LETTER TO THE EDITOR

RESPONSE TO WARREN BELL

THE DAILY NEWS

KAMLOOPS, BRITISH COLUMBIA

Bell Is UNABLE To Provide Bodies, Bodies, Bodies

The public must be warned that the issues concerning pest control products are CONTROVERSIAL only because they were CONCOCTED by Warren Bell and his buddies.

Unfortunately, Bell is UNABLE to provide bodies, bodies, bodies.

Bodies of REAL evidence.

Bodies of REAL evidence, and NOT JUNK SCIENCE REPORTS that have been DOMESTICALLY AND INTERNATIONALLY REFUTED AND DISCREDITED.

Bodies of REAL evidence, and NOT JUNK SCIENCE REPORTS that have NEVER been made available for independent review.

Bodies of REAL evidence, and NOT JUNK SCIENCE REPORTS intended to DISCREDIT the work of REAL experts, such as Health Canada.

Bodies of REAL evidence, and NOT « *secret evidence* » or DEBUNKED REPORTS.

More specifically, medical records, medical records, medical records.

More specifically, Bell needs to provide verifiable medical records.

Bell claims to have practiced medicine for 32 years.

Where are HIS medical records !?!?

Who are, or were, those people ALLEGEDLY harmed by pest control products ?

Where are the medical records ?

Make them available for public review.

Bell MUST STOP using « *secret evidence* » and DEBUNKED REPORTS.

Unfortunately, Bell is UNABLE to provide bodies, bodies, bodies.

Scientifically Safe

What does Bell have as reference sources ?

Anti-Pesticide references from GOOGLE and WIKIPEDIA.

Big Whoop !

In other words, Bell has SQUAT !

In comparison, overall, pest control products ARE scientifically-safe according to ...

... American Council for Science and Health, American Cancer Society, CropLife Canada, Health Canada, The Fraser Institute, U.S. Environmental Protection Agency, and more.

These references are certainly MORE CREDIBLE than GOOGLE and WIKIPEDIA.

Who Is Warren Bell ?

Bell is NO expert on pest control products.

Bell has ABSOLUTELY NO background, training, or experience concerning pest control products, making his opinions FLAWED, DISTORTED, VALUELESS, and WORTHLESS.

Reportedly, Bell is an out-spoken expert on NEAR-DEATH OR OUT-OF-BODY EXPERIENCES.

Additionally, it has been reported that Bell is part of a group that attempts to PURGE JEWS from organizations like World Medical Association.

Bell's name appears among a list of ANTI-SEMITIC Activists.

This list was obtained through Google, and this information is every bit as CREDIBLE as the Google Anti-Pesticide references that Bell has provided the public.

Through Google, Warren Bell is a JEW-HATING GHOST-WHISPERER (?)

Do we believe these stories ?

Nah !

The Google stories concerning Bell are NO MORE CREDIBLE as those ALLEGING that pest control products somehow CAUSE HARM.

No Expert

Bell is NO CREDIBLE expert on pest control products, and neither are any of his buddies.

The problem with Bell reflects the overall larger problem with ALL Anti-Pesticide Activists.

There are NO Anti-Pesticide Activists who are scientists or researchers with credentials in the field of pest control products.

NONE !

Bell has expressed MOCK-CONCERN for representatives of the manufacturing industry who are trying to protect their businesses.

Who can blame them for protecting their investments, and, at the very least, these people have EXPERTISE that Bell CLEARLY DOES NOT POSSESS.

Bell has also expressed MOCK-CONCERN about the unwillingness of manufacturers to upgrade to so-called less toxic Green Alternatives.

Which Green Alternatives ?!?!

Name them. Name the ones that are somehow less toxic.

Again, Bell has SQUAT !

There are NO viable, efficacious, or economical Green Alternatives available to replace conventional pest control products — and they are mostly BOGUS, INEFFECTIVE, STUNNINGLY EXPENSIVE, and often MORE TOXIC !

Hidden Agenda

DOES Bell have a HIDDEN AGENDA ?

Of course ... PROFIT.

Bell has a HUGE VESTED INTEREST IN PERPETUATING IMAGINARY DANGERS about these products.

Doing this attracts HUGE SUMS OF PROFIT to his organizations, in the form of MEMBERSHIP, DONATIONS, and GOVERNMENT GRANTS.

Bell's Anti-Pesticide Organizations are Canadian Association of Physicians for the Environment (CAPE) and Canadian-Cancer-Society (CCS).

Bell also has a HUGE VESTED INTEREST IN PERPETUATING IMAGINARY DANGERS about pest control products BECAUSE HE IS PAID TO DO SO.

On top of his 165,000-dollar-per-year salary at Shuswap Lake General Hospital, Bell is PAID UNFATHOMABLY VAST SUMS OF MONEY by Canadian Association of Physicians for the Environment (CAPE) and Canadian-Cancer-Society (CCS).

Observers question how Bell can properly perform his duties as a GOVERNMENT-HEALTH-OFFICIAL with a without being in SEVERE CONFLICT-OF-INTEREST WITH HIS PARTISAN ANTI-PESTICIDE ACTIVITIES.

What Is CAPE ?

The primary reason for the existence of CAPE and CCS has NOTHING TO DO WITH HEALTH or ENVIRONMENT, but has everything to do with BUSINESS, CASH-FLOW, PROFIT, MEMBERSHIP, DONATIONS, and GOVERNMENT GRANTS.

The Anti-Pesticide Organization that Bell co-founded, CAPE, is a TAX-EXEMPT MONEY-GRABBING FUND-RAISING FOR-PROFIT NON-EXPERT Anti-Pesticide Organization.

CAPE is CERTAINLY NOT a science or research organization.

Moreover, the VAST MAJORITY of CAPE members ARE NOT EVEN PHYSICIANS.

In fact, CAPE represents an INFINITESIMALLY SMALL number of doctors.

CAPE merely represents LESS THAN 4 PER CENT of all doctors in Canada.

Ruined Investments

Bell expresses MOCK–CONCERN about manufacturers that worry about the British Columbia government's plan to limit the use of pest control products in the Urban Landscape.

You bet !

These manufacturers have INVESTED HUNDREDS OF MILLIONS OF DOLLARS in order to satisfy the MOST STRINGENT REQUIREMENTS TO ENSURE SAFETY FOR HEALTH AND THE ENVIRONMENT.

The PROHIBITION of pest control products LEADS TO THE RUIN OF THEIR INVESTMENTS.

What are Warren Bell's STRINGENT REQUIREMENTS ?

He has NOTHING, and he has SQUAT !

Furthermore, how much money has CAPE and CCS provided to ENSURE that ALL of the AVAILABLE EVIDENCE ENSURES THE SAFETY of pest control product ?

Zero ! Zilch !

How much money has CAPE and CCS SQUANDERED on Anti–Pesticide Campaigns ?

HUNDREDS OF THOUSANDS OF DOLLARS !

Paid by TAX–FREE GOVERNMENT GRANTS and PUBLIC DONATIONS.

Misappropriation of Public Funds

CAPE and CCS ARE GOVERNMENT-FINANCED WITH TAX-FREE MONEY.

Observers suggest that these organizations are MISAPPROPRIATING PUBLIC FUNDS.

These organizations were NEVER MANDATED to SPEND HUNDREDS OF THOUSANDS OF DOLLARS on Anti-Pesticide Campaigns.

It is time to DEMAND a REVOCATION of their REGISTERED CHARITY TAX-EXEMPT STATUS !

TAX-EXEMPT STATUS of Greenpeace has already been REVOKED ... yet another Anti-Pesticide Organization that MISAPPROPRIATED its funds.

IT IS TIME TO RAT THEM ALL OUT TO BUSINESS, FUND-RAISING, GOVERNMENT, and TAXATION AGENCIES !
