Prohibition Inflicts Garbage Dump Green Spaces

Overview

Can municipalities afford the hardship and cost of this #@!!% prohibition nonsense ?!?!

When it comes to fanatical prohibitions (i.e. bans), municipal officials can learn a lot from the experience of those jurisdictions that have suffered the hardship and cost of this #@!!% nonsense!

And there is little debate about the fact that prohibition s convert communities into shabbier and dangerous pest-infested garbage dumps.

Furthermore, prohibitions are stunningly expensive and not economically viable.

Municipalities are not able to afford the high cost of labour needed to manually remove millions of pests.

Prohibitions result in catastrophic carnage caused by business failures, garbage dump green spaces, stunningly exorbitant costs, horrific fines, and even illness and death.

Prohibitions have destroyed public and residential green spaces by turning them into garbage dumps.

Here is a summary of garbage dump green spaces inflicted by #@!!% prohibition carnage ...

- children at high risk of tripping and becoming seriously hurt
- · dandelions the dominant ground cover
- · dead mature street trees
- hazardous slipping conditions in sports turf
- invasive noxious weeds like Japanese Knotweed and Giant Hogweed
- lawns decimated by insects like white grubs
- lawns in entire neighborhoods ruined by pests
- parks infested with weeds
- rose plantations dying and removed.

This is the #@!!% prohibition carnage that has been inflicted in municipalities like **<u>Burnaby</u>** and **<u>Calgary</u>** in 2015.

ALL BAD PROHIBITION CARNAGE MUST COME TO AN END!

Burnaby, City Of (British Columbia)

European Chafer Insect Problem Resurfaces In Burnaby

Burnaby's Municipal Prohibition Has Inflicted <u>Insect-Infested</u> Garbage Dump Green Spaces

SUMMARY — BURNABY

CATASTROPHIC CARNAGE IN BURNABY HAS BEEN INFLICTED BY RECKLESS AND FANATICAL PROHIBITION AGAINST PEST CONTROL PRODUCTS USED IN THE URBAN LANDSCAPE!

Burnaby is a city in British Columbia located immediately to the east of Vancouver with a population of over 223,000.

On April 1st, 2009, city of Burnaby IMPOSED AN ARBITRARY AND FANATICAL PROHIBITION against pest control products used in the Urban Landscape.

THE RESULT HAS BEEN CATASTROPHIC CARNAGE!

In 2015, Burnaby's home-owners are still trying to fend of feasting raccoons, skunks, and crows that have TORN APART THEIR HOME LAWNS looking for European Chafer Insects.

Burnaby's home-owners are determined to keep the city from forgetting its promise to find a solution to the DESTRUCTIVE European Chafer Insects.

However, if Burnaby truly wanted to save home-owner lawns from the European Chafer Insects, then it should RESCIND its local PROHIBITION against conventional pest control products.

BURNABY CANNOT AFFORD THIS #@!!% BAN NONSENSE!

2015

Catastrophic Carnage Inflicted By Prohibition Against Pest Control Products Used In The Urban Landscape

Calgary, City Of (Alberta)

Calgary's Self-Imposed Municipal Prohibition On Its Public Green Spaces Has Inflicted Weed-Infested Garbage Dump Green Spaces

Calgary's City Council Considers Motion To Crank Up Control Of Dandelions

SUMMARY — CALGARY

CATASTROPHIC CARNAGE IN CALGARY HAS BEEN INFLICTED BY RECKLESS AND FANATICAL PROHIBITION AGAINST PEST CONTROL PRODUCTS USED ON PUBLIC GREEN SPACES!

Calgary is a city in the province of Alberta with a population of over of 1,000,000.

Since 1998, city of Calgary approved a SELF-IMPOSED RESTRICTIONS against the use of pest control products on ITS PUBLIC GREEN SPACES.

THE RESULT HAS BEEN CATASTROPHIC CARNAGE!

In 2012, dandelions ruled throughout Calgary.

Calgary's INTEGRATED PEST MANAGEMENT Plan is a DISMAL FAILURE.

Calgary's soccer pitches became FULL OF DANDELIONS that are MORE SLIPPERY, and could cause CHILDREN and ADULTS to SLIP AND FALL.

In 2015, city councillors are getting calls from the frustrated residents who try to keep their lawns weed free.

Calgary residents make enormous efforts in the spring and in the fall to take care of their weeds, and then they look across the street and see a PUBLIC GREEN SPACE that is just going to inundate them with weeds when they go into bloom.

Without conventional pest control products, PUBLIC GREEN SPACES in Calgary have become pest-infested dangerous garbage dumps.

Pesticide-free maintenance does NOT work!

It is impossible for Calgary to keep its PUBLIC GREEN SPACES safe and beautiful by using so-called green alternative practices.

It is impossible for Calgary to keep its PUBLIC GREEN SPACES safe and beautiful by using so-called green alternative practices.

NO CALGARIAN WANTS TO LIVE IN #@!!% GARBAGE DUMP GREEN SPACES!

Learn From ... FORCE OF NATURE

Discover What Anti-Pesticide & Enviro-Lunatic Terrorists Are Doing And Saying About Subversively Imposing Their Life-Style Choices Against Our Society.

Read ... Reports, Blogs, & Videos, From Force Of Nature, NORAHG, Pesticide Truths, & Uncle Adolph — The Whole Truth From An Independent Perspective.

Communities and businesses are being HARMED and DESTROYED and RAPED by LUNATIC-TERRORISTS who ARBITRARILY AND RECKLESSLY IMPOSE PROHIBITIONS against pest control products used in the Urban Landscape and by the Agriculture Industry, and who PERPETRATE OTHER ACTS OF ENVIRONMENTAL TERRORISM.

We are living in the 9|11 Era of Anti Pesticide & Environmental Terrorism where at least ONE SUBVERSIVE ACT OF TERRORISM is perpetrated EVERY SINGLE DAY by LUNATIC-TERRORISTS.

A LUNATIC is a person whose actions and manner are marked by extreme recklessness.

The RECKLESS ACTS OF SUBVERSION by these LUNATIC-TERRORISTS has led to the ARBITRARY IMPOSITION of Anti-Pesticide PROHIBITION in several jurisdictions throughout North America.

The result was CATASTROPHIC CARNAGE!

Because of LUNATIC-TERRORISTS, provinces like Ontario now have a TRAIL OF ECONOMIC DESTRUCTION WITH HUNDREDS OF SMALL BUSINESSES DESTROYED and THOUSANDS OF PEOPLE OUT OF WORK, a MORE DANGEROUS OUTDOOR ENVIRONMENT, and a BLACK MARKET IN PESTICIDES.

Only TRUE LUNATICS would wish to create a TRAIL OF ECONOMIC DESTRUCTION WITH HUNDREDS OF SMALL BUSINESSES DESTROYED and THOUSANDS OF PEOPLE OUT OF WORK.

Because of LUNATIC-TERRORISTS, we are living in the DARK AGE OF ANTI PESTICIDE TERRORISM where sound science is trumped by FAKE SCIENTISTS, JUNK SCIENCE and UNVERIFIABLE SECRET EVIDENCE through FABRICATION, INNUENDO, and INTERNET RUMOR—scientific research PROVES that pest control products will CAUSE NO HARM and can be USED SAFELY.

An informed public is better able to protect itself and its communities and businesses from LUNATIC-TERRORISTS who are THE LEAST QUALIFIED TO PROVIDE ANY ADVICE about pest control products or the environment.

NORAHG is the National Organization Responding Against HUJE that seek to harm the Green space and other industries, and the well-being of our communities.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to LUNATIC-TERRORISTS and their Anti Pesticide PROHIBITIONS, resulting in the CLOSURE or ABANDONMENT of green spaces under the RIDICULOUS PRETEXT CONCOCTED BY LUNATICS of somehow « saving » the environment.

NORAHG is a NATIONAL NON-PROFIT NON-PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting PESTICIDE FREE FAILURES, as well as the work of RESPECTED & HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS.

NORAHG strikes back against the MYTHS concerning the need for prohibition against pest control products.

NORAHG RESPONDS on behalf of the VAST SILENT MAJORITY of THE PUBLIC THAT DOES NOT WANT PESTICIDE BANS, and SUPPORTS those who work in the Professional Lawn Care Industry, the Golf Industry, and the Agriculture Industry.

RESPECTED & HIGHLY RATED EXPERTS

http://pesticidetruths.com/2014/11/14/the-wisdom-of-real-experts-who-speak-out-against-the-conspiracy-to-impose-reckless-and-arbitrary-prohibition-against-conventional-pest-control-products-2014-11-14/

THE MYTHS ABOUT BANNING PESTICIDES

 $\underline{http://pesticidetruths.com/2012/11/15/the-myths-about-banning-pesticides-part-2-white-paper-report-on-pesticide-bans-2012-11-15-reports/$

VAST SILENT MAJORITY

http://pesticidetruths.com/toc/the-wisdom-of-canadian-consumer-specialty-products-association/

NORAHG is opposed to PESTICIDE FREE jurisdictions where LUNATIC-TERRORISTS have DOOMED CHILDREN to SUFFER INJURIES since Anti-Pesticide PROHIBITION inevitably leads to public and residential green spaces that become DANGEROUS AND PEST-INFESTED GARBAGE DUMPS.

NORAHG is concerned that, because of PESTICIDE FREE MAINTENANCE of parks and sports fields, CHILDREN ARE AT HIGHER RISK OF SUFFERING INJURIES with DANGEROUS PLAYING SURFACES CREATED BY #@!!% PESTICIDE BANS.

CHILDREN ARE NOT AT RISK

http://pesticidetruths.com/toc/children-are-not-at-risk/

NORAHG pledges to deliver comprehensive reports that are worthy of peoples' time and of peoples' concern, reports that might ordinarily never have breached the parapet.

NORAHG was the brainchild of William H Gathercole and his colleagues in 1991. Mr Gathercole is now retired, although his name continues to appear as founder.

Force Of Nature was launched by NORAHG for CONTINUOUS transmission on the Internet on January 1st, 2009 — however, the VERY FIRST Stand-Alone Force Of Nature Report was issued on September 19th, 2008.

On March 15th, 2010, Uncle Adolph independently launched The Pesticide Truths, an easy-to-use Web-Site that collects relevant reports of information right-off-the-press.

Primus inter pares, first among equals, describes Pesticide Truths, Uncle Adolph, and Force Of Nature — they are formally equal to each other and are all accorded equal respect.

The reports and blogs from Pesticide Truths, Uncle Adolph, and Force Of Nature, in some ways, are like Google for everything concerning the SUBVERSIVE ACTIVITIES of Anti-Pesticide and Enviro-Lunatic Terrorists

Many of these reports and blogs provide a sequence of historical events WITH COMMENTARY, the neutrality of which might be disputed.

This is what we do. Don't thank us. It's a public service. And we are glad to do it.
