David Suzuki will be the guest speaker at the New Democratic Party (NDP) leadership convention dinner, Friday, September 15th, 2017.

The itself convention will take place between October 1 and October 15, 2017 due to incumbent Tom Mulcair having lost a vote on a leadership review in 2016.

Suzuki has already announced that he endorses Charlie Angus in the leadership race. <http://wp.me/p1jq40-avF>

Background Information

DAVID SUZUKI FOUNDATION – Nation-Wide

SUMMARY

Who cares about Suzuki !?! We want a nation where charity organizations, like David Suzuki Foundation, DO NOT pretend to be charities. We also want a nation where interfering in partisan politics, as does Suzuki, leads to consequences for organizations pretending to be charities. We need a nation where charity organizations, like Suzuki, DO NOT VIOLATE taxation laws. These organizations, like Suzuki, CANNOT be allowed to closely participate with political parties like New Democratic Party.

David Suzuki Foundation promotes itself as a registered-charity, tax-exempt environmental organization. The rules at the Canada Revenue Agency are clear. A registered charity cannot be involved in partisan political activities. Unless, apparently, you are David Suzuki and the David Suzuki Foundation. Here is how Canada Revenue Agency defines what is prohibited to David Suzuki Foundation — a political activity is considered partisan if it involves direct or indirect support of, or opposition to, a political party or candidate for public office. Charities can promote the policies of political parties and candidates they agree with, but must NOT directly or indirectly support the political party or candidate for public office.

In anticipation of an unfavourable and imminent audit by Canada Revenue Agency, David Suzuki himself has already been forced to resign from his own foundation for fear that his outspoken political views and interference in partisan politics would compromise the foundation's charity tax exempt status. Although David Suzuki was forced to quietly step down from the Board of Directors of David Suzuki Foundation during summer of 2011, his resignation was NOT officially announced until 2012. Demands are now being made for David Suzuki to step down as host of television programs produced by

Canadian Broadcasting Corporation, including The Nature Of Things, which is now being used as a platform against the golf industry. We need to get rid of Suzuki, forever !

WE SPEAK THE WHOLE TRUTH ABOUT SUZUKI FROM AN INDEPENDENT PERSPECTIVE !

We are the National Organization Responding Against HUIE that conspire to destroy the Green space and other industries (NORAHG). As a non-profit and independent organization, we are environmentalists who are dedicated to reporting about truth-challenged pesticide-hating fanatics (HUIE), like Suzuki, who conspire to destroy businesses that are dependent on the use of safe and effective conventional pest control products. We also report on the work of several highly-rated leading experts who have recognized expertise, training, and background in matters concerning pest control products, and who promote environmental realism and pesticide truths.

Not surprisingly, enviro-fanatics, like Supzuki, have demonstrated that they are incapable of processing overwhelming scientific evidence. Should we trust these fanatics, who conveniently ignore scientific evidence, and attempt to impose their politicized-doctrines and twisted life-style choices against our society !?!?

NORAHG was the brainchild of Mr William H Gathercole and his colleagues in 1991. Mr Gathercole is now retired, although his name continues to appear as founder. We dare to defy the pesticide-hating fanatics by exploring the whole truth from an independent perspective on The Pesticide Truths Web-Site ... <http://pesticidetruths.com/> If you wish to receive free reports on issues that concern you, please contact us at ... force.of.de.nature@gmail.com WILLIAM H GATHERCOLE AND NORA H G
