Suzuki Deserves The Spotlight Of Scrutiny

## Mr. Ezra Levant Confronts Suzuki

### SUMMARY

Mr. Ezra Levant has REPEATEDLY CHALLENGED David Suzuki on several issues.

Suzuki continuously RUNS AWAY from Mr. Levant, and REFUSES to give any serious interview that would clarify his OUTRAGEOUS ALLEGATIONS and OPULENT LIFE-STYLE CHOICES.

Mr. Levant has CALLED OUT Suzuki on issues like —

- Suzuki is an extremely wealthy celebrity who charges exorbitant fees for public speaking.
- Suzuki is an extremely wealthy celebrity who owns four properties, one valued at 8.2 million dollars.
- Suzuki knows little to nothing about so-called global warming.
- Suzuki orchestrates a MOCK TRIAL FOR SEDITIOUS LIBEL FOR THE MERE PURPOSE OF PROPAGANDA.

- Suzuki politicizes the destruction and misery caused by the Alberta floods.
- Suzuki says politicians should be criminally charged over climate change.
- Suzuki says Prime Minister Harper is building prisons for eco-activists.

Mr. Levant FINALLY CONFRONTED Suzuki in public on October 10th, 2013.

Mr. Levant called Suzuki out for politicizing Alberta's floods, exposed Suzuki's speaking engagement fees and revealed Suzuki's stumbling performance on Australian TV.

After a HOPELESS ATTEMPT AT FLEEING in his Chevy Volt, Suzuki returned to face the music with Mr. Levant.

And the cameras never stopped rolling.

Suzuki Deserves The Spotlight Of Scrutiny

## Suzuki Melt-Down In Australia

### SUMMARY

On September 24th, 2013, in Australia, David Suzuki did something he hasn't done before — he allowed himself to be interviewed in a situation he did not control.

It was a DISASTER.

Usually, Suzuki speaks through his TV show on the CBC.

When he appears at celebrity events, questions have been pre-screened.

Suzuki REFUSES TO BE INTERVIEWED BY MEDIA HE DOES NOT CONTROL, especially the Sun News Network.

His Australian visit shows the wisdom of this standard procedure.

Because when the Australian Broadcast Corporation ( ABC ) put even the simplest questions to him, Suzuki FELL APART.

But unlike his Canadian events, Suzuki couldn't turn off the cameras.

The first question put to Suzuki by a critic in the audience was about the 15-year hiatus in Global Warming.

There just hasn't been any observed climate change since 1998, and it's a major problem for the Global Warming Industry, whose computer models all warned that we would see significant warming by now.

Thermometers — including hyper-accurate satellite readings — say it just hasn't happened.

Here is a transcript of Suzuki's response —

*Yeah, well, I don't know why you're saying that ...*

*In fact, the warming continues ....*

*So where are you getting your information ?*

*I'm not a climatologist.*

*I wait for the climatologists to tell us what they're thinking.*

Normally, that's the worst Suzuki would face — one tough question that slips past his handlers.

But he had no handlers that day.

And ABC let the questioner come again, CITING HIS SOURCES THAT THE WORLD HAS NOT WARMED —

*Sure, yeah.*

*UAH, RSS, HadCRUT, GISS data shows a 17-year flat trend which suggests there may be something wrong with the CO<sub>2</sub> warming theory ?*

Now, that's scientific jargon that a layman wouldn't understand.

But Suzuki claims he's a scientist, and he has opined on Global Warming for years.

But he had NO CLUE what the questioner was even saying.

Suzuki asked for an explanation —

*Sorry, yeah, what is the reference ?*

*I don't ...*

He actually said that.

The questioner had a third go at it, speaking very slowly —

*Well, they're the main data sets that IPCC use — UAH, University of Alabama, Huntsville; GISS, Goddard Institute of Science; HadCRUT.*

*I don't know what that stands for, HadCRUT; and RSS, Remote Sensing something.*

*So those data sets suggest a 17-year flat trend, which suggests there may be a problem with the CO<sub>2</sub>.*

Suzuki still had NO CLUE —

*No, well, there may be a climate skeptic down in Huntsville, Alabama, who has taken the data and come to that conclusion ...*

*You know, we can cherry pick all kinds of stuff.*

*Cherry pick, in fact, the scientists that we want to listen to, but let's listen to the IPCC.*

That's classic Suzuki — IMPUGN THE MOTIVES OF ANYONE WHO DISAGREES WITH HIM.

Suzuki heard « *Alabama* » and thought « *hick* » and called them a « *skeptic* ».

Suzuki said we ought to listen to the IPCC — the one acronym Suzuki did know.

That stands for the Intergovernmental Panel on Climate Change, the UN's climate bureaucracy.

But all of those places the questioner mentioned — including Alabama — were IPCC research stations.

They're the places that crunch the temperature data for the UN.

Suzuki had NO CLUE.

ABC's host tried to ask the question one more time.

One more time, Suzuki was CLUELESS.

*Well, what's the problem ?*

*I mean they're concluding still the warming ...*

That was the first question in a very long hour for Suzuki.

On everything from fracking to immigration, Suzuki shrugged at best, and made personal attacks at worst.

Suzuki suggested the CANADIAN GOVERNMENT WAS OUT TO THROW ENVIRONMENTALISTS IN PRISON — the same government that has given him a TV show for 40 years.

He accused GMO food scientists in the audience of being in it for the money — and sat in shameful silence as they each told him their companies were giving away the patents to GMO food to poor farmers for free.

It was EMBARRASSING for Suzuki to be revealed as a KNOW-NOTHING HUCKSTER.

But it's equally embarrassing for the Canadian media, who for 40 years acted as Suzuki's PR men, not real reporters like they have in Australia.

## Background Information

# Profile Of Mr. Ezra Levant

## SUMMARY — LEVANT

Mr. Ezra Levant is a NATIONAL MEDIA PERSONALITY, CONSERVATIVE POLITICAL ACTIVIST, BROADCASTER, COLUMNIST, and AUTHOR.

Mr. Levant is among several LEADING POLICY EXPERTS ON POLITICS and ENVIRONMENT.

Mr. Levant is the HOST of The Source, an evening talk show on Sun News Network.

He is also a COLUMNIST for the Sun Media chain of newspapers.

Ezra Levant's The Source is THE MOST PROVOCATIVE AND THOUGHT-CHANGING MULTI-MEDIA SHOW IN CANADA.

Mr. Levant provokes discussion and debate with his views and statements, since he encourages everyone to think critically — and skeptically — about what's going on around us.

Sun News Network, which is also referred to as Sun News, is an English language Canadian Specialty Television News and Opinion Channel owned and operated by Quebecor Media through a partnership between two of its subsidiaries, TVA Group and Sun Media Corporation.

Sun News' daily schedule emphasizes news reportage and breaking news coverage during the daytime hours before turning to personality-driven analysis and commentary programmes, such as Ezra Levant's The Source, during the evening hours.

Mr. Levant is also a BEST-SELLING AUTHOR of a book entitled *Ethical Oil, The Case for Canada's Oil Sands*.

Mr. Levant is a former parliamentary assistant to Preston Manning, and a former member of the editorial board of the National Post, where his areas of expertise included national politics, the Supreme Court, and the Middle East.

Mr. Levant holds a commerce degree from the University of Calgary, and a law degree from the University of Alberta.

## **Discover What Anti-Pesticide And Enviro-Lunatic Terrorists Are Doing And Saying About Subversively Imposing Their Life-Style Choices Against Our Society**

Read ... **Force Of Nature and Pesticide Truths — The Whole Truth From An Independent Perspective.**

Go to The Pesticide Truths Web-Site ( Archive Of Reports ) ...

<http://pesticidetruths.com/>

Communities and businesses are being **HARMED** and **DESTROYED** and **RAPED** by **PROHIBITIONS** against pest control products used in the Urban Landscape, and by other **ACTS OF ENVIRONMENTAL TERRORISM**.

We are living in the 9|11 Era of Anti Pesticide and Environmental Terrorism where at least **ONE SUBVERSIVE ACT OF TERROR** is perpetrated **EVERY SINGLE DAY** by these terrorist.

We are living in the **DARK AGE OF ANTI PESTICIDE TERRORISM** where sound science is trumped by **FAKE SCIENTISTS**, **JUNK SCIENCE** and **UNVERIFIABLE SECRET EVIDENCE** through **FABRICATION**, **INNUENDO**, and **INTERNET RUMOR** — scientific research **PROVES** that pest control products **CAUSE NO HARM** and can be **USED SAFELY**.

An informed public is better able to protect itself and its communities and businesses from so-called activists who are **THE LEAST QUALIFIED TO PROVIDE ANY ADVICE** about pest control products or the environment.

**NORAHG** is the **National Organization Responding Against HUJE** that seek to harm the Green space industry, and the well-being of our communities.

NORAHG morally represents the VAST SILENT MAJORITY of people associated with turf and ornamental plant maintenance who are OPPOSED to Anti Pesticide PROHIBITION and the CLOSURE or ABANDONMENT of green spaces under the RIDICULOUS PRETEXT of somehow « saving » the environment.

<http://wp.me/P1jq40-2bo>

NORAHG is a NATIONAL NON-PROFIT NON-PARTISAN organization that does not accept money from corporations or governments or trade associations, and represents NO VESTED INTERESTS WHATSOEVER.

NORAHG is dedicated to reporting PESTICIDE FREE FAILURES, as well as the work of RESPECTED and HIGHLY RATED EXPERTS who promote ENVIRONMENTAL REALISM and PESTICIDE TRUTHS. <http://wp.me/p1jq40-5DD>

NORAHG responds on behalf of the VAST SILENT MAJORITY of the public that DOES NOT WANT PESTICIDE BANS, and SUPPORT those who work in the Professional Lawn Care Industry. <http://wp.me/P1jq40-2bo>

NORAHG is opposed to Pesticide-Free jurisdictions that have DOOMED children to SUFFER INJURIES since Anti-Pesticide PROHIBITION inevitably leads to public and residential green spaces that become DANGEROUS AND PEST-INFESTED GARBAGE DUMPS. <http://wp.me/P1jq40-44g> <http://wp.me/P1jq40-4z3>

NORAHG is concerned that, without pest control products, CHILDREN ARE AT HIGHER RISK OF SUFFERING INJURIES with the creation of HAZARDOUS SLIPPING AND TRIPPING CONDITIONS in sports turf. <http://wp.me/P1jq40-2ha>

NORAHG pledges to deliver comprehensive reports that are worthy of peoples' time and of peoples' concern, reports that might ordinarily never have breached the parapet.

NORAHG was the brainchild of William H. Gathercole and his colleagues in 1991. Mr. Gathercole is now retired, although his name continues to appear as founder.

Force Of Nature was launched by NORAHG for CONTINUOUS transmission on the Internet on January 1st, 2009 — however, the VERY FIRST Stand-Alone FORCE OF NATURE Report was issued on September 19th, 2008.

On March 15th, 2010, Uncle Adolph independently launched The Pesticide Truths, an easy-to-use Web-Site that collects relevant reports of information right-off-the-press.  
<http://pesticidetruths.com/>

Pesticide Truths and Force Of Nature, in some ways, are like Google for everything concerning the SUBVERSIVE ACTIVITIES of Anti-Pesticide and Enviro-Lunatic Terrorists.
