The Force Of Nature Library of Reports

*Always dream and shoot higher than you know you can do.
Don't bother just to be better than your contemporaries or predecessors.
Try to be better than yourself.*

— William Faulkner

The Force Of Nature organization and its various forerunners have followed the evolution of LUNATIC ENVIRONMENTAL-TERRORISM for over a quarter century, as early as 1982.

Force Of Nature Reports are THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUIE that seek to harm the Green Space Industry (NORAHG). Don't thank us. It's a public service. And we are glad to do it.

The Force Of Nature Library of Reports contains PESTICIDE TRUTHS and OTHER FACTS with Library, History, Links, News, and Videos destined for the Green Space Industry, the Environmental-Terror-Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas.

Many FON Reports provide a sequence of historical events WITH COMMENTARY, the neutrality of which might be disputed.

It is a LINK DATABASE created to support efforts to fight and exterminate the Environmental-Lunatic-Vermin with reports developed for the education and entertainment of the reader.

Environmental-Lunatic-Vermin, or HUJE, are Lying Sacs of Cwap who rely of Junk Science, Fear-Mongering, and Terrorism to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with the use of conventional pest control products that are otherwise SCIENTIFICALLY SAFE for health and environment.

Force Of Nature Reports were launched for CONTINUOUS transmission on the Internet on January 1st, 2009. However, the VERY FIRST Stand-Alone Force Of Nature Report was issued on September 19th, 2008.

By early 2009, the reports were released no more than five times per week, but by August 25th, 2009, Force Of Nature was produced on a DAILY basis.

On March 15th, 2010, Uncle Adolph independently launching the Blog-Site called Pesticide Truths, for the posting of information right-off-the-press.

<http://uncleadolph.blogspot.com/>

Uncle Adolph is an organization that operates INDEPENDENTLY from NORAHG and Force Of Nature, and its activities are restricted to posting and archiving.

By May 27th, 2010, Uncle Adolph expanded Pesticide Truths to a SECOND Blog-Site, and independently acquired the rights to archive The ENTIRE Force Of Nature Library of Reports through a Link Database called Scribd. <http://pesticidetruths.com/> **66,000+**

Excerpts — Science Truths —

« *The report by Parks (and Recreation) is clearly stating there is NO reason to go down this road, unless you want to dramatically increase expenditures, FOR ABSOLUTELY NO MEASURABLE GAIN IN HEALTH.* »

« *Clearly, this issue is governed by Health Canada, the PMRA, the federal government.* »

« *I don't that you have the right to say to us, the citizens of Edmonton, that we can't use legal products.* »

« *Nobody disputes an urban landscape's benefit to the public health, mentally and physically. What's wrong with having a beautiful lush green lawn. When did that become a criminal offence to enjoy and have pride in your property ?* »

« *I pay my taxes. I expect the city to STAY OUT OF MY YARD, unless you're invited for a Bar-B-Q.* »
