Who Can Afford This #@!!% Ban Nonsense ?!?!

BOULDER, City Of (Colorado)

Prohibition Costs **\$100,000** For **BOGUS** Mechanical Weed Control Using Goats

SUMMARY — BOULDER

Anti-Pesticide Lunatic-Activists have infested the City of **BOULDER**, Colorado.

They are all members of an Anti-Pesticide and Environmental-Terrorist Organization called **BEYOND PESTICIDES**. (See later segment.)

Beyond Pesticides Lunatics have **WORMED THEIR WAY** into **BOULDER**'s Parks Department where they could **IMPOSE THEIR LIFE-STYLE CHOICES AND BELIEFS** on the rest of the city at AN **EXTREME COST TO TAX-PAYERS**, using **UNSUBSTANTIATED SAFETY CLAIMS** and **CONCOCTED STORIES OF ORGANIC SUCCESS**, WITH **ALLEGED SAVINGS AND RESULTS THAT DO NOT EXIST**.

BOULDER spends **\$100,000** per year in mechanical weed control on street medians — using **GOATS**. (See later segment.)

These **GOATS** were originally used for land reclamation.

These **GOATS** drop urine and poo which are incorporated into the fields with their hooves.

There is no credibility here, not even any proof, that **GOATS** are effective.

If **GOATS** somehow could be effective, everyone else would be doing using them for weed control.

WHO CAN AFFORD THIS #@!!% **BAN NONSENSE** ?!?!

Background Information

SUMMARY — BEYOND PESTICIDES

BEYOND PESTICIDES is a Non-Expert Tax-Exempt Partisan Anti-Pesticide and Environmental-Terrorist Organization.

Formerly National Coalition Against the Misuse of Pesticides (NCAMP).

This organization is an expert in FUND-RAISING and PROFIT-MAKING, but has NO EXPERTISE in science or research or pest control products.

The PRIMARY CONCERNS of Beyond Pesticides is BUSINESS, CASH-FLOW, PROFIT, and CELEBRITY.

Consequently, **BEYOND PESTICIDES** operates as an organization that is NON-EXPERT, PROFIT-MOTIVATED, UNETHICAL, and CONSPIRES TO RECKLESSLY AND MALICIOUSLY PROHIBIT against pest control products used in the Urban Landscape.

The Board of Directors of **BEYOND PESTICIDES** is comprised of a duck farm operator, an indigent goat herder, an organic produce distributor, a native Indian movement organizer, and an organic lawn care operator with a failing business.

Background Information

SUMMARY — ANIMALS USED FOR MOWING AND WEED SUPPRESSION

HUNDREDS OF THOUSANDS OF DOLLARS per year are SQUANDERED AND MISAPPROPRIATED in mechanical weed control BY USING ANIMALS FOR MOWING AND WEED SUPPRESSION.

Animals like GOATS and SHEEP, CONTINUOUSLY CWAP grass seed, along with urine and poo, and DESTROY fields with their hooves.

GOATS AND SHEEP DESTROY THE ENVIRONMENT !

Carnage Leading To Stunningly Exorbitant Costs Because Of Anti-Pesticide Prohibition

Who Can Afford This #@!!% Ban Nonsense ?!?!

CAMPBELL RIVER, City Of (British Columbia)

Prohibition Costs \$107,000 For FAILED IPM Program

SUMMARY — CAMPBELL RIVER

ANTI-PESTICIDE STAFF confirmed that **CAMPBELL RIVER** already has an Integrated Pest Management Plan (IPM) with an annual budget of **\$107,000** which it CAN'T AFFORD TO FULLY IMPLEMENT.

And besides, Integrated Pest Management #@!!% NONSENSE. (See later segment.)

CAMPBELL RIVER City Council REJECTED a staff recommendation for prohibition, and the proposal was EXTINGUISHED.

ANTI-PESTICIDE STAFF recommended that PROHIBITION come into effect at the start of 2013 « *to allow sufficient time to notify the public and local retailers* ».

City Councillors SHOT DOWN A PROPOSED PROHIBITION against the use of pest control products used in the Urban Landscape.

Instead, COUNCILLORS UNANIMOUSLY VOTED DOWN PROHIBITION, saying a city that doesn't follow its own pesticide policy shouldn't be trying to impose restrictions on the public that the city can't enforce.

Carnage Leading To Stunningly Exorbitant Costs Because Of Anti-Pesticide Prohibition

Who Can Afford This #@!!% Ban Nonsense ?!?!

COQUITLAM, City Of (British Columbia)

Prohibition Costs **\$1,000,000** Over 10 Years To Maintain Pesticide-Free Public Green Spaces

SUMMARY — COQUITLAM

In the City of **COQUITLAM**, **\$1,000,000** over a 10-year period was the STUNNINGLY EXORBITANT COST of its Anti-Pesticide PROHIBITION.

COQUITLAM City Council COMMISSIONED A COSTLY EXPERT STUDY, then IGNORED ITS PRINCIPAL RECOMMENDATION, and nevertheless proceeded to PROHIBIT against pest control products used in the Urban Landscape.

A minority of City Council VOTED AGAINST PROHIBITION on the grounds that it would be EXPENSIVE, ILLOGICAL, UNSCIENTIFIC, and UNFAIR.

The ultimate winners of this debacle in **COQUITLAM** are the Anti-Pesticide Lunatic-Activists operating on behalf of Canadian Cancer Society who BENEFIT from PAY-OFF PROGRAMS, like SELINA **ROBINSON**. (See later segment.)

Background Information

SUMMARY — ROBINSON

Who says being a RADICAL AND SUBVERSIVE New Democrat is not PROFITABLE ?

Anti-Pesticide Lunatic-Councillor and Therapist SELINA ROBINSON FAILED to get elected in the 2013 Provincial Election Campaign, but she still has a SAFE and SECURE and LUCRATIVE JOB as a Municipal Elected Official.

Thankfully, ROBINSON and her Lunatic New Democrats DO NOT RECKLESSLY IMPOSE ARBITRARY PROHIBITION against pest control products in the Province of British Columbia.

Overall, British Columbians VOTED AGAINST ROBINSON and AGAINST the Lunatic New Democrats because JOBS AND BUSINESS ARE IMPORTANT, and IMAGINARY FEAR-MONGERING DANGERS ARE NOT.

Demands are being made to have Anti-Pesticide Lunatic-Councillor and Therapist SELINA ROBINSON publicly release her TAX-RECORDS for the last three years, which covers the period of time that she was operating as a LOBBYIST for Canadian Cancer Society.

Carnage Leading To Stunningly Exorbitant Costs Because Of Anti-Pesticide Prohibition

Who Can Afford This #@!!% Ban Nonsense ?!?!

DELTA (Ladner), City Of (British Columbia)

Lawn Bowling Club Goes FROM REAL GRASS TO FAKE

Prohibition Costs \$400,000 In Construction

NO Exception Status Necessitated Conversion From Natural To Artificial

SUMMARY — DELTA

The Lawn Bowling Industry, like the Golf Industry, has been granted EXCEPTION STATUS under most Anti-Pesticide jurisdictions.

Without the EXCEPTION STATUS, the Lawn Bowling Industry would find it FINANCIALLY CHALLENGING to continue operations since pests that are damaging to natural turfgrass cannot be controlled without conventional pest control products.

Not every Lawn Bowling Club has been so fortunate.

In DELTA, British Columbia, the Ladner Lawn Bowling Club does NOT benefit from an EXCEPTION STATUS.

Ladner Lawn Bowling Club, one of the oldest in British Columbia and established in 1917, has been FORCED to replace its natural turfgrass surface with an artificial/synthetic/plastic one.

Town of Ladner is a part of the Municipality of DELTA, British Columbia, and a suburb of Vancouver, with a population of less than 20,000.

At the Ladner Lawn Bowling Club, crews have prepared the surface for a new artificial bowling green, and the work is expected to be completed by early June 2012.

The work was started in early April 2012 to dig up the hallowed natural turfgrass and to begin preparing the site for the specially designed PLASTIC CARPET that is being imported from a British manufacturer.

The cost ...

400,000 DOLLARS !

WHO CAN AFFORD THIS #@!!% NONSENSE ?!?!

The decision for the conversion was made two years ago when the 110 or so members voted two-thirds in favour of the artificial grass.

According to the club president, Anti-Pesticide PROHIBITION, plus the annual cost of maintaining the natural turfgrass — about 10,000 dollars per year — helped tip the scales.

In 2009, the City of DELTA IMPOSED a « *by-law to regulate the use of pesticides for cosmetic purposes* ».

But, unlike most other jurisdictions, the City of DELTA DID NOT provide an EXCEPTION STATUS for Ladner Lawn Bowling Club.

Consequently, Ladner Lawn Bowling Club, which owns the property, raised funds over the past four years, and is close to reaching the required total.

Unfortunately, it will cost Ladner Lawn Bowling Club a lot more than 10,000 dollars per year to maintain its artificial/synthetic/plastic grass with practices such as DISINFECTION using industrial-strength chemical products.

Will City of DELTA insist that even Golf Facilities within its jurisdiction also convert to synthetic grass ?!?!

What will be the cost of converting 18 natural putting greens to synthetic ?

5 MILLION DOLLARS ?

10 MILLION DOLLARS ?

WHO CAN AFFORD THIS #@!!% NONSENSE ?!?!

FORCE OF NATURE | THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from
National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG)

Discover What Anti-Pesticide And Enviro-Lunatic Terrorists Are Doing And Saying About Subversively Imposing Their Life-Style Choices Against Our Society

Read ... Force Of Nature and Pesticide Truths — The Whole Truth From An Independent Perspective.

Go to The Pesticide Truths Web-Site (Archive Of Reports) ...

<http://pesticidetruths.com/>

Communities and businesses are being HARMED and DESTROYED and RAPED by PROHIBITIONS against pest control products used in the Urban Landscape, and by other ACTS OF ENVIRONMENTAL TERRORISM.

We are living in the 9|11 Era of Anti Pesticide and Environmental Terrorism where at least ONE SUBVERSIVE ACT OF TERROR is perpetrated EVERY SINGLE DAY by these terrorist.

We are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOR — scientific research PROVES that pest control products CAUSE NO HARM and can be USED SAFELY.

An informed public is better able to protect itself and its communities and businesses from so-called activists who are THE LEAST QUALIFIED TO PROVIDE ANY ADVICE about pest control products or the environment.

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space industry, and the well-being of our communities.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE or ABANDONMENT of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment. <http://wp.me/P1jq40-2bo>

NORAHG is a NATIONAL NON-PROFIT NON-PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting PESTICIDE FREE FAILURES, as well as the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS. <http://wp.me/p1jq40-5DD>

NORAHG responds on behalf of the VAST SILENT MAJORITY of the public that DOES NOT WANT PESTICIDE BANS, and SUPPORT those who work in the Professional Lawn Care Industry. <http://wp.me/P1jq40-2bo>

NORAHG is opposed to Pesticide-Free jurisdictions that have DOOMED children to SUFFER INJURIES since Anti-Pesticide PROHIBITION inevitably leads to public and residential green spaces that become DANGEROUS AND PEST-INFESTED GARBAGE DUMPS. <http://wp.me/P1jq40-44g> <http://wp.me/P1jq40-4z3>

NORAHG is concerned that, without pest control products, CHILDREN ARE AT HIGHER RISK OF SUFFERING INJURIES with the creation of HAZARDOUS SLIPPING AND TRIPPING CONDITIONS in sports turf. <http://wp.me/P1jq40-2ha>

NORAHG pledges to deliver comprehensive reports that are worthy of peoples' time and of peoples' concern, reports that might ordinarily never have breached the parapet.

NORAHG was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.

Force Of Nature was launched by NORAHG for CONTINUOUS transmission on the Internet on January 1st, 2009 — however, the VERY FIRST Stand-Alone FORCE OF NATURE Report was issued on September 19th, 2008.

On March 15th, 2010, Uncle Adolph independently launched The Pesticide Truths, an easy-to-use Web-Site that collects relevant reports of information right-off-the-press. <http://pesticidetruths.com/>

Pesticide Truths and Force Of Nature, in some ways, are like Google for everything concerning the SUBVERSIVE ACTIVITIES of Anti-Pesticide and Enviro-Lunatic Terrorists.
