# Enviro Terror NEVER Ends !

## Despicable Enviro-Maniac Death Wish

### Enviro-Maniac Editor Says Skeptics Should Commit Suicide

---

June 28<sup>th</sup>, 2010

Steven Milloy

JunkScience.com Update

A Daily Kos contributing editor has suggested that « *Steve Milloy and his buddies* » COMMIT SUICIDE OR BE EUTHANIZED apparently for the crime of opposing global warming alarmism.

Amid a rant on his Examiner.com blog about skeptics « *carpet-bomb[ing] newspaper editorial pages with climate change disinformation* », Steven Alexander, who writes for Daily Kos under the nom-de-plume « *Darksyde* », wrote that,

... if only Milloy and his buddies could check into one of the [ Soylent Corporation's ] lovely medical suites for a short nature movie and a glass of wine ...

The reference is to the assisted SUICIDE SCENE in the 1973 movie *Soylent Green*, starring Charlton Heston.

[ See the next segment for another Heston film reference. ]

The Clarity Digital Group, which owns Examiner.com, removed the offensive posting immediately upon notification.

# Enviro Terror NEVER Ends !

## Despicable Enviro-Maniac Death Wish

*God help us all if  
Enviro-Maniacs prevail*

Former Washington Post reporter David Weigel was recently FIRED from the paper for privately writing on the Journalist listserv that Matt Drudge should « ... set himself on fire ».

Now Alexander has publicly wished a similar fate for climate skeptics.

If you wonder why the skeptics fight so vigorously against the greenshirts, the sort of INTOLERANCE exhibited by Alexander over a mere difference in opinion is one reason.

God help us all, if they prevail.

# Enviro-Maniacs ... God damn you all to hell !

The Death Wish uttered against Steven J. Milloy has reminded observers what the actor Charlton Heston said in the 1968 film « *Planet Of The Apes* ». At the conclusion of the film, Heston was understandably upset about the fact that our world had been destroyed with nuclear weapons — « *You finally really did it ! You maniacs ! You blew it up ! God damn you ! God damn you all to hell !* »

Environmental-Terror-Maniacs are « *blowing up* » our society, and NO ONE is safe.

We are now NOT ONLY living in THE ERA OF 9/11, we are also witnessing THE SIEGE OF ENVIRONMENTAL-TERRORISM.

Environmental-Terror-Maniacs THIRST for BRUTAL REVENGE against their critics — they THREATEN them with IMPLIED ASSASSINATION, VANDALIZE their property, and have them TERMINATED FROM EMPLOYMENT. No one should feel safe from these MANIACS !

Environmental-Terror-Maniacs CONSPIRE to IMPOSE ideas that are INTELLECTUALLY DE-CREPIT, DEPRAVED, DESPICABLE, and DEVOID OF ANY SOUND SCIENCE.

Their DEPRAVED INDIFFERENCE is DESPICABLY converting our communities into UNHAPPY, UGLY, UNEMPLOYED, UNENLIGHTENED, and UNHEALTHY ENVIRONMENTS.

Environmental-Terror-Maniacs IMPOSE their ideas through COERCION, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, MYTHS, PARANOID CONSPIRACIES, THREATS, and TERROR. No one should feel safe from these MANIACS !

Environmental-Terror-Maniacs are DISGUISED as doctors, environmentalists, journalists, nurses, and politicians. They HIDE behind Environmental-Terror-Organizations, or Enviro-Shields like media outlets, in an attempt to mask their EXTREMIST RADICAL TERRORIST VIEWS, and to maintain their image as moderate professionals who seemingly protect health and environment. No one should trust these MANIACS !

Environmental-Terror-Maniacs need to be taught a lesson once and for all. Otherwise, someday, these « *maniacs* » will completely « *blow up* » our society. Let them feel the TERROR of our court system ! These people have helped reinforce the belief that the Environmental-Terror-Movement is operated by so-called WHACK-JOBS.

No one should feel safe from these MANIACS ! « *God damn you all to hell !* »

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against Huje that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed.

# O

Huje is a term used to describe Enviro Maniac Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing that families are in some NON-EXISTENT danger with conventional pest control products. Huje also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS prohibition of FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACEABLE, and ABSOLUTELY INDISPENSABLE conventional pest control products.

All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicity, or press release. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. Don't thank us. It's a public service. And we are glad to do it.

# R

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his entourage. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from MCGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in public affairs, workplace safety, and environmental compliance. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority. Mr. Gathercole is now retired from Force Of Nature, although his name continues to appear as the FOUNDER. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status, that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE — hopefully ! For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of Environmental Terror for the entire Modern Green Space Industry across Canada. Mr. Gathercole's involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson, Quebec. Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair.

# A

Mr. Gathercole and his entourage have followed the evolution of ENVIRONMENTAL TERRORISM for over a quarter century. Through Force Of Nature, Enviro Maniac Activist Huje are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Maniac Culprit is a misguided adversary, each still deserves our respect. The use of the terms Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force Of Nature is simply holding Enviro Maniac Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry. Their pretentious prohibitionist rants have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Maniac Culprit Terrorist Basterd Huje is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.
