AVICC is pleased to announce that Dr. Ralph Nilson will be featured as the Keynote Speaker on Friday, April 3rd. Dr. Nilson brings years of experience that has taken him to many locations across Canada.

AVICC is very excited about this opportunity to build a relationship with the University of Vancouver Island. We look forward to Dr. Nilson's presentation.

Annual Report and Resolutions Book

We are pleased to advise that the 2009 Annual Report and Resolutions Book was mailed to all members on March 6th. If you have not received your copies, please contact Eydie Fraser at (250) 356-5133. This report contains the 2009 resolutions received by the deadline, responses received to date to endorsed 2008 resolutions, the nominations received by the deadline, resolutions procedures, membership list, a list of Life Members, the AVICC Constitution and bylaws.

VAGUELY VEGAS – SATURDAY NIGHT ENTERTAINMENT

Tom Watson seamlessly takes you on a fast-paced journey through time parodying some of the memorable entertainers from the 50's – 70's. Roy Orbison, Neil Diamond, Sonny & Cher, Tom Jones, Elvis, Tina Turner and the Village People – all performed by Watson – each appear in full costume singing one or two of their most famous hits.... a tribute aimed at the funnybone.

The deluxe option includes two real girls that brings Marilyn, Aretha Franklin, Nancy Sinatra, ABBA, Cyndi Lauper and the Blue Brothers to the show. Every character is high energy and interactive. You'll see Marilyn audition an audience member for her new movie, Aretha finally get the Respect she deserves, Nancy's boots are walkin', the girls from ABBA fight over a "victim", of course Cyndi Lauper just wants to have fun, and the Blue Brothers are looking for "soul-mates".

Vaguely Vegas packs a lot of entertainment and laughter into one show.

The evening will conclude with a DJ spinning tunes for those who want to stay and dance the evening away.

AVICC Page

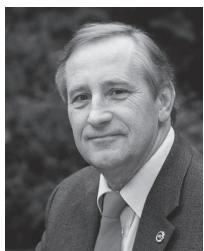

In April we'll be getting together in Nanaimo. This will be an opportunity to reunite with old friends and meet new ones. It's a genuine pleasure to welcome all the welcome to all the newly elected folks.

You will see from the resolutions submitted that there are a wide variety of topics to be discussed and debated. Issues affecting local government, in particular are always our major focus.

Following at the UBCM convention in Penticton I was appointed to the First Nations Relations Committee and Vice Chair of the Community Economic Development Committee. The 2008 local government election results left UBCM with six vacancies on the Executive and I am pleased to advise that Mayor Christopher Causton has been appointed to fill one of the vacancies. Mayor Causton has been appointed to the Resolutions Committee and the Community Safety Committee. Greater AVICC presence on the Board of UBCM is critical and I encourage our membership to support AVICC nominees in the upcoming UBCM elections.

In the fall of 2008 the Executive met with

Mayor Barry Janyk
AVICC President

the Minister of Forests to discuss the deep concerns of our forest dependent communities and the impact of the demise of the forest industry on every one of our communities. As a result AVICC is hosting a Forestry Forum just prior to the convention to further consider the findings of the Provinces' Roundtable on Forestry. I urge everyone to attend and work together to find the answers we need to thrive once again.

Eydie has been working closely with staff from the City of Nanaimo and the Vancouver Island Conference Centre staff to ensure that you are provided with a full weekend on April 3, 4 and 5th, which will allow you to talk to, learn from and relax with your fellow delegates.

The full AVICC Executive looks forward to seeing you at the 2009 convention in Nanaimo.

NOMINATIONS AND ELECTION PROCEDURES AND REPORT FOR THE AVICC EXECUTIVE

The ongoing administration and policy determination of the AVICC is governed by an 8-person Executive Board that is elected and appointed at the Annual Convention.

THERE ARE SEVEN ELECTED POSITIONS: NOMINATING COMMITTEE REPORT

President
First Vice-President
Second Vice-President
Director at Large (3 positions)
Electoral Area Representative

THERE IS ONE APPOINTED POSITION:

Immediate Past President

NOMINATION PROCESS AND QUALIFICATIONS FOR OFFICE

The Executive has introduced a process whereby a notice of the AVICC Executive positions open for nomination. The process and the procedures for nomination was circulated to all members.

That notice stated that a candidate must be nominated by two elected officials of an AVICC member local government. The candidate must be an elected official of an AVICC member.

Background information for Candidates was made available on request and set out the main responsibilities and commitments of an AVICC Executive member.

A nomination and consent form was available and was to be used for all nominations in advance of the AGM.

NOMINATING COMMITTEE - is appointed under the provisions of the AVICC Constitution and is appointed by the President.

The Nominating Committee is responsible for overseeing the nominating and election process and is appointed by the AVICC President and is composed of two members of the Executive. This year's Committee is composed of:

Past President, Rod Sherrell, Chair
AVICC Executive Coordinator, Eydie Fraser

It is part of the duties of the Nominating Committee to review the credentials of each candidate. A Report on Nominations including, at the candidate's option, a photo and 300-word biography will be prepared under the direction of the Nominating Committee and distributed in the Pre Convention Newsletter.

The Nominating Committee is responsible for reporting to the full Annual Meeting. The Nominating Committee does not make recommendations.

They will report on Friday, April 3rd 2:15 p.m. on nominations received for positions of President, First Vice-President, Second Vice-President, three Directors at Large and Electoral Area Representative.

While the nomination process has been expanded, it will not change the process where candidates can be nominated off the floor at the Convention. That process remains in place. The changes outlined above provide for those that are interested in seeking office to be directly nominated prior to the Convention without the "sanction" of a Nominating Committee.
