprisingly, the two primary authors of the April 2006 article were/are PERSONALLY ALLIED with Anti-Pesticide & Environmental-Terrorist Organizations.

Finally, the April 2006 article focused ONLY on the HATED herbicide 2,4-D.

It DID NOT focus on ALL pest control products used by the Professional Lawn Care Industry in the Urban Landscape.

2,4-D Herbicide has been used for the control of broad-leaved weeds in the Urban Landscape since 1946.

Meg Sears, and her other Lunatic Co-Conspirator Authors, ATTACKED 2,4-D, an ingredient that has a 70-YEAR UNBLEMISHED SAFETY RECORD REGARDING LONG-TERM RISK TO HEALTH. (See later segment.)

ANTI-PESTICIDE LUNATICS ARE TRUTH-CHALLENGED LIARS WHEN REFERENCING THE DISCREDITED ARTICLE BY MEG SEARS AND HER CO-CONSPIRATORS !

Meg Sears Is An Anti-Pesticide Lunatic Who Subversively Conspires With Other Terrorist-Jihadists To Impose Reckless And Arbitrary Prohibition Against Pest Control Products

**Meg Sears Has Been
UTTERLY And TOTALLY
DISCREDITED**

Communities and businesses are being HARMED and DESTROYED and RAPED by LUNATICS who ARBITRARILY AND RECKLESSLY IMPOSE PROHIBITIONS against pest control products used in the Urban Landscape, and who PERPETRATE OTHER ACTS OF ENVIRONMENTAL TERRORISM.

We are living in the 9|11 Era of Anti Pesticide and Environmental Terrorism where at least ONE SUBVERSIVE ACT OF TERROR is perpetrated EVERY SINGLE DAY by LUNATICS.

A LUNATIC is a person whose actions and manner are marked by extreme recklessness.

The RECKLESS ACTS OF SUBVERSION by these LUNATICS has led to the ARBITRARY IMPOSITION of Anti-Pesticide PROHIBITION in several jurisdictions throughout North America.

The result was CATASTROPHIC CARNAGE !

Because of Anti-Pesticide PROHIBITION, provinces like Ontario now have a TRAIL OF ECONOMIC DESTRUCTION WITH HUNDREDS OF SMALL BUSINESSES DESTROYED and THOUSANDS OF PEOPLE OUT OF WORK, a MORE DANGEROUS OUTDOOR ENVIRONMENT, and a BLACK MARKET IN PESTICIDES.

Only TRUE LUNATICS would wish to create a TRAIL OF ECONOMIC DESTRUCTION WITH HUNDREDS OF SMALL BUSINESSES DESTROYED and THOUSANDS OF PEOPLE OUT OF WORK.

Because of these LUNATICS, we are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

An informed public is better able to protect itself and its communities and businesses from so-called activists (a.k.a. LUNATICS) who are THE LEAST QUALIFIED TO PROVIDE ANY ADVICE about pest control products or the environment.

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space and other industries, and the well-being of our communities.

NORAHG morally represents the [VAST SILENT MAJORITY](#) of people associated with turf and ornamental plant maintenance who are OPPOSED to LUNATICS and their Anti Pesticide PROHIBITIONS, resulting in the CLOSURE or ABANDONMENT of green spaces under the RIDICULOUS PRETEXT CONCOCTED BY LUNATICS of somehow « *saving* » the environment.

NORAHG is a NATIONAL NON-PROFIT NON-PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting PESTICIDE FREE FAILURES, as well as the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

NORAHG busts the [THE MYTHS ABOUT BANNING PESTICIDES](#).

NORAHG responds on behalf of the [VAST SILENT MAJORITY](#) of THE PUBLIC THAT DOES NOT WANT PESTICIDE BANS, and SUPPORT those who work in the Professional Lawn Care Industry, the Golf Industry, and the Agriculture Industry.

NORAHG is opposed to PESTICIDE FREE jurisdictions where LUNATICS have DOOMED CHILDREN to SUFFER INJURIES since Anti-Pesticide PROHIBITION inevitably leads to public and residential green spaces that become DANGEROUS AND PEST-INFESTED GARBAGE DUMPS.

Go to the following links ...

[ANTI-PESTICIDE PROHIBITION DESTROYED GREEN SPACES](#)

[PESTICIDE BANS MADE OUR GREEN SPACES LOOK #@!!% UGLY – PHOTO GALLERY](#)

[EMERALD ASH BORER – SAFE & EFFECTIVE INSECTICIDES VERSUS CHAIN SAWS](#)

NORAHG is concerned that, because of PESTICIDE FREE MAINTENANCE of parks and sports fields, CHILDREN ARE AT HIGHER RISK OF SUFFERING INJURIES with [DANGEROUS PLAYING SURFACES CREATED BY #@!!% PESTICIDE BANS](#).

NORAHG pledges to deliver comprehensive reports that are worthy of peoples' time and of peoples' concern, reports that might ordinarily never have breached the parapet.

NORAHG was the brainchild of William H Gathercole and his colleagues in 1991. Mr Gathercole is now retired, although his name continues to appear as founder.

Force Of Nature was launched by NORAHG for CONTINUOUS transmission on the Internet on January 1st, 2009 — however, the VERY FIRST Stand-Alone FORCE OF NATURE Report was issued on September 19th, 2008.

On March 15th, 2010, Uncle Adolph independently launched The Pesticide Truths, an easy-to-use Web-Site that collects relevant reports of information right-off-the-press.

Pesticide Truths and Force Of Nature, in some ways, are like Google for everything concerning the SUBVERSIVE ACTIVITIES of Anti-Pesticide and Enviro-Lunatic Terrorists.
