QUOTES:

Matt Ryan, Monterey, California

Describes the course as "spectacular" and "The natural beauty of the course is something that shouldn't be disturbed; it's breathtaking". Matt says after playing world-renowned courses at Pebble Beach, Spyglass and others in Scotland and New Zealand, Fiddler's Green is among his favourites.

Columnist Liz Leighton; "an environmental philosophy which presents this course as an exemplar of modern thinking about golf courses" and "I drove down the winding road to encounter the magic of Fiddler's Green."
