*As long as the world shall last, there will be wrongs,
and if no man objected and no man rebelled,
those wrongs would last forever.*

— Clarence Darrow, Lawyer

The production organization of Force Of Nature, and its various fore-runners, have followed the evolution of LUNATIC ENVIRONMENTAL-TERRORISM for over a quarter century, as early as 1982.

Force Of Nature Reports are THE WHOLE TRUTH FROM AN INDEPENDENT PERSPECTIVE from National Organization Responding Against HUJE that seek to harm the Green Space Industry (NORAHG).

This is what we do. Don't thank us. It's a public service. And we are glad to do it.

The Force Of Nature Library of Reports contains PESTICIDE TRUTHS and OTHER FACTS with Library, History, Links, News, and Videos destined for the Green Space Industry, the Environmental-Terror-Movement, Governments, and the Media, nationwide across Canada, the United States, and overseas.

Many FON Reports provide a sequence of historical events WITH COMMENTARY, the neutrality of which might be disputed.

It is a LINK DATABASE created to support efforts to fight and exterminate the Environmental-Lunatic-Vermin with reports developed for the education and entertainment of the reader.

Environmental-Lunatic-Vermin, or HUJE, are Lying Sacs of Cwap who rely of Junk Science, Fear-Mongering, and Terrorism to SCAM and DECEIVE the public into believing there is some IMAGINARY DANGER with the use of conventional pest control products that are otherwise SCIENTIFICALLY SAFE for health and environment.

Force Of Nature Reports were launched for CONTINUOUS transmission on the Internet on January 1st, 2009. However, the VERY FIRST Stand-Alone Force Of Nature Report was issued on September 19th, 2008.

By early 2009, the reports were released no more than five times per week, but by August 25th, 2009, Force Of Nature was produced on a DAILY basis.

On March 15th, 2010, Uncle Adolph independently launching the Blog-Site called Pesticide Truths, for the posting of information right-off-the-press.

<http://uncleadolph.blogspot.com/>

Uncle Adolph is an organization that operates INDEPENDENTLY from NORAHG and Force Of Nature, and its activities are restricted to posting and archiving.

By May 27th, 2010, Uncle Adolph expanded Pesticide Truths to a SECOND Blog-Site, and independently acquired the rights to archive The ENTIRE Force Of Nature Library of Reports through a Link Database called Scribd. <http://pesticidetruths.com/> 71,000+ Reads So Far

By mid-December 2010, The Force Of Nature Library of Reports was FULLY SUMMARIZED and CROSS-REFERENCED. <http://pesticidetruths.com/toc/>

ENVIRO-LUNATIC-EXTORTION With Local Residents Who Are Profiteering-Prostitutes
Who COULD NOT CARE LESS ABOUT THE ENVIRONMENT — Audio from Carlson Slide
Presentation

Summary —

The Vineyard Golf Club is somehow seen as some kind of environmental pioneer, with many in the golf industry examining their methods — Why ?

The techniques used at Vineyard are seen as a possible TEMPLATE for so-called CHEM-JUNKIE or CHEMICAL-DEPENDENT GOLF COURSES — Why ?

In fact, Vineyard serves as a TEMPLATE for FEEDING PROFIT TO COERCIVE-ENVIRO-LUNATICS

Vineyard also serves as a TEMPLATE for INFLICTING CARNAGE by converting the professional labour force of the Golf Industry into a group of mere COTTON-PICKERS !

NO NEED for specialized pest control technicians ... staff are used a COTTON-PICKING-NIGGERS to PULL WEEDS OUT BY HAND — There is NO LONGER a need to send golf course technicians for ANY special training — All they need to know how to do is BEND OVER and PULL — At Vineyard, the Golf Industry has REGRESSED by SEVENTY-FIVE YEARS

The concept at Vineyard is so-called alternative maintenance techniques that are REALLY NOTHING NEW ... more disease-resistant grasses, as well as KILLING WEEDS WITH BOILING WATER and REMOVING MOSS WITH KITCHEN DISH DETERGENT — Grub control is VIRTUALLY IMPOSSIBLE

Oh, in case you're wondering, what is the cost of membership at The Vineyard Golf Club ? — There are costs for ORDINARY golfers, and a SPECIAL cost for COERCIVE-ENVIRO-LUNATIC-GOLFERS

*For ORDINARY GOLFERS, the initiation fee is 350 THOUSAND DOLLARS
with annual dues of 12 THOUSAND DOLLARS*

*COERCIVE-ENVIRO-LUNATICS were given MILLIONS OF DOLLARS IN
BENEFITS*

*As a condition of its original construction, 125 island residents used
environmental issues as a PRETEXT to get STUNNINGLY CHEAPER
initiation fees and annual dues — these COERCIVE-PROFITEERING-
RESIDENT-ENVIRO-PROTITUTES MUST BE ACCEPTED AS MEMBERS with NO
initiation fee and annual dues of ONLY 725 DOLLARS*

Who says being an COERCIVE-ENVIRO-LUNATIC is not profitable !?!?
