COVID-19 - Update

Dear Golfers,

We want to assure you that we take the health and well-being of our community, customers, and employees very seriously. Like you, we're closely monitoring the quickly developing effects of the COVID-19 pandemic.

It is with regret that we tell you that effective immediately, we have temporarily closed both golf courses and both clubhouses.

We are very grateful for the kind words of support over the past days and are proud of the job we did to protect both customers and employees from being exposed to the virus.

We will continue to monitor the COVID-19 situation and will follow guidance from public health officials and government agencies, so that we can reopen the golf courses as soon as we are able. We know how proud you are of the course and we promise to take very good care of her in your absence. Watch our social media feeds for pictures of sunrises, blooms, eagles, and wildlife; all the things that enhance your day on the course.

Members will hear from us over the coming days with respect to all issues regarding your Club Membership status. Please be patient as we will not be answering the phone right away. Email will be our only form of communication for a while.

Please stay safe.

The Cordova Bay Team

Cordova Bay Golf Course, [5333 Cordova Bay Rd.](#), Victoria, BC V8Y 2L3 Canada
