

Green Prosperity

A healthy environment for healthy people and a healthy province

Q&A with John Wilkinson - Liberals

Q&A with Peter Tabuns - NDP

Q&A with Mike Schreiner - Green

Ontario Election 2011

Where do the parties stand?

clean air clean water climate change energy transit and traffic great lakes healthy food endangered species far north nuclear greenbelt

Protect electricity consumers from the high costs of nuclear power by removing the cap on green energy and conservation

The path to a green and prosperous Ontario

1. [Protect electricity consumers from the high costs of nuclear power by removing the cap on green energy and conservation](#)
2. [Promote clean manufacturing to reduce air polluting emissions](#)
3. [Reduce congestion by giving commuters better transportation choices](#)
4. [Create a Great Lakes Act that recognizes the central place of our four Great Lakes in a healthy Ontario](#)
5. [Strengthen and protect the Greenbelt and Ontario foodlands](#)
6. [Protect Ontario's Boreal Forests and Waters](#)
7. [Help farmers and landowners safeguard and expand habitat for Ontario's hundreds of endangered plants and animals](#)

Green Prosperity is a joint effort by 21 of Ontario's leading environmental organizations to put forward an action agenda for the province that we believe will help make Ontario a world leader in the new green economy.

This project is funded by the [Ontario Trillium Foundation \(OTF\)](#), an agency of the Government of Ontario.
