

We are living in the 9/11 Era of Environmental Terror!

CAPE-LUNATICS LIED ABOUT THE SO-CALLED HEALTH AND ENVIRONMENTAL THREATS OF PEST CONTROL PRODUCTS

CAPE-LUNATICS HAVE LIED ABOUT THE NEED TO PROHIBIT THESE PRODUCTS, AND ABOUT THE PROFESSIONAL LAWN CARE INDUSTRY PROSPERING UNDER PROHIBITION

THEY LIE AND LIE AND LIE AND LIE

CAPE-LUNATICS HAVE ALSO LIED ABOUT PROPERTIES LOOKING GREAT UNDER PROHIBITION

> CAPE-LUNATICS KNOW NOTHING ABOUT PEST CONTROL PRODUCTS

CAPE-LUNATICS MOST CERTAINLY KNOW NOTHING ABOUT WIND TURBINES

CAPE-LUNATICS CONTINUE TERRORIZING AND MIS-INFORMING YET ANOTHER INDUSTRY

January 22nd, 2011

The London Free Press (Ontario)
[Enviro-Lunatic-Newspaper]

Selected and adapted excerpts

Clearly not satisfied to have merely driven the Modern Professional Lawn Care Industry into UNEMPLOYMENT, DESPAIR, and DESTITUTION, Gideon Forman and his Enviro-Lunatic co-conspirators are now TERRORIZING the OPPONENTS of the Wind Power Industry.

CAPE-LUNATICS are using the VERY SAME Enviro-Terror strategies all over again.

Environmental-Terror-Organization

10 to 15 per cent of people living near Wind Turbines say THEIR HEALTH HAS BEEN AFFECTED

A Health Official who suspects a link between wind turbines and ill health accused an Environmental-Terror-Organization of TWISTING HER WORDS to claim precisely the opposite.

Dr. Hazel Lynn, Chief Medical Officer of Health in Huron and Bruce counties, in the Province of Ontario, was OUTRAGED when Canadian Association of Physicians for the Environment sent out a media release that suggested she had disayowed the link.

According to Dr. Hazel Lynn —

<< It's ridiculous. >>

Dr. Lynn estimates between 10 per cent and 15 per cent of people living near Wind Turbines in her area say THEIR HEALTH HAS BEEN AFFECTED.

Dr. Lynn says it is not clear if turbines cause physical harm, or stress that brings on poor health, but the concerns are real, and need to be examined.

Prohibition-Terrorist-Organization

According to Dr. Hazel Lynn —

- Many people, in many different parts of Grey Bruce and South-Western Ontario have been DRAMATICALLY IMPACTED BY THE NOISE AND PROXIMITY OF WIND FARMS. To dismiss all these people as eccentric, unusual, or as hyper-sensitive social outliers does a disservice to constructive public discourse and short-circuits our opportunities to learn and benefit from their experiences as we continue to develop new wind farms. >>
- << It is apparent that a minority of those people living or situated near Industrial Wind Turbines may EXPERIENCE DRAMATIC, NEGA-TIVE IMPACTS. We cannot pretend this affected minority doesn't exist. A determination has to be made as to what level or extent of negative impacts is tolerable. >>

Those findings were conveniently NOT mentioned by the Canadian Association of Physicians for the Environment (CAPE) when it issued a release that highlighted two lines from Dr. Lynn's seven-page report — that most people don't complain of ill effects from Wind Turbines. [?!?!]

According to Gideon Forman, a Fund-Raiser for CAPE who has ABSOLUTELY NO SCIENTIFIC BACKGROUND or EXPERTISE in regarding Wind Turbines —

<< Forty years of science suggests Wind Turbines do not harm human health. >> [?!?!]

Forman linked Dr. Lynn's report to a review done last year by Ontario's chief medical officer of health, a review Lynn publicly objected to because it excluded a section on community harm.

The study found the scientific literature does not demonstrate a direct causal link between wind turbine noise and adverse health effects. >> [?!?!]

SUBVERSIVE CAPE-Lunatic-Lobbyists have CONSPIRED towards NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products that are otherwise FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE

DESCRIPTION OF REPUGNANT-CAPE

Canadian Association of Physicians for the Environment (CAPE) is an ENVIRONMENTAL-TERROR-ORGANIZATION that has CONSPIRED to ANNIHILATE the entire Modern Professional Lawn Care Industry by PROMOTING the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products that are otherwise FEDERALLY LEGAL, SCIENTIFI-CALLY SAFE, and TOTALLY IRREPLACEABLE.

PROHIBITION has led to LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UN-EMPLOYMENT, inflicting TERROR, DESPAIR, and DESTITUTION on THOUSANDS of hapless victims throughout the Professional Lawn Care Industry.

CAPE is a VAST FUND-RAISING MILLIONAIRE MULTI-MILLION DOLLAR PROFIT-MAKING MACHINE operated by a handful of Enviro-Lunatic-Activists who are PAID-FOR-PROFIT as SUBVERSIVE LOBBYISTS with a mandate to COERCE, INTIMIDATE, MIS-INFORM, and ALARM the public.

CAPE has also set its sights on the ANNIHILATING the GOLF INDUSTRY! — CAPE has publicly stated that it does not want ANY PROHIBITION EXCEPTIONS for the Golf Industry.

MEMBERS OF REPUGNANT-CAPE

CAPE is composed of Enviro-Lunatic-Health-Care-Workers and regular citizens — however, most CAPE members are not even physicians.

REPUGNANT-CAPE represents an INFINITESIMALLY SMALL number of Enviro-Lunatic-Doctors

In fact, CAPE represents an INFINITESIMALLY SMALL number of doctors.

CAPE merely represents LESS THAN 4 PER CENT of all doctors in Canada.

Moreover, CAPE was created for concealing the EXTREMIST VIEWS of supposedly moderate professionals, such as Enviro-Lunatic-Health-Care-Workers (i.e. Doctors and Nurses).

Such views are evident within CAPE since one of its co-founders later became the first leader of the EXTREMIST Green Party of Canada, which acts as the POLITICAL SHIELD organization for the Environmental-Terror-Movement.

Not surprisingly, NOT A SINGLE CAPE-Lunatic has ANY recognized expertise, training or background in matters concerning pest control products!

CAPE-Enviro-Lunatics have compensated for their lack of expertise by frequently resorting to MYTHS, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, COERCION, MISCONCEP-TIONS, THREATS, TERROR, and PARANOID CONSPIRACIES about pest control products.

SELF-PROCLAIMED MANDATE OF REPUGNANT-CAPE

CAPE is an Environmental-Terror-Organization claiming to be ...

« The national voice of physicians on issues of health and the environment. »

In fact, the principal mandate of CAPE has been to attract MORE MEMBERS, MORE DONA-TIONS, and MORE PROFIT by SCAMMING THE PUBLIC with the CONCOCTION of FRAUDU-

CAPE-Lunatics know NOTHING about pest control products CAPE-Lunatics LIE and LIE and LIE and LIE

CAPE-Lunatics have fulfilled their PRETENTIOUS and SELF-PROCLAIMED mandate by giving FALSE and FRAUDULENT impression that the public is being exposed to cancer-causing agents whenever a pest control product is used in the Urban Landscape. [Wrong!]

Moreover, CAPE-Lunatics have been DESPICABLE in their use the image of CHILDREN as « the ultimate weapon of terror » in order to promote the PROHIBITION of pest control products.

CAPE-Lunatics DO NOT use sound science in their criticism of pest control products.

CAPE-Lunatics are ONLY able to provide information based upon JUNK SCIENCE, thereby avoiding SOUND SCIENCE in order to promote their cause.

CAPE-Lunatics know NOTHING about pest control products.

They LIE and LIE and LIE and LIE.

In fact, pest control products are HEALTH-CANADA-APPROVED and SCIENTIFICALLY SAFE.

CAPE-LUNATIC CONSPIRACIES HAVE NOT SAVED A SINGLE LIFE

REPUGNANT-CAPE has MISAPPROPRIATED the money that it collected from the public and government by SQUANDERING hundreds of thousands of dollars on CONSPIRACIES leading to the NEEDLESS, SENSELESS, and MALICIOUS PROHIBITION of pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

REPUGNANT-CAPE HAS NOT SAVED A SINGLE LIFE or PREVENTED A SINGLE CASE OF CANCER with its PROHIBITION-CONSPIRACIES.

CAPE-LUNATICS COULD NOT CARE LESS ABOUT HEALTH OF THE PUBLIC

Instead of increasing the public's awareness of the largest known preventable causes of cancer, such as smoking and diet, Despicable-CAPE-Lunatics prefer SCAMMING, DECEIV-ING, and ALARMING the public into believing there is some IMAGINARY DANGER with conventional pest control products.

Rather than providing information for improving the lifestyle choices of the public that could, without a doubt, actually save lives, Despicable-CAPE-Lunatics prefer concocting MYTHS, DECEPTIONS, FEAR-MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, TERROR, and PARANOID CONSPIRACIES about conventional pest control prod-

PRINCIPAL INTERESTS AND AGENDAS OF REPUGNANT-CAPE

ONE — The ACQUISITION AND RETENTION of massive amounts of PROFIT from government grants, the private sector, and individual memberships.

When given some power and money, CAPE-Lunatics feel compelled to impose their personal life style-choices on society.

They do so by mis-representing the existing facts, and hence gleefully avoiding SOUND SCIENCE in order to promote their cause.

TWO — The ACQUISITION and RETENTION of FAME, CELEBRITY, AND POWER.

Many CAPE-Lunatics are narrow-minded and little people who are laymen, and do not even have high education, or possess a degree of any kind.

Some CAPE-Lunatics feel compelled to make public appearances in laboratory coats.

CAPE-Lunatics falsely present themselves as medical doctors, or as experts in the Green

CAPE often uses a mere 20-year-old uneducated secretary to provide inexperienced techni-

CAPE-Lunatics DO NOT KNOW WHAT THEY ARE TALKING ABOUT.

CAPE-Lunatics HAVE ISSUES.

ACCOMPLISHMENTS OF REPUGNANT-CAPE

2003 — City of Toronto PROHIBITION of pest control products — CAPE-Lunatics provided SUBVERSIVE testimony during the pesticide by-law hearings.

2008 — Government of Ontario PROHIBITION of pest control products — CAPE-Lunatics played key role in the SUBVERSIVE lobbying of Government Officials.

REPUGNANT-CAPE IS MORE KNOWLEDGEABLE THAN HEALTH CANADA ?!?!?

NO!

CAPE-Lunatics have conveniently considered the hundreds of qualified scientists of Health Canada's respected Pest Management Regulatory Agency to be incompetent and/or incapable of arriving at correct scientific findings concerning conventional pest control products.

In order to allow SOUND SCIENCE to be effectively practiced, it would be preferable leave the interpretation of scientific research about pest control products to those people who ARE competent to do it — Health Canada, and NOT CAPE.

NO pest control product can be sold or used until Health Canada's scientists have evaluated ALL the existing evidence to determine whether the product meets stringent health and safety requirements.

Conventional pest control products are SCIENTIFICALLY SAFE since they have been scrutinized and approved by the HUNDREDS of expert scientists at Health Canada!

Overall, when they are used properly, there are NO harmful irreversible effects to health and the environment!

BUDGET AND FINANCING OF REPUGNANT-CAPE

The cost of a CAPE membership is one hundred dollars per year.

The CAPE operating budget appears to be less than 1,000,000 dollars per year, sustaining about a dozen employees.

CAPE is MASSIVELY FINANCED by government and private sources with PROFIT that sustains a mere dozen CAPE-Lunatic employees with SAFE, SECURE, GUARANTEED, and WELL-PAYING ENVIRO-TERRORIST-JOBS. (i.e. employed as Environmental-Lunatic-Activists.)

Furthermore, the systematic PROHIBITION of conventional pest control products is a means are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

Coincidentally, CAPE was provided with large sums of money by private and public funding organizations during the period of time covering the public debates on the Toronto PROHI-BITION and the Ontario PROHIBITION (2001–2008).

It is clear that the money helped pay for infra-structures and salaries for the purpose of influencing public policy concerning the NEEDLESS, SENSELESS, and MALICIOUS PROHIBI-TION.

HISTORY OF MEMBERSHIP AND FUNDING OF REPUGNANT-CAPE

PROH	IBIT	ION
F\	/FNT	Г

enacted by the Town of Hudson which prohibited the use of pest control products for the Professional Lawn Care Industry and Do-It-Yourself Homeowners. Agriculture and Golf Industries were excepted.

The Province of Quebec moved to prohibit the use of professional lawn care products over a three-year period.

The City of Cobalt became the first municipality in the Province of Ontario to enact a by-law restricting the use of pest control products.

ONTARIO SUPPORT OF REPUGNANT-CAPE

CAPE has been MASSIVELY FUNDED by The Ontario Trillium Foundation (OTF), the finan-Terrorist-Organizations like CAPE.

Here are some examples —

- 55,000 dollars (2002–2003).
- 200,000 dollars over a three-year period (2006-2007) to strengthen CAPE operations,

In other words, the government was secretly supplying CAPE with the PROFIT that it needed to CONSPIRE to PROHIBIT legal and safe pest control products.

In essence, hard-earned tax dollars obtained from the Green Space Industry were refunnelled by Basterd-Lunatics of The Ontario Trillium Foundation to allow CAPE to further wreak its havoc.

Do we hear the phrase « our tax dollars working against us ???»

Every word that written and spoken by a CAPE-Lunatic-Basterd is a LIE and a DECEPTION, including 'and' and 'the'

THE CARNAGE CAUSED BY CAPE-LUNATIC CONSPIRACIES

According to observers, there are CONSEQUENCES of the CAPE-LUNATIC CONSPIRACIES.

If Canada is to become a haven for ENVIRONMENTAL-TERRORISM activity, companies and investors will SHUN CANADA, and GO ELSEWHERE!

There are now very clear indications that this is occurring in the Pest Control Product Industry.

It will be many years before anybody realizes that the Canadian market is now FINISHED as far as many chemical manufacturers are concerned.

For the foreseeable future, Canada will NO LONGER BENEFIT from ANY additional investment regarding new technologies applicable to pest control products.

That's it. Game over.

Just like the companies that vacated the Province of Quebec in the 1970s because of a new separatist government, chemical manufacturers have already planned their exodus from Canada.

These manufacturers abhor operating in markets made UNSTABLE by TERRORISM, whether it is political or environmental.

Consequently, the manufacturers are TERRIFIED at the prospect of investing hundreds of millions of dollars on the research and registration of new products in an unstable Canada.

The exit strategies are now assured.

This exodus will apply to ALL manufacturers and distributors of pest control products that are, in fact, FEDERALLY LEGAL, SCIENTIFICALLY SAFE, and TOTALLY IRREPLACEABLE.

There are CONSEQUENCES to the REPUGNANT-CAPE Legacy.

The CARNAGE caused by CAPE-LUNATIC CONSPIRACIES has led to DESTROYED ECONO-MIES, LOST JOBS AND HARDSHIP FOR PEOPLE, and WEAKENED COMMUNITIES.

> The CARNAGE caused by CAPE-LUNATIC CONSPIRACIES has led to DESTROYED ECONOMIES, LOST JOBS AND HARDSHIP FOR PEOPLE, and WEAKENED COMMUNITIES

Force Of Nature presents THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG). It is a series of Reports destined for the Green Space Industry, the Environmental Terror Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas. The information presented in Force Of Nature has been developed for the education and entertainment of the reader by providing a sequence of historical events WITH COMMENTARY. The neutrality of these Reports might be disputed. Don't thank us. It's a public service. And we are glad to do it.

HUJE are identified on the basis of their statements, activities, affiliations, and whereabouts. Even though each Enviro Lunatic Culprit is a misguided adversary, each still deserves our respect. The use of the terms Lunatic, Maniac, Culprit, Terrorist, or Basterd are not accusations of any legal wrong doing. Force of Nature is simply holding Enviro Lunatic Activists accountable for conspiring to change public policies that TERRORIZE, HARM, and THREATEN the Green Space Industry.

HUJE is a term used to describe Enviro Lunatic Activists that routinely concoct FEAR MONGERING, FRAUDULENT LIES, MISCONCEPTIONS, COERCION, THREATS, DECEPTIONS, TERROR, and PARANOID CONSPIRACIES that are DESIGNED to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with conventional pest control products. HUJE also SCAM and DECEIVE Government Officials into the NEEDLESS, SENSELESS, and MALICIOUS CONSPIRACY to PROHIBIT conventional pest control products that are FEDERALLY LEGAL, SCIENTIFICALLY SAFE, TOTALLY IRREPLACE-ABLE, and ABSOLUTELY INDISPENSABLE.

HUJE have created LOSS OF REVENUES, BUSINESS FAILURES, BANKRUPTCY, and UNEMPLOYMENT, inflicting DESPAIR and DESTITUTION for THOUSANDS of hapless victims throughout the Green Space Industry. The DEPRAVED INDIFFERENCE of Lunatic Culprit Terrorist Basterd HUJE is viewed as a form of TERROR, HARM, and THREAT against the Green Space Industry.

This Report provides NO guarantee regarding accuracy or completeness. In no event shall Force Of Nature be liable for any incidental or consequential damages, lost profits, or any indirect damages. Force Of Nature is TOTALLY INDEPENDENT of any trade association or business operating within the Green Space Industry. The events, characters, companies, and organizations, depicted in this Report are not always fictitious. Any similarity to actual persons, living or dead, may not be coincidental. All information, excerpts, and pictures contained in this Report were found somewhere on the Internet, and may be considered in the public domain, serving one of the following purposes — archive, education, promotion, publicty, or press release.

Force Of Nature, and its various incarnations, is the brainchild of William H. Gathercole and his colleagues. Mr. Gathercole is a principal FOUNDER of the Modern Professional Lawn Care Industry in BOTH Ontario and Quebec. He holds a degree in Horticulture from the UNIVERSITY OF GUELPH, and another pure and applied science degree from McGILL UNIVERSITY. He has worked in virtually all aspects of the Green Space Industry, including GOLF, PROFESSIONAL LAWN CARE, and CHEMICAL INDUSTRY, and has served in environmental compliance, government negotiations, public affairs, and work-place safety. Mr. Gathercole has supervised, consulted, programmed, and/or overseen the successful and safe execution of HUNDREDS OF THOUSANDS of pest control applications in the urban landscape. He has trained, instructed, and consulted with THOUSANDS of turf managers and technicians. Mr. Gathercole has also been an agricultural agronomist. For many years, Mr. Gathercole was a contributing columnist for TURF & Recreation Magazine, Canada's Turf and Grounds Maintenance Authority.

Mr. Gathercole and his colleagues have followed the evolution of LUNATIC ENVIRONMENTAL TERRORISM for over a quarter century. For FIFTEEN YEARS, the strategies designed and implemented by Mr. Gathercole and his colleagues guaranteed the control of the VERMIN OF ENVIRONMENTAL TERROR for the entire Modern Green Space Industry across Canada. Their involvement in Environmental Issues reached a fevered pitch in the 1990s, when he orchestrated, with his colleagues, legal action against the Forces of Environmental Evil in the Town of Hudson. Quebec.

Foday, Mr. Gathercole is the ONLY TRUE RELIABLE WITNESS of the Hudson Affair. Mr. Gathercole is personally credited for crafting the Golf Industry Exception Status that endures to this day. He is also the creator of the signs that are now used for posting after application. His vast knowledge of our long journey with Environmental Issues is UNDENIABLE—
