The following requirements are part of the application and must be provided. Incomplete applications will be returned to the applicant.

In addition to the General Application Requirements included on the Application Form, the following items are required for all Golf Course applications.

- ☐ A Site Plan of the entire application area, drawn to scale with a north arrow, identifying the location of all improvements (buildings, structures, roads, powerlines, fences, etc.) in relation to the boundaries of the tenure area and other legal boundaries.
 - The Site Plan should, as a minimum, identify:
 - Location and size of all improvements;
 - Indicate if there will be a residential component;
 - Source of water;
 - Means of sewage disposal;
 - Proposed road access and/ or parking; and
 - Utilities.
- ☐ A technical assessment of the area, including a detailed contour topographic map (1:5000 scale and 20 meter contours).
- ☐ A copy of the State of Title Certificate of the private property that is being accessed (if applicable).

AND

- ☐ A [Management Plan](#), signed and dated, which includes the project overview, project description and additional information as necessary.

Section B – Project Description

Project description of Phase 1 in detail with subsequent phases in conceptual form.

I. Environmental Considerations

- Management of fertilizers;
- Management of pesticides and herbicides/pest management;
- Forestry issues;
- Protection of riparian areas;
- Water supply;
- Solid and liquid waste management;
- Bear and other wildlife management issues;
- General land use on adjacent parcels; and
