## CAPE-FANATICS ARE DESTROYERS OF BUSINESSES & EMPLOYMENT !

CAPE-fanatics conspire to prohibit pest control products that are, in fact, Health-Canada-approved, federally-legal, scientifically-safe, and practically-non-toxic. They operate as hired guns and illegal lobbyists. They have NO recognized expertise, NO training, and NO background in matters concerning pest control products. They are paid to coerce, intimidate, and terrify government officials by concocting fraudulent lies and imaginary danger about pest control products. Because of subversive anti-pesticide conspiracies by CAPE-fanatics, extensive damages in the Ontario professional lawn care industry surpassed 500,000,000 dollars, with over 800 business failures and bankruptcies, and over 12,500 unemployed. Over 70 per cent of professional lawn care customers have been annihilated. Because of subversive anti-pesticide conspiracies by CAPE-fanatics, professional lawn care businesses have been forced to terminate many or most of their employees. It is ironical that CAPE-fanatics obtain safe, secure, well-paying jobs ... at the expense of the jobs they destroy in the professional lawn care industry. There is no recourse but litigation against CAPE-fanatics. CAPE must suffer the cancellation of government grants and revocation of its tax exempt status.
