Profit and Power-Hungry Lunatics Get More Money For Lying and Terrorizing !

The City of New York is the most populous city in the United States, with over 8,000,000 people (including Spider-Man).

New York exerts a significant impact upon art, education, entertainment, fashion, finance, global commerce, media, research, technology.

And now, Lunatic-Environmental-Terrorism.

MICHAEL RUBENS BLOOMBERG is Mayor of New York City, as well as a businessman, politician, and philanthropist with a WHIMSICAL FANCY to support NON-EXPERT TAX-EXEMPT Environmental-Terrorist-Organizations.

Bloomberg is also the 13th-richest person in the United States, with a net worth of over 18 billion dollars in 2011.

This FLIGHTY BILLIONAIRE DONATED FIFTY MILLION DOLLARS TO SIERRA CLUB.

50 MILLION DOLLARS !

Fifty million dollars to a known Environmental-Terrorist-Organization.

Should U.S. States That Produce Coal BOYCOTT the City of New York ?

Basically, Enviro-Lunatic Bloomberg declared war against states that produce coal by donating 50 million dollars to NON-EXPERT TAX-EXEMPT Sierra Club to support its effort to stop coal-fired electricity generation.

Will coal states and their residents take this lying down ?

As hailed by the New York Times editorial board —

Mr. Bloomberg, who believes that governments are doing too little to address the problem of global warming, is donating FIFTY MILLION DOLLARS to the SIERRA CLUB's grass-roots campaign to block the construction of new coal-fired power plants and shut down existing ones.

Coal provides nearly half the nation's electricity and about one-third of its emissions of carbon dioxide.

In May, he pledged nearly TWENTY MILLION DOLLARS to C40, a group of cities around the world that are trying to reduce greenhouse gases.

Although the nation might survive with higher electricity costs if coal went away, the 86,000 people employed directly by coal, the hundreds of thousands whose jobs indirectly depend on coal, and the states who depend on revenues made possible by coal would be seriously harmed — and for no good reason, just the WHIMSICAL FANCY OF A FLIGHTY LUNATIC BILLIONAIRE.

Should States That Produce Coal **BOYCOTT** New York City ?

So, folks in the states of Kentucky, Ohio, and, West Virginia might want to think about how they can **RETALIATE** against billionaire Bloomberg.

Bloomberg is out to **DESTROY** the livelihoods and families of people who depend on coal.

Bloomberg is **THREATENING THE WELFARE OF THEIR CHILDREN.**

Will they let him get away with it ?

Boycott New York City !
